But how dare you?

Almost killed Gong Qianqiu? ? ?

Xiao Feng was so emotional at this moment that he almost lost control.

That's his woman.

Almost killed by someone.

How could he not be angry?

If this really kills!

Then he can't imagine!

What will he do?

Is it to ignore the question, or to avenge the master?

He can't say for sure!

Although it is the master!

After all, Gong Qianqiu is his woman.

He was killed for no reason, could he not take revenge?

he's not sure how he will be!

But definitely not silent!

At least you have to ask your master to clarify!

"Is this unreasonable? Innocent people are going to be killed?"

"Isn't it found out in the end? Isn't this nonsense?"

...

Xiao Feng is very angry!

Although Gong Qianqiu did not die, he was seriously injured and passed away at the gate of hell.

This is his anger!

Most importantly, for no reason!

Gong Qianqiu is not at all.

This is hurt!

Was wronged, almost killed.

How can this not be angry?

"How could Master do this? I almost killed you!"

Xiao Feng got more and more angry the more he thought about it.

"Xiao Feng, don't be angry, am I okay?"

Gong Qianqiu comforted.

At this moment, Xiao Feng is like an angry beast.

irritable!

Bloodthirsty!

Six parents do not recognize!

You can do anything for the people you love!

He will definitely run wild when he starts to go crazy!

“How can this make me calm down? I really want to go to Master and ask why?”

“Not only yours, but other people are all innocent and killed by Master. He is not an indiscriminate killing of innocent people. “

Xiao Feng was so angry that he couldn't calm down for a while.

“Should I go to Master to have a theory? I can't bear this tone!”

Xiao Feng was about to leave in anger.

Gong Qianqiu immediately stopped: “No! If you go to Master, you will expose me immediately! Master will definitely think that I am a traitor and will immediately kill me!”

“Don't believe this! Master doesn't know me now, but once If you know me, you definitely doubt me, you don't need to ask for proof, you will kill me directly!”

This sentence made Xiao Feng calm down immediately.

He also understands this.

At first, the master was suspicious.

If they knew each other, they would kill them even more.

"It's also fortunate that you revealed my identity to Master! If Master knew about my relationship with you, I would die today! It is because of this relationship that I was identified as an enemy, and I was using you!"

"It happened before the key. Some things can involve me!"

Xiao Feng was anxious: "But all this has nothing to do with you? Everything can be explained!"

"Yes, you can explain it! But can you explain it to Master and the others?"

"If you let them know about this, they will immediately treat me as a spy! Fortunately, they don't know my identity!"

"Next Xiao Feng, you can't reveal my identity, even if the master asks, you can't admit it, you have to try to avoid it..."

Gong Qianqiu asked.

She doesn't want problems with this critical node.

If Levi Garrison knew his identity, it would be over immediately.

"This..."

Xiao Feng hesitated a little more.

Originally, he wanted to take this opportunity to directly confess to Levi Garrison.

Officially introduce Gong Qianqiu to everyone, so as to avoid unnecessary misunderstandings.

But Gong Qianqiu said this, he couldn't help it.

"Okay, I understand!"

Xiao Feng said.

“Don’t worry, my injury will be fine!”

Gong Qianqiu comforted again.

“By the way, Qianqiu, not only did he not tell me where Master is going or what he did, but he also seemed to be avoiding me on purpose...”

Xiao Feng said suddenly.

Gong Qianqiu sighed: “In this case, the master should be suspicious!”
