Chapter 2635

"There are more non-human words, do you want to try it?"

Ji Ziyuan raised his head sarcastically, "I'm hurting my leg right now, so it's hard for me to greet you in a friendly way, even if you're my mother. Now , what kind of onion is she."

Ji Mu was almost angry, "We care about you, Tang Qin is still my savior."

"Yeah, for your sake, I will give her whatever resources she wants. , still not satisfied, let me marry her, and let me greet her?"

Ji Ziyuan mocked, "If it wasn't because you needed her blood, she could appear in front of me again and again and ask for it?"

" You..."

"Auntie, it's alright." Tang Qin stopped Ji's mother and forced a smile: "Ji Shaogang was injured, and he was in a bad mood, so I'll leave first and see him another day."

Originally Tang Qin I really wanted to stay, but Ji Ziyuan's mouth became more and more vicious.

It wasn't so obvious before.

Recently, Ji Ziyuan is looking down on her more and more.

She's not that completely shameless either.

"Okay, then be careful on the road." After seeing her leave, Mother Ji felt very sorry.

It wasn't until there were only two people left in the room that Ji's mother walked to Ji Ziyuan's side and said angrily, "Ziyuan, you don't know how to respect people, you know, I

also know that if I weren't your mother today, it's up to you. I don't have the right to make irresponsible remarks on your side, and I don't understand what's wrong with your father's education and I've made you become like this."

"What have I become?"

Ji Ziyuan raised his eyebrows. Eyelid, "If it weren't for me, Ji's family would have gone bankrupt long ago. Would you and Dad be able to eat and drink well in the capital? Also, don't walk too close to Tang Qin. Blood transfusion is blood transfusion. She has ulterior motives."

Mother Ji laughed angrily, "I'm not related to her, she has lost blood to me so many times, of course I have to be nice to her, could it be that she is a kind person who donates blood for no reason? It's you, Would you?"

"..."

Ji's mother: "Blood is precious, but it's not necessarily true, but our blood is really rare. When she finishes transfusion, she may also appear. Risk, she has taken half her life for the sake of profit. She has saved my life several times. You are my son and compensate her for her career. It is normal for each to take what she needs. You don't need to scold so badly."

"As long as she doesn't think about marrying me, she always appears in front of me, and I don't bother to scold her." Ji Ziyuan was the most impatient of others lecturing him.

"I think you have no respect for women at all."

Ji Mu said angrily, "You think you are powerful and superior, and look down on those women. Women in any industry have their own difficulties. You don't need to feel that you are superior to others. If you keep this attitude, those who care about you will not be able to stand it sooner or later."

Ji Ziyuan snorted, "With my identity, someone will naturally post it upside down."

"You are wrong, the woman who is truly cherished is by you. If you are humiliated like this again and again, you will stay away."

Ji Mu said word by word, "Look at your friends, they get married and have children, which one is like you, maybe you think it's okay to live like this, but when you get old, you will find that you still need someone who understands you intimately, and then you will feel lonely."

"Ziyuan, if you don't understand and respect others, you will never be able to gain your sincerity, at least emotionally."

Ji The mother left.

Ji Ziyuan leaned against the head of the bed, rarely distracted.

Over the years, there have been too many women by his side.

But there are so many that I can't even remember what they looked like.

The only thing he could clearly remember was Ning Xiaoxiao.

Even, because of Ning Xiaoxiao, he began to not believe in feelings.

After so many years, the truth is clear.

But in some ways he seems to have formed a habit.

Moreover, sometimes thinking of Ning Xiaoxiao, the whole person seems to become extreme, the mood is irritable, and he can't control his emotions.

If...if Ning Xiaoxiao was by his side, he would definitely not be like this.

After Ji Ziyuan lay in the hospital for three days, Huo Xu learned about his hospitalization and came to see him with fruit.

"It's rare, it's the first time I saw you in hospital." Huo Xu said in surprise, "How did you get hurt?"

"..."

Ji Ziyuan didn't look very good, why did everyone who came had to ask this again question.

As a party, he has no face to say at all.

"What about Jiang Qingxin, can she allow you to come to see me?" Ji Ziyuan changed the subject and picked up an orange and started peeling, "Last time on the court, she didn't like me very much."

Huo Xu felt sad when she mentioned this. , "She, she took her child and Ruan Yan to Hawaii for vacation these two days, and she also played various shows in the circle of friends every day. I guess she got carried away with it."

Ji Ziyuan almost smashed the orange on the spot.

He was lying in the hospital with transfusions every day, but Ruan Yan, the damn woman, was still in the mood to go on vacation?

Doesn't she know that she has been completely blocked by this circle?

Wasn't she in a hurry and didn't want to come over and beg her forgiveness?

For the first time, Ji Ziyuan found that he couldn't understand Ruan Yan's woman.

"Look at your wife's circle of friends." Ji Ziyuan stretched out his hand.

"What are you doing?" Huo Xu looked at her vigilantly.

"Don't worry, I'm not interested in your wife, I just want to see what Ruan Yan is up to." Ji Ziyuan said, holding back his anger.

Huo Xu looked at his temples jumping and jumping, and rarely saw the indifferent Ji Ziyuan get so emotional when he mentioned a woman.

He raised his eyebrows in surprise, "Aren't you attracted to Ruan Yan?"

"I'm very moved." Ji Ziyuan sneered, "It's the kind of temptation that wants to kill her."

Huo Xu was even more amused. , "Interesting, I haven't seen any woman you're so emotional about, but there's no need to look at my wife, just look at Ruan Yan."

He turned on his phone and clicked on Ruan Yanfa's circle of friends yesterday.

Ji Ziyuan was stunned, "You added her? How come I never read about her Moments."

"Oh, obviously, you were blocked by others." Huo Xu pointed out calmly.

Ji Ziyuan: "..."

He grabbed Huo Xu's mobile phone. The latest time Ruan Yan posted was last night. She took a group photo with Jiang Qingxin, Xiaoxi and Leng Leng.
