

## When His Eyes Opened Chapter 1571

### Chapter 1571

Her body was tense, she closed her eyes and opened them again.

Brightness reappears.

But just now, it suddenly became dark, and she couldn't see anything. It was definitely not an illusion.

She reached out and rubbed her eyes, carefully feeling the condition of her eyes.

Eyes were a little bit up.

She didn't know if it's a psychological effect, but now she felt a little pain in her head, and her vision was not as clear as usual.

She sat blankly by the bed, forgetting to pick up the phone that fell on the ground.

.....

Bridgedale.

After Ben Schaffer swiped his card to pay the bill, he took a shopping bag and glanced at Gwen.

Gwen held her cell phone, not knowing who she was messaging. She frowned and was completely forgetting herself.

"Who are you talking to? I've settled the bill. Let's go out first." Ben Schaffer glanced at the screen of her phone.

Gwen immediately took the phone away: "I'm talking ill of you to Avery."

"Oh, I know what you're talking about." Ben Schaffer saw through her thoughts, "However, Avery probably didn't talk to you about me. What a bad word."

Gwen: "Avery didn't reply to me."

"She should have just arrived home. Please let her have a good rest." Ben Schaffer pulled her out of the store, "Let's go see women's clothing next."

“Wow! You’re actually wearing women’s clothes? I can’t tell, you’re actually a big boss in women’s clothes.” Gwen was shocked.

Ben Schaffer had a headache after hearing her words.

Ben: “If I go to buy milk powder someday, do you think I can have a baby?”

Gwen: “No! There is milk powder for the elderly on the market.”

Ben Schaffer: “...”

The next day.

Spring Festival in Aryadelle.

Because the Starry River Villa was relatively small, the Spring Festival was celebrated at Foster’s villa.

Early in the morning, Elliot and Avery took their three children back to Foster’s villa.

Avery asked, “Elliot, are you going to pick up your mother, or let the driver pick it up? Be more lively, let’s not be so stingy.”

Elliot said, “Let the driver pick her up. I met her last time, she didn’t tell me anything. I think she’s still hiding something from us.”

Avery smiled and said, “It’s just that she took the benefits of Wanda and didn’t dare to tell you. I already told her to let her go back. Let’s not talk about unhappy things. Let’s go make dumplings.”

Elliot looked embarrassed: “I don’t know how to make dumplings.”

“Then go take the children.” After saying that, Avery walked towards the kitchen.

At this moment, the bodyguards posted couplets outside the villa and hung red lanterns.

Layla followed the bodyguards to watch the fun.

Hayden was not interested in everything here, so he sat on the sofa and used his mobile phone.

Robert wanted to go out with Layla just now, but Layla refused.

So he could only follow his brother eagerly and watch him play games.

Elliot walked to Robert’s side and picked him up: “Robert, will Dad play with you?”

Robert immediately pushed him without thinking, not wanting to play with him.

Like magic, Elliot took out a big red envelope from his pocket.

Robert's eyes were immediately attracted, and he reached out to get the red envelope.

"You give this red envelope to brother, and Dad will give you another one, okay?" Elliot wanted to give Hayden the New Year's money, but he was afraid of giving it directly, and Hayden didn't want it. So he wanted to borrow Robert's hand to give Hayden the New Year's money.

Robert understood what his father said, and immediately handed the red envelope to his brother.

Of course Hayden didn't want the red envelope from Elliot.

But Robert's cute little face, coupled with the voice that became thick after a fever, called his brother, and his heart suddenly softened.

## **Chapter 1572**

"Brother!" Robert called out to his brother, Hayden and the little hand holding the red envelope almost reached his face.

Hayden was moved by his younger brother, Robert's persistent spirit, so he accepted the red envelope.

Elliot immediately took out another red envelope and gave it to Robert.

"Do you want to go out with your sister to see hanging lanterns? Can Dad take you out?" Elliot noticed that Hayden was very embarrassed with the red envelope, so he hugged Robert and walked away.

Just now Robert wanted to go out, but Avery wouldn't let him, so Layla refused him to go out with him.

