### Chapter 2659

Zhou Mingli was silent for a few seconds, then said seriously: "Ruan Ruan is fine, Xiaoxiao is fine, I will guard you anyway." I

just take care of Ruan Ruanhui as a sister, and I will keep my love for Xiaoxiao in my heart

Ning Xiaoxiao was stunned, sat up with difficulty, and smiled lowly, "Thank you for saying that."

"Xiaoxiao...Did you have a nightmare?"

Zhou Mingli gently dialed her damp brunette.

She was sweating a lot just now.

Strange things were being said all the time.

"Maybe she burned her head, she seemed to see Ruan Yan, and she said she was leaving." Ning Xiaoxiao looked down at her hand, "You know, I always felt like she didn't leave, and wanted to return this body to her. Give it to her, but Ruan Yan can't have it if I dirty her up."

Her desolate and self-blaming appearance made Zhou Mingli feel distressed, "No, Ruan Ruan is kind-hearted, she doesn't I'll figure it out."

" ... "

Ning Xiaoxiao looked blank.

Zhou Mingli smiled bitterly: "I've been with Ruan Ruan for a long time, and I know her better. She is really a very simple girl, or else I wouldn't have believed Pei Mochen's sweet words. When I talked to her on the phone, I tried to persuade her, but she doesn't listen, when people like Pei Mochen want to get a woman, they are too gentle and pampered, Ruan Ruan has never been in love, how can she understand the routines of the rich and the young."

Ning Xiaoxiao tightened. Fist under the quilt.

"When she falls in love with Pei Mochen, she will get tired of convenience. Ruan Yan, who is ignorant of world affairs, can't bear such a blow." Zhou Mingli sighed, "It's just that she is

too stupid, she shouldn't take it lightly for a man. Suicide, she forgot how hard it was for Aunt Ruan to drag her down. Fortunately, you...live instead of her, otherwise Aunt Ruan would definitely commit suicide."

Ning Xiaoxiao was silent for a long time, "I have always avenged myself, and when I go back, I will avenge Ruan Yan."

Is it Pei Mochen?

She had dealt with it once before.

It's just that he was targeted by Ji Ziyuan at that time and had no time to deal with him.

"Go for it, I support you." Zhou Mingli looked at her for a while, even though he smiled, "Actually, I always wanted to vent my anger for Ruan Ruan, but my identity is special, and I can only hide in the dark. I don't know anything about shopping malls, and sometimes it's useless to think about myself."

"Who said you're useless, you found so many people for me, and you also gave me a lot of convenience, otherwise, I would There is absolutely no way to do it." Ning Xiaoxiao's pale lips curled into a smile.

"Okay, lie down." Zhou Mingli wanted to help her lie down, but just when he touched her soft waist.

His hands felt as if they had been hit by an electric current all over his body.

I never thought that a woman's waist could be so slender.

For a man who lives on the battlefield, Zhou Mingli, an emotionally hairy boy, suddenly his handsome face became hot.

Fortunately, the skin is dark enough to be seen.

He tried his best to hide his embarrassment and sneered: "I don't have any other skills, and I do have a lot of people I know. After I went back from vacation, I arranged a few people with good skills to come to you, all of them. I've seen blood."

Ning Xiaoxiao was stunned and was about to open his mouth when Zhou Mingli reprimanded: "Don't refuse, or I'll tell Aunt Ruan to guarantee that she will come to take care of you in person."

"Don't keep threatening Mother Ruan Ruan. Me." Ning Xiaoxiao glared at him weakly, her moist black eyes were not as cold as they used to be because of the fever, but a little more tender.

Zhou Mingli's heart softened suddenly, "There's no way, since Ruan Yan is gone, it's only right for you to take care of her mother, and the Ji family is not so simple, what if Ji Ziyuan finds someone to deal with you, although others are temporarily in prison. However, the Ji family has also cultivated a lot of capable people."

Ning Xiaoxiao was silent.

She is clear about this.

Just like the Tang Kai next to Ji Ziyuan, who once worked as a mercenary abroad and had lives in his hands.

"good."

Zhou Mingli touched her head when she saw that she was not talking anymore.

