This Time, I Will Get My Divorce, Mr Chapter 563 - 564

Chapter 563 Toby's Worries

Sonia turned a deaf ear to Jessica's pleas and instead maintained her tight grip on Jessica's hair. Then, she turned on the faucet with her other hand before she clogged the sink.

The moment that Jessica listened to the sound of water running, a huge unease rose in her heart. "What are you doing?"

"What else?" Sonia's red lips curved upward. "You will soon know; you'll definitely remember it for the rest of your life."

"What the f*ck are you talking about? Sonia, hurry up and let me go!" Jessica screamed with rage and tried to grapple with Sonia to break free from Sonia's grip. However, as Jessica had inherited both her mother's Sandra petite height and body shape, she couldn't shove a stronger Sonia aside. It also didn't help that Sonia's strength was fueled by her anger. Thus, as Jessica struggled, not only was she unable to remove her hair from Sonia's tight grasp, she was exhausted and drenched in perspiration.

Jessica reluctantly raised her eyes to stare at Sonia in a deadly manner, her eyes filled with venomous intent. "B*tch, let me go or I'll—"

Her head was pushed into the clogged sink by Sonia before she could even finish threatening Sonia. The cold water instantly entered her eyes, nasal cavity as well as her mouth, making her unable to breathe and causing her extraordinary pain as well as discomfort. Her hands continued to flail violently in the air while Sonia coldly watched.

"You have such a dirty mouth, which is why you need a good wash. Let's see whether you dare to badmouth Dad and other people in that manner next time."

Although Jessica's head was submerged in water and she couldn't speak, she still could hear. When she heard what Sonia had said, she was so angry that she subconsciously

opened her mouth to retort. As a result, the moment she opened her mouth, a large stream of water flooded her mouth and throat, which made her feel even worse.

Sonia trained her eyes on Jessica while silently calculating to yank her out of the sink. After all, she couldn't bring herself to kill the woman if she was disgusted with Jessica. Feeling that the time was almost up, Sonia pulled Jessica's hair to bring the woman out of the water. As Jessica's head tilted upward from the impact, she began to cough violently while looking at the ceiling and panting heavily. She was completely in a mess; her eyes were bloodshot and her eyelashes were wet.

"How does it feel? Your mouth should be a little cleaner, right?" Sonia's gaze was cold as she looked at Jessica.

As Jessica's chest heaved violently, she furiously glared at Sonia. Then, she gritted her teeth and growled, "B*tch, you had the f*cking nerve to—"

Then, a frowning Sonia once again shoved Jessica's head into the water. "It seems that your mouth hasn't been washed clean yet. Why don't we continue?"

An enraged Jessica forcefully closed her eyes and mouth before she continued to struggle underwater in an attempt to shake Sonia's grip off her. However, Sonia had grabbed her by the hair and held onto it and no matter what Jessica did, she couldn't shake Sonia's hand off. Knowing that whatever she did wouldn't succeed, Jessica felt despair, but of course, there was also deep hatred. Her mind was full of the hatred that she couldn't help but open her mouth to curse.

However, since she was in the water, only a completely incomprehensible gurgling sound was heard when she opened her mouth.

Even though Sonia couldn't understand what Jessica had said, she guessed that Jessica was cursing her through the hatred in the woman's tone. Then, she said after a snort, "Jessica, you really can't learn to behave, can you?"

Upon saying those words, she tightened her grip on Jessica's hair and pulled her out of the water again. Just as Jessica opened her eyes and was about to take a breath, Sonia shoved her down into the sink once again. Then, Sonia continued to yank Jessica's head up and forced it down again, repeating the process a dozen times until Jessica was about to collapse.

Sonia's current behavior was even more torturous than her earlier action of submerging Jessica's head in the water for a long time; this was because every time Jessica wanted to breathe a little, the water had snatched that gulp of air. Besides, as a result of her repeatedly experiencing the suffocating feeling from the cold water, she was mentally and psychologically depressed and fearful. Thus, it was obvious from the psychological and physical torture that she would collapse sooner or later. Moreover, her strength had gradually reduced since she had been struggling to resist Sonia.

Sonia was aware that this process could not continue or Jessica would be rendered unconscious, so she pulled Jessica by her hair for the final time and threw the woman against the partition. When Jessica's back slammed into the partition, the impact was so painful that she screamed before her body slid down in a manner that her butt landed on the cold floor first as she gasped for breath.

