### Chapter 2655

"Ruan Ruan, in fact, you don't need to go to the mountain village to supervise yourself," Jiang Qingxin felt a little distressed, but also not very relieved, "Those places have strong ultraviolet rays and the environment is difficult."

"That's right, if you are bored, come with us. Take care of the company." Lin Fanyue said carelessly, "Why don't we invest in a project again and again, or we can accompany you on a trip."

She felt that Ruan Yan's affair is now known to everyone, although Ji Ziyuan has received retribution, but Ruan Yan, the party involved, was definitely not feeling well.

"Qingqing and I just came back from our trip," Ruan Yan stood up and hugged them both, "don't worry about me, I'm fine, I'm more invincible than any of you, I just want to see more and do it Charity activities, in addition, since I have donated money, I definitely hope that every penny can be used for those who need it most, rather than being greedy by some people."

"It is a good thing to do charity activities, That being the case, our Yuexinyan Company also donated 500 million yuan," Jiang Qingxin said with a smile, "Anyway, we won't be able to spend all the money we earn, so why don't we all help those in need."

"

any say.

It was still dark, and she took a taxi to the train station.

When she was about to enter the station, someone suddenly came to carry her luggage behind her, "I'll help you with it." A

low voice rang in her ears.

Ruan Yan looked back and met a pair of sword eyebrows.

In the bright morning light, Zhou Mingli was wearing very simple jeans, white T, a black shirt and a large bag behind him.

"You...what are you doing?" Ruan Yan was stunned, and after she reacted, she sank pretty.

"You answer the phone yourself."

After Zhou Mingli took out his mobile phone, he dialed a number and threw it to Ruan Yan.

Ruan's mother's voice came from inside, "Yan Yan, I heard Mingli say that you are going to the northwest alone, no, it's too dangerous, we can do public welfare activities, but we can't go alone, Mingli told me, he I can accompany you."

"Mom, I just went over there to find out the situation first, my team will come over in a few days, and there will be someone to pick me up there." Ruan Yan did not expect Zhou Mingli to contact me. Mother Ruan, the most helpless thing she can do in this world is Mother Ruan.

"Anyway, I'm not worried about you, girl. When you entered the entertainment industry, you asked me not to worry about it, but what happened?" Mother Ruan said, choking up, "You have suffered so much, and you don't tell me, I I only saw it on the Internet, anyway, I will send you over there, I agree, if you want to, wait for your mother to come and accompany you."

"You are not healthy, don't run around, okay, I will let him follow. That's right."

Ruan Yan struggled to comfort Ruan's mother.

She smashed her mobile phone into Zhou Mingli's arms with a bit of depression, "You are too impulsive, follow me all the way over there, don't you want to work, and, do you know that this time you are going to do a public welfare activity? How many reporters and media will be staring at me there?"

"I'm taking annual leave, and I'll take a half-month break. I'll be your bodyguard for the past half-month."

Zhou Mingli took out a pair of sunglasses from his bag and put it on. She smiled and showed a row of white teeth, "Look at me, I don't look like a qualified bodyguard."

"Don't make trouble." Ruan Yan's face was cold and helpless, "I've been making too much trouble recently, Don't look at many people who sympathize with me and stand by my side, but any man who comes close to me will only become a joke for others, especially you..."

"Xiaoxiao, what age is it now," Zhou Mingli interrupted her, "You just don't have that layer of film, don't you? There are more women without a film now."

Ruan Yan's shocked mouth opened slightly.

I just can't believe that he, who has always been strict, would say such words.

"Am I wrong?"

Zhou Mingli asked rhetorically, "Don't try to figure out others with your own thoughts. When people in our team talk about you, they always say admiration in capital letters. Dare to compete with Ji's, it's brave, one billion If you donate a huge sum of money, donate it. This is kindness. Even our president's wife praises you in private. You ask how many people in this world can be like you. To be honest, it will be a joke. Everyone is a person with a bad mind."

Ruan Yan was stunned.

She also knew that Zhou Mingli was comforting her, but his words warmed her heart.

