

## When His Eyes Opened by Simple Silence Chapter 1091

Chad replied: “Avery doesn’t think it’s scary. What’s so scary about me? Do you think Avery has no brains?”

Mike said worriedly, “Even if you think he’s okay, but other people don’t think so. I really I’m worried that their children will be affected. If only Elliot could come forward and explain his motive for the murder.”

Chad said firmly, “My boss won’t explain it. He hates talking to others the most. But I believe that he must have justified reasons for doing such extreme things. For example, self-defense.”

“I know your boss doesn’t bother to explain to others. He doesn’t even explain to Avery, let alone other people? Avery can’t stand his stinky temper. Elliot’s dragging him to death and he’s been taught a lesson today!”

“Are you gloating? If my boss is guilty, the law will punish him. What happened today’s Plan which is completely organized? Those people will be punished and no one can escape!” Chad said angrily.

“It is estimated that this is the first time in Elliot’s life that he has suffered such humiliation. It’s tragic.”

“Shut up your mouth. Elliot is Avery’s husband now. You better bless him in peace, otherwise Avery will cry even more. “

Why do you keep pressing Avery on me?”

“Because only she can hold you down your crow’s mouth!”

After a while, Mike took the medicine box and handed it to Avery.

“Why don’t the wedding be delayed for half an hour? It will be 12 o’clock soon.” Mike glanced at the time and discussed with Avery.

Avery hesitated for a moment, then nodded: “We’ll go when I change his clothes.”

“Well. Also, you have to put on makeup because Your face looks like a crying face.” Mike reminded.

“Got it.” She turned around and entered the room with the medicine box.

Mike came out of the villa and planned to inform the officiant of the wedding that the wedding was postponed.

I ran into a bodyguard and hurried over.

“In a panic, what’s wrong?” Mike asked.

The bodyguard wondered, “A middle-aged man came to the door of the resort, saying it was President Foster’s father, and he had to break in. I asked him to bring out the invitation, but he said no. He insisted that he was President Foster’s father. ....Why don’t you go and see if he is President Foster’s father!”

Mike said: “How do I know who his father is... Chad, Go and see!”

Chad pushed the glasses on the bridge of his nose, “Why don’t I go and inform my boss! Because I don’t know who his biological father is...I haven’t seen him!”

Today, Henry exposed Before all the scandals, Elliot didn’t tell the people around him, except Avery.

“Are you sure you’re going to tell Elliot? Elliot didn’t invite his biological father which means they have a bad relationship.” Mike whispered to Chad, “Why don’t you just shoot people away! So that he won’t get upset.”

Chad thought about it. After checking the feasibility, he nodded.

20 minutes later.

Avery put medicine on Elliot’s wounds. She changed him into a new dress, then held his hand and came out of the villa.

When the two came out of the villa, they suddenly heard a sharp scream from the gate of the resort.

Elliot recognized who the voice came from almost instantly.

It’s Nathan!

His body tensed instantly, and the big palm conditioned reflex released Avery’s hand.

“Elliot...” Avery saw his face ashen, and there was a huge fear in his heart!

There was a strong murderous aura in his eyes!

Avery called his name, but Elliot turned a deaf ear as if he couldn’t hear her voice at all.

Elliot took a step forward and strode towards the gate of the resort.

**When His Eyes Opened by Simple Silence Chapter 1092**

The entrance gate of the resort.

Mike and Chad miscalculated Nathan's explosive power.

Some people just rush and leave. And some people can't be driven away.

Nathan has been mixed for most of his life with full of brute force and sloppy skills. He collapsed to the ground, screaming. In fact, the bodyguard didn't touch him at all.

The bodyguard didn't dare to touch him rashly. Today's situation is too conflicted.

At first, this person said that he was Elliot's biological father.

Second, things are too ugly and will attract a large number of nearby residents to watch, which will inevitably affect the wedding.

After Elliot rushed over, he saw Nathan who was rolling on the ground, the blood in his body 'pumped' and exploded!

In the morning, he became enemies with Henry, which exhausted his patience and completely chilled his heart.

Now Nathan came to his wedding scene to make trouble again, as if God deliberately turned against him, making it impossible for him to get married today!

He has become a villain known by thousands of people, and he doesn't care that his reputation is worse now.

"What are you doing here?!" Elliot strode up in front of Nathan and pulled Nathan's collar up.