As she lacked strength at this moment, she couldn't even stand up from the floor. Even at this moment when she looked like she had experienced hell, she still didn't forget to give Sonia a death state. "Just you wait, Sonia. I'll definitely return the favor for today's humiliation and I'll let you experience the same thing!"

Sonia stood in front of the sink and addressed Jessica through the reflection in the mirror while washing her hands. With a smile, she said, "Really? If that's the case, I'll wait for you. Let's see whether you have the ability to do that."

Right after she said those words, she turned after yanking a piece of hand towel from the cardboard box next to her. "If you don't have that ability, you have to kneel in front of Dad's grave and apologize to him."

"On what grounds?" Jessica gritted her teeth.

After Sonia threw the hand towel into the trash can, she replied, "Isn't you being unfilial enough of a reason?"

When Jessica heard that, she fiercely gnashed her teeth.

Sonia was no longer in the mood to talk to her, so she took her purse and elegantly left the bathroom in her heels.

“Sonia!” Jessica roared through her teeth with such volume that it sounded like she wanted to tear Sonia apart. Her eyes were deadly and vicious as she stared at the direction where Sonia left, silently swearing in her heart that when she returned to the country, she would definitely snatch everything from Sonia. Not only that, she also wanted to ensure that Sonia experienced all the pain and desperation that the world could offer. Otherwise, Jessica felt that she couldn’t express her hatred!

On the other hand, Sonia exited the bathroom and headed for the banquet hall. Just as she was about to enter the entrance, she saw a figure dashing out from the hall.

“Toby?” she shouted in a hurry when she saw the man running.

When Toby heard her voice, he stopped in his tracks.

Sonia frowned. “What are you running for? Have you forgotten your injury—”

Before she could even finish her words, he threw his arms around her and pulled her into his embrace. His voice was low and hoarse as he asked, “Where have you been?”

When she heard the worry and anxiety in his tone, she opened her eyes and meekly replied, “I went to the restroom.”

“Why were you there for so long?” Toby slightly loosened his grip on her before he looked at her. “I went to look for you there and waited for almost 20 minutes. Did you really go to the restroom?”

“Of course.” Sonia nodded. “Otherwise, where did you think I went?”

“I thought your sudden disappearance was the result of yet another accident,” Toby answered with a serious and tense expression. “Every time you disappeared last time, you were in trouble whenever I found you. So, Sonia, don’t leave without first notifying me next time, alright? You have no idea how worried I was when I couldn’t find you; I was worried that something had happened to you!”

He could no longer receive news of her in trouble since his heart could no longer withstand any sudden news. So, he was really afraid now that he would die from such stimulation before he could even undergo the heart transplant

Chapter 564 Jessica's Intentions

He would end up leaving her behind once again by that time. So, he absolutely couldn't allow her to be in trouble again. Before going for the heart transplant again, he absolutely mustn't allow himself to be agitated. He needed to survive and live with her for the rest of their lives.

The moment that Sonia heard his worried tone, her heart felt warm as she smiled. "Sorry to have worried you."

Then, she lifted her hand and placed it on his back to pat him twice in an attempt to soothe him, after which he gradually regained his composure and said, "In the future, be sure to let me know when you'll be away for a long time."

He gently released her from his embrace and cupped her face with one hand while admonishingly looking at her. When she saw his solemn expression, she subconsciously nodded. "Okay."

A satisfied Toby's tightly furrowed brows were finally loosened after she agreed to his request. "Is there anything else to do next?"

"Nope." Sonia shook her head. She came to attend Nancy's engagement ceremony and deal with the purchasing rights. Now that both matters were done and dealt with, there was naturally nothing else for her to do.

"Then, let's head back." Toby raised his wrist to take a look at his watch—it was already almost midnight.

Sonia had long wanted to return home; so, when she heard his suggestion, she naturally nodded and responded, "Sure, let's go back."

The two of them walked toward the elevator and soon arrived at the hotel's parking lot. Toby took out his car key and pressed the button on it, resulting in the luxurious Bentley beeping

as its lights flashed. Next, he pulled open the passenger door and gestured for Sonia to get in.

With that, she pulled the jacket draped over her body closer and covered her chest with one hand before she bent down to enter. Just as she stepped into the car with one foot, she suddenly thought of something and retracted her foot, thereafter standing up straight and turning her head to look in one direction.

When Toby saw this, he gently opened his thin lips to ask, "What's wrong?"

Sonia didn't answer but merely pursed her lips. Her face was cold as she stared at a spot some distance away.

