

Love At First Night Chapter 6

Chapter 6

Meanwhile, a middle-aged cleaner of the hospital came in

Judith quickly walked over, “Did you see a handkerchief with blood on it when you cleaned up the ward?”

The cleaner shook her head, “Miss, I haven’t cleaned up the ward yet.” Did she leave it in the ambulance? No, she kept holding it in her hand, She quickly took out paper and pen, wrote down her number, and handed it to the cleaner. “This is my phone number. If you found the handkerchief, please call me. I will thank you properly. That handkerchief is very important to me.” “OK, I will call you when I see it.” The cleaner took over the paper and began to clean the room. Judith put the pen away. At this time, her phone rang again. Judith took out her phone and went out. From the beginning to the end, she had never glanced at Frank and Gary. Gary looked at Judith’s back as she left, his handsome face slightly stunned! “Frank, who is this woman? She is in such a hurry, but she is pretty!” Gary narrowed his beautiful eyes. Frank did not say anything. He thought that she used a lame excuse to draw his attention. Countless women tried hard to please him and get close to him.

Frank narrowed his eyes slightly. He looked so indifferent and arrogant that no strangers dared to get close to him. After the cleaner left, Frank lifted the quilt and planned to go home to rest. He hated hospitals.

Suddenly, he saw a handkerchief under the quilt and he narrowed his sharp eyes! She left the handkerchief here when she was sleeping here. “Gary, go get the woman’s phone number from that cleaner. Take this handkerchief back and clean it.” Frank’s smiled playfully. He wanted to

know what tricks Judith was playing. He seemed to have forgotten that Judith just saved his life! “Got it!” Gary understood Frank’s expression and gaze. He quickly turned around to ask for her phone number.

When Judith left the hospital, it was rush hour, and the traffic was very bad.

She stood there for a long time and couldn’t get a taxi, so she called Adam and asked him to pick her up quickly. Otherwise, she would miss Eric’s competition. When Frank and Gary came out of the hospital, they happened to see Judith, who was standing at the roadside. Gary went to get the car, and Frank waited on the spot. Frank had changed his clothes. He looked noble and elegant. He lowered his head and looked at the handkerchief in his hand. Then, he looked up at the beautiful woman who was waiting at the roadside. “Judith, I’m here!” Not far away, a handsome man said to Judith happily on a motorcycle. Judith smiled and ran towards the motorcycle. She sat on the motorcycle, and the motorcycle drove past Frank quickly. “Judith.” Frank stared blankly at Judith’s back as she left, and pain flashed through his deep eyes. Her name was Judith. Under the setting sun, the man’s tall figure seemed to be covered with deep sorrow. He hadn’t heard from Judith for many years. Now that he heard this name, he was in so much pain that he could not breathe. “Frank, get in the car.” Gary stopped the car in front of Frank and waved at him with a smile.
