### Chapter 2685

Ning Xiaoxiao stared at him with incomparable disgust, "You executioner, you have never felt any guilt, I personally said that I was Ruan Yan's childhood friend, but in order to satisfy your own selfish desires, how did you treat her? Friends, you are a pervert, a cold-blooded animal, you are destined to be lonely, no one will like you, your family doesn't like you because they think you are terrible, but it can bring them benefits."

"There are a lot of women around you, but everyone is just for your money and to get benefits from you. Your friends seem to be many, but they are all just for their own interests and what they need. When you look at Song Rong's downfall, those friends Have you contacted him yet?"

"Huo Xu may be your only true friend, but he has a family with children, and her wife hates you very much, and it is destined that your brothers will never be the same as before, otherwise this time You're in jail, why didn't he offer to help you..."

"Crack."

Ji Ziyuan slammed the table and stood up, and the wine on the table was splashed out.

There was silence in the western restaurant, and even the saxophone players stopped.

Ji Ziyuan stared at Ning Xiaoxiao with dark red eyes, "Ruan Yan, do you want to live?"

Su Ge and the others who were standing at the door heard the movement and came over immediately, "Miss Ruan, what happened? "

It's nothing, I believe Mr. Ji will not act so impulsive here." Ning Xiaoxiao raised her arm and motioned them to step back with a calm expression, "You started at me as soon as you got out of prison, not to mention the surrounding area. It's surveillance, but I was photographed entering the restaurant with you on the road outside, even if you cover the sky with your hands, do you think my friends won't stand up for me?"

Ji Ziyuan grinned, his hands resting on the table, a tall figure With an overwhelming pressure, he pushed him over, "But sometimes I'm like a lunatic. Do you want to try it? It's a big deal for both of us. How about you, don't you want to avenge me for Ning Xiaoxiao's sake?"

"Forget it, if I die with you, I don't want to meet you again on the Huangquan Road. It's too bad." Ning Xiaoxiao said lightly, "Although I hate you very much, I don't plan to always take revenge on you, so I can send you in. Three months in prison is my greatest skill."

"You are very self-aware, but your feelings for Ning Xiaoxiao are only the same. You don't even dare to take revenge on me." Ji Ziyuan sneered, "Didn't you say that I am the executioner?"

"I dare not, because I know The preciousness of life."

Ning Xiaoxiao's eyes were calm, both she and Ruan Yan had died.

In the past, she didn't cherish the life that God gave her, and she always felt that life was boring.

But that dream made her understand that Ruan Yan gave her this life and let her go on, and she should not let Ruan Yan's intentions.

She still has a lot to do.

She wants to revitalize the Ning Group.

"In the end, you're just scared." Ji Ziyuan's mouth was defiantly.

Somehow, he hoped that the woman in front of him could take revenge on her.

If she takes revenge for Ning Xiaoxiao, he welcomes it.

No one knew that Ning Xiaoxiao was a thorn in his heart.

"If you are the real Reborn, I can compete with you. If you win, the Ji family will belong to you. If you lose, you will leave Ji's family." Ji Ziyuan looked at her and wrote down the

challenge letter word by word, " You are the first woman who can receive my challenge letter."

"I have no interest in fighting for Ji's, and I don't know the medical industry. The competition between the two of us may cause turmoil in Ji's, and even spread to the In the hospital below, the final result is that people who need to see a doctor will delay treatment."

Ning Xiaoxiao shook his head, "I prefer to be a shareholder in Ji's, and I also believe in your ability, you can get it every year while sitting at home. Tens of billions of income, why not do it."

Ji Ziyuan understood, the corners of his mouth twitched, "Listen to what I mean to work for you."

"Isn't it good?" Ning Xiaoxiao said in a low voice, "You hate me, you want to kill me, but you can't do anything about me, and you will give me dividends from the money you earn every year, how wonderful, someday you will If you don't do well, I can still criticize you publicly in the company, accusing you of not making profits for our shareholders."

Ji Ziyuan was very happy.

With that said, he lost again in this game.

Mingming used to think it was cool to be the president of Ji's, but now that she said that from her mouth, she seemed to be a part-timer.

That's right, he earns a lot of money, but he racks his brains for work every day, and Ning Xiaoxiao doesn't have to do anything, he can get money by doing it at home.

It made him a little envious.

But how could he be willing to let him hand over the power in his hand?

At this time, the waiter came up with western food.

Ning Xiaoxiao took the knife and fork and started to cut the lamb chops. She ate it fast but didn't gobble it. Instead, she gave people a feeling of elegance.

"Be careful of choking when you eat so fast." Ji Ziyuan reminded lazily.

"I eat fast because I want to leave early. It's disgusting to see you." Ning Xiaoxiao said bluntly.

"Creak!"

The knife in Ji Ziyuan's hand slashed a long mark on the dinner plate, making a harsh sound.

He narrowed his eyes wickedly, "Then when I was in your body, wouldn't you be more unappetizing, but unfortunately, I was very happy, I still remember that taste, even if you took medicine, but your intoxication I can clearly understand the little expression on your face, I will draw a second picture for you another day, and my painting skills are not bad."

