

Remarriage His Billionaire Ex-Wife By H. D. Cynthia Chapter 5

Chapter 5

When Jessica returned to Hannah's place, Hannah had already cleaned up the house. Hannah was putting the fried steak onto a plate, and the red wine was on the table as well.

"Welcome back!" Hannah looked at Jessica excitedly. "Let's have a lavish meal today and hang out tonight."

Jessica sat down in front of the table and smiled at Hannah. "No, I'm leaving LA tonight."

Three years ago, for the sake of Lucas, Jessica had left New York, where her parents lived.

Now that Lucas and Jessica were done, she didn't want to stay in LA anymore.

However, before leaving, she had to give Trissy the gift she had prepared, so she said to Hannah, "You can get someone to send out the video I sent you."

Didnt Lucas ask her to apologize to Trissy all the time?

Jessica was going to "apologize" to Trissy now, hoping that Trissy would love the gift.

Hannah said excitedly. "No problem, I've been waiting for you to say that. Wait for me, I'll make a call now. Let's go back to New York together tonight!"

“What about your studio in LA?” Jessica asked in surprise.

“It’s just a lousy studio that doesn’t have any profits. I quit.” Hannah waved her hands.

Jessica knew that a girl like Hannah, who was brought up in a rich family, didn’t need to worry about money at all. The reason why Hannah opened a studio in LA is to be here with Jessica. Jessica was touched by what Hannah had done for her.

At eight in the evening, Jessica and Hannah arrived at the airport and boarded a plane to New York.

At the same time, a well-known reporter from the Los Angeles Times released a video on YouTube. The video showed how Trissy and Jessica fell into the pool on Justin’s birthday.

In the video, Jessica did not touch Trissy at all. People could clearly see Trissy jump into the pool by herself and swim into the deeper water area.

Only Trissy and Jessica were by the pool that night, and their conversation could be heard clearly

“Trissy, please don’t send any messages to Lucas late at night. He’s my husband.”

“Only legally. He is in love with ME. But you don’t have to worry. I will make him leave you.

“Don’t believe me? Jessica, do you think Lucas will hate you to death or not if I fall into the pool and lose the child?”

“As long as I tell Lucas that you pushed me, the Thomas family will believe me. Your explanation will be useless. Do you know why? Don’t you know who you are? Do you think an ordinary person is qualified to be a member of the Thomas family?”

As soon as the video and audio were released, the entire social network was boiling. The scandal in the Thomas family was still among the hottest topics, yet a reversal then came. People were all shocked.

Soon, the news reached Lucas. After watching the video, Lucas remained silent at his table with a grim face.

Then, Lucas’ secretary told him that Jessica emptied her Twitter, leaving only one tweet, saying “Sorry, it’s all my fault”.

Jessica did apologize, but after the truth was revealed. How ironic! It made the Thomas family ridiculous.

The atmosphere in the office was so depressing that people even found breathing hard. Lucas, who was sitting at

the desk, wore a grim face.

“Remove it now!”

“I’m sorry, Mr. Thomas. I’ve already contacted the public relations company. It can’t be removed.” The secretary felt nervous.

Well done, Jessica!

With a stern face, Lucas
reached for his phone. He was about to call Jessica when his phone sud
denly rang.
