chapter 2667

"Go to check, check carefully."

Ji Ziyuan instructed lightly.

Ruan Yan taught him a profound lesson in person, so that he no longer dared to look down on anyone.

Maybe not paying attention, there is a hole in the bottom of the boat that no one notices.

"Okay." Tang Kai turned to leave.

"Wait." Ji Ziyuan stopped him, "What's going on with Ruan Yan?"

Tang Kai was stunned, and quickly said, "She donated all the billion you gave to poor areas, and it has received rave reviews on the Internet, her popularity and The traffic is far beyond the first line. Several tourism bureaus across the country asked her to endorse her, but she refused, saying that she would not enter the entertainment industry again."

"What does she want to do?" Ji Ziyuan sat in the leather seat, and said A woman, he no longer regards her as a plaything to solve his needs, but an opponent that he can face up to.

Even now, he found that he couldn't understand Ruan Yan.

"You can't figure it out, how can I possibly guess." Tang Kai said flatteringly, "But Ruan Yan returned to the capital a month ago, she has never entered the entertainment industry again, and a lot of capital has offered sky-high remuneration and She refuses advertising fees, she seems... really doesn't care about money, and recently, she has been in her villa, occasionally shopping with friends and so on, and there is no movement."

After a pause, Tang Kai said hesitantly, "Maybe what she did before was mainly to retaliate against you. Now that you have returned from prison, she has also put it down."

"Put it down?"

Ji Ziyuan seemed to hear it funny Like a joke, "The game between me and her, since it has started, there is no time to let it go."

Tang Kai was silent.

He had long expected that someone like Ji Ziyuan would report his flaws, so he didn't care whether things were wrong at the beginning.

Although Ruan Yan was very smart, she did not consider the consequences.

"Ji Shao, how do you want to deal with her?" Tang Kai said hesitantly, "At this time, you have just been released from prison. If something happens to Ruan Yan, everyone will doubt you. It is not wise to act at this time."

"Of course I know." Ji Ziyuan glanced at him lightly, "Knowing yourself and knowing your enemy is the only way to win a hundred battles. The reason why I lose is that I don't know Ruan Yan well enough. You should send someone to the place where Ruan Yan was born and investigate Ruan Yan. "

Okay."

Not long after Tang Kai left, Ji Ziyuan set out to find out all the information of Ji's family in the past three months.

Until Du Xuan came in.

It's only been three months since I haven't seen each other. Du Xuan, who used to be high-spirited, seems to be a lot haggard, "Mr. Ji, I've been waiting for you to come back. I'm really sorry, Fan Yu... I couldn't keep Fan Yu."

Du Xuan He said bitterly, "After you were imprisoned, many of Fanyu's well-known artists quit their jobs, and even promising newcomers were poached. Those who didn't quit were because they couldn't pay the liquidated damages themselves, but Feng Hong After I made a statement, the circle didn't dare to use our company's artists."

"Fenghong is so powerful now." Ji Ziyuan raised his head sternly, "I remember that before I was imprisoned, I asked you to check the matter of Fenghong's new shareholders. Is it?"

"Yes."

Du Xuan's face was complicated, "The person who provided Fenghong with continuous funds was a mysterious figure named Reborn."

"Reborn?"

Ji Ziyuan was stunned, "Are you talking about the Reborn who once stirred up Wall Street?"

"Yes, that's her." Du Xuan coughed softly, "Ji Shao, are you talking to this guy?" Reborn has a holiday?"

"I've never seen this person before, and she and I are not in the same circle at all, and every time she appears abroad, I don't usually pay attention." Ji Ziyuan frowned deeply. , "In other words, there are not many people in this world who have seen her true face. This person is very mysterious and very low-key."

"Could it be related to Ruan Yan?" Du Xuan asked tentatively.

However, Ji Ziyuan seemed to hear a funny joke, "What is Ruan Yan's birth, and someone who can reach the level of Reborn, I think it is foreign medical resources who also want to enter our market. Reborn should be Ji's in the market. Ruan Yan may have cooperated with them secretly from foreign competitors, but it should be just a chess piece arranged." After a

pause, Ji Ziyuan suddenly sneered, "No wonder Ruan Yan dared to declare war with me in a high-profile manner, It turns out that there is a strong backstage, but she is too stupid, in the eyes of those people, she is just an abandoned child who can be thrown away after using it."