When Ning Xiaoxiao's dark eyes stared at him, he said solemnly, "Your hair is quite oily, it's time to wash it."

"..."

Ning Xiaoxiao's throat moved, and the word "go" came to the tip of his mouth.

Did he think she didn't want to wash her hair? This place was too far away, and it was inconvenient to even use water.

"I'll boil water for you, and I'll let you try my shampooing skills later." Zhou Mingli said suddenly with great interest.

"Don't..."

Before Ning Xiaoxiao finished speaking, the person had already run away.

Half an hour later, Zhou Mingli boiled a pot of water in, then mixed cold water into the basin, and got a basin of warm water.

"Come on, I used to wash my mother's hair often." Zhou Mingli rolled up his sleeves.

Ning Xiaoxiao's thin lips moved, seeing that people were in high spirits, and she was dizzy, maybe it would be more comfortable to wash her head.

Just after lying down, she regretted, "Can you be gentle, my head is not your prey."

"Then I will treat your head as a gun, I have always loved my gun." Zhou Mingli thought, and really slowed down strength.

" ... "

Ning Xiaoxiao was speechless.

There is a reason for being single for so many years.

It's actually easier to wash your hair, but it's not that easy to blow dry long hair.

Ning Xiaoxiao thought about it for a while, then simply picked up a pair of scissors, and after measuring it, "Kazha" cut the long hair behind him short.

The long hair that used to be long now only reaches the neck.

Zhou Mingli's handsome face, who came in with a hairdryer, was dumbfounded, "What are you doing?"

"Staying here for a few months, it's inconvenient to wash your hair, and it's even more inconvenient to blow your hair. It's better to cut it short."

Ning Xiaoxiao lightly cut the scissors.

That neat force made Zhou Mingli feel ashamed, and couldn't help muttering in a low voice, "If I hadn't known that you were a girl since I was a child, I would have suspected that there was a man's soul in you, and I wouldn't be as good as you."

Ning Xiaoxiao He glanced at him blankly, "If you keep doing this, you will never find a girlfriend for the rest of your life."

"I was wrong, Sister Xiaoxiao, I'll give you a blow."

Zhou Mingli plugged in the plug.

After five minutes of blowing, Zhou Mingli looked at her hairstyle and was stunned for a while, then rolled his eyes and said, "Hurry up and take the medicine, I'm going to cook."

After speaking, he slipped away in the blink of an eye.

Ning Xiaoxiao hesitated for a while, picked up the phone, opened the selfie, and saw that her new hairstyle was blown like a hedgehog, she gritted her teeth.

If it wasn't for being sick, I would really like to kill Zhou Mingli.

After being speechless for a while, he wanted to laugh again.

That guy, just like before, made excuses to escape when he did bad things.

...

Zhou Mingli stayed in the northwest for ten days, and was not ready to leave until the bodyguard he had found came over.

"Brother Li, don't worry, we will protect my sister-in-law."

Su Ge, who just arrived, patted his chest. He has been working in East Asia and has no clue about domestic news. He thought Ruan Yan was Zhou Mingli's daughter. friend.

Chapter 2661

Seeing Ning Xiaoxiao's slightly changed face, Zhou Mingli hurriedly said, "What is my sister-in-law, this is my sister, you know, my uncle, my ancestor."

Ning Xiaoxiao: "..."

"Okay. "Brother Li, go do your own work." Su Ge is not someone who has never had a relationship between men and women, and most of his brother Li is still on the way to chase.

"Go away." Ning Xiaoxiao almost kicked Zhou Mingli.

"Okay, I'll get out right away." Zhou Mingli turned and got into the jeep with a smile.

Ning Xiaoxiao stood on the edge of the mountain, watching the car leave a trail of smoke and dust on the S-shaped road.

There was confusion in her dark pupils.

When Ruan Yan in the dream left, she said that she had her persistence.

Perseverance....

It turned out that there were some things she never let go.

Back in the desolate villa, Ning Xiaoxiao received a call from Zhao Xin, "Ruan Ruan, good news, the Tourism Bureau wants to find you as a spokesperson. This kind of endorsement is at the national level, and the endorsement fee is not high, but it is of great significance. , do you want me to pick it up for you."

