Chapter 1435

"Then kill me first." Rebecca stopped him, "Lorenzo, I did it. You saw with your own eyes the poison I fed Dad."

"You stupid woman. There is no cure." Lorenzo scolded angrily.

Rebecca cried bitterly: "Brother Lorenzo. I'm sorry. I didn't discuss it with you in advance."

"Don't call me brother. You are really stupid this time. Come on! How did the adoptive father raise a white-eyed wolf like you." Lorenzo hated that iron was not steel.

This was the first time Lorenzo scolded her.

Rebecca body softened and she fell to her knees on the ground. She said, "I did it by myself. You want to blame me and don't blame Elliot."

"You're still talking for Elliot at this time. What does he give? What kind of ecstasy did you pour? Rebecca, do you believe that he will return to Aryadelle right away? Do you really understand or fake it? If it wasn't for the adoptive father to block him, he would have left long ago. You shouldn't think it's righteous After my adoptive father dies. Will he live a good life with you? He doesn't love you at all. Stop dreaming."

Rebecca stared at him blankly: "Elliot won't leave, I'm pregnant with his child."

Not long after, the second master and Elliot were came to the hospital.

The second master saw Rebecca kneeling in front of Lorenzo, and Lorenzo's face was not right, so he sent Elliot to the ward and slipped away.

Seeing Elliot, Rebecca immediately choked and said, "Elliot, my dad is dead. I killed him."

Elliot strode up in front of her and pulled her up from the ground.

After Rebecca stood firm, Lorenzo raised his foot and kicked Elliot.

"You use Rebecca to kill my adoptive father, what kind of man are you?" Lorenzo rushed towards Elliot like a beast, wishing to swallow him alive.

Seeing this, the nanny immediately entered the ward and pulled Rebecca out.

Rebecca was crying so hard that she wanted to go in and pull the crazy Lorenzo:
“Lorenzo, don’t fight. I did it all. It’s nothing to do with Elliot!”

The nanny forcibly pulled Rebecca away.

“Miss! What you did is so absurd. You didn’t even tell me in advance. I almost made Lorenzo drink that soup... Miss, you are so confused. Your father is gone. Who will protect you in the future? Do you expect outsiders to protect you? You are too naive. In this world, apart from your father, even Lorenzo can’t treat you sincerely.”

“I don’t regret.” Rebecca had tears in her eyes, “My dad doesn’t look down on me at all. He’s alive, and he won’t be nice to Elliot.”

“Elliot, you keep your mouth shut. All he thinks is Avery. Miss, why can’t you figure it out?”

“I am pregnant with his child, and he will definitely not leave me and the child.” Rebecca cried with scarlet eyes, gasping for breath, “If he wants to leave, I will Just tell him that the baby in my womb belongs to him.”

“What if he still has to leave?” The nanny asked her.

Rebecca shook her head. She hadn’t thought about that.

—What happened today was so sudden that she didn’t have time to think calmly at all.

“Miss, your father is dead. Most of his inheritance must be left to you. You have to think carefully about how you can ensure that these properties will not be taken away by people with ulterior motives.” The nanny continued, “I’m talking about people with ulterior motives, including your second master, third master, fourth master, and Elliot... Of course, including Lorenzo.”

“Among these people, Lorenzo should be the best for you. ” The nanny added.

Rebecca shook her head: “Lorenzo just wants my property. People like Lorenzo are the most dangerous. Elliot clearly doesn’t like me, so no matter how bad Elliot is to me, it can’t be any worse.”

The nanny was speechless. She didn’t know what to say.

Rebecca was no longer a child, she had her own thoughts and opinions. Otherwise, she wouldn’t kill Kyrie with her own hands.

“Elliot!” Rebecca suddenly exclaimed and strode towards the ward.

In the ward, Elliot fell in a pool of blood, but Lorenzo’s beating continued.

“Lorenzo, Stop it.” Rebecca shouted loudly. She quickly rushed to Elliot and protected him.

Lorenzo withdrew his hand, but still did not lose his breath.

“If you kill him, I won’t let you go.” Rebecca looked at Lorenzo fiercely, “You are just an outsider. It’s not your turn to intervene in our Jobin family’s affairs.”