Du Xuan coughed lightly, "She is not stupid, you compensate. If he wants to replace it with me, he took one billion to hide abroad, no matter what the netizens say, after all, one billion, how many people can't earn it in a few lifetimes."

"Then you How do you know that she will earn another billion in the future, not to mention, she has retired." Ji Ziyuan frowned and squeezed a fly, "What do you think she wants to do?"

Du Xuan: " ..."

He suspected that Ruan Yan didn't care about money at all, and even if there was no money, there would still be land in the countryside.

Can Ji Ziyuan believe it?

He didn't quite believe it himself.

...

night.

Junyang Hotel is hosting a charity event.

This is Ning Xiaoxiao's first public appearance since she came from the Northwest. Her short black hair is curly and it looks fluffy and messy. After her facial features are embellished with eyeliner and lipstick, she is as delicate as a flower in the world. In the evening, she was wearing an A-shaped pink long dress embellished with flowers, showing her perfect and sexy figure.

This made her instantly become the focus of the audience when she appeared at the event.

If Ruan Yan was just a star in the past, many wealthy families would not even look at her.

But since Ji Ziyuan was imprisoned, plus Ruan Yan donated one billion yuan, it has been reported by many mainstream media, and even the president's wife has personally praised it in public.

Now, whether it is Ruan Yan or Ning Xiaoxiao in my heart, it has long been different from what it used to be.

As soon as they entered the hotel door, many nobles and rich people came over to greet them.

"Miss Ruan, long time no see."

"Miss Ruan, my hair is cut short, it suits you very well, it's very beautiful."

"Miss Ruan, did you go to Northwest Beauty, you're getting better and better."

"... .."

Everyone was polite.

Just kidding, who dares to be rude, someone can send Ji Ziyuan to prison, which no man can do anyway.

As for Ruan Yan being the woman Ji Ziyuan played with, no one dared to mention it, and everyone seemed to automatically lose their memory.

Pei Mochen, the president of Junyang Hotel not far away, looked at the brightest woman in the crowd with a little interest.

How could I never find Ruan Yan so dazzling before?

I remember when I first met Ruan Yan, her sweet and pure appearance was quite eye-catching.

When he didn't get it, he was very itchy and tried his best to pursue it. After he got it, after being together for a long time, the more Ruan Yan managed, the more boring it became.

Chapter 2669

But since she put Ji Ziyuan in prison.

Pei Mochen realized that he had misunderstood before.

Or, he didn't know this woman at all.

Although, she has also been with Ji Ziyuan, but for men like them, the first time for a woman is not uncommon, and what is more rare is what makes a woman different.

Coupled with today's Ruan Yan, the beauty is amazing, and she is also sharp.

"Mr. Pei, Ruan Yan's taste in bed is quite different, otherwise you and Mr. Ji would like to have one or two." A fat-looking boss suddenly teased.

"Hehe, Mr. Liu, what are you talking about? We, Mr. Pei, got it a long time ago, and Ji Ziyuan is just playing with the woman left by Mr. Pei." Another boss who recently asked Pei Mochen to joke. .

Pei Mochen held the goblet and glanced back at the two of them coldly, "What qualifications do you have to discuss Ruan Yan."

The faces of the two bosses stiffened.

Pei Mochen said sarcastically: "Ruan Yan is willing to donate one billion yuan, and you are reluctant to give even tens of millions to your wife."

After that, he stopped paying attention to them.

Turning around and grabbing his pockets, he left with a cold face.

After walking some distance, the phone rang, and it was his fiancée Tong Suling who called, "Mo Chen, tonight your hotel is holding a charity party. There is a necklace designed by the famous jewelry designer Jame, you help me take a picture of it. Right ."

"Didn't you just shoot a similar one last month?" Pei Mochen frowned.

"I like it, you take care of me." Tong Suling hummed, "you can buy it for me."

"Okay."

After hanging up the phone, Pei Mochen felt a touch of boredom.

He doesn't mind women spending money, but Tong Suling is really too generous.

"Go and find out about Jame's necklace." Pei Mochen turned to his assistant.

"That one cost at least seven million." The assistant frowned, "You only took a similar one to Miss Tong last month, and last month you also gave a bracelet of eight million, Mr. Pei, although you I have money, but I can spend it like this..." The

assistant didn't say anything.

