"Hmph, they drink fruit wine, doesn't it smell bad?" Jiang Qingxin glared at the man with a cat-like gaze.

"It smells good, as long as your body smells good." Huo Xu kissed her little cheek, and then said complicatedly, "Do you really like Ruan Yan that much?"

"Yeah, don't you?" Jiang Qingxin's charming eyes suddenly sobered up, "Because she has dealt with your brother?"

"I didn't like it, and I didn't dislike it. I know it's Ziyuan's fault. I'm a lawyer, so I can tell the difference between black and white." Huo Xu quickly explained, "I just think Ruan Yan is not that simple. I have asked myself countless people. To be honest, I can't understand Ruan Yan."

Jiang Qingxin was silent for a while, and suddenly said: "Actually, I can't understand it either. But I can feel that Ruan Yan is sincere to me and Fanyue. When I saw her for the first time, I felt very kind, as if I had known her for a long time."

Huo Xu suddenly became jealous, "Then your first Did you feel this way the first time you saw me?"

"I'm serious too." Huo Xu's dark eyes were deep, "I'm jealous."

"Okay, don't be jealous, Ruan Yan and I are friends, are you the one I love." Jiang Qingxin He smiled and kissed him on the mouth, "Maybe when I meet you in my next life, I will also have this strong feeling."

"Well, I feel that way." Jiang Qingxin turned to look at him, "Ji Ziyuan will be released from prison soon, and Ruan Yan, I don't understand what she wants to do, but I predict that the two will definitely have a contest, Ji Zi Yuan is your friend, Ruan Yan is my friend, I hope neither of us will interfere, okay."

Huo Xu sighed softly, "Ziyuan lost one billion yuan and went to jail, and Ji's vitality was severely damaged. Can Ruan Yan just let it go? To be honest, Ziyuan is much more ruthless than me. Now, I can do anything, or you can persuade Ruan Yan to wait for Ziyuan to get out of prison, and I will hold him down and tell him not to take revenge, and the two will have nothing to do with each other in the future."

"Billion, do you think Ji Ziyuan will give up?" Jiang Qingxin disagreed.

"I checked this matter. It seems to be from a foreign team called Reborn. Speaking of this Reborn is too mysterious. A few years ago, he appeared on Wall Street and suddenly disappeared after making a lot of money." Huo Xu frowned. Say.

"I don't know what the relationship between Reborn and Ruan Yan is, whether they know each other or not, but Ji Ziyuan's account will definitely be on Ruan Yan."

Jiang Qingxin said lightly, "Let's just leave it alone, if you help Ji Ziyuan, then I will I can only help Ruan Yan, and it just so happens that we and the couple have a good fight, who is more powerful."

"Don't." Huo Xu's scalp was numb, "I promise not to participate. As for you want to fight with me, we will fight on the bed. It's alright, darling."

"Ji Zehao is just a bum, and Ji Ziyuan is not even shrewd." The long-

haired woman said disdainfully, "Ten years ago, if Ji Ziyuan had not returned from his studies, the Ji family would have changed hands long ago, by the way, Cheng Zifeng proposed to meet with you."

"No need." Ning Xiaoxiao said lightly, "Just bring a message to Cheng Zifeng to reassure him that I will not be a stumbling block for him in Ji's future." The

long-haired woman Doubtfully, he said, "Why don't you consider working with Cheng Zifeng, and when Ji Ziyuan comes out, the two of you will join forces to compete with Ji Ziyuan."

"This time Ji Ziyuan can be imprisoned, and he loses because he ignores his opponent. When he came out again, do you think it would be so easy to deal with?"

Ning Xiaoxiao shook his head, his eyes were as wise as a blade, "The Cheng family is not Ji Ziyuan's opponent, you see, these years, the Cheng family has He was so pressed that he didn't even have a chance to catch his breath, Cheng Zifeng just couldn't see clearly."