Outsiders’ the word stabbed. Lorenzo looked at Rebecca’s familiar face, as if looking at a stranger. After Rebecca married Elliot, she completely changed.

In Rebecca heart, only Elliot. If Elliot wanted everything from the Jobin family, she would give it away.

As an outsider, Lorenzo could only watch her do one stupid thing after another.

Just when Lorenzo was about to leave the ward, Rebecca looked at his back and whimpered: “Lorenzo, don’t go.”

Rebecca said angrily, but she didn’t want to drive Lorenzo away. Just seeing Elliot bleeding so much, she was very angry.

But what would Rebecca do if she faced such a big mess after Lorenzo left?

Lorenzo stopped and looked back at her: “Didn’t you say I’m an outsider?”

“You’re not an outsider.” Rebecca held back her tears, “But don’t bully Elliot anymore. I decided to kill my father myself. Yes I am an adult and I am responsible for everything I do.”

Lorenzo sneered: “Okay! You are responsible for yourself.”

Rebecca prayed, “Lorenzo, don’t go. I need you to help me. We are still the same as before, okay?”

“Okay!” Lorenzo clenched his fists, endured the heartache, and asked, “Then what do you need me to do?”

“Go to the doctor. Go to the doctor immediately.” Rebecca roared.

After a while, the doctor came.

Elliot was sent to first aid to stop the bleeding.

After another doctor checked Kyrie's body, he announced: "Mr. Jobin is dead."

Rebecca: "I know... what should I do next?"

"Miss Jobin, we need us Find out the cause of Mr. Jobin's death?"

Rebecca: "No."

"Then...you can hold a funeral for Mr. Jobin." The doctor said.

Rebecca looked at Lorenzo: "Lorenzo, you are responsible for my father's funeral. Also, if there is something wrong with Elliot, I won't let you go."

Lorenzo's face was ugly and he didn't answer her.

.....

Avonsville.

Today, the Sterling Group entertained the executives of the Tate Industries, and Avery also brought Layla and Robert.

The reason why she brought her two children was mainly because several executives of the Sterling Group asked her to bring the children over to have a look.

Elliot has been away for a while, and he still doesn't know when he will return. Everyone misses him a lot.

"Layla, you are a big star now. My eldest and second child like you very much. Originally they wanted to come over to play with you, but I was afraid that they would scare you, so I didn't bring them here." An executive flattered Layla, "I heard that you are also very good at studying, you are amazing!"

"My mother taught me well." Layla said modestly.

"Hahaha! Your mother is great, and so are you." The executive said, and the conversation changed, "Layla, when will your father come back? If your father comes back to accompany you, he can teach you a lot "

When His Eyes Opened Chapter 1437

Layla's mouth is shriveled: "You ask my mother this question."

"I'm not embarrassed?" The executive said with a smile, "I'm afraid to ask your mother, your mother is sad."

"But you ask me, I'm sad too." Layla looked sad.

"You miss your father, right?" The executive was persuasive. "He told me many times before, he said he loved you very much. He said he wanted to make a lot of money and spend it for you."

Layla: "Really, what else did he say?"

"Actually, your dad doesn't like to express his feelings very much, but every time he talks about you, he is very excited. He said he prefers his daughter."

Layla's nose slightly acid.

"Would you like to call your father? If you take the initiative to call him, he must be very happy." The executive continued, "Your mother will bring her brother tonight, you can ask your mother to get the phone over and give it to your father Make a call."

"Uncle, are you trying to talk to my dad on the phone?" Layla saw his intentions.

The executive blushed slightly and nodded: "I have joined your father's company since I returned to Aryadelle. I have a good relationship with your father."

"Oh...then I will go to my mother for a mobile phone." Layla After agreeing, she immediately walked towards Avery.

Avery took Robert to chat with other women with children.

"Mom, let me play with your cell phone." Layla walked to Avery and reached out to her for her mobile phone.

Without thinking, Avery took out her mobile phone and handed it to her daughter.

"What do you want mom's phone to play with?" Avery asked Layla.

"I'll call dad," Layla said, taking her phone and walking away.

