Not far away, the corner of Ji Ziyuan's mouth, who was watching this scene, slipped a laughter.

...

ten o'clock in the evening.

The protagonist Ji Ziyuan arrived at the clubhouse belatedly.

Huo Xu smiled and said: "We are a bunch of people who have good wine and good drinks. We have been waiting for you. You are the protagonist. You are coming now."

"Ji Shao, I heard that you are going to Junyang's charity event tonight. It's gone." Tan Shao smiled and said, "I also took a picture, but it was given to..."

"The news spread very quickly." Ji Ziyuan was not ashamed, and sat on the sofa gracefully .

Huo Xu had a headache when he saw his appearance, "Ziyuan, didn't I persuade you, what do you want to do? Can't the matter between you and Ruan Yan end here?"

Ji Ziyuan didn't answer his question, but Q: "Did Ruan Yan invest in any big project? She told me that it is quite profitable, and can generate tens of billions of income every year."

"What, tens of billions?" A young man next to him said, "These years The project is not easy to do, what kind of project can make such money, Huo Shao, you are too much, why don't you call me."

"Young Master Huo, did your wife make a big project?" Someone tutted, "You still have vision, your wife is amazing, and she is a good investment."

Huo Xu's speechless face darkened, "Don't talk nonsense, my wife doesn't have any investment right now, and she can't manage the two companies she currently owns, so there's no time to rectify other things. As for me, I have one in my hands. Do you think I have time to work on a project?"

"Have you not heard Jiang Qingxin say it?" Ji Ziyuan frowned, this matter was full of oddities.

"No." Huo Xu gloomily took two sips of wine.

"Huo Shao, is it because your wife didn't tell you." Someone said mysteriously.

"What's the matter if you don't tell me, everyone has their own secrets." Huo Xu put down the wine bottle unhappily, "The trick for me and my wife to get along well is to develop our own careers, not interfere with each other, and respect each other. "

Okay, everyone is joking, don't take it seriously." Ji Ziyuan patted him on the shoulder, "It seems that I still don't know Ruan Yan well enough."

Huo Xu listened to the top two, "Can you tell me?" Don't be Ruan Yan Ruan Yan all day long, now you Ji's have so many things, and competitors are emerging one after another, can you spend more time on the company, if it is really boring, you can go to surgery for others.

" That's right, Ji Shao." Tan Shao echoed, "You just wanted to get Ruan Yan before, but you ended up putting yourself in prison. Now you are all thinking about revenge on her, and be careful to put your heart in it."

"I will take revenge on her." Do you mind?" Ji Ziyuan listened to a joke.

Huo Xu and the others watched him silently.

Ji Ziyuan is too conceited.

But forget that the human heart is the most difficult to control.

Ji Ziyuan simply ignored that today he was released from prison on the first day, not to mention that he should work overtime in the group tonight, or go to the hospital, or accompany his parents to dinner.

But you see what he's doing tonight.

Revenge Ruan Yan?

The problem is that he spent five million on Ruan Yan tonight and was thrown into the trash.

In the middle of the night, Huo Xu helped Ji Ziyuan, who had been drinking a lot, to get into the car, and then told Tang Kai, "Send him back well, and drive slowly on the road."

"Trouble, Huo." Tang Kai nodded First, after Huo Xu left, he looked back at Ji Ziyuan who was drunk and flushed from the driver's seat.

He seldom saw Ji Ziyuan drink too much, this time he should have been in prison for three months, it was too depressing.

"Ji Shao, where are you going?" Tang Kai asked, "Is it Ji's house, a villa, or an apartment building."

Ji Ziyuan opened his eyes hazy, "Go...to find Ruan Yan, I have Then... ask her."

Tang Kai: "..."

You are really drunk.

Tang Kai thought about it and sent Ji Ziyuan back to the villa.

The next day, Ji Ziyuan was woken up by the assistant's phone call, "Mr. Ji, several directors came to your office this morning, and Cheng Dong took the lead."

"Okay, I understand, come over immediately."

Ji Ziyuan went out of the closet I picked out a black suit and quickly dressed up and went out.

At that time, several directors drank several pots of tea, and one by one was furious.

"What time is it now? That's how Ji Ziyuan became the president. If I told him, he was no longer qualified to be the president." It was Cheng Dong who was also Cheng Zifeng's father.