Although the Pei family has a big business, Pei Mochen has not yet taken over the Pei family.

Most of the money earned every month goes to Tong Suling.

Pei Mochen couldn't help but think of the days when he was with Ruan Yan.

She really saves herself very much. He gives her the card, but she never moves. Sometimes she buys her a bag worth tens of thousands of dollars.

At that time, he felt that she was stingy and a little out of place.

Only now did I realize that she was really frugal and cared about herself.

Pei Mochen's eyes swept across Ruan Yan not far away.

Ning Xiaoxiao just looked up, her eyes met him in the air for two seconds, and she quickly looked away calmly.

But those two seconds aroused Pei Mochen's heart like a knife, and it tickled immediately.

The assistant followed his gaze, smiled, and said, "Master Pei, I think Ruan Yan has definitely not forgotten you."

"Let's hear it." Pei Mochen raised his eyebrows.

"Look, after Ruan Yan came back, she refused to invite Ruan Yan for many events, but this time at our hotel, she might have come to meet you by chance." The assistant said with a smile, "Nothing else. Dare to say, among the girlfriends you date, Ruan Yan is definitely the most infatuated with you."

Chapter 2670 "That's true

."

Pei Mochen couldn't deny this.

Ruan Yan was really kind to him when they were dating.

It's just that he doesn't like being too comfortable. When he doesn't get it, he feels itchy, but when he gets it, he gets tired easily.

In addition, his family urged him to get engaged later, so he would not break up with Ruan Yan so decisively.

Half an hour later, the charity event began.

When Ning Xiaoxiao took the flowchart handed over by the waiter, she found a small card underneath.

She unfolded it, and there was a sentence on it: what do you want, I will take a picture for you later. minister.

A trace of ridicule disappeared from the bottom of his eyes in a flash.

After a while, she put the card into her handbag without a trace, her eyes pale.

Halfway through the auction, I got a Jame ruby necklace.

As soon as the price was called, a man in a suit in his thirties asked for six million.

Ning Xiaoxiao glanced lightly, and a movie queen who had some friendship with Ruan Yan leaned into her ear and said, "That's Mr. Pei's assistant, I seem to hear that Mr. Pei's fiancée likes this kind of necklace very much. , every time there is an auction in the capital, most of these necklaces are taken away by President Pei."

"Really." Ning Xiaoxiao's eyes were light, I wonder what the actress suddenly said to her, could it be that Deliberately make her jealous?

Seeing her uninterested appearance, the queen smiled and said, "Don't get me wrong, I just sympathize with President Pei. Every month, I spend seven or eight million, or even tens

of millions, on jewelry for my fiancée. It is estimated that he It's also a headache. After all, Mr. Pei has not inherited the family business now. This Miss Tong is notoriously extravagant. I heard that Miss Tong spent 300 million yuan a month on the family in the past two years. I am afraid that the Tong family will be angry. broken."

Ning Xiaoxiao also came to be curious, "Can she make money by herself?" The

actress seemed to hear a joke, "Being a vice president in Tong's family company, pure soy sauce, usually I have nothing to go abroad to see fashion. Show, or travel with friends outside, so some people are born with good luck, but this kind of woman, it is a headache for a man to marry."

Ning Xiaoxiao smiled noncommittally.

Halfway through the auction, she got up and went to the bathroom.

When he came out, Pei Mochen in a burgundy suit was leaning against the wall lazily, with his trouser pockets in his hands, a slender, handsome and elegant face with a smile that could captivate women.

I have to say that Minister Pei Mo's good-looking appearance has the ability to make Ruan Yan in the past fall deeply.

"Have you thought about what you want?" Pei Mochen stood up straight and walked towards her, his eyes filled with tenderness.

Ning Xiaoxiao secretly sighed that she and Ruan Yan had similar fates, both suffered the life of a scumbag.

But it's only their fault that they can't resist the beauty of men.

"What if I said I wanted that ruby necklace from Jame?" Ning Xiaoxiao raised her head, her beautiful and cold eyes flashing with amusement.

When Pei Mochen heard this, he was not angry, but became more interested, "Jealous?"

Ning Xiaoxiao puckered his lips, feeling a little disgusted.

"Nuan Bao..." Pei Mochen suddenly approached her, his thin lips rested beside her ear, and a hoarse and low voice called softly.
