Ning Xiaoxiao's sighing voice came over, making the always smart Jiang Qingxin a little stunned.

At that moment, all kinds of strange thoughts flashed in her mind, and she blurted out, "You don't carry the memory of your previous life."

After speaking, she suddenly felt that she might be mentally retarded.

"It's over, I've become stupid recently." Jiang Qingxin pressed his forehead, not knowing whether to laugh or cry, "I almost believed you."

"I really carry the memory of my past life." Ning Xiaoxiao said.

Jiang Qingxin: "..."

She felt like she had jumped into some supernatural fantasy TV.

"Please invite you and Fanyue to dinner at night. Some things have not been told to you. It's time for you to know the truth. By the way, don't tell anyone else." Ning Xiaoxiao heard that there was no sound there, secretly laughing.

The two of them must have been very shocked at night.

After hanging up the phone, Jiang Qingxin squeezed her face hard.

Where can Ruan Yan get so much money, even if she has been in the entertainment industry for decades, she will not be able to buy Ji's."

"I didn't lie to you, she is now...it's probably the richest of the three of us." Jiang Qingxin said that she was suddenly envious, "I'm going to slaughter her at night and dig out the secrets of her body."

"Today is not April Fool's Day?"

"No."

Lin Fanyue was shocked, "Hold the grass, hold the grass..."

Jiang Qingxin had a black line on his forehead, "Can you change the word."