"Don't worry, what I want is not to control Ji's family, I don't know anything about medical care."

Ning Xiaoxiao smiled lightly, "I just look forward to Ji Ziyuan when he comes out and sees the woman who sent him to prison, he becomes a Ji's shareholder, what would he thank? Ji's is a cornucopia, and the better Ji Ziyuan develops in the future, it's just to make money for me."

"Reborn, you really make me admire." The long-haired woman suddenly smiled. , "You said before that you had plastic surgery, and I am still surprised that your plastic surgery marks are seamless. To be honest, I have a little doubt that you may not be the real Reborn, but I don't doubt it now, because your personality is still the same as before."

"No doubt, The face has changed, but the core has not changed."

Ning Xiaoxiao slowly stretched out her hand, "Daila, let's make money together in the future."

"You finally understand that money is the most reliable." Della shook hands with her, "There have been many times before. Looking for you, you are not interested in money, I am very happy to see your change."

Once, she only thought about going back to China to accompany her parents, inheriting the Ning Group, and even thinking about being one step closer to Ji Ziyuan.

In the end, the family was ruined.

...

Prison, in the early morning, the heavy door slowly opened.

A tall figure came out from the inside. The man was dressed in black T, and his two long legs were wrapped in jeans to make them slender and straight. The hairstyle of the flat head did not show the slightest appearance of a man, and even made his handsome features more clear and angular. More clearly, a pair of stern eyes is more like a wolf king who has been lurking for a long time returning to his country.

"Ziyuan..."

Ji's mother greeted him immediately, "You can figure it out. During your absence, my dad and I were both anxious to death."

Ji Ziyuan's eyes glanced lightly. The people who came to pick him up from prison today are his parents, Tang Kai, and...Tang Qin.

Seeing his eyes fall on him, Tang Qin's nervous heart throbbed, "Ji Shao, uncle and aunt are very worried about you these days, I... I am..."

said Behind her, her face turned red.

"What's the situation in the company?" Ji Ziyuan was too lazy to listen to her, and turned to look at Ji Zehao.

Ji Zehao's heart skipped a beat. He was obviously his son, but he was really staring at him right now, which made him a little horrified.

When others go to jail, they are rubbing their spirits.

As for Ji Ziyuan, the whole person is even more fierce.

"The company... internal and external troubles." Ji Zehao said helplessly, "The Cheng family's gang, while you are in prison, have been secretly meeting with shareholders in private, wanting you to come back and have no place to stand. I got kicked out of the board."

"Cheng family, the clown jumping on the beam, there is nothing to be afraid of." Ji Ziyuan said lightly, "I only need a week to get Cheng Zifeng to step down obediently."

Ji Zehao moved his lips unnaturally.

"Or did you do something else stupid." Ji Ziyuan's eyes sharpened sharply.

Ji Zehao glared at Ji Ziyuan angrily, "I'm your father, how did you talk to me? After all, it's all your fault."

"Tang Kai, you say it." Ji Ziyuan was too lazy to listen to his father Go on.

Tang Kai whispered: "Some time ago, when the company was investigated and punished by relevant departments, a force took the opportunity to short Ji's stock market and took it away... After 90 billion, Ji's stock was also affected. Heavy setback."

Outside the prison, only the sound of birds could be heard in silence.

Ji Ziyuan's dark eyes shrank fiercely, followed by the coldness of Sen Leng gushing out.

"Dad, I asked you to stare at the company, that's how you stared at me?" Ji Ziyuan clenched his fists, his eyes gloomy and bloodthirsty, "There is a capital change in the stock market, you can't notice it at all, you can't see it. "

No, during that time there were endless negative news about the company, and I was busy dealing with it. In addition, since you were arrested, Ji's stock price has been in turmoil. The other party should have a professional team and a premeditated one. We didn't care too much about buying a little bit..."