Because Robert had not fully recovered from the cold, Avery was afraid that he would catch a cold when he went out and the cold would worsen.

Elliot put a hat on Robert, added a scarf to him, wrapped him tightly, and then went out with him.

Not long after, Shea trotted to the yard.

“Brother, these are the dumplings I made.” Shea took the dumplings she had made after working hard for a while, and identified them to Elliot, “When the dumplings are ready, you can eat the ones I made. Because the bread inside I got the coins.”

Elliot looked at the dumplings made by Shea, and a warm current swept through his heart.

“How many did you pack in total?” Elliot asked.

Shea said sullenly, “Just this one. Because I have to wrap coins in it, it took me a long time to wrap this one.”

“Then I’ll cook it for Mrs. Scarlet.” Shea said excitedly, and took the dumplings into the house.

In the kitchen.

Seeing Shea coming back, Avery smiled and said, “Are you going to show it to your brother and let him eat the dumplings you made later?”

This chapter is provided . Visit [infobagh.com](http://infobagh.com) for daily update.

“Yeah! I’ll make another one for you to eat.” The smile on Shea’s face is gentle and warm, with pure and strong love.

Avery couldn’t resist Shea’s kindness: “Okay! I hope your brother and I can find your dumplings later.”

“If you can’t find it, I’ll help you find it.” Shea took the dough and scooped the meat filling with a spoon in one hand, “I can definitely recognize the dumplings I made. Because the dumplings I made are big, fat, and the cutest.”

Half an hour later, the driver picked up Sofia.

After Sofia came over, she only glanced at Elliot timidly, and immediately went into the kitchen to help Mrs. Scarlet.

This day has been busy and fulfilling.

Time passed, and it was evening.

After the reunion dinner, the driver was ready to send Sofia away.

Before Sofia left, she gave Hayden, Layla and Robert New Year’s money respectively.

“Avery, I want to tell you something.” Shea took Avery’s arm and walked aside, “Valentine’s Day will be in a few days. I want to get a certificate with Wesley that day.”

Avery: “Your brother...”

“I don’t want to tell him, because he may not agree.” Shea leaned into her ear and said her thoughts, “I want to get the certificate and then tell him. “

Avery: “Aren’t you afraid that he will get angry?”

Shea: “Afraid. But I really want to marry Wesley.”

Avery looked at the sincere light in Shea’s eyes and nodded: “I support you. If Elliot gets angry then, I will persuade him.”

“Thank you Avery.” Shea hugged Avery happily.

Not far away, after Elliot watched Sofia leave, he turned around and saw the two of them hugging each other. He was about to go over and ask them what they were talking about when the phone rang.

He picked up his mobile phone and saw that it was an unfamiliar number.

He hesitated, then answered the phone.

“Elliot, I’m coming to your city. Can you come out and meet me?”

It was Rebecca’s voice.

Rebecca was here.

Elliot took his mobile phone and strode towards the gate of the courtyard.

If Avery heard Rebecca’s voice, she would definitely be angry.

“What do you want to do?” Elliot whispered.

Rebecca prayed softly, “I have a big belly now. This is the last time I will go out before giving birth. I just want to see you once. After seeing you, I will leave immediately.”

### **Chapter 1573**

Afraid of his rejection, Rebecca hurriedly said: “Elliot, please don’t be so cruel. I won’t come again in the future. When the child is born, I will take care of the child...”

Elliot stood in the yard Outside the door, he turned slightly sideways and looked towards the door of the villa.

Avery was looking at him. But she didn't come.

Shea's hand took her arm, rambled about something to her.

When Avery found that Elliot was looking at her, she immediately turned her eyes back to Shea's face.

"I won't see you. Rebecca, don't contact me again. You will only make me hate you more."

Rebecca burst into tears and choked: "I didn't mean to come to you, I really can't control myself... The child always kicks me now, every time she kicks me, I want to tell you... She is already a healthy and lively life, she will be as smart and lovely as Layla in the future. Elliot, I don't ask you to give her normal fatherly love, as long as we meet occasionally and it's good to meet her once. Even if we can't meet upright, it's fine to meet in secret."

Rebecca's cry made him grit his teeth.