"No." Ning Xiaoxiao refused directly, "I won't participate in any activities in the entertainment industry."

"There was no way before, but now everyone is begging you to go back." Zhao Xin said regretfully, "You can invest in Fenghong as a major shareholder, while receiving advertisements to earn some extra money and get to know more people. This is the case with many senior actors."

"No, I plan to come back and start a company." Ning Xiaoxiao said.

"Opening...opening a company?" Zhao Xin was dumbfounded. "But...you have no experience as a boss, so it's not that easy to open a company."

"Inquire about the situation of the Ning Group." Ruan Yan arranged her own thoughts.

Zhao Xin quickly conveyed Ruan Yan's words to Qiu Haolin, "Mr. Qiu, why don't you persuade Ruan Ruan, I know she has money, but it's not easy to make money. She is too young, she is only 24 years old today.

"24 years old?" Qiu Haolin was stunned for a moment, then suddenly smiled bitterly, he had been dealing with Ruan Yan for a long time recently, and he had forgotten her real age.

"Yeah, 24 years old," Zhao Xin nodded, "it's too young, and others may not believe her."

"You think the things she did have put the wily Ji Ziyuan in prison, and her heart age is like An immature person?" Qiu Haolin asked back.

Zhao Xin was stunned, "But..."

"Ruan Yan, it's not as simple as you think." Qiu Haolin glanced at her lightly, "You're 22 years old, how much money do you save, how much money she saves, don't take it Look at Ruan Yan according to your standard, follow her well, it is your honor to follow her."

"I know this for sure." Zhao Xin nodded, if it wasn't for Ruan Yan, where would someone like Qiu Haolin take care of her? her.

"Tell her, I will collect information on Ning's as soon as possible."

Qiu Haolin was a little strange, how could Ruan Yan like Ning's.

Since the death of Ning Xiaoxiao that year, Ning's family has been in a state of failure, and was finally sold by Ning Zetan at a low price.

...

a month later.

Ning Xiaoxiao, who is far away in the northwest, received a mysterious call from the capital.

"Reborn, the things you explained have been arranged properly."

"You didn't startle the snake." Ning Xiaoxiao asked coldly.

"No, there are endless negative news about Ji's family. Relevant units have been censoring Ji's family and fined more than one billion yuan. Now Ji Zehao can't take care of himself. Ji Ziyuan is being watched strictly in prison, and he can't even use mobile phones and TVs. Look, no one is allowed to visit the class, Ji Ziyuan has no way to get first-hand information about the company."

"Very good, I'll be back in a month."

Ning Xiaoxiao ended the call.

...

Beijing Airport.

When the plane landed on the ground, Ning Xiaoxiao came out of the VIP channel with three bodyguards.

Outside, a group of reporters immediately surrounded her when they saw her figure, "Ruan Ruan, you finally came back from the northwest side, I heard that this time you invested in more than ten schools and twenty schools there. There are several hospitals, and they also funded local road repairs. It must have been very hard these days."

Under the flash, Ning Xiaoxiao was wearing a light blue T-shirt and jeans. With short Japanese hair, her beautiful face is decorated with short hair and small bangs, her lips are red and her teeth are white, and she is full of girlishness.

"Hard work is hard work, but I'm very satisfied to be able to help others, and I've had a good time during this time."

Ning Xiaoxiao faced the media with a generous and calm manner, which made the media reporters can't help but sigh. The calm lake surface of the medical world was completely disturbed.

"Ruan Yan, are you really planning to go back to the entertainment industry? Many fans are waiting for you." The reporter asked.

"No, I plan to do something that I like to do in the future. Thank you for the support of the fans over the past few years. I can only say sorry here."

Ning Xiaoxiao bowed sincerely and left the airport.

The reporters only photographed her back.

Ning Xiaoxiao appeared too suddenly and walked too fast, but her news still caused shocks in the entertainment industry.

Many people know that Ruan Yan is back.

Japanese restaurant.

Lin Fanyue generously ordered a lot of dishes with the menu, and finally asked the waiter to serve two bottles of good wine, "In order to celebrate Ruan Ruan's return, I invite you to eat whatever you want, you're welcome."