After Layla walked away, a female employee of the Sterling Group who was standing next to Avery said, "Do you have such a good relationship with President Foster?"

“Elliot dotes on her very much. It’s just that when I and Elliot quarrel sometimes, she will stand by my side. But she still likes this father very much in her heart.”

“Few people can reject the charm of President Foster. He just stood there, no If you talk, you can fascinate a lot of people.” The female employee laughed, and continued, “In recent years, many companies have poached me and offered me a higher salary than President Foster, but I didn’t quit.”

“Because you are not short of money?”

When His Eyes Opened Chapter 1438

Chapter 1438

“Hahaha! Not lack of money is one aspect, and I feel more at ease working with President Foster. Maybe I’m used to working in my comfort zone, so I don’t want to move.”

“Well, that’s how people are. When Elliot was together at the beginning, he quarreled every day, and it took a while to settle in. After that, he couldn’t fall in love with other men. I think it may be what you said, and he didn’t want to spend any more energy to adapt to new men.”

“Avery, it’s enough for you to have our President Foster. You don’t need to look at other men. You don’t know how much the female employees of our company envy you.”

“Well, it’s enough for me to have him.” She was very content. The only hope now is that Elliot can return home smoothly.

After Layla took Avery’s mobile phone, she walked to the executive.

The executive took Layla to a quiet place to make a phone call.

Layla turned on her phone, clicked on the address book, found Dad’s number, and dialed.

“Layla, you usually play with your mother’s phone, right? You’re very skilled.” The executive said with a smile, feeling a little excited.

Layla explained, “I have a cell phone myself, I just didn’t bring it. My brother bought it for me.”

Layla frowned, “Outside, my dad’s under control. Every time he calls me secretly. He’s such an idiot, he has to go outside and suffer.”

“Just wait until he returns home.”

Layla responded, staring at the phone screen without blinking.

The phone was dialed, it was connected, but no one answered.

Just when Layla thought the call would not be connected, an unfamiliar voice came from the other end of the phone—

“Avery?” There was a female voice over the phone.

Layla was stunned, not expecting a woman to answer the phone.

–Could this woman be Dad’s new wife?

“Who are you?” Layla asked loudly, frowning.

On the other side of the phone, Rebecca was stunned.

She thought it was Avery’s call, but she didn’t expect it to be a girl’s voice.

–Could it be Avery and Elliot’s daughter Layla?

Rebecca quickly adjusted her messy mood and said, “Are you Layla? I’m your father’s wife. My name is Rebecca. I don’t know if your mother has mentioned me to you.”

Layla’s brows were instantly locked, and her face became gloomy.

“I’m calling my dad, not you. Why are you answering my dad’s call?” Layla yelled uncontrollably.

Avery heard Layla’s roar, and immediately hugged Robert and rushed over.

Seeing Layla’s emotional breakdown, Rebecca explained calmly: “Layla, I know you can’t accept me, but I’m your dad’s legal wife now. And I’m pregnant with his child now. I can accept yours existence, I hope you can accept my existence. Otherwise, only you will suffer.”

“When did you become pregnant with my dad. You said you were pregnant with Elliot’s child?” Layla was shocked.

After all, children are children, and their psychological endurance is not so strong.

“Yes. I’ve been with your dad’s child for two months. Layla, I know it’s going to be hard for you to hear this, but you should respect your dad’s choice. Your dad will stay with me in the future. You are no longer a three-year-old child. I hope you can persuade your mother to let her think about it, and she can find a man again. “

Chapter 1439

After Rebecca finished speaking, she could already imagine how angry Avery would be when she learned this information from Layla.

“Layla, What’s wrong with you?” Avery saw that Layla was holding the phone, crying with tears, and immediately put Robert down.

“Mom!” Layla immediately jumped into her mother’s arms when she saw her, and cried out in grievance, “I called Dad, his new wife, Rebecca answered. Rebecca said she was pregnant with my dad’s child.”

Listening to Layla With the broken cry, Avery put her arm around Robert and took the cell phone in Layla’s hand with the other.

The call continues.

Avery put the phone to her ear and gave a hello.

Rebecca heard Avery’s voice and immediately responded: “Avery, I didn’t mean to make your daughter angry. She asked me, and I can only answer her truthfully.”

