## Let me go mr hill chapter 2671 - 2674

### Chapter 2671

Ning Xiaoxiao instinctively took a step back and looked at him warily.

Pei Mochen smiled, and his eyes seemed to have ripples in circles, "Nuan Bao, you seem to be not the same as before. You used to be like a little sheep, but now you are also very charming."

"Mr. Pei, you already have a fiancée. It's not appropriate to say something like this." Ning Xiaoxiao reminded with a cold face, "You don't want to make me your little lover, do you? Thinking of Mr. Pei's interest in eating the grass."

"You are not an ordinary grass." Pei Mochen said affectionately, "For me, you are different because you are the first The woman I gave to me last time is still fresh in my memory, Ruan Bao, I'm actually quite annoyed when I heard that you were persecuted by Ji Ziyuan, I shouldn't have brought you into the entertainment industry."

He said, reaching out his hand . Touch her earlobe.

Ning Xiaoxiao took a sharp step back.

Pei Mochen was empty, he sighed softly, and said lonely: "Are you still complaining about me, I actually have no choice but to break up with you, at that time, you pushed too hard, plus our status and status The disparity is too big, my parents don't support us together, Ruan Bao, forgive me."

"What about when I commit suicide?" Ning Xiaoxiao asked coldly, "When I commit suicide, I just want you to come and see me. , how did you treat me?"

Pei Mochen was stunned for two seconds and said, "I thought you only wanted to threaten me before committing suicide. When I broke up before, there were also girls who committed suicide, but they were all greedy for my money. , I know you are different, you really care about me."

Ning Xiaoxiao bit her lip, "You are used to talking sweetly, before and now."

"Nuan Bao..." Pei Mo Chen's eyes overflowed with tenderness, and he reached out to hug.

A man's low and smiling voice suddenly came from behind, "You two, am I disturbing something?" A

familiar voice....

Pei Mochen froze, Ning Xiaoxiao looked up from behind Pei Mochen, and was stunned.

Almost didn't recognize it.

Ji Ziyuan's hair was cut very short, no different from an inch head. Ji Ziyuan, who was in a black tailored suit, wore silver-rimmed glasses, a little less personable and elegant.

Now Ji Ziyuan's skin is a little darker, and the whole person is a bit more evil and unruly.

Ning Xiaoxiao suddenly remembered, oh, so Ji Ziyuan was released from prison.

It's just that I just came out of prison and didn't work overtime in the company, so I came to participate in charity activities, which is a bit... strange.

"It turned out to be President Ji." Pei Mochen calmed down quickly. If it was before, he would have been afraid of Ji Ziyuan, but now, Ji's family is obviously suppressed, and it is not so easy for Ji Ziyuan to trouble him, "You come out, I didn't expect three months to go by so quickly."

"Yeah, I didn't expect to see this scene as soon as I came out."

Ji Ziyuan smiled charmingly at the corner of his mouth, and walked slowly to the two of them, "Shao Pei speaks love. The appearance is quite moving, I don't know if you told Miss Tong the same thing, do you want me to ask Miss Tong." Pei Mochen's

face changed slightly, "Mr. Ji, you should take care of your own company first, Ruan Yan, aren't you lost, don't know how to get back to your seat, I'll take you there."

Ji Ziyuan is too perverted, he doesn't want Ruan Yan and Ji Ziyuan to stay alone, if something happens, it will be troublesome.

"No, I'll take Miss Ruan personally later." Ji Ziyuan looked at Ruan Yan with a smile, his eyes dangerous but meaningful, "We are old acquaintances."

Pei Mochen frowned and warned, "Ji Ziyuan, you What do you want to do?"

"Ruan Yan, do you have any skills?" Ji Ziyuan teased, "I've only been away for a few months, and you'll be on your ex again soon."

"What's your business?" Ning Xiaoxiao looked indifferent, she did not admit her relationship with Pei Mochen, nor did she deny it.

This point made Pei Mochen feel a little subtle.

"Ruan Yan, let's go." Pei Mochen's hand gently rested on Ning Xiaoxiao's shoulder.

"It looks like Young Master Pei wants me to call the Tong family."

Ji Ziyuan took out his mobile phone with a smile, "It just so happens that I have some friendship with the master of the Tong family, but Young Master Pei is carrying her daughter on his back and hanging out. Take four, tsk, is this marriage still going to last?"

Pei Mochen's eyes flashed with anger.

But it was helpless.

If the owner of the Tong family called his father, he would definitely be scolded, and even the relationship between the Tong and Pei families might collapse.