The knife and fork in Ning Xiaoxiao's hand stopped cutting.

The pretty face sank slightly, and even a nausea and nausea overflowed from the deep throat.

Ji Ziyuan smiled when he saw this, and began to enjoy Chinese food happily, "I'll prepare to draw when I go back."

"Draw it down, I hope you will always remember that my expression is revealed only by taking medicine." Ning Xiaoxiao reminded coldly, "As long as you don't feel ashamed, I'll do whatever you want."

Ji Ziyuan: "..."

There is always a feeling of punching cotton.

Ji Ziyuan gritted his teeth and smiled softly, "Ruan Yan, the two of us actually met in a wrong way, if I hadn't forced you at that time, we would have had a normal relationship like ordinary men and women, maybe... I would love it. Get on you."

"I don't believe it, you don't know love at all, and you won't fall in love with anyone."

After Ning Xiaoxiao finished eating, she wiped the corners of her mouth and got up, "I'll leave first, you can take it slow."

"You haven't answered my initial question, who are you?" Ji Ziyuan's voice came from behind, "Or, you can simply answer me a question, are you Ruan Yan?"

Ning Xiaoxiao looked back deeply. He glanced at him, didn't answer, and left without looking back.

Ji Ziyuan leaned his body back on the chair, his eyes fixed on the dishes in front of him.

Thinking of what Ning Xiaoxiao said just now: Do you really not remember at all?

"Ji Shao..." Tang Kai came over, "Ruan Yan is gone, the two bodyguards following her seem to be very difficult, they should all have blood on their hands and have been on the battlefield. People."

"I guessed it."

Ji Ziyuan said thoughtfully.

Tang Kai wondered: "I really don't know where Ruan Yan found such a person, and the group of people who kidnapped Ning Lexia before, they don't seem to be ordinary people."

Ji Ziyuan's heart moved slightly, "Go check Reborn, I need to know. All the information about this person, her origin, when she first appeared, or has anyone photographed her true face abroad?"

"I heard that she is very mysterious, and occasionally appeared with a mask and sunglasses. ...."

"There is always a sparseness in a hundred secrets, as long as you are willing to spend money and spend your time, I don't believe you can't find it." Ji Ziyuan's eyes were dim.

Tang Kai said: "You suspect that she is not the real Reborn. In fact, I also think it is quite incredible. Her background is completely irrelevant to Reborn.

" Copy it to me, including the movies and TV series she acted in. Compared with the fact that she is not the real Reborn, I don't think she is the real Ruan Yan."

Ji Ziyuan whispered, "Also keep an eye on Ruan Yan, I need to know about her. The next move."

"Will she join the directors to target you?" Tang Kai worriedly guessed.

"I don't know."

Tang Kai was stunned by this answer, and it was the first time he found out that Ji Ziyuan also had people and things he couldn't understand.

downstairs.

After Ning Xiaoxiao got into the car, Della said, "After you went to dinner just now, Dong Su and Dong Cheng asked for my phone number for an excuse. I guess they were dissatisfied with Ji Ziyuan, but they didn't dare to take any action, so they wanted to join hands with you."

A bunch of timid things, they just want to use me to disturb the Ji family, and then sit back and enjoy the benefits of the fisherman." Ning Xiaoxiao pursed her lips coldly.

"then you....."

"It's not impossible to have a meal once in a while. After all, I have to use them to join the board of directors, but I have no interest in trying to make me stand out. I'm not interested in this." Ning Xiaoxiao said lightly.

Della smiled, "That's right, you already own 10% of Ji's shares, and a few days ago, you invested heavily in Jicheng Children's Hospital, one of Ji's new competitors, and now you are on the other side. Earn, in a few years, you will have more assets than Ji Ziyuan, and the Ji family probably never thought of this."

Ning Xiaoxiao didn't speak, there was no smile on her face, she just looked out the window.

No matter how much money she earns, can her parents come back, they can't come back.

While thinking about it, the phone rang.

Jiang Qingxin called her and said, "Okay, I should call you Ruan Yan or Reborn, you are the one who hides the deepest, and quietly became Ji's shareholder, you say, How many things are you hiding from us?"

"Sorry." Ning Xiaoxiao's voice contained apology.

She trusts Jiang Qingxin, but she doesn't trust Huo Xu.

She has to be careful about Ji's layout, as long as she leaks a little, she will fail.

So she concealed Jiang Qingxin and Lin Fanyue.

"I don't need to be sorry, in fact, I can understand. If it were me, I would have done the same." Jiang Qingxin smiled, "It's just... I have always felt that I am your good friend, and I understand very well. You, I just found out now, no, I still have many, many doubts, based on your growth experience, it is absolutely impossible to become Reborn, your money, your identity, can you tell

me? You guys, aren't you afraid that I'm taking advantage of you?" Ning Xiaoxiao asked in a low voice.

“You don’t seem to have used us.” Jiang Qingxin teased and said generously, “I only saw you in court for the first time, and I felt an indescribable intimacy. I may not have I told you, I sometimes think that we might have known each other in a previous life, maybe the kind of good friends.”
