

When His Eyes Opened by Simple Silence Chapter 823

Avery asked confusedly, “He told you that? Why didn’t he tell me about it?” Elliot picked up his cup of milk and took a sip. “Because he asked me about Chad’s parents’ address.”

“Oh, what is he going to Chad’s parents for?” A bad feeling arose in Avery. “Is he going to visit them or...”

“It’s what you think it is. He plans to announce their relationship to his parents,” Elliot said. Avery had a complicated gaze.

“He doesn’t know where Chad’s parents’ house is, so Chad definitely did not call him there. If he just goes there to announce their relationship so suddenly, Chad would surely be mad.” Avery wanted to call Mike to get him to come back.

“I’m telling you this not because I want you to interfere with them.” Elliot looked at her. “I’m just telling you that most couples would stumble upon such difficulties.”

“I know.” Avery retracted her gaze from his face. “Didn’t you say you wanted to wash your hair last night? I’ll take you to the hairdresser after breakfast.” “Okay.” “After you wash your hair, let’s take the children out to play!” Avery said, “There are many festive places to see in Bridgedale.”

“Hmm, are we taking Robert along? He’s still so young, can we take him out?” Elliot wanted to take Robert out, but he was afraid that it was too cold outside, and Robert would freeze.

“We’re definitely not bringing Robert. He shouldn’t go to places with a crowd.” Then, Avery looked at Layla and Hayden.

Hayden understood what Avery meant, so he said, “Mommy, I have homework to do, I’m not going.”

“Hmm.” Avery looked at Layla. “Layla, are you coming?” “Robert can’t come, Hayden doesn’t want to go. If I’m not going as well, how sad will you two be!” Layla pouted and sighed.

Avery was amused by Layla’s conceited reaction. “If you don’t want to go, I’ll go shopping with your Daddy. Then, we’ll have a good meal. Since Hayden is staying home to do his homework, you can help look after Robert!” Layla pouted. “I want to go shopping and have a good meal together with you!” After breakfast, Elliot and Avery brought Layla out. The bodyguard was driving. Elliot and Avery were sitting in the backseat with Layla in the middle of them. “How good would it be if our family could always be together.” Layla held their hands and smiled. “Although Hayden doesn’t like Daddy now, who knows if he would change his mind in the future? Hehe!”

Chapter 01

Elliot heard Layla’s infectious laughter, he smiled, but his heart constricted tightly. He wanted to be with Avery forever, bringing their children up. However, he did not know if God would fulfill his wish.

At Aryadelle, at the Tierneys.

Charlie was already used to using a walking stick. He could walk without a walking stick, only that it would be very uncoordinated. It affected his composure, so he would rather use a walking stick. Chelsea, on the other hand, still could not come to terms with her ruined face. Even if her wounds have already started scarring and no longer hurt.

Her ugly face constantly reminded her that she would never have another man fall for her ever again in this life.

Even if she could marry Elliot, she would never have his heart. Yes. She was about to marry Elliot. It was just like a dream. Charlie used whatever chips he had on Elliot and threatened him to marry Chelsea 1 Elliot agreed to it.