"Young Master Pei, let's go first." Ning Xiaoxiao removed the hand on his shoulder, "There are so many cameras here, Mr. Ji has just been released from prison, I believe he dare not do anything to me."

"Okay," Pei Mo Chen immediately found a step to go down, but when he left, he gave Ji Ziyuan a warning look, "Mr. Ji, our hotel is not a place for you to act arbitrarily. If something happens to Ruan Yan here today, the police will come to the door. , I will definitely cooperate with the investigation."

After speaking, he turned and left.

After Ji Ziyuan looked at his back contemptuously, his handsome face sneered, "Ruan Yan, this is the man you once fell in love with, but is that so, tsk, I'm your enemy, so he treats you like this Throw it away, and the last warning is just to cooperate with the police investigation, and laugh to death."

"Is it funny, I don't think so." Ning Xiaoxiao's eyes were calm.

Seeing this, Ji Ziyuan restrained his thin-lipped smile, but his dark eyes flashed sharp and playful, "Why, after taking revenge on me, now the new target is Pei Mochen."

"...I don't know what you're talking about." Ning Xiaoxiao said.

"Don't deny it." Ji Ziyuan slowly approached with his long legs, and when he walked to her side, an elegant fragrance of the woman struck.

He suddenly found that the woman in front of him had cut her hair short. He never liked women with short hair, but tonight Ning Xiaoxiao was dressed up, with picturesque eyebrows, red lips and white teeth, and her cold eyes were also dyed with a bit of glamour taste.

His eyes flashed, and he said with a smile: "Look at you, dress up tonight, and show that you are prepared, but I have dealt with you a few times, you Ruan Yan is definitely not a scumbag man who will turn around. but it's true that Pei Mochen played with you before, you must repay such a flaw, it's impossible to forgive Pei Mochen or even be his lover."

Even, a thought arose in his heart.

Pei Mochen didn't deserve her at all.

Even if he hates Ruan Yan now, his admiration is a fact.

Ning Xiaoxiao raised her head and looked at the man's dark eyes, and couldn't help sighing secretly. Although Ji Ziyuan was very hateful, he had to say that he still knew himself very well.

It's just that there are some things she can't admit.

"Mr. Ji, thank you for looking down on me so much, but I'm actually just a little woman with emotions and things that I can't forget."

Ning Xiaoxiao looked at Ji Ziyuan up and down after speaking, "It looks like three months in prison. , Mr. Ji has lived a good life and his body has become a lot stronger."

"It's alright, I help you as a coolie every day, I have never experienced this in my life, thank you for giving me such an unforgettable experience." Ji Ziyuan smiled. Without laughing, he said, "I miss you every day in prison, and I couldn't wait to come to you on the first day I came out."

### Chapter 2673

"Really, it's a pity that I don't miss you at all." Ning Xiaoxiao smiled calmly in his eyes, "I've had a very fulfilling life in the past three months. I have helped many, many people."

"This way..." Ji Ziyuan gave a thoughtful and evil smile, "It seems that I will force you to be my woman in vain, otherwise, I will do it again. Play with you for a while, and you will send me in for three more months, and I will give you one billion, so you can help more people. Anyway, you like to do good deeds so much, it is not an exaggeration to sacrifice your body carefully."

" It sounds very tempting..."

Ning Xiaoxiao did not become angry, but raised her eyebrows, "But if I want to help others, I may not be short of a billion."

"What do you mean?" Ji Ziyuan was stunned for a moment, and his mind was full of thoughts.

"Because I shouldn't be short of money in the future." Ning Xiaoxiao smiled, "I invested in a business, and it made a lot of money. If I do it well every year, there will be tens of billions of dividends. To be honest, you I don't like that kind of money."

"Ten billions?" Ji Ziyuan looked at her carefully for a long time, and saw that she didn't seem to be lying, and a lot of doubts arose in her heart, "What business is so profitable, it's pretty good. What makes me curious is that you, Jiang Qingxin and Lin Fanyue have invested in something in partnership."

But he was still very surprised, even if Jiang Qingxin is very powerful, it is unlikely that he would make so much money just after he became a shareholder.

After all, the shareholders of Ji's Group have paid dividends of this number in previous years.

"That's not it." Ning Xiaoxiao smiled mysteriously, "The main reason is that the president of the company I invested in is quite powerful, and he is very despicable and unscrupulous. I believe that there is such a president to make profits for the company. money."

" ... "

The more Ji Ziyuan listened, the more suspicious he became. "Could it be that Huo Xu opened a new company and Jiang Qingxin asked you to become a shareholder?"

"It has nothing to do with them, I can't have any connections myself," Ning Xiaoxiao said in his eyes. It's all fun.