“You told my daughter that you were pregnant with Elliot’s child? Rebecca, do you know what the word ‘truthful’ means? Do you think I don’t know if the child in your womb belongs to Elliot? ” Avery asked her.

“Your self-righteous tone is ridiculous. Well, the child in my belly is not Elliot’s. Elliot is going back to Aryadelle to reunite with you. Is this what you want to hear?” Rebecca laughed and continued, “You just Continue to deceive yourself.”

Avery seemed to have been slapped twice, her cheeks burning hot.

“Where’s Elliot? Why did you answer his call?” Avery didn’t want to argue with Rebecca.

Avery wants to talk to Elliot and ask Elliot to tell her whether the child in Rebecca’s womb is his. Will he ever return to Aryadelle?

Rebecca asked, “Avery, did you meet Elliot on the first day? Do you think I can use his cell phone to answer the phone without his permission? Let me tell you straight, he said me to took your call.”

Avery felt like she was slapped twice.

This time, her face is not fiery hot, but fiery pain. It was because she knew Elliot that her face hurt.

–It is impossible for outsiders to take Elliot’s mobile phone, He always answered the phone by himself.

Unless Elliot took the initiative to ask someone to answer the phone for him.

“Avery, Elliot always let you go back to Aryadelle, not because he was worried about your safety, but because he felt that you were in Yonroeville and hindered our life. After you left, he promised me that he would accompany me in the future. And our children, will not leave us. Please don’t disturb our life in the future. If you need child support, you can ask me for it. I can give you as much as you want. Don’t bother Elliot anymore. I don’t want to contact you again.”

Rebecca’s tone gradually became impatient.

“Give him your phone. If he tells me that, I promise that I will never disturb you again.” Avery shouted every word.

Rebecca: “Sorry, he can’t talk to you. Because I asked him to promise me not to talk to you in the future. I’m pregnant now and my mood is unstable, so he loves me very much and doesn’t dare to make me angry. If I get angry and cause an accident to the child, no one can take the responsibility.”

Avery: “...”

“Avery, I have finished telling you what I should say. Elliot and I are going to rest.” After Rebecca finished speaking, she waited for another two seconds, seeing that she didn’t speak, so she hung up the phone.

Rebecca put down the phone and looked at Elliot on the hospital bed.

Elliot was seriously injured.

The doctor said he might not be able to wake up for a while.

Even after waking up, it takes a long time for the body to recover to normal.

Lorenzo took half Elliot’s life.

Rebecca was very angry. But she now needs Lorenzo to help her with her father’s funeral. So she planned to wait until Elliot was discharged from the hospital, and then find Lorenzo to settle the account.

Elliot was laying on the hospital bed. Rebecca looked at Elliot’s face wrapped in heavy gauze, thinking in her heart, just to take advantage of the time he was in the hospital, to cut off his relationship with Avery.

If it wasn’t for this opportunity, she would have no way to deal with Avery.

As if from the moment she killed her father, the ambition within her awakened.

In order to achieve what she wants, she understands that she has to do anything. She doesn’t want others to look down on her, she wants to be like her father, who others will be afraid of when they talk about it.

Even if it can’t be done completely, at least it can’t be bullied casually.

Aryadelle.

In the banquet hall.

Because Layla was crying too sadly, Avery couldn’t care about her emotions and immediately coaxed her: “Layla, don’t cry. The child in that woman’s womb is not your father’s. Your father explained it to me.”

Layla was aggrieved, and the tears couldn’t stop.

Robert stood next to her, watching her sister cry non-stop, and also started crying.

Avery couldn't coax the two children alone, but fortunately Mike came over in time and picked up Layla.

"Let's go back first." Avery hugged Robert and said to Mike, "Don't affect other people's mood."

"What's going on? I can hear the two children crying from far away."

Avery whispered, "Layla called Elliot, but Rebecca answered. Rebecca said that Elliot would not return to Aryadelle in the future. She also said that the child in her womb belongs to Elliot which is ridiculous."

Mike Stopping: "It wouldn't be true, would it? Otherwise, why would she take Elliot's mobile phone to answer your call?"
