Let me go mr hill chapter 2681 - 2684

Chapter 2681

Ji Ziyuan looked at Ning Xiaoxiao, "You think so too?"

"Of course." Ning Xiaoxiao smiled, "I spent so much money to buy Ji's shares, didn't I just want to make money, in fact, I think Everyone's requirements are not high, if you can't do it, Mr. Ji, I suggest you step down, really, I volunteered, and I can definitely meet everyone's requirements."

Su Dong, Cheng Dong and others were shocked for her bold remarks. speechless.

Even if Ji Ziyuan stepped down, it would not be her turn to be a newcomer, so what did they think of the old ones.

Ji Zehao said angrily: "You are an actor, and you don't know anything about medicine. What do you know? This is not the entertainment industry."

"I'm just talking. Of course I know that no one will agree." Ning Xiaoxiao's eyes Sweeping through the directors on the opposite side, "Maybe the uncles and aunts here will think, you are a newcomer, even if President Ji steps down, we will come, and you are the old one."

Everyone: "..."

Grass .

This woman has see-through eyes.

Ji Ziyuan smiled lowly.

He really had never seen such an interesting and intelligent woman. "Ruan Yan, don't worry, I will grant you your request." Ji

Ziyuan supported the silver mirror frame and looked over with a pair of deep eyes, "Welcome to Ji's, and we will have a good cooperation in the future."

He raised his eyebrows, "Happy cooperation."

...

the meeting is over.

Some shareholders packed up and prepared to leave one after another. Su Dong and Cheng Dong glanced at each other. Everyone was looking for a chance to get in touch with Ning Xiaoxiao. It was best to pull her into a camp.

It's just that Ji Ziyuan hadn't left today, and a few people didn't do it too deliberately, so they sat on one side and chatted, while the other side was secretly looking at Ning Xiaoxiao.

I dare not think about it, I dare not think about it, how old is this, in his early twenties, he looks so handsome, he can break into the film and television circle, and he can short Ji's shares. On an equal footing with these sixty-somethings.

Young people today are amazing.

There is a pervert Ji Ziyuan in front, and now there is a Ning Xiaoxiao.

Ning Xiaoxiao ignored other people's scrutiny, packed up her things, and left directly with Della.

"Ruan Yan..."

Ji Ziyuan's lazy and magnetic voice came from behind.

Ning Xiaoxiao paused and turned around. Ji Ziyuan walked in a noble and elegant step, two dark shirts were untied, and his tie was slightly loose. This complex atmosphere does not violate harmony at all, on the contrary, even the charm is more suffocating than ever.

Chapter 2682

"Let's have lunch together."

Ji Ziyuan tapped on the watch on his hand, "It's twelve o'clock, we have a nice western restaurant downstairs, just to talk about some things about Ji's family."

Ning Xiaoxiao lightly With a smile, "I'm sorry, I'm afraid that eating with you will affect my appetite, you understand."

"I understand." Ji Ziyuan was not angry, and the corners of his lips twitched slightly, "But you took a lot of time to get into Ji's, and you are ruthless. You slapped me a few times in the face, don't you want to listen to my heart, or show off in front of me, besides, I think you have a lot of research on management, for Ji's future, I think we can discuss it "

You said so, what else can I say, lead the way."

Ning Xiaoxiao put on her sunglasses and walked ahead.

Della followed immediately.

Ji Ziyuan looked at her slender back, Mo Xie Nian flashed in his eyes, and followed with his long legs.

One day, I didn't expect that one day, he would follow behind a woman's ass.

...

Western restaurant.

Soft saxes fill the restaurant.

On the European-style pure white table and chairs, there is a red rose.

Ning Xiaoxiao took out the rose, and played with it between her fingers, "This is the good western restaurant you said, I think it's just average."

After saying that, she threw the rose gently, and the flower branch formed a perfect parabola in the air and fell into the trash can.

"Let me guess." Ning Xiaoxiao looked around playfully, "You deliberately picked such a place, I guess there should be a monitor above your head, or someone secretly took a picture of us having dinner and put it on the Internet, and then The netizens went back to making random guesses, saying that I had tossed around so many things before, and now I eat western food with you, just to finally attract your Ji Shao's attention."

