*My Bossy CEO Husband, Chapter 209: Do A Paternity Test Again*

Raymond frowned unhappily.

'Big sister?' He looked at Precious for a long time.

The disgust on his face was visible through the oxygen mask.

"Ray, why are you looking at me like that?"

Precious realized the look to be an unpleasant one.

Raymond glared at her and said, "I'm your elder brother."

"But Mommy said I was born before you!"

Precious pouted and looked upset.

"Mommy said she had a C-section."

"Yeah.So? Precious scratched her head in confusion.

Raymond took a deep breath and said in a serious tone, "Since it was a C-section, whoever was on top was removed first.If it was a natural birth, I would have been born first.That proves that I'm elder than you."

Precious was stunned.

'How could it be possible?' She scratched her head again.

She argued, "But if it was a natural birth, maybe I would have been born first."

"No, it's impossible!" Raymond said adamantly.

"Why?"

"Because you are stupid and fat.I'm sure you wouldn't have been born before me." Precious thought, 'If Ray says so, then it may be true.It does make sense.'

She was deceived by Raymond.

"So, I'm still your elder brother."

"Okay!" Precious nodded sadly.

Under Raymond's pointed gaze, she pouted and called out helplessly, "Big brother!"

Raymond smiled smugly.

As soon as Precious saw his smile, she forgot about her sadness.

'It doesn't matter whether I was born first or second.I'm happy as long as Ray is with me.'

"Brother!"

"Yes!"

"Brother!"

"Yes!"

"Brother!"

"Yes!"

Raymond and Precious smiled at each other adoringly..

Wendy smiled in relief as she looked at them.

Half an hour passed quickly.

Raymond looked a bit tired.

A nurse hurried over and said politely, "Time's up.The patient needs to rest.So you will need to leave."

Wendy looked at the nurse and said, "Oh, I didn't notice the time.Okay, we'll go now."

Precious was reluctant to leave.

The nurse smiled at her gently and said, "You can come to see him tomorrow."

Precious' eyes lit up, and she smiled happily.

"Okay!"

She turned to look at Raymond and said, "Brother, you should rest now.I will come to see you tomorrow.Uncle Leo said that the operation is in three days.After the surgery, you will be fine and can play with me like before."

"Okay!"

Wendy touched Raymond's head and said, "Don't think about anything.Nothing is more important than your health, okay?"

Raymond nodded.

"Okay, Mommy."

"We are leaving now.But I promise we will come back tomorrow."

"Okay!"

Outside the ICU, the bench was full of people.

Josie and Anson sat next to each other, and Luke was sitting next to them.

Leo had to work, so he left.Roger and Kane were sitting on the opposite bench.

Ryan was the only person who stood the entire time.

"Ryan, you haven't slept the entire night.You must be tired.Why don't you sit down for a while and rest?"

"I'm not tired."

Luke didn't believe it.He hadn't slept the entire night, either.He had been too worked up to feel tired.However, once he heard that Precious was a suitable donor, he was relieved.

After that, he was unable to keep his eyes open.

Luke leaned in the chair and yawned carelessly.

Josie glared at him.

Luke was speechless.

'Why the stare?'

"Sit straight!"

Josie hissed.

She was seemingly in a bad mood.

"Why are you talking so much? Be quiet!"

"Hell!"
