

My Bossy CEO Husband

Chapter 126 – 128

Chapter 126: What's The Nature of Your Relationship

'Let me go!' Wendy looked at him coolly.

Ryan's jaw was clenched and his lips pursed.

He still had a hand on her wrist and he gave a slight pull.

With a groan, Wendy fell back into his arms.

He held her by the waist and kicked the knife away.

'You!' he called to Luke as he led Wendy out of the room.

'Deal with it,' he said to Luke.

'Okay!'

Wendy struggled to get free.

She wiggled in his arms and screamed, 'They deserve to die! All of them!'

Ryan held her closer and whispered in her ear.

'Shh. Calm down.'

Wendy went stunned for a moment, and Ryan quickly took her out.

When they passed the threshold, Wendy saw Raymond standing there and it was like she just woke up from a dream.

‘Ray...‘

‘Mommy!’

Raymond ran to her and hugged her leg tightly.

Then Wendy bent down and picked him up, looking at him searchingly.

As she held the little boy, her anger started dissipating.

‘Are you scared, honey?’

Ray just wrapped his arms around her neck and buried his face in it, not saying a word.

Wendy realized that she must have really frightened him, looking so crazed and out of control.

She patted the boy’s back, wishing he would feel better, but she didn’t regret her actions.

‘Let’s go!’ Ryan said.

‘But, my sister...‘

‘Luke will take her to the hospital.’

When Luke was done dealing with the situation, he took Reese to the hospital in Ryan’s sports car.

Ryan had called a cab to take him, Wendy and Ray to the Ensfield.

When they reached Ryan's villa, Raymond was too scared to fall asleep, but a little soothing from his mother seemed to calm the boy down and he sunk into a deep slumber.

Meanwhile, Ryan was comforting Precious and when she too was asleep, he left the girl's room to find Wendy.

Once they were both in the bedroom, he turned to her.

'Take a seat!'

Like a child knowing it's about to be scolded, Wendy sat on the sofa quietly not daring to look at him.

But not for long.

Moments later, a shadow fell on the floor, right on the spot she was staring at.

She raised her eyes and saw Ryan squatting at her feet, holding a first aid kit.

'I don't...' she started.

'Shut up!'

Chapter 127: So Do You Have A Long List Of Ex-Boyfriends

'Tell me. What exactly is your relationship with him?'

The corners of Wendy's mouth twitched.

'That's not the point.'

‘It is to me.’

Wendy didn’t expect Ryan to persist in his stubbornness.

She rubbed her forehead and said, ‘Well, in fact, it’s a long story.’

‘I have all the time in the world.’

‘It seems as if he won’t back off until I clear it with him today,’ Wendy thought to herself.

After thinking for a while, she said in a soft voice, ‘Well...He is...kind of...my ex-boyfriend.’

Gnashing his teeth, Ryan asked, ‘How many ex- boyfriends do you have? Do you have a long list of ex-boyfriends?’

Brian was her ex-boyfriend! Jeffrey was also her ex-boyfriend!

Now one more ex-boyfriend appeared out of the framework!

‘How many ex-boyfriends?’

Wendy was dumbfounded.

It sounded like she enjoyed leaving behind a trail of broken hearts.

‘In US, there were only two.He and Jeffrey.In fact, we were not a true couple.It’s just a misunderstanding.’

Seeing that Ryan’s face was becoming colder and sterner, she immediately changed the topic.

‘Anyway, when I came back, I explained the status of our relationship to him in no uncertain terms.’

After saying that, Wendy regretted her words.

‘Why did I say that to him? It sounded as if I was offering him an explanation when I really don’t have to.’ Ryan’s face softened.

He reached out and held her hand.

His palm was dry and warm to the touch.

Wendy was imbued with a heartwarming feeling.

‘Let’s go.’

‘Where?’

‘To the hospital to see your sister.’

‘Okay!’

They walked out of the room together.

As they passed Precious’s room, they saw Ray lying on her bed.

She was sitting on a small stool, patiently waiting for him to wake up.

Ray’s long eyelashes fluttered.

Chapter 128: Your Father Is Missing

Three days later, in the apartment of the Finch family, Cacia was still restless.

‘Mom, what is so urgent that you want me to leave the set to get here immediately?’ Eris was dressed rather low profile.

She wore a mask and a pair of large sunglasses and arrived with her assistant, Ana.

‘Eris, thank God you are here.’

‘What happened?’

Cacia looked at Ana and smiled at her.

‘Ana, why don’t you rest here? I have something important to discuss with Eris.’

‘Okay, thank you.’

Cacia then pulled Eris into her bedroom.

Eris removed her sunglasses and mask, scowled then asked, ‘Why did you ask me to come here so urgently? I was so busy shooting at the studio. As it is, there is so much of tension there. The director has been working overtime to catch up with the shooting schedule so the show could release during this winter vacation. Carter has always been dissatisfied with my efforts. When I requested leave today, he went ballistic.’

Eris was visibly irritated! Wendy had been on holiday for many days without any problems.

Why was it such a hassle for her to request just one day’s leave?

Unfortunately, Carter was a bigwig among the TV series directors, so she dared not aggravate him.

If the director were an underling, she would have taken him to task long ago.

‘Mom...’

‘Your father is missing!’ Eris was shocked.

‘What did you say? Did I hear you right?’

Cacia rubbed her hands nervously and added, ‘It has been three days!’

‘What the hell is going on?’

Cacia then explained everything that had ensued prior to his going missing.

‘Gavin has placed an unprecedented amount of pressure on your father. Ruben thought that it would be easier to handle Reese first, but he was mistaken. You must be aware that Reese is living with Wendy now. Ruben sent his men to follow them to find out where they are living. However, Wendy’s taxi managed to lose them for several times so now we have no idea where they live.’ Eris’s face darkened.
