

When His Eyes Opened Chapter 1061 | Simple Silence

Chapter 1061

“Shy, shy!” Layla was numb from the two of them, so she let go of Avery’s hand and ran downstairs quickly.

At 9 p.m.

Avery returned from the children’s room to the master bedroom, Elliot hugged Robert and looked up at Avery: “How is it?”

Avery let out a smile, “I apologized to him. I told him to play well and not be affected. He said he knew. he doesn’t have me. I’m as angry as I imagined.”

“That’s good.” Elliot breathed a sigh of relief, “Let Robert sleep with us tonight! and I want to try the feeling of having a child at night.”

Because Robert was small and looked like him , which caused him to feel like he was carrying a miniature version of himself when he brought Robert.

The father’s love for a child was like a surging river. Not to mention taking him at night, he just want to hold him in his hand all the time.

Avery raised her eyebrows and said, “Are you sure ? Aren’t you going to work tomorrow ? You stay with me at home for 5 days and didn’t care about the wedding. You must be busy tomorrow, right ?”

Elliot didn’t realize the seriousness of the matter. He asked: “Do I sleep with the child tonight, won’t I get up tomorrow ?”

“Robert needs milk at night. Maybe after drinking milk, he will full of energy and refuses to sleep, so you have to play with him abd when he feels tire and falls asleep, you may not be able to fall asleep immediately...”

When Avery said this, Elliot suddenly stopped the idea of sleeping with the child.

“I’ll be really busy tomorrow. Then I’ll play with him for a while now!” Elliot hugged the child, took a book of animals, and accompany the child to look at the pictures.

Avery took a book from the study, lay down on the bed, and started reading.

“Avery, what book did you read?” Elliot glanced at her, and found that it was a medical book related to andrology.

Her tone was indifferent, “Andrology. There are three men in our family, there is no guarantee that you will not get sick in the future.”

Elliot was speechless.

“Have you had a medical examination this year?” Avery asked.

Elliot: “Check-ups every June.”

“Oh, after the wedding, let’s go for a check-up together!” Avery said.

“Well.” Elliot saw that the child was flipping through the book and didn’t need him at all, so he moved to Avery and discussed with her, “Say, do

I want to have a sterilization operation? We already have three children, I will definitely not have any more children in the future.”

Avery looked at him in astonishment: “Aren’t you afraid of pain?”

“It shouldn’t hurt a lot, right? If it hurts, can you take anesthesia?” Elliot guessed.

Avery cheeks were hot, “But there’s no need to do that. As long as we use proper contraception, we shouldn’t get pregnant by accident.”

“What if there is an accident?”

Avery teased, “According to your expectations for an accident, maybe you’ll be ligated. I might also get pregnant unexpectedly. I don’t want you to have this surgery.”

From her tone, he felt her pity for him.

“I’ll listen to you.” Elliot said, kissing her on the cheek.

Avery put a kiss back on his cheek: “this sentence ‘I’ll listen to you’ is more beautiful than ‘I love you’.”

“Are you looking for a husband or a slave?”

“I look for you like this. Love me and listen to me” Avery said with contentment, “Say something you don’t like to hear about Adrian, and I know you will listen to me.”

“Avery, what you said is a bit too much.” Elliot pretended to be angry, “If I don’t listen to you?”

“If you don’t listen to me, I’ll kiss you.” Avery hugged his neck and kissed his lips quickly, “Heroes are sad at Beauty Pass, you can’t escape my palm.”

The next morning.

An oversized package appeared in the living room.

Chapter 1062

Avery opened the package, and a beautiful red dress appeared in front of him. This was a toasting suit.

Mrs. Cooper smiled and said, “I thought it was a wedding dress!”

“The wedding dress didn’t come so fast.” Avery took out the dress and compared it on her body, “I’ll try it.”

Mrs. Cooper said, “Well, if it doesn’t fit, it’s still too late to change. Avery, do you think time is so fast? In half a month, you will get married.

Avery smiled and said, “I think time is slow, I hope to be with him right away to marry. “

“Ha ha ha! After Mr. Foster moved in, your relationship is much better.
“

“Hmm. This speaks volumes about the importance of communication.”

Avery took the skirt and walked towards the room.

Probably the injury on May 1st was too painful. After that day, they both cherished each other even more.

At exactly 10 a.m.

A car stopped in front of Foster's house. Henry got out of the car.