His fists were clenched tightly, and the child's little face that looked very much like Layla appeared in his mind.

"Elliot, I'm at the Regent Hotel near your house, and I'll leave tomorrow morning." Rebecca saw that Elliot didn't speak, so she held a glimmer of hope, "Will you come and see our children? Knowing that when I have a baby, you can't go to Yonroeville to see me, and I won't have the strength to bring the baby to come to you, so you can come and see us tonight? I brought a lot of photos of the baby to show you, It was taken this month."

The Regent Hotel is only a ten-minute drive from Elliot's home. After going back and forth, plus the time to watch Rebecca, it can be done within half an hour.

The child softened Elliot's heart.

When Rebecca gave birth, it was impossible for Elliot to see Rebecca and the child.

It is impossible to see them in the future.

When the child is born, Rebecca's attention is shifted to the child, and she should not come to him again.

Thinking of this, Elliot decided to see Rebecca for the last time. He hung up the phone and walked towards the villa.

Avery accompanied Shea and Adrian to watch the Spring Festival Gala in the living room.

Hayden and Layla were also there.

Robert felt asleep in Mrs. Cooper's arms.

Elliot walked to Avery. Before Elliot could speak, Avery immediately got up from the sofa and walked aside with him.

"Who did you talk to on the phone just now?" Avery didn't think much of it when she asked this question.

"A friend." Elliot didn't say much, "I'm going to go out now and come back in half an hour."

Come back in half an hour, which is equivalent to where Elliot is going, which is nearby.

Avery said, "Is half an hour enough? Meeting friends, don't you invite them to have a meal? It's fine if you come back later, but drink less alcohol."

Elliot nodded: "You'll be sleepy before you go to bed, and don't wait for me."

"Well." Avery sent him out the door.

After Elliot left, Avery went back to the living room.

"Mom, where is Dad going so late?" Layla lifted her heavy eyelids, "We're going to set off fireworks later."

"Your dad has a friend here, he's going to see his friend." Avery explained to her daughter, "He said he'd be back soon. But if you want to set off fireworks, we don't have to wait for him."

Layla: "Let's go set off fireworks now!"

"Okay!" Avery put on the jacket for the child, "Put on the jacket first, it's a little cold outside."

The two children put on their jackets, and Shea and Adrian also put on their jackets.

Adrian took the lighter and walked out first.

Shea and the two children quickly ran out.

When Avery was about to go out, the phone rang.

## **Chapter 1574**

Gwen called Avery.

Avery picked up the phone immediately.

Gwen's excited voice came: "Avery! I ranked second in the preliminary round. I was second."

Avery's heart beat with excitement: "You are awesome. I knew you could do it."

"I'm so happy! I originally set my goal to be in the top ten and successfully enter the semi-finals, so I'm satisfied. I didn't expect that I was second in the preliminary round. It's only a little bit lower than the first place."

Avery: "Gwen, you really amazing. If your second brother knows this news, he will definitely be happy for you."

"I also hope he can impress me. I will continue to work hard in the future." Gwen said, Ben Schaffer's voice came, "Gwen, are you calling Avery?"

Gwen: "You know it but you are still asking."

"Let's talk when we go back. I have already booked a flight back to Aryadelle, let's go home." Ben Schaffer said.

Fireworks bloomed in the air, and the night was suddenly decorated with colorful lights.

Avery looked at the dazzling light in the sky, and his thoughts were pulled far away.

In the living room, Robert was awakened by Layla's cheerful scream.

Mrs. Cooper hugged Robert and walked to Avery: "Robert didn't blink. This was the first time Robert has seen fireworks."

Avery looked at her son's wide eyes in shock, and couldn't help but laugh: "Baby, aren't the fireworks so beautiful?"

Robert stretched his arms out, wanting to go out.

Mrs. Cooper looked at Avery's face.

"Take him out and see. It should be fine after a while." Avery finished and walked out with Mrs. Cooper.

The fireworks were on for about half an hour.

When the night returns to tranquility, Shea leads Layla, Adrian leads Hayden, and prepares to go back to the living room.

"Mom, I'm going to set off fireworks tomorrow." Layla said to Avery.