"Looks like Cheng Zifeng didn't get enough lessons yesterday." Ji Ziyuan pushed open the door, his suit was neat and his demeanor was calm.

There were several burly bodyguards behind him.

The faces of several directors changed slightly. Cheng Zifeng thought that his wife was still missing, and immediately scolded, "Ji Ziyuan, don't be too arrogant, the company is not yours alone."

"Of course I'm not alone. Otherwise, I've been in office for the past few years, how can you make a lot of money each and every one of you, look at you guys, you're getting fatter every year, and you're careful with fatty liver." Ji Ziyuan sat across from several people, his body was close to the sofa, his legs were folded, and a person who was under the pressure of power and authority did not dare to take a deep breath.

"Ziyuan, you're going too far." Su Dong, who ranks among the top three in the company's shares, sank his face, "The company's current situation is not good. First, your image has plummeted, which has affected the entire group, and secondly, the management below is also out of order. Many loopholes have suddenly appeared, and there are many competitors in the market. If we do not deal with them properly, the company will be in danger."

"So I have already thought of a strategy." Ji Ziyuan said lightly, "In front of the public, I will take the blame and resign as the president, and then I will let Zhan Kun take over the position of my president. As for me, I will retreat behind the scenes and secretly manipulate it, doesn't this give the outside world an explanation."

"You really have a good plan, Who doesn't know that Zhan Kun is yours." Cheng Dong said angrily.

"You're not satisfied." Ji Ziyuan winked at Tang Kai, "Then you communicate with Cheng Dong and make him satisfied."

Tang Kai strode towards Cheng Dong, the burly man gasping for breath. Not angry.

"Wait, I have something to say." Xiao Dong stood up and quickly stopped Tang Kai and said embarrassingly, "Cheng Dong didn't say that he was dissatisfied. In fact, we still believe in you, but, everything is unexpected."

"What do you mean? ?" Ji Ziyuan tapped his thigh lightly with his fingers.

Su Dong coughed awkwardly. After filling a cup of tea, he said, "Ziyuan, you just came back yesterday. Maybe you haven't had time to find out that the company's shareholders have changed."

"... Said ." Ji Ziyuan's eyes gradually darkened.

Xiao Dong simply said: "It was during the period when you were in prison that someone shorted the company's shares, and some timid shareholders sold their shares, and now the shareholders have changed."

"Who sold the shares to? ?" Ji Ziyuan narrowed his eyes.

" "

There was a strange silence in the office for a while.

Ji Ziyuan slowly took a pack of cigarettes from the table, lit it, took two puffs, and suddenly laughed in a low voice, "Reborn"?

"It's Reborn."

Cheng Dong was a little timid for no reason.

Those who are familiar with Ji Ziyuan know that this is a precursor to his anger.

The next moment, Ji Ziyuan stood up and kicked hard on the coffee table, "A bunch of idiots, do you know who Reborn is, she is the one who shorted Ji's stock market this time, and he took away Ji's 90 billion. , they all used Ji's money to buy Ji's shares. I am afraid that she has not paid a penny, and she is empty-handed."

"What, is she shorting Ji's?" Several directors suddenly looked bad." Why is she thinking so hard, is it because a foreign competitor deliberately arranged to come in?"

Ji Ziyuan took a deep breath, "Have you seen this Reborn?"

"No." Cheng Dong shook his head, "Come to the company On the day of the formalities, a blond woman came to do it."

Ji Ziyuan narrowed his eyes and turned to ask Tang Kai, "Didn't I ask you to check Reborn's identity, how's it going?"

"Very mysterious, so far few people have seen her true face, it will take some time." Tang Kai replied.

"No need to check, the company will hold a shareholders meeting tomorrow, and I think she will attend." Ji Ziyuan's face was gloomy. This Reborn first invested in Fenghong, ruining his ambition to enter the entertainment industry, and now he has reached out to Ji's.

This is no coincidence.

From Fan Entertainment's scandal, to Ruan Yan, Fenghong, and his imprisonment, everything may be inseparable from Reborn's handwriting, and Reborn's real purpose may be aimed at Ji's.

This interlocking ability, even he was planted in, amazing.