When the bodyguard saw Henry, he immediately informs Mrs. Scarlet.

Mrs. Scarlet strode out.

"Mrs. Scarlet, is Elliot at home? Henry asked politely.

Mrs. Scarlet shook her head: "Not here. What are you doing to him? "

Henry: " It's not easy to tell outsiders about this. I have to talk to him face to face."

This chapter is provided by [.com](#). Visit [.com](#) for daily update.

Mrs. Scarlet said, "Oh, he's not at home. And he's been busy with weddings recently, especially busy. If you're not in a hurry, why don't you wait until his wedding is over?"

Henry raised an embarrassed smile: "Mrs. Scarlet, you don't seem to welcome me."

Mrs. Scarlet said politely and coldly, "Mr. Foster, what you said is serious. I'm just a servant in the family. I have no right to invite anyone into the house when the master is not at home. If it's urgent, you can call Mr. Elliot."

"I've called him but his phone is busy."

“Oh, he’s been really busy recently.” Mrs. Scarlet said.

Henry’s eyes looked towards the villa.

Adrian stood at the door of the villa and wanted to come out, but because there was a stranger, he hesitated and did not move. He has lived here for a few days, and he is no longer as restrained as he was at the beginning.

Mrs. Scarlet treats him very well, not only taking care of him every day, but also taking him around.

“Who is that man?” Henry stared at Adrian without blinking.

Mrs. Scarlet turned back and saw Adrian standing at the door of the villa, and immediately ran over to let Adrian go back to the house.

Henry was even more puzzled when he saw Mrs. Scarlet hiding Adrian so excitedly.

Elliot is extremely protective of his privacy. He would never invite ordinary people to his house.

So what is the relationship between the man just now and Elliot? Why is he in Elliot’s house?

After Mrs. Scarlet asked Adrian to go back to his room, she strode back to the gate of the courtyard and said to Henry, “That’s my nephew. He came to see me. Mr. Foster, please come back!”

Henry: “This is Elliot’s home. How dare you let your nephew come over?”

Mrs. Scarlet felt guilty and spoke very quickly: “I reported it to Mr. Elliot. I won’t bother you anymore.”

After Mrs. Scarlet finished speaking, she turned and walked away.

Henry felt that something was wrong, but he couldn't pry Mrs. Scarlet's mouth open and let her tell the truth.

Henry drove home and told Cole about it.

Henry frowned, "Cole, I think that man isn't easy. If he's Mrs. Scarlet's nephew, why is Mrs. Scarlet afraid of letting me see him? You didn't see Mrs. Scarlet's panicked look at that time."

Cole said: "Dad, have you ever thought about a question, Elliot is Nathan's son, so where is my uncle?"

When His Eyes Opened Chapter 1063 | Simple Silence

Chapter 1063

This question shocked Henry.

Cole ignored the most important question. This Elliot is fake, so where did the real Elliot go?

As long as we can find the real Elliot, can't we deal with this fake Elliot?

Cole said, "We can spend some money to inquire about the man's information. There are so many servants in Elliot's family, just buy one of them."

Henry said, "You can do this. I'll take a look to Nathan."

Cole said, "Going to see what that old b*stard is doing? If he can join us, it will be more beneficial to us."

Henry said, “Elliot is too powerful. The old b*stard is Elliot’s biological father, he must join us. You forgot that I asked someone to beat him a few days ago? He beat him in Elliot’s name. He probably hates Elliot to death now. Elliot is busy preparing for the wedding now. This is our last chance to turn around.”

Cole nodded: “I don’t need to be busy looking for a house or starting a business now. As long as this one can overwhelm Elliot, we won’t have to do it for the rest of our lives. I’m worried.”

In the afternoon, Henry contacted Nathan.

Nathan was beaten a few days ago with a blue nose and a swollen face, and he has been recuperating at home these days. He hated Elliot deeply, but the injury on his body reminded him that Elliot was someone he couldn’t afford to offend.

Before Adrian was in hand, Nathan didn’t take the opportunity well, but now that Adrian was taken away, he didn’t dare to act rashly.

After Henry came over, Nathan looked at him with his nostrils: “Why are you looking for me?”

Henry sat down on the sofa and joked, “Who beat you up like this? Didn’t you say that your son is one of the best in Aryadelle? Or, is it your son who beat you up like this? Except you Son, no one dares to beat you, right?”

Nathan listened to his words and became angry: “What if it was my son who beat you up? It’s none of your business! What did you come to find me for?!”