Avery: "Okay! Let's go buy fireworks tomorrow."

Layla: "Our yard is too small, but Dad's yard is big enough. So many fireworks, if they are placed in our yard, there is not enough space to put them."

"Then I'll stay at my father's house tomorrow." Avery said, adding, "But you have to discuss it with your brother first. Mom and Dad will listen to you."

Layla immediately grabbed Hayden's arm and discussed with him in a low voice.

Regent Hotel.

After Rebecca waited for Elliot in the hotel lobby, she was moved and happy tears.

Rebecca was wearing a loose long coat, which couldn't hide her bulging belly.

"Elliot, thank you for coming to see me and the baby. There are too many photos of the baby, so I put them in the room." Rebecca grabbed his arm and pulled him towards the elevator.

"I asked the doctor why our children look like Layla. The doctor said that the child should be like you. Layla should be like you." Rebecca explained to Elliot why the child resembled Layla.

Foster family.

After the children put off the fireworks, they went back to the room and went to sleep, and Mrs. Cooper carried Robert back to the room.

After watching TV in the living room for a while, Shea couldn't hold it anymore, so she went to rest.

"Adrian, are you sleepy? If you are sleepy, go to bed. There was a whole day of noise at home, and you didn't take a nap." Avery wanted to wait for Elliot to come back.

Avery glanced at the time. It has been 40 minutes since Elliot went out.

She didn't know when Elliot will come back.

Adrian said warmly, "Avery, I'll accompany you. Are you waiting for your husband? Why didn't he come back so late? Do you want to call him?"

"I also hope he can impress me. I will continue to work hard in the future." Gwen said, Ben Schaffer's voice came, "Gwen, are you calling Avery?"

Gwen: "You know it but you are still asking."

"Let's talk when we go back. I have already booked a flight back to Aryadelle, let's go home." Ben Schaffer said.

Fireworks bloomed in the air, and the night was suddenly decorated with colorful lights.

Avery looked at the dazzling light in the sky, and his thoughts were pulled far away.

In the living room, Robert was awakened by Layla's cheerful scream.

Mrs. Cooper hugged Robert and walked to Avery: "Robert didn't blink. This was the first time Robert has seen fireworks."

Avery looked at her son's wide eyes in shock, and couldn't help but laugh: "Baby, aren't the fireworks so beautiful?"

Robert stretched his arms out, wanting to go out.

Mrs. Cooper looked at Avery's face.

"Take him out and see. It should be fine after a while." Avery finished and walked out with Mrs. Cooper.

"Mom, I'm going to set off fireworks tomorrow." Layla said to Avery.

Avery: "Okay! Let's go buy fireworks tomorrow."

Layla: "Our yard is too small, but Dad's yard is big enough. So many fireworks, if they are placed in our yard, there is not enough space to put them."

"Then I'll stay at my father's house tomorrow." Avery said, adding, "But you have to discuss it with your brother first. Mom and Dad will listen to you."

Layla immediately grabbed Hayden's arm and discussed with him in a low voice.

After Rebecca waited for Elliot in the hotel lobby, she was moved and happy tears.

Rebecca was wearing a loose long coat, which couldn't hide her bulging belly.

"Elliot, thank you for coming to see me and the baby. There are too many photos of the baby, so I put them in the room." Rebecca grabbed his arm and pulled him towards the elevator.

"I asked the doctor why our children look like Layla. The doctor said that the child should be like you. Layla should be like you." Rebecca explained to Elliot why the child resembled Layla.

After the children put off the fireworks, they went back to the room and went to sleep, and Mrs. Cooper carried Robert back to the room.

After watching TV in the living room for a while, Shea couldn't hold it anymore, so she went to rest.

"Adrian, are you sleepy? If you are sleepy, go to bed. There was a whole day of noise at home, and you didn't take a nap." Avery wanted to wait for Elliot to come back.

Avery glanced at the time. It has been 40 minutes since Elliot went out.

She didn't know when Elliot will come back.

Adrian said warmly, "Avery, I'll accompany you. Are you waiting for your husband? Why didn't he come back so late? Do you want to call him?"