"You said that, I suddenly feel like I'm pretty good. It's a combination of traditional virtues." Ruan Yan laughed at herself.

"Xiaoxiao, you are a victim from beginning to end, but you are still willing to help others. It's already very good, let's go."

Zhou Mingli took all her luggage and said, "From this moment on, I am Your bodyguard."

" ... "

Ruan Yan looked at him quietly for a while, then said helplessly: "Ming Li, you are very good to me, but I am a dead person, I can't help it. Response to you."

"I didn't ask you to respond to me, it's enough to treat me as a friend, friends, help each other, take the train to the northwest, it will take several days, the girl's house is really unsafe, and who knows Ji Will the family take revenge on you on the way?"

Zhou Mingli said frankly, and walked forward with his luggage.

Ruan Yan sighed and could only follow her fate.

Huo Xu was sitting on one side with the microphone, while Ji Ziyuan on the other side was wearing a blue prison uniform. After his hair was shaved, it was easy to lose some of his handsomeness, and to be more angular and unruly.

"I didn't expect that I would be able to chat with you like this in my lifetime." Huo Xu jokingly joked.

"I didn't expect it either." Ji Ziyuan hooked his thin lips mockingly, "This is the most unforgettable moment in my life."

"So I told you not to underestimate women." Huo Xu sighed, "What are you? I have a status, it's not that there are no women, why do I have to force others to do it."

Ji Ziyuan was silent.

In fact, he couldn't do this kind of thing before. In the past, asking a woman was nothing more than taking money. You love me.

But the more Ruan Yan refused, the more itchy he became.

"Maybe...you get agitated when you don't get it."

"But you don't necessarily cherish it when you get it." Huo Xu shook his head, "In the end, you still want to dig a hole for Ruan Yan, I gave her one billion, guess what she did?"

"One billion is a big temptation." Ji Ziyuan said lightly, "She hates me so much, it's not because I didn't give her money or a luxury car. Are you comfortable?"

"You are wrong."

Huo Xu said, "She donated one billion yuan to the poor mountainous areas, and in order to put every penny into practical use, she personally went to the mountainous areas to build schools and hospitals. The incident has been reported even abroad, and major mainstream TV programs are praising her and asking everyone to set an example to her. You ruined Ruan Yan, but also fulfilled her, and pushed her reputation to a peak. I believe that any movie star I can't compare to her after that."

Some women even tried their best to make money from him.

He is also very clear that Ruan Yan has been in the entertainment industry for a long time, and that little money may not be in his eyes, so one shot is one billion.

Once netizens know that Ruan Yan has compensated one billion yuan, the trend on the Internet will definitely change.

When he comes out, maybe he can save some of his image.

It's just that he didn't expect Ruan Yan to be more decisive and smarter than the directors in his company.

Now it's better, he bled a billion, but instead established Ruan Yan's image.

Not only passers-by, but even the country will speak for her.

Just ask, there are several public figures in the world who can be as generous as Ruan Yan.

Ji Ziyuan hated Ruan Yan, but at this moment, he also sincerely admired him.

“No wonder I lost.” He suddenly laughed softly, “I really underestimate her, I am convinced that I lost this game, but I also remember her.”

For Ruan Yan, I no longer feel that There is a bit of Ning Xiaoxiao on her body.

And not just because she’s beautiful.

Ji Ziyuan’s eyes were full of curiosity.

He is not only curious and gnashing of hatred, he also wants to break her arrogance and let her crawl under his feet.

Looking at Ji Ziyuan like this, Huo Xu frowned slightly, “Ziyuan, it’s enough, this time, your image has fallen to the bottom, if you continue to trouble Ruan Yan after you come out, it’s not just you, even the Ji family will bring Come to trouble.”

He is also a man, and he understands the mentality of men too well.

The more you can’t get it, the more intelligent the prey, the more you want it.

Ji Ziyuan's behavior made him very angry, and he didn't even understand how Ji Ziyuan would do such a thing. Jiang Qingxin had been fighting with him all the time.

