Chapter 1282 A Whole New Level of Respect

Anyone else might fall for her ruse and think she was a young martial arts prodigy like Ye Fan. But Mike Jones was her biological brother, so he was keenly aware that this stupid girl was incapable of even killing a chicken.

A few days ago, his little sister left home with some servants and left a letter to say that she wanted to prove herself by obtaining spirit energy fruit on her own.

He and his father were so worried.

Martial artists were summoned overnight, and a team was sent to South America with Mike Jones at the helm.

Mike Jones came to the Amazon rainforest to finish a Chu Sect mission and locate his little sister.

But Mike Jones didn't expect her to turn up now after he had failed to find her for days.

She even spoke with such audacity and was clearly asking for a beating.

Did the stupid girl think Ye Fan was some idiot who would fall for her ploy?

It was more likely that Ye Fan would end up slapping her to death!

Mike Jones couldn't help feeling angry and anxious.

He scolded Angie as he told her to leave immediately.

He looked at Ye Fan and said, "If you have any problems, take it up with me. This has nothing to do with my little sister!"

Ye Fan ignored Mike Jones and look at the young woman and said coldly, "Really? This is starting to get interesting. No one has dared to speak to me like this for years."

Ye Fan shook his head as he laughed.

"It sounds like you aren't going to let my brother off. In that case, let's see what you are made of. Ye Fan, let's fight!"

The young lady lost all patience when she heard what Ye Fan said.

She raised her brow with a cold expression on her face.

She brandished her fists as she shouted at Ye Fan like she was going to give it her all.

Mike Jones was really anxious now.

“Angie, no! Stop it!”

Mike Jones was so startled that he almost cried as he shouted and charged at Ye Fan.

Since Mike Jones knew how powerful Ye Fan was, Angie would end up just like Elder Qi if he did nothing to stop her after she was reckless enough to provoke Ye Fan first.

Mike Jones disregarded his fear and charged over to Ye Fan like a lunatic as he shouted, “If you dare touch my sister, I won’t let you off even if I die.” Mike Jones roared with his eyes red.

However, Ye Fan ignored him. Instead, he gave Mike Jones a backhand and sent him flying for several meters.

The young woman had already run up in front of Ye Fan.

“No!”

Mike Jones instantly felt all was lost when he landed on the ground and saw Ye Fan raising his hand.

Just as everyone thought another bitter battle was about to ensue, Ye Fan unexpectedly lifted the girl up.

“Punch punch punch!”

Even though both Angie’ feet were now off the ground, the stubborn young woman persisted in brandishing her fists and hitting Ye Fan’s chest.

Perhaps due to Angie’ short arms, she was incapable of hitting Ye Fan despite her efforts.

“What the hell? Is this a joke?”

Everyone’s faces sank as their eyes twitched.

Heavens!

Everything turned out to be nothing but a farce.

“Eat this!”

Angie kept punching repeatedly.

Ye Fan lifted Angie up like a bunny. She even spun while she was hanging in mid-air.

“That’s quite enough. I don’t have time to play with you,” said Ye Fan fiercely with an angry look on his face.

“Fan, what do you think? Was I very cool? Was I super awesome? I think I was pretty cool!” Angie looked adorable as she stuck her tongue out and chuckled.

However, Ye Fan rolled his eyes at her angrily without commenting.

“Angie, what’s going on? Do you know each other?”

After Mike Jones suffered from the hard fall, he was stunned. He couldn’t wrap his mind around the situation.

They looked like they were about to fight just a moment ago, but she called him Fan so affectionately a second later.

For an instant, Mike Jones almost couldn’t believe what he was seeing.

After some time, Mike Jones finally realized something was going on between them.

Mike Jones instantly gasped when he realized Ye Fan and Angie were acquainted.

“Why didn’t you turn up sooner? If you did, none of this would have happened,” scolded Mike Jones angrily.

“I was the one who saved you. Shouldn’t you thank me instead of blaming me?” said Angie furiously. She was now upset with Mike Jones.

Mike Jones couldn’t be bothered with the stupid girl. He got up from the ground and said to Ye Fan as he smiled, “So you are friends with Angie. I had no idea and ended up fighting someone on my side. I’m really sorry about what happened. If I knew you were friends, I wouldn’t have done it. She is my only sister after all.”

Mike Jones was a smart man. He immediately tried to get close to Ye Fan when he found out he was friends with Angie.

Since he couldn’t fight Ye Fan, what else

could Mike Jones do other than flatter Ye Fan?

Ye Fan couldn't be bothered with Mike Jones' hypocrisy and only replied coldly, "You should count yourself lucky for having such a good sister. Or else, you can forget about leaving alive today."

His cold words rang quietly in the air.

Mike Jones' face turned pale. He parted his lips and wanted to speak up, but Ye Fan had already headed towards the waterfall.

"Humph! What do you think? You and Dad always say I am only good at causing trouble. But look what happened? I was the one who saved you this time," Angie folded her arms and spoke proudly.

Mike Jones was tickled by his little sister.

"Okay okay okay. Thank you. From now on, I will have a whole new level of respect for you, okay?"

Mike Jones laughed powerlessly.

Mike Jones never dreamt of seeing the day

his little sister could protect him.

He always felt Angie was the one that needed protection.

Now his little sister ended up helping to save him from Ye Fan.

This was the first time something like that had happened.