Ji Ziyuan is now able to control the Ji family, because these directors have no ability and can hold back, but if an unknown force comes in from abroad, it is very likely that everything will get out of control.

Let him meet this Reborn tomorrow and see what she wants to do.

...

In the villa, after Della answered the phone, she walked up to Ning Xiaoxiao, "Reborn, there is a call from Ji's side, saying that the shareholders' meeting will be held tomorrow, will you attend?"

"To attend, of course. Attend." Ning Xiaoxiao smiled, "Ji Ziyuan suddenly held a general meeting of shareholders, didn't he just want to see me."

Della frowned and asked, "Let him know that you are Reborn now?"

"Otherwise, he will find out sooner or later. What came from me is only a matter of time, there is no need to hide it." Ning Xiaoxiao suddenly looked forward to it.

Well, after all, Ji Ziyuan was still talking about letting him sleep with him last night and giving her another billion.

Is she short of a billion now?

In the future, he will be his own part-time worker.

Ning Xiaoxiao suddenly looked forward to Ji Ziyuan's gaffe tomorrow.

Ji Ziyuan, don't you think you are good at playing with women?

Tomorrow, I will also have a good time playing with you.

Ji's meeting room.

More than ten shareholders sat in turn.

Ji Ziyuan and Ji Zehao and their sons sit at the front, because they have the most shares, occupying 40% of the company's shares, followed by Su Dong, Xiao Dong and Cheng Dong and their sons, and the rest of the shareholders. It only accounted for a few tenths of the shares, and today the pattern has obviously undergone new changes.

"Have you heard that the company's shareholders have changed."

"Someone wanted to buy my shares before, but I didn't sell them, but Mr. Liu and the others didn't hold on. After all, the other party's price was too high."

"Me too, before the company's stock price fluctuated and more than 100 billion disappeared. I was also afraid."

"The new shareholders don't know who they are, they account for 10% of the shares, and it is estimated that they will be able to join the board of directors. "

Absolutely, her shares are the same as Su Dong and others. I heard that she is a foreigner, and I don't know how to control it. If President Ji can't control it, I am afraid the company will be in chaos."

"Alas, the company is now It's already messy enough."

"..."

A group of small shareholders whispered below.

Ji Zehao looked at the time, frowned and said, "It's only two minutes before nine o'clock. Is this Reborn going to be there?"

"Maybe, after all, important people are always the last to arrive, aren't they?" Ji Ziyuan Sitting in the top position, brushing the tea cover, the deep and secluded expression is light, making it difficult to understand.

Ji Zehao murmured, "It's just 10% of the shares. Could it be possible for her to make waves in Ji's family?"

Only 10% of Dong Su, Dong Xiao and others pursed their lips.

At nine o'clock sharp, the sound of high heels came from outside the conference room.

Everyone was stunned. Could this Reborn be a woman?

"Everyone, I'm not late."

As the sweet voice sounded, the woman who walked in was in her early twenties, with dark and thick Japanese fluffy short hair. The sunlight from outside the corridor fell on her back and her hair. Human skin is as white as if it can shine, and a small and beautiful face seems to be pure, with only a pair of ladies' sunglasses hanging on the bridge of the nose, and a little pink lipstick on the lips.

The most simple dress is like a magazine star walking on a gorgeous red carpet, with a dazzling temperament.

And behind her, followed by a blond woman and two burly and tall bodyguards.

When the young woman walked into the door of the conference room, she turned around and said to the two bodyguards, "You wait outside."

"Yes." Su Ge obediently stood on both sides of the door of the conference room.

Ning Xiaoxiao walked in with Della, found a leather seat and sat down, then took off her sunglasses, a pair of dark and bright eyes were exposed, glowing with a glamorous light.

And Della stood behind her with the document, her body was sexy and enchanting.

Everyone looked at them both.

Including Ji Ziyuan, a pair of dark pupils stared at Ning Xiaoxiao, as if to poke a hole in her body.

It was also after this moment that a violent commotion broke out in the conference room.

Della and the others didn't know each other, but Ruan Yan didn't know anyone.

It was this Ruan Yan who complained to the outside world that Ji Ziyuan forced her on the Internet.

Since Ji Ziyuan was imprisoned, the news of Ruan Yan has been overwhelming on the Internet. They all know that kind of face when it turns to ashes.

Just how could it be her.
