When His Eyes Opened by Simple Silence Chapter 1408

The door to the emergency room was closed again, and Lorenzo and Elliot looked at each other.

Lorenzo: "Are you expecting my adoptive father to die?"

Elliot: "Do you expect me to tell you what's in your heart?"

Lorenzo: "Haha! Talking to you is just playing the qin to a cow. As long as I am alive, I will never let you hurt my righteousness."

Elliot: "If I decide to do it, you won't be able to stop it."

Lorenzo: "You really have a problem."

Elliot: "You have a bigger problem. You must be looking forward to my death every day, right? That way you can get Rebecca. It's a pity that she has fallen in love with me now and you lost her."

Lorenzo: "Elliot, don't get too complacent. One day you will lose miserably because you underestimate the enemy."

Elliot: "I'll wait and see."

Avery and Wesley came out of the gate with Shea and Adrian, and saw Mike who was picking up the plane.

"Avery, you're finally back." Mike gave her a big hug, "If you don't come back, I really can't stand it anymore."

After speaking, he let go of her and looked at Shea and Adrian.

"You two brothers and sisters look alike." Mike reached out and squeezed Shea's face, "Shea, you can't mess around anymore. How good it is to live. When you die, you can't see anything. You still haven't seen Robert, you don't know how cute Robert is, not only cute, but also a little naughty."

"Eh, has he become naughty now?" In Avery's impression, her son is a cute little boy.

Absolutely nothing to do with naughty.

Mike sighed helplessly, "He has the ability to destroy now. If we doesn't look at him for a while, he starts to tear down the house. Mrs. Cooper can't control him at all. Mrs. Cooper spoils him too much."

Avery: "Aren't you at home too?"

"When the company encounters such a crisis, why am I in the mood to take children?" Mike scratched his head and took them out of the airport, "By the way, Ben Schaffer asked me if I wanted to invest, and I said I'll talk about it when you come back. The money you gave me will last for a while."

Avery said, "Well. I don't want the Sterling Group's money for now. If the problem can't be solved, I'd rather go bankrupt than pour money into it endlessly. It doesn't make sense. "

I think so too. Hey, let's not talk about that. Go home first." Mike pointed to the two cars at the airport gate, "Both are ours."

Wesley stood outside and did not get in the car: "Go back, I will take a taxi home myself."

Avery looked at him and said, "Brother Wesley! Come up, we will take you home first. Do you think I can let you take a taxi back by yourself? "

Shea said, "Wesley, I want to see your parents, I want to say sorry to them."

After hearing Shea's words, Wesley's face turned even redder, "Shea, wait for me and my parents. After meeting and obtaining their forgiveness, I will take you to see them again."

Shea pursed her lips and hesitated.

Seeing Wesley's embarrassment, Avery immediately said, "Brother Wesley, take a taxi back by yourself. Please admit your mistake to your parents, and they will forgive you."

After several hours of rescue, Kyrie was transferred to the intensive care unit. When Elliot returned home, it was already 2:00 a.m.

He stepped into the room with empty steps, and lay down in his clothes. This time, he slept very deeply. The whole person seems to be hollowed out and reassembled again.

When he opened his eyes and woke up, the sky was bright. His eyes were blank, open without focusing, but frames of pictures flashed quickly in his mind.

He got up and went downstairs. The nanny saw him and immediately brought breakfast to the table.

"Where's Rebecca?" Elliot asked.

"Rebecca went to the hospital. She was worried about Mr. Jobin, so she went out early in the morning." The nanny said.

Elliot took out his mobile phone and called Rebecca.

Rebecca answered the phone quickly: "Elliot, are you up yet? I'm in the hospital now. My father is still sleeping. You can rest at home for a while."

Elliot: "Well, when he wakes up, you tell me immediately."

Rebecca: "Okay."

Elliot went out after eating breakfast. He didn't go to the hospital, but came to Nick's house.

Nick thought he was here to see Xander's girlfriend, so he said, "The person is not dead, but the injury is relatively serious. The doctor said that he can't get out of bed for at least half a month. The person is on the second floor, if you want to see her, go up and see."

Elliot shook his head: "Nick, I remember everything."

Nick was stunned for a moment: "Do you remember everything?"

When Elliot was about to speak, Nick slapped his thigh: "You remember Avery?"

Elliot: "Yes. I remember how we met and how we fell in love. I also remember why we quarreled and why I came here."

"Then how are you feeling now?" Nick looked at him curiously.

"It feels absurd." Not only absurd, but also regretful.

"Hahaha! Do you regret coming here?" Nick poured him a cup of tea, "Elliot, you are still young, when you reach my age, you will find that no matter what, whether it is right or wrong. Keep an eye on it, it will all pass. Even if you never return to Aryadelle in the future, just live here for the rest of your life, and the days will pass quickly."

"I have to go back." Elliot picked up the teacup and took a sip, "I can't live here forever."

Nick said, "That's because you have the opportunity to go back. Did you tell Avery?"