But when he was in the most difficult time, Ji Ziyuan supported his brother, it was too difficult for him to be caught in the middle.

"What's up with the Ji family?" Ji Ziyuan suddenly sneered, "After I leave, the directors should be ready to move, and the relevant departments should also want to suppress the Ji family.

"You still don't know how to restrain yourself, this time in jail..." Huo Xu sighed, "This aspect of the medical field should change in the future. Ji's family is now under investigation, and many directors put the blame on your Ji family. At present, Cheng Zifeng has been promoted to serve as the interim president, but recently, foreign capital has entered the market, and the following small and medium-sized hospitals have been supported to rise. Obviously, the pattern will change in the future, and Ji's dominance may not appear."

"Ruan Yan should have cooperated with Ji's competitor, she alone is not enough to make Ji's like this."

Ji Ziyuan gritted his teeth secretly, he never imagined that he would take all precautions, and in the end, a woman would ruin the game of chess. .

"Recently, there has been a lot of negative comments about Ji's Hospital. In fact, the local private hospitals under Ji's rely on themselves to be the best local hospitals. Not only do they often receive kickbacks, but their attitudes towards patients and hospital sanitation are not very good. A lot of problems broke out this time."

Huo Xu thought about it and told the truth, "Before the avalanche, not a single snowflake was innocent."

Ji Ziyuan was startled, "You mean I'm not managing it properly?"

Chapter 2658

"You are strict, but across the mountains and rivers, it's normal to disobey managers. In fact, in the final analysis... it's that your Ji family is too strict with your peers and has no competitiveness. Now, if there are not some critically ill patients, many people are reluctant to go to Ji's, which also gives others a chance."

Huo Xu stood up, took the microphone and said earnestly, "Three months later, Mrs. Ji waits for you to come back and change, you should reflect on it in prison."

"Thank you for telling me this truthfully." Ji Ziyuan suddenly laughed, "I'm afraid I won't be angry only if you tell me these words, I wouldn't dare to replace it with someone else..."

"Then do you understand where your biggest weakness is, Ziyuan, men are bigger-minded, we were born with much superiority than ordinary people, so we grew up eating The best, the best education is also the best, but this is not the reason why we look down on others, there are many very smart ordinary people, you just haven't given yourself a chance to discover."

Huo Xu said: "I know why I Do you understand this, because I have also been down, I have lost everything, I can understand the difficulty of ordinary people, and everyone is worthy of respect."

He sighed softly after speaking, put down the microphone and left .

Ji Ziyuan sat on the chair with complicated eyes.

It's just that the temperature difference between morning and night here is too big, and the people who went out early and returned late to personally inspect the schools and villages in the poor mountainous area here, the body couldn't bear it and started a high fever.

In a daze, she seemed to see another petite figure walking towards her.

"Xiaoxiao, are you Xiaoxiao? It's been a long time."

"Ruan Ruan?" She looked at the figure, feeling a little excited, "Are you coming back?"

"I won't go, Xiaoxiao, you will replace it in the future. I live a good life and take care of my mother," the figure said in a low voice, "I think I'm too tired, I'm going to leave in the future, and I won't come back."

"Ruan Ruan, don't go, no one can live for anyone else. Go down, this is your body, I've been occupying it for too long, I'm very grateful to you, you gave me the opportunity to take revenge and fulfill my wishes, now... I have nothing to love anymore ." She said eagerly.

The figure smiled at her, "Do you really have nothing to love?"

She was startled, her eyes flashed blankly, "I don't have hate or love now..."

figure gradually disappeared.

Ning Xiaoxiao's body struggled desperately, "Ruan Ruan, don't go."

"Xiaoxiao, wake up." Someone was calling her eagerly and slapped her face.

Ning Xiaoxiao gradually woke up from the chaos, and saw Zhou Mingli's handsome bronzed face, and he was still holding a towel in his hand.

"Are you still Xiaoxiao?" Zhou Mingli said a little uneasy when he saw her dazed appearance, "You kept calling Ruan Ruan just now."