She is now looking forward to the moment when Ji Ziyuan knows the truth.

But he just came out today, so he should be very busy, and he hasn't had time to find out that 10% of Ji's stock is in her name.

Interesting, very interesting.

Ji Ziyuan frowned rarely, and always felt that the woman in front of him had a strange look.

"By the way, didn't you say that you are quite rich, why didn't you take pictures of the banquet tonight, do you need me to give you something?" Ji Ziyuan changed the subject.

"I'm sorry, there are too many people who want to spend this money for me tonight. If you want to buy something for me, wait in line."

Ning Xiaoxiao walked past him arrogantly while walking on high heels.

Fragrance came.

Ji Ziyuan seemed to be moved by something in his heart.

He looked back, grabbed the woman's wrist, and pulled her to him with all his strength, his tone was very gentle, but his eyes were as cold as ice, "Ruan Yan, you are crazy in front of me, do you think I really forgot about sending me to prison in person, huh?"

"I didn't."

Ning Xiaoxiao looked at him indifferently, "It is only right that you do something wrong and go to jail. If you are dissatisfied, go to the judge, the police, and the president to file a complaint. You have such a wide network of contacts, maybe someone can accept your appeal, and then the state will speak for you in person, so it turns out that it is not illegal to persecute women."

Ji Ziyuan: "..."

"Come on, work hard to create this precedent, maybe you will be famous in history, many men will thank you." Ning Xiaoxiao said with sincerity.

Ji Ziyuan laughed angrily.

If he believed in her ghost, he would not only be scolded to death by the masses tomorrow, it is estimated that the Ji family's ancestral grave would be dug up and flogged.

"What are you laughing at?" Ning Xiaoxiao blinked her black and white eyes, "You don't believe what I said, or you don't believe in yourself, in your young master's cognition, can't you dominate everything? You don't think you're right or you're right. , Wrong is wrong, you don't think that no one can go against you, what is it to play with a woman, anyway, they are all sluts, they don't know their own self-respect, playing with them is to give them face, look down on them, you are not... Don't you even know how to be ashamed?"

She paused for the last sentence, and the words "slapped" on Ji Ziyuan's face like a slap in the face, causing a burning pain.

The strength in his hand increased, and the handsome face with a smile was replaced by a rage that turned into anger.

"Okay, Ruan Yan, you know me very well, you know me so well, then guess what I will do with you in the future." Ji Ziyuan asked viciously, almost word by word, in a voice that could crush his teeth.

"Soldiers will come to block, water will come to cover, but I will never regret what I have done."

Ning Xiaoxiao's beautiful eyes were indifferent and cold.

The two were very close to each other, and Ji Ziyuan's figure was reflected in his pupils. Facing these courageous but similar eyes, Ji Ziyuan let go of her hand, "Very good, Ruan Yan, remember you. What I said today."

"I always have a good memory." Ning Xiaoxiao turned around and walked away gracefully on her high heels without looking back.

Ji Ziyuan looked at her back, and his eyes were filled with admiration, hatred, pondering, excitement, and all kinds of eyes that he didn't even notice.

There had never been a woman who could arouse his interest like this.

It made him want to torture her slowly, but also want to crush him on the bed and conquer her.

Although he owned Ruan Yan, he suddenly realized that he never really got her.

.....

The moment Ji Ziyuan arrived at the banquet tonight, everyone carefully restrained.

During the auction, Ji Ziyuan and Ruan Yan were separated by two places.

It is estimated that everyone peeking at the two of them took longer than watching things.

The queen in the middle was trembling with fear, and she quietly glanced at Ning Xiaoxiao who was sipping melon seeds beside her eyes.

Really adore it....

At this time, I can still eat melon seeds.

As expected of the woman who sent Ji Shao to prison.

At this time, a famous painting was suddenly being photographed on the stage.

Ning Xiaoxiao suddenly raised the sign, "Two million."

Ji Ziyuan quickly followed, "Five million."

Everyone gasped.

As expected of the Ji family, it really has a lot of money, and a pair of ordinary words is so high.

So everyone looked at Ning Xiaoxiao again, and Ning Xiaoxiao put down the sign and continued to knock melon seeds.

Ji Ziyuan stretched his legs and looked at Ruan Yan with a smile, "Stop shooting?"

"It's too expensive, no money." Ning Xiaoxiao shook her head calmly.

Ji Ziyuan, who had clearly won, suddenly felt that he didn't have the kind of refreshment he wanted.

Look at people who say that they have no money so righteously, unlike others who have no money in their pockets, and who are still hiding in tucked clothes, what else can he say.