Everyone watched him lift Nathan up from the ground, feeling that he was going to send Nathan back to the West in the next second!

“I saw that you were beaten up! So I come here to see you. What’s the matter, you b\*stard, you got angry outside and put your anger on his head? Hurry up and let go!” Nathan roared.

Avery wanted to ask him to stop, but couldn’t make a sound. She knew that he was so angry now that if his emotions didn’t come out, he would suppress it in his heart and cause problems!

Nathan hit the muzzle of the gun.

“Avery, go to the auditorium first!” Mike felt that Elliot had lost his mind, and the next scene might be more violent and bloody. He didn’t want Avery to see such a picture.

Mike forcibly took Avery away and walked towards the auditorium.

In the grand and splendid auditorium, there were no empty seats for guests.

When everyone saw Mike and Avery coming in, there were puzzled expressions on their faces.

The wedding ceremony has been delayed by 10 minutes.

Although the master of ceremonies had already informed that the wedding ceremony would be postponed for 30 minutes. But seeing the bride’s dejected look, everyone couldn’t help but guess in their hearts whether the wedding could be held smoothly.

Avery raised her eyes and looked at Elliot’s well-arranged auditorium. She liked pink, so the entire tone of the auditorium was dominated by

pink. and She liked flowers, so there were flowers of all colors everywhere in the auditorium.

Originally, she should stand here with Elliot now, and made an oath of love in front of all her relatives and friends, but she was very uncertain.

She didn't know if Elliot still remembered the wedding, let alone if he would come.

Mike helped her to the front row of chairs and sat down.

“Avery, sit here, I'll go out and have a look.” Before Mike went out, he asked Tammy to come and accompany her.

At the entrance of the resort, Nathan wanted to break free from Elliot's restraint, but Elliot refused to let go of him.

And just like that, the father and son fought!

The bodyguard watched, not knowing what to do.

After all, Nathan was Elliot's biological father. The father and son fought, and it was difficult for outsiders to interfere.

Moreover, Elliot had a good physique, so he would not suffer at all in the face of Nathan.

Soon, Nathan was pinned to the ground!

Chad stood beside him and tried to persuade him to fight: “Boss, hand him over to the bodyguard! You go and hold the wedding ceremony with Avery first.”

**When His Eyes Opened by Simple Silence Chapter 1093**

Before Chad's words were settled, Nathan scolded and chattered: "Elliot! You bastard! You don't even ask me what I'm here to do! You fucking, you have the ability to beat up Henry. You just saw that I'm your biological father, so you can't really do anything to you..."

Elliot was disgusted when he saw his constantly pursed lips.

What Henry said was even more disgusting!

If Henry hadn't brought Adrian back to Aryadelle to find Elliot to defraud money, the latter series of things would not have happened.

This tragedy was caused by Henry, and he dared to come here to find fault, he didn't know whether to live or die!

Even if today's wedding is over, Elliot has to teach Henry a lesson and let him never dare to jump again!

In the auditorium.

Avery heard hurried footsteps behind her. She looked up to the side and saw Mike coming over.

"What about others?" Avery's voice was uncontrollably cold. She waited so long, and Elliot hasn't come yet. Is he not going to come?

"He was Injured and sent to the hospital." Mike sighed heavily, "Let's go eat first!"

Her fingers clenched tightly. She should have gone to the hospital to see Elliot, but she couldn't move. She just wanted to stay here and not go anywhere.

“Avery, I know you’re sad, but if things are like this today, your wedding will definitely not happen. You go to dinner with us first and don’t let the wedding go and people will starve first.” Mike grabbed her arm, want to take her away.

She stubbornly retracted her arms and refused to listen to Mike.

Tammy frowned and said, “Mike, take the guests to dinner first. I’ll sit here with Avery for a while. It’s not that Avery got married, of course she can’t understand how uncomfortable she is now.”

” Okay, I’ll take the guests away first.” After Mike finished speaking, he turned and invited everyone to the banquet hall for dinner.

In the huge auditorium, only Avery and Tammy were left.

Tammy sat down beside her and comforted, “Avery, even if you and Elliot don’t have this wedding, you will grow old together, Really. All the bad things happened today, and you will never meet again in the future. I’m in trouble.”

Avery lowered her eyes, tears rustling down: “Why can’t Elliot control himself? After saying that the wedding is going to be completed today, why can’t he control his temper a little... ..”