"You are very smart." Ji Ziyuan sat opposite, Staring at Ning Xiaoxiao's small face.

It was very strange, it was still the very familiar face, but he suddenly realized that the woman in front of him seemed to be wearing layers of masks.

It was the first time he couldn't see through a woman.

"Who the hell are you?" Ji Ziyuan stared at her with sharp eyes, "You're not Ruan Yan."

"Oh." Ning Xiaoxiao's heart skipped a beat, but her face was calm, "I'm not Ruan Yan, then who am I? ?"

Ji Ziyuan smiled, but there was no warmth in his eyes. "After you sent me to prison, I specially asked someone to check on you. Ruan Yan, who I know, was born in a small place, graduated from an ordinary university, and her parents divorced since she was a child, and her family was poor. , If you hadn't met Pei Mochen and had her help you, you wouldn't have the chance to enter the entertainment industry. Even from childhood to adulthood, your grades in reading were not top-notch, you can only say that you worked hard, but now you. . . became the Reborn that rocked Wall Street a few years ago."

Chapter 2683

Ning Xiaoxiao calmly took the menu and flipped through it, and answered his question by the way, "There are some things you may have found that I am willing to let others see."

"Really." Ji Ziyuan leaned closer to the seat, With a scrutiny in his eyes, "Let me think about when Reborn first appeared on Wall Street, four years ago? Or five years ago? And you, how old are you, twenty-four years old this year, why, could it be you? You went to Wall Street when you were nine years old. You didn't even have a record of going abroad at that time, unless you were a genius, but you were born in an environment where you didn't know anything about finance, and you didn't learn anything about it. Your parents were just ordinary workers. ."

After a pause, Ji Ziyuan's eyes fell on the small face of the woman across from him, which was illuminated by the crystal lamp overhead.

His eyes gradually became as abyss as cold pools.

"Unless, you are not the real Reborn, you are just pretending to be her name, or, you are not the real Ruan Yan, you are impersonating Ruan Yan."

Ji Ziyuan tapped his fingers on the table, "If I guessed correctly If so, it was you who broke the Du Qianhe and Zeng Shuheng scandal, Du Xuan and I have long suspected that those photos and words were all from the insiders of the company, but the one I have never suspected is you."

Ning Xiaoxiao picked Raising his eyebrows, he didn't deny it, but shrugged, "Go on."

"Actually, it's not difficult to think about it. You've been in the company for a few years, you often attend company events, and you have a good relationship with Zhao Hong. It's not difficult for you to get to those things."

Ji Ziyuan narrowed his eyes, "After that, you cooperated with Fenghong, settled in Fenghong and became a major shareholder, acquired several video and film companies, and surrounded Fan Entertainment. He also used the company's black information on some artists to force them to change jobs, and gradually turned Fanyu into an empty shell. You are really amazing."

"Thank you for the compliment." Ning Xiaoxiao raised her head and asked, "Can I order food, I have a little bit of a problem. I'm hungry."

"Come on, I'll treat you, you can order whatever you want." Ji Ziyuan took out his cigarette case, "Do you mind if I smoke a cigarette?"

"Should I say you mind?" Ning Xiaoxiao blinked, "Didn't I tell you, the way you always smoke regardless of the occasion disgusts me, and I hate the smell of smoke very much."

"So I used to When you were smoking in bed, you were holding back, right?"

"Yes, I really want to vomit." Ning Xiaoxiao said the most piercing words on her indifferent face, "But I couldn't say anything at that time, after all, you Maybe he will pat me on the face and say, hey, Ruan Yan, what kind of person are you, I look down on you when I smoke in front of you."

Ji Ziyuan smiled, his handsome eyebrows curved, "How do you know so well? As for me, it seems that we are very worthy, I apologize to you, I take back what I said before, come back to me, Ruan Yan, I really appreciate you a little bit."

"You think you are worthy of me . Is it?" Ning Xiaoxiao asked back.