"Don't rob me." Jiang Qingxin hurriedly said, "Ruan Ruan, you are finally back. Fanyue and I are bored after you left for two months."

"Come on, one of you has a boyfriend, One has a husband and a child." Hearing the voice of her good sister, the corners of Ning Xiaoxiao's lips curled up gently.

"Boyfriend and husband are tired of facing each other every day." Lin Fanyue said with a smile, "How about it, I heard that Zhou Mingli was chasing you for a month, is there any progress?"

"I haven't thought about it yet. Love." Ning Xiaoxiao changed the topic of Hua, "Ji Ziyuan is coming out soon."

"Yeah, I suddenly found out that three months is too fast, so I should be sentenced to three years." Lin Fanyue said unhappily.

"These three months have probably been the longest time in my life for Ji Ziyuan." Jiang Qingxin suddenly gave Ning Xiaoxiao a meaningful look, "When Ji Ziyuan was first in prison, Huo Xu visited the prison once, but later it seemed Since there was a riot, no one was allowed to visit the prison from two months ago."

Ning Xiaoxiao's eyes flickered, Lin Fanyue nodded, "I think I heard Qingrui talk about it once."

"You may still I don't know, a few days ago, Ji's family was shorted." Jiang Qingxin's tone was a little playful, "The entire Ji family was directly robbed of 90 billion and retreated completely. Ji Ziyuan may still be in it. I don't know the news."

"I can only say...there are too many people staring at Ji's fat meat now."

Jiang Qingxin poured wine for the two of them, "Ruan Ruan, talk about the one in the northwest. Let's live, you see that you are all tanned." The

topic was quickly turned away, and Ning Xiaoxiao chatted with them about some interesting things in the northwest.

It wasn't until after nine o'clock when Huo Xu's call reached Jiang Qingxin's mobile phone that everyone was ready to go home.

"Huo Xu's car is downstairs." Jiang Qingxin stood up, "He took two children to play at the nearby playground today, and now he's here, the children are probably tired and want to sleep."

"Okay, I It's going well with you, let's go back in your car."

Lin Fanyue stood up.

When the three walked out of the box, Lin Fanyue realized that he had drunk too much and needed to go to the bathroom, "Wait for me."

After she left, Jiang Qingxin leaned against the wall, the corridor was dimly lit, and a pair of beautiful eyes dyed It was a little hazy, "Ruan Ruan, you want to bring down the Ji family?"

"Huh?" Ning Xiaoxiao turned her head thoughtfully and looked at her, "Why do you say that."

"From your accident, to Ji Ziyuan was imprisoned, then donated 100 million yuan, and then Ji's scandals emerged one after another, all of which are linked one by one, and the fuse of all this is from you." Jiang Qingxin's eyes gradually showed complexity, "Actually, I always boasted that I was very smart, but I found out that Fanyue and I may have never understood you."

"Qingqing, everyone has their own secrets, as long as you know, I really care about you and Fanyue. As friends, I never thought of using you." Ning Xiaoxiao gave a wry smile, she knew that the keen Jiang Qingxin would detect many things.

"I never doubted you." Jiang Qingxin sighed softly, "Like the things you were humiliated by Ji Ziyuan, you never told us, if you told us, Fanyue and I would definitely fight. Trying my best to help you, I'm just a little annoyed, as your friend, you can only see that you always fight alone or find allies behind you, but we can't help you at all."

"That's good, this It's about me and Ji Ziyuan, don't make Huo Xu embarrassed, you see this time he watched Ji Ziyuan go in for you, and didn't help him with the lawsuit."

Just at this moment, Lin Fanyue also came back.

The three said goodbye at the door.

In the car, Huo Xu and Ning Xiaoxiao nodded politely across the window.

After Huo Xu coaxed the two children back to the bedroom, Jiang Qingxin came out of the shower. She didn't know whether her face was from a bath or a drink. There was a moving blush in the white, and under the orange light, her eyes were watery. With charming, the skin is also glowing with a moving light fragrance.

The man's eyes were deep.

Without further ado, he slapped her across, picked her up, put her on the bed, and pressed her directly.

"Huo Xu..." Jiang Qingxin exclaimed, reaching out to push him.