Ji's mother also spoke for her husband, "Ziyuan, you really can't blame your dad, he's been too busy recently, often working overtime until midnight, the Cheng family Those people have always been aggressive, and your dad can't handle it alone."

Ji Zehao coughed in response to his dry scalp, "I know what my abilities are, so I haven't held you back all these years. Ji's is like this now, The main thing is that you are the one who provokes you, maybe the person who stole the money is also your enemy, who makes you usually arrogant and leaves no room for it."

"When the Ji family was about to change hands, and when you spent the money I earned, why didn't you say it was my fault?"

Ji Ziyuan's eyes exuded sullen anger, "It's not me, you can take it comfortably. I am respected and respected by others, but now I only know that I am not."

Ji's mother and Ji Zehao were embarrassed.

Seeing this, Tang Qin summoned his courage and said, "Young Master Ji, the top priority now is to restore the company's losses."

Ji Ziyuan didn't even give her a look, turned around and strode into the car.

Tang Qin bit his lip humiliatingly.

Her reputation in the entire entertainment industry is now completely ruined, and even Feng Hong greeted the insiders and completely blocked her. Ji Ziyuan was the only way out for her.

No matter what, she had to hold on to the big tree tightly.

...

After Ji Ziyuan got into the car, he asked Tang Kai to send him directly into the Ji family.

Even if Ji Ziyuan is gone for three months, the shocking force of so many years is still there.

Coupled with the fact that he was released from prison today, he has long been concerned by the company.

As soon as he appeared, the news spread throughout the company.

The door of the president's office was kicked open by Ji Ziyuan.

Cheng Zifeng stood up immediately and said with a bad face: "Ji Ziyuan, what are you doing? You don't even know how to knock on the door when you come in. This is my office now."

Chapter 2666

Cheng Zifeng fell to the ground, his face and mouth hurt.

He was furious and shouted, "Someone, Ji Ziyuan beat him up, call the police and take him away."

In the past few days, he had arranged several groups of bodyguards at the door.

At this moment, after shouting for a long time, it was Tang Kai who came in.

"Mr. Ji, everyone outside has solved it." Tang Kai said respectfully.

"Okay, someone is also arranged to deal with me." Ji Ziyuan picked Cheng Zifeng up, and Cheng Zifeng resisted violently.

It's just that his chubby body is Ji Ziyuan's opponent, and he was beaten to the ground quickly after a few punches.

"Don't... don't fight." Cheng Zifeng usually eats and drinks delicious food, but he has never been treated like this before, and he can't hold it any longer, "Ji Ziyuan, you'd better restrain

"Have Ruan Yan scolded me like that, why don't I know." Ji Ziyuan frowned, "Give you an hour to pack up and get out of this office, otherwise don't blame me for not giving you a chance."

Cheng Ziyuan was angry. He clenched his fists, very unwilling, why is he older than Ji Ziyuan, yet subservient to him for more than ten years, "Ji Ziyuan, even if you drive me out, it is a fact that the Ji family suffered heavy losses this time because of you, and You have already been in prison, and you have a criminal record. When the board of directors is opened, if you don't give everyone an explanation, it may not be so easy. Besides, the outside world has already been very disgusted and disgusted with you, and your re-appointment will only make Ji's situation worse. Bad."

A sneer appeared on Ji Ziyuan's face, "Cheng Zifeng, I'm afraid you don't know me very well. I like to be in power, no one can stop him, even if Ji is going to perish, he can only perish in my hands."

"Mad." Cheng Ziyuan was shocked, "You are too selfish."

When I walked to the door, I remembered something, paused, and sneered, "Ji Ziyuan, you are arrogant to put it bluntly, thinking that you can control everything by yourself, you can drive me away, but there are always some things in your hands. Unexpected."

After saying that, he went out with a look of unwillingness.

Ji Ziyuan looked at Tang Kai with a sullen look, "I don't know what else is going on in the company."

Tang Kai was stunned for a moment, and said doubtfully, "No, I've told you everything I know."