Why is her expression so serious? Upon seeing that, he turned his head toward the same direction. It was only at that point when he saw a man and a woman not far away. The man was Will and while he did not know the woman, she was standing next to Will. Coupled with that and Sonia's expression, Toby immediately guessed that the woman was Sonia's sister, Jessica.

Jessica had followed Will to the parking lot as they were ready to leave the hotel and back to the apartment to have some fun. The moment she saw Sonia nearby, she thought of how Sonia had humiliated her earlier in the restroom, which only gave rise to the anger in Jessica's heart. Then, she saw that the man beside Sonia, whose face she couldn't clearly see, was the one who actually unlocked the Bentley and he now opened the door for Sonia. Jessica felt both hatred and jealousy when she saw that scene.

Paradigm Co. was still unable to financially support Sonia with the purchase of such a good quality car although she had already rescued the company, so it could only mean that the man next to her owned the vehicle.

That man is really blind. He's so rich, yet he's interested in a divorcee like Sonia? When Jessica saw the man turn around a second later, she was so stunned that she gaped at the sight of his handsome face. He's damn gorgeous!

She swore that he was the best looking man she had ever seen. Such a man should be standing on a pedestal and unreachable by the common folk, yet he was now standing next to Sonia! Why is this the case? What is so good about a divorcee like Sonia? Why should such a good man with looks and money favor Sonia?

The more Jessica thought about it, the more jealous she was. Her eyes turned scarlet as her face twisted with rage. Beside her was Will, who noticed her sudden change of expression, and he raised his eyebrow before he followed her line of sight to look over, only to notice Toby was there. For a moment, a trace of guilt danced in Will's eyes, but it disappeared just as quickly.

After he straightened his collar and adjusted his tie, he walked toward Sonia and Toby. Since he had already noticed them, he had to say hello, especially when Toby had a much higher status than him.

When Jessica saw Will heading over, her eyes brightened before she hurried after him. "Will, wait for me." Will seems to know this man. Then, in that case, if I follow him, I may also get to know this man. With that, I can remind this man that Sonia isn't a good woman and he should leave her.

Toby saw Will walking over with Jessica from across the street before he turned to Sonia beside him and asked, "Shall we leave?"

Sonia shook her head. "There's no hurry. Since they're coming over, wouldn't we be impolite to leave without greeting them?"

Moreover, Jessica looked provocative and smug, which meant that she was obviously here to cause trouble. Sonia actually wanted to see what Jessica was up to.

When he heard her response, Toby laughed lightly. "You're right. We mustn't be impolite."

With those words, he released his grip on the car door handle and stood beside Sonia. Moments later, Will arrived with Jessica and stopped at a distance of almost three feet away. He first pushed Jessica's hand away from him before he offered Toby a handshake with a flattering smile. "President Fuller, we meet again."

If it were usual times wherein Will had shrugged her hand off like this, Jessica would've been displeased, but she was extremely satisfied with his action at this moment. She didn't want to portray that she had any close contact with Will in front of the other man. While they were at a distance away, she had already noticed his good looks and now that she was up close and personal, she found him to be even better looking, which caused her heart to race. Furthermore, the man's stature and temperament were far beyond Will.

Before this, she had always felt that Will was already the best among men, so she was willing to be affectionate to him and follow him around to keep him firmly in her life so that she wouldn't have to worry about her life. Then, once she used some tricks in the future, she might also be able to marry into the Lazuli Family. However, now that she saw this man, she suddenly realized that Will wasn't that great after all.

With this thought in mind, Jessica raised her head to look at Will and saw the gratifying smile on his face, which resulted in an obvious flash of abhorrence in her eyes. However, it disappeared almost instantly as she hurriedly turned to look at Toby, following which her eyes lit up at once.

Considering Will's attitude toward Toby, it was an indication that his identity was probably exceptional—at least more than Will's. Sure enough, the man whom she was really in search of should have been President Fuller!

As for Will... He was already part of her history.

Clearly, both Will and Sonia noticed Jessica's heated and passionate gaze at Toby. Will's expression stiffened slightly, but he recovered at once and lowered his eyes to hide the coldness within. That woman said that she had loved him before, but now that she had her eye on another man, she couldn't turn away. I'm going to punish her later!

When Will saw that Toby had no intention to shake hands with him, he gave an awkward smile before he withdrew his hand and feigned that nothing had happened. Then, he looked at Sonia instead. "And this lady is..."

"Hello, my name is Sonia Reed." Sonia returned the grin. Her smile was faint and even a little perfunctory because she really didn't want to be well-mannered to a cheater like him.