Henry was beaten by him Rude attitude is on fire.

This chapter is provided by .com. Visit .com for daily update.

Judging from Nathan's appearance, even if he was beaten to death by Elliot, he would not say anything bad about Elliot to the outside world.

"Nathan, I heard something. About you and Elliot..."

"Oh, you know it, right? What if you know it? My son is in Aryadelle, who moved him? You bum, are you here to threaten me? Get out of here!" Nathan got up from the sofa and walked in front of Henry aggressively, with a fierce expression like he wanted to eat people.

Henry was so frightened that he ran to the door immediately.

After Henry fled, Nathan paced up and down the living room.

Henry knows about this but will it be bad for Elliot?

Nathan can ask Elliot to defraud money, but he can't bear others to ask Elliot to defraud money.

After struggling for a while, he found his mobile phone and dialed Elliot.

Sterling Group.

Elliot frowned when he saw Nathan's call.

Why is he calling for? Does he want money after spending 10 million?

Elliot didn't want to answer his phone, and was afraid that he wouldn't be able to contact him, which would make him mess up. But he picked up.

After picking up the call, Nathan's voice was rough: "You stinky boy! How can you be so cruel! You want to kill my mouth! Don't I just take ten million from you? Adrian was taken away by you guys too, where am I getting in your way?!"

Elliot frowned deeply, unable to understand what Nathan was saying.

Elliot: "Nathan, are you f*cking drinking too much?"

"What am I drinking! I'm all hurt, how can I drink?!" Nathan said angrily, intending to tell him what Henry found.

As a result, Elliot hung up!

Elliot called the bodyguard and asked, "You beat Nathan behind my back?"

The bodyguard said, "No. Without your order, how would I dare to do it?"

Elliot whispered, "Nathan called just now and said I was going to kill his mouth. Go and find out what's going on."

When His Eyes Opened Chapter 1064 | Simple Silence

Chapter 1064

In the evening.

The gate of Central University. Avery came to pick up Hayden from school because Hayden had a test today.

Avery hoped that Hayden would not care so much about the result, and accept it calmly no matter if he can take the first place or not.

“Hayden, how did you do in the test?” Daniel and Hayden came out of the classroom together.

In addition to being the best relationship in the class, they are also the best grades in the class.

Hayden was very satisfied with the test results, but he is more modest: “Wait for the score tomorrow!”

Daniel raised his eyebrows, “Well! I think I should be fine. I know you want to go too, if you ask me. If so, I can consider giving you the quota. Although my father may not agree to it.”

Hayden: “I will rely on my own strength to get the quota. I don’t need you to give it up.”

“But your strength is lower than mine! Although we are good friends, in fact. Last time I took the final exam, I was the first.”

Hayden corrected: “I just scored a little lower than you in the cultural class. I’m no worse than you in the professional class.”

“Okay! Let’s not quarrel. Well, when the scores come out tomorrow, you will know that I am still better than you.” Daniel said, and saw Avery at the school gate, “Hayden, your mother is here to pick you up. Your mother is getting more and more beautiful.”

Hayden looked at the school gate.

Seeing Hayden, Avery waved to him immediately.

When Hayden saw the smile on his mother’s face, his unhappiness in his heart suddenly faded a lot. He knew that he couldn’t control what kind of

man his mother chose. He had no choice at all except to accept Elliot. Because he wanted to live with his mother.

Daniel took the lead to walk to Avery and greeted warmly,
“Auntie...Auntie, today we had a qualifying test!”

This chapter is provided by .com. Visit .com for daily update.

Avery said, “Well, Auntie knows. How did you pass the test?”

“I am sure I can get 1st place. I told Hayden just now. You go back and comfort Hayden. I don’t want to make Hayden sad. But I can’t make my dad sad. My dad hopes that I can go to the Hacker Cup and get International awards, this will help me in the future.” Daniel vowed.

Avery wanted to congratulate Daniel, but she couldn’t say it. If it is true what Daniel said, then Hayden will definitely be very sad. Hayden attached great importance to this competition.

“Mom, let’s go home!” Hayden took Avery’s hand and pulled her away.

After getting in the car, Avery unscrewed a bottle of water and handed it to Hayden.

“Hayden, it’s fine even if you don’t get the quota. In mother’s heart, you will always be the best.”

Hayden took the water and took a sip and said, “Mom, the results won’t be announced until tomorrow.”