Elliot shook his head: "It's like being drunk and doing stupid things. When I wake up, I still remember my stupid things."

Nick: "You can say that you are drunk and don't remember anything."

Elliot: "I can say that. But I don't want to be right. She lied. I'll tell her when I go back to Aryadelle."

Nick: "Well. Do you still hate Avery?"

Elliot: "She was trying to save Shea."

Nick: "Even if Avery had difficulties, but in my opinion, what she did at the time It's still not good. If I were you, I wouldn't let myself suffer from this kind of uselessness." Nick comforted him and continued, "Don't blame yourself. It's good to let Avery suffer a little bit. I'll see if she will dare to let her in the future. You are wronged."

When Avery returned home, he immediately took Robert into his arms and kissed him again and again.

"Mom, Hug me!" Layla was beside her, jealous.

Avery put down her son and picked up Layla.

Layla has grown up, and Avery can't hold her anymore.

"Layla, mom will never leave you again." Avery kissed Layla on the cheek.

"Okay! If you can do it, then I'll forgive you." Layla stretched her hand and pulled the hook with her.

On the other side, Mrs. Scarlet hugged Shea tightly.

"Shea, do you know how sad I am when you die? Do you know how sad your brother is? You are still alive, why didn't you tell us earlier?" Mrs. Scarlet let go of her and looked at her carefully, " you lost so much weight and suffered a lot, right?"

Shea explained, "I got sick. I almost died. Big Brother Adrian saved me."

"You are not allowed to mess around in the future. It's not good, how can you draw so much blood? You don't take care of your body like this. Do you know how uncomfortable your brother is?"

Shea lowered her head, took Mrs. Scarlet's hand, and shook it: "I know I'm wrong. When my brother comes back, I'll apologize to him."

Mrs. Scarlet hugged her tightly again: "Shea, it's fortunate that you're okay. You're okay..."

"Well, Mrs. Scarlet, Look at my brother." Shea stretched out her hand and pulled Adrian to her side, "His name is Adrian, he's my brother. He is very kind to me."

Mrs. Scarlet said, "I've seen him. Avery brought him back before, yes I took care of him. He is just like you, very sensible. Adrian, thank you for saving Shea. You will live with Shea in the future, and I will take care of you."

Shea pulled Mrs. Scarlet, walked aside, and chatted alone: "Mrs. Scarlet, I... I like Wesley. I want to be with Wesley in the future."

Mrs. Scarlet was stunned for a moment: "You want to marry For Wesley?"

Shea nodded shyly.

Mrs. Scarlet, "But your brother, Elliot..."

"I'll tell him when he comes back. If he doesn't agree, I'll beg him." Shea said stubbornly, "I'm sure he'll be soft-hearted."

Mrs. Scarlet was both angry and funny: "Does Wesley know what you're thinking? If Wesley dislikes you, don't you feel ashamed?"

"If Wesley dislikes me, then I will be friends with him." Shea has a set of ideas.

Mrs. Scarlet said helplessly, "I think you like him and pamper you with everything. If he hadn't drawn your blood, you wouldn't have gotten sick at all."

Shea: "Mrs. Scarlet, don't blame him. I begged him. He's very nice, so I like him."

Mrs. Scarlet frowned, "I want to meet him another day. He can't do that. Otherwise I wouldn't feel at ease to hand you over to him."

Shea smiled at Mrs. Scarlet: "Don't be angry, I'm so hungry, I want to eat your food."

"Go wash your hands." Mrs. Scarlet led her to the bathroom.

After dinner, Mrs. Scarlet took Shea and Adrian back to Elliot's villa.

They entered the door on the front foot, and Henry and Cole came on the back foot.

Henry said strangely, "Mrs. Scarlet, Shea and Adrian are my relatives. You have no reason to stop me from entering, do you? If you insist on stopping, then I can only call the police.

"When the two of them came back, Avery had confessed that Henry and Cole must not see them."

"If you call the police, I can also call the police." Mrs. Scarlet confronted him head-on, "You are just related by blood, it doesn't mean they are your playthings"

"Don't you think you are the master of the Foster family?" Cole roared arrogantly.

At this time, Shea walked over from the living room with Adrian's support.

"Shea, I'm your eldest brother." Henry saw Shea and immediately opened his mouth.

Shea looked at them coldly, "Although I have a blood relationship with you, I don't recognize you as a big brother. Adrian doesn't recognize you either. There is no law that stipulates that you must recognize each other if you are blood related."

Henry said bitterly, "Shea, did Avery teach you to say that? She deliberately provokes the relationship between our brothers and sisters, you can't fall for her trap."

"Henry, I know what you want. .Sterling Group belongs to Elliot, you can't take it away. I'm not a fool, and I'm not an item. If you dare to call the police and say that I have a low IQ, I

have no self-care ability, and you want to control Adrian and me, then we can test it and compare it with one another. Who's IQ is high, and who's IQ is low!"