"OK, I was too selfish before and didn't let you enjoy it." Ji Ziyuan spread his hands, his eyes were stained with a hint of evil, "I can please you well, and keep it to make you happy, really."

Ning Xiaoxiao from the menu He raised his eyes and glanced at him, "I am now a shareholder of Ji's and Fenghong, and the most important thing is money, do you think that in my capacity, I don't want a clean man, and I need to find someone like you who has no experience How many old men have been in prison again, as long as I have money, there are many men who want to please me, why can you win other men?"

Ji Ziyuan was taken aback.

These words are particularly harsh, but also a little familiar.

"Is it a little familiar?" Ning Xiaoxiao seemed to see through him, "I just spent a while with Pei Mochen, it's not the first time, you don't miss me, in your heart, I am A plaything, why, only men are allowed to despise women, but women are not allowed to despise men?"

"Ruan Yan, you are taking revenge on me, you hate me so much?" Ji Ziyuan sighed with emotion, "If your purpose is to To slap me in the face, to teach me a lesson, and I do feel it now."

Chapter 2684

Ning Xiaoxiao wanted to laugh when she heard what Ji Ziyuan felt most regretful.

Her purpose was just to slap him in the face?

Does he really think his feelings are important to her?

Ji Ziyuan didn't understand at all, what she was carrying was not only Ruan Yan's body being forced, but also her Ning Xiaoxiao.

"You don't think that the only thing I hate for you is that you forced me to obey you." Ning Xiaoxiao asked back.

Ji Ziyuan thought for a while, "And I'll shake things out about you and Pei Mochen, and use you as a shield for Tang Qin and the company to divert attention from the Internet?"

Ning Xiaoxiao chuckled, beckoning the waiter Called over, "Smoked lamb chops, smoked octopus, and foie gras parfait."

"Okay." The waiter quickly wrote it down and asked Ji Ziyuan, "Mr. Ji, what do you want? "

Look and help me." Ji Ziyuan glanced at Ning Xiaoxiao.

Ning Xiaoxiao looked at him silently for a few seconds before saying with a half-smile, "Just give Mr. Ji a truffle lamb chop, smoked king fish, and foie gras pudding.

A brief surprise flashed in Ji Ziyuan's eyes, but He didn't say anything until after the waiter left, and then asked, "I don't remember that we have eaten Western food, and I didn't tell you, how did you know my preferences, Du Xuan's side? "

"You really don't remember at all?" "Ning Xiaoxiao's lips curled into a three-pointed smile, but none of the smile reached her eyes.

"Remember what? " Ji Ziyuan frowned.

The topic jumped too fast, he didn't understand what Ning Xiaoxiao wanted to say.

"Heh..."

A sarcastic smile overflowed from Ning Xiaoxiao's thin lips, she took a sip of the red wine poured by the waiter just now, her red lips stained with a layer of rose, More delicate.

It turned out that the relationship from beginning to end was always just her memory.

These meals were all the recipes ordered by the western food he took her out to eat when she and Ji Ziyuan first dated.

At that time, how did Ji Ziyuan tell her affectionately: "Baby, remember what I ordered, these are my favorites.

And then...

She still remembers, but he forgets all. "

Ji Ziyuan, I hate and hate you, but it's not just because you persecuted me, do you think that if Ning Lexia is dead, your sins can be a little less. Ning Xiaoxiao suddenly asked sharply.

Ji Ziyuan's eyes suddenly darkened a bit, he looked at the woman opposite, his eyes became cold, "Because of Ning Xiaoxiao?" "

That's right, don't forget, you personally hired a lawyer to send Ning Xiaoxiao to prison, Ning Lexia is the initiator, and you are an accomplice, don't feel that you were deceived by Ning Lexia to do this kind of thing, do it. Right is done, wrong is wrong. "

Ning Xiaoxiao sneered, "Have you ever felt guilty for Ning Xiaoxiao? Ji Ziyuan pulled his tie inexplicably irritably, "

This is between me and her.... "

She's dead. What else do you have to do with her? Don't talk to a dead person about your relationship. You can only talk to a living person." "