Tammy held her cool hand and said, “The wedding can be done later. What happened today is really scary, not only us but also the other guests were frightened. Avery, Henry chose to expose these today, just to be sure. Let you all have a good wedding. Just wait until today is over.”

“Hopefully!” Avery raised her head slightly to calm herself down quickly, “You go with me and change your clothes!”

“Okay.”

In the hospital.

After the doctor treated Elliot’s wounds on his face and hands, he strode out of the consultation room before he could tell him what to pay attention to.

“Boss, where are you going?” Chad was very afraid at this moment that he would do something even more outrageous.

He beat Nathan with a bruised nose and a swollen face, which was not human-like.

Although Nathan was weaker than him and Elliot was also a violent temper. Nathan was beaten hard, and he didn’t care that Elliot was his own son, so he was also injured.

“Go back and get married.” The anger in his dark eyes had been extinguished.

Whether it is Henry or Nathan, the farce they brought can be temporarily forgotten.

Today was his and Avery’s wedding, and Avery was still waiting for him. So he had to rush back to marry her.

Half an hour later, he rushed to the auditorium. The auditorium was empty. Just like his heart at the moment, a piece of desolation.

Didn’t Avery wait for me?

**When His Eyes Opened by Simple Silence Chapter 1094**

“Boss, the guests have all gone to the banquet hall to eat.” Chad asked a waiter outside the auditorium, and got this answer, “Why don’t you go to the banquet hall to eat first! Maybe Avery is also eat there.”

Elliot took out his phone from his pocket. He didn’t know when the screen of the mobile phone crack but still usable.

He found Avery’s number and dialed it. Soon, the call was connected.

“Avery.”

“Elliot.” The two spoke almost at the same time.

“Where are you now ?”

“Where are you now ?” The two said at the same time again.

They fell silent at the same time. After a few seconds, Avery spoke first: “I’m in the villa. What about you ?”

“I’ll go to you now.”

“Well.”

After hanging up, Avery breathed a sigh of relief.

Listening to his tone, she should have calmed down by now.

As Tammy said, after getting through today, their lives will gradually become stable.

After that, no one could break them again.

Five minutes later, Elliot returned to the villa.

The moment the two looked at each other and were shocked.

Elliot didn't expect that Avery had already taken off her wedding dress, and took off her makeup and styling.

Now she was wearing an everyday long dress, and her face was the plain .

But Avery was shocked that Elliot face was injured and wrapped in gauze.

“Aren't we going to have a wedding?” he asked nervously.

She took a sad breath: “Elliot, it's past 2 o'clock in the afternoon...”

“Didn't you say that no matter what happens, there will be a wedding?”

“You're like this, are you sure you want to have a wedding? Look at your clothes, it's dirty again. The injury on your face, are you trying to scare others? If you really want to have a wedding with me, why don't you just do the ceremony with me and then fight?”

She I didn't want to blame him, but he actually questioned her!

While she was waiting for him in the auditorium, Elliot didn't think for a second about how she felt.

Elliot knew that he was wrong, so he didn't say anything.

She took him to the bedroom and said, “You go and change your clothes first. I'll ask the nanny to bring lunch. I figured it out, it's fine even if we don't have the ceremony, anyway, it's our wedding today.”

“Do you think that I’m ashamed now?” Elliot asked as he entered the bedroom.

Avery took out a set of clean clothes from the closet and put it on the bed, and replied casually: “If you feel ashamed yourself and you are afraid that others will feel ashamed of you. And even if you feel ashamed, you are not alone. We have long been tied to each other together, and our child.”

He took off his jacket and untied his tie, “How is Layla?”

Avery said truthfully, “My daughter cried. You don’t have to worry about others now, you take care of it. You can do it yourself. You stay at home for the next few days and don’t go anywhere. Wait until the limelight is over.”

“You just feel ashamed of me.” You probably vented all your anger outside, so don’t care what Avery said for now What, he is not angry.

“So what if I’m ashamed, what if I despise you, do you want to break up with me?” Avery complained, taking the dirty clothes and put into the dirty clothes basket.

By the time Avery came out of the bathroom, Elliot had already changed his clothes.

“We got married today. You are my wife now.” Elliot deep eyes fell on her face.

Avery said angrily, “It’s better to have a wife in your eyes. Look at how embarrassed you are now. If we are photographed, we can post it on the Internet to make up a big drama.”