Avery frowned, “Oh, but Daniel seemed to be very confident. If he really gets the spot, don’t be too sad. It’s just one game, and there will be more in the future.”

“Mom, do you trust me?” Hayden’s expression was calm and his tone was even calmer.

Seeing her son like this, Avery’s nervousness disappeared.

“Of course Mom believes in you. Mom is waiting for the good news from you tomorrow.” Avery said here, adding, “The second place is also good news!”

“I will take the first place.” Hayden frowned.

“If you take the first place, let’s go out and celebrate!” Avery started the car and called Elliot at the same time.

——Sorry, the user you dialed is on a call, please try again later.

Elliot was on his way home when he received a call from the bodyguard.

“Boss, Nathan was indeed beaten. The person who beat him said that you asked him to beat him.”

Elliot frowned, “Can you find out who impersonated me?”

The bodyguard said, “It’s hard to find out. I have forgotten what that person looks like. Henry said that he came to him today. Let me tell you, be careful that Henry will trouble you.”

When His Eyes Opened Chapter 1065 | Simple Silence

Chapter 1065

Elliot heard the words, his eyes darkened a bit: “What did Henry do to him?”

“Henry knows about your relationship with Nathan.”

Although he knew that this matter might not be hidden for long. He didn't expect Henry found out so quickly.

I don't know what Henry will do next.

Henry knew everything about Nathan. If Henry wanted to tear his face off with him, things would definitely be ugly.

After hanging up, he saw Avery's call and immediately called back.

“Elliot, are you coming back for dinner tonight?” Avery's voice came softly.

“Yeah. I'm on my way back. There's a traffic jam on the road. Did you pick up the child?”

“Yes.” Avery glanced at Hayden, then smiled, “buy a cake and go home! Hayden took the test today. Yes, let's celebrate in advance.”

“Okay. What flavor do you want?”

“Chocolate cake, but don't buy too much.” After talking on the phone, Avery looked at Hayden: “I asked your dad to buy a cake.”

Hayden was sullen's answer.

The next day, the test results came out.

With a three-point ahead from Daniel, Hayden won the first place in the test and qualified for the Hacker Cup.

After the teacher announced the results in class, Daniel collapsed and cried.

This chapter is provided by [.com](#). Visit [.com](#) for daily update.

Hayden sat next to Daniel, suddenly embarrassed and overwhelmed.

Because Daniel's emotions affected classroom discipline, the teacher took Daniel to the office to comfort him.

The other students congratulated Hayden for winning the place.

Hayden quickly adjusted his mood.

After a while, Daniel returned to the classroom. He didn't cry anymore, but the way he looked at Hayden changed.

"Hayden! You didn't admit that your father was Elliot before! Now I know it! If your father wasn't Elliot, the teacher wouldn't give you a high score at all! Obviously our operations are similar, why are you three points higher than me? Just because your father is Elliot, so I have to give you the quota!"

Daniel roared, lying on the table and crying again.

When Hayden heard his words, his face became dark blue. He won by his own strength, not by Elliot!

"I didn't rely on Elliot!" Hayden roared.

"You rely on your dad! The teacher told me just now! The teacher told me not to argue with you! Because your dad invested money in our

school! Hayden! You rely on your dad, you are ashamed!” Grabbing the schoolbag, Daniel strode out.

Hayden suddenly felt cold, and his body trembled uncontrollably.

The classmates around were staring at him, as if echoing Daniel’s words – ‘you rely on your father, you are ashamed!’

.....

Tate Industries.

Avery’s cell phone rang. After answering the phone, she immediately came out of the office and rushed to the school.

The teacher called her and said that Hayden was leaving school. The teacher’s tone was a little rushed, and he didn’t say why Hayden left the school.

Avery rushed to the school as fast as she could, and saw Hayden stood angrily at the school gate.

When Hayden saw his mom, he didn’t even think about it, he just walked away!

“Hayden, Stop!” Avery strode after him.

The teacher caught up with Avery and explained the reason to her:

“Hayden took the first test, and Daniel couldn’t accept the result, saying that he was relying on his father, that is, Mr. Foster... Hayden had strong self-esteem, so he was angry. Hayden doesn’t rely on Mr. Foster, he relies on his own strength...”

Avery looked in Hayden's direction after listening to the teacher's explanation. She saw that a truck was heading in the direction of Hayden, coming fast!