After all, Angie was well protected by her father and older brother since she was a child.

Angie had grown up like a flower in a greenhouse under her family's meticulous care.

Mike Jones and his father thought Angie was definitely going to end up dying when they found out she had secretly headed for South America to look for the spirit energy fruit.

A sheltered flower suddenly placed in the storm would most certainly be battered to death.

Mike Jones didn't think that his little sister would make it to the depths of the rainforest and get to know someone so powerful.

"Perhaps Dad and I have underestimated her."

Mike Jones both felt a little happy and dejected looking at how proud Angie looked.

He was happy that Angie had finally grown up.

But he was dejected that the little girl who hid behind him when she was bullied had unknowingly grown up.

“Look!”

“What’s that?”

Shocked voices suddenly came from the crowd.

Everyone turned to look at the waterfall and noticed a faint green light flickering as intense spirit energy floated over the water vapor.

“Is that...is that a spirit energy fruit tree?”

“Heavens!”

“It’s a spirit energy fruit tree!”

It felt as though a huge rock was thrown into the sea, leaving a tsunami in its wake.

After their long search, they had finally found the spirit energy fruit tree.

It didn't cross anyone's mind that it was growing behind the waterfall.

The impact of Ye Fan and Elder Qi's battle had affected the forest.

The crumbled mountain rocks had changed the course of the river, causing the waterfall to shift a little.

This slight movement ended up revealing the spirit energy fruit tree hiding behind it.

"Let's go!"

"Grab the fruit!"

"The spirit energy fruit is right there! We are even closer to becoming a grandmaster!"

"We can't let teams from other nations beat us to it!"

The instant the spirit energy fruit tree was discovered, the atmosphere became frantic.

People's eyes turned green as greed radiated

from them.

“Elder Kong, we should go too. If we can get our hands on some spirit energy fruit, we might end up becoming grandmasters in ten years.”

Lv Hua could no longer stay calm as he hid in the distance, so he instigated Kong Ming to fight for the spirit energy fruit.

Kong Ming hesitated briefly before he gritted his teeth. “Fine. Let’s do it!”

SWISH SWISH SWISH!

Since everyone coveted treasure, the moment the spirit energy fruit tree appeared, all the martial artists went crazy and charged towards it.

Everyone swarmed towards it!

“Young Master, the tree is here. We should move in too.”

The Chu Sect members turned to Mike Jones and reminded him to stop chatting with his little sister. He had a mission to complete, after all.

“Yes! Follow me, everyone! Do everything you can to get all the spirit energy fruit! We can’t let a single one fall into the hands of those other countries!” Mike Jones ordered the Chu Sect martial artists behind him without hesitation, and they went towards the waterfall with him.

Since Elder Qi was dead, they no longer had any grandmasters in their ranks.

But their fighters were good enough to surpass most of the other martial artists.

Just as all the martial artists went charging towards the spirit energy fruit tree...

RUMBLE!

In an instant, the earth quaked as the wind raged.

Ye Fan had already at the waterfall.

He stood domineeringly with his back towards them as an internal energy radiated from him.

He raised his hand like a sword and drew a line on the ground.

SLAAASH!

Rocks split and scattered everywhere.

A gaping straight line appeared on the ground.

Ye Fan's stern voice reverberated through the atmosphere.

"Those who cross this line will die!"

HUUU!

His voice exploded thunderously.

Everyone froze and stopped at the line.

They looked at each other but no one dared to cross it.

After all, they had witnessed Ye Fan's prowess firsthand.

Under such circumstances, no one dared to challenge Ye Fan's authority regardless of how badly they desired the spirit energy fruit.

Even the arrogant lot from Chu Sect didn't

dare to take a single step.

Wasn't it clear enough?

Even an elder had been smacked to death by him.

Regardless of how proud Mike Jones was, he didn't dare to provoke Ye Fan without any grandmasters around.

Despite not daring to cross the line, martial artists in the crowd complained, "Aren't you being unreasonable? We waited for the spirit energy fruit for 30 years, but you stole everything with a word. Is that right? Shouldn't you at least give half the fruits to the other countries?"

"That's right. You are being too domineering and unreasonable."

"Even if you are a grandmaster, you can't hog all the fruit. You ought to share half of it with us."

Once one person started complaining, the rest followed the man's lead.

But Ye Fan couldn't be bothered with them.

The martial arts world only cared about strength.

If martial artists wanted any treasure, they had to snatch it on their own.

They were too weak to fight Ye Fan, so they tried to guilt trip Ye Fan about handing over half the fruit.

But if they were in Ye Fan's position, they would definitely be more merciless than Ye Fan.

History had proven time and time again that kindness often resulted in death more than anything else.

The Chinese martial artists who came to find spirit energy fruit 30 years ago decided to be nice to martial artists from a neighboring country so as not to exacerbate international relations. In the end, the same men killed them for the fruit, and things ended up being a disaster.

Ye Fan certainly wasn't about to make the same mistake.

Despite their griping, Ye Fan turned a deaf

ear on them.

Instead, he headed towards the waterfall.

“Mr Lv is certainly domineering. It seems we made the right choice to form an alliance with you. Men, get over here. We are going to pluck the fruit with Mr Lv.”

A laughter came from the crowd.

Reilo led his martial artists and crossed Ye Fan’s line confidently since he had an alliance with him.
