### Chapter 1321

Mike teased, "Avery, don't be crazy. Even if Hayden doesn't look for you tonight, he should look for you in a few days. Don't worry too much. At least he's still safe now."

With Mike's answer, Avery felt a little relieved. But she had made an appointment with Elliot to find Hayden together, so she still had to go out.

Avery said to the bodyguard, "I'm going to the DL hotel now. I'll drive over there. You wait here. Mike said he told Hayden the information of the hotel we stayed in. If Hayden came here to find us tonight, you will immediately give me a call."

The bodyguard: "Okay, it's not dangerous for you to go to Elliot, I'm afraid that the two of you will be caught by Kyrie."

"If there is such a danger, Elliot won't let me pass."

Avery drove, heading towards DL hotel. About 20 minutes after she left, Hayden's figure appeared in the bodyguard's sight.

Hayden is not wearing his signature baseball cap, let alone his signature black schoolbag. He walked alone to the hotel lobby where Avery stayed. He was tall and thin, with a particularly tall and straight body, and the bodyguard recognized him at a glance.

The bodyguard strode up in front of him and grabbed his arm.

"Hayden! Your mother has been looking for you for a day, and she's going crazy. Fortunately you're all right." The bodyguard looked at Elliot's cold face in the light, and breathed a sigh of relief.

"Where's my mother?" Hayden saw Mike sent him an encrypted message, so he came here.

"Your mother is looking for Elliot. Elliot is looking for you too." The bodyguard dragged him to sit down on the sofa in the lobby and said, "Sit and wait for a while, I will call your mother. By the way, why are you roaming alone? It's dangerous here. Your mother is going to send you home tonight. Don't you know that she was kidnapped the day before yesterday and almost died."

When Hayden heard the word 'kidnapping', he immediately grabbed the bodyguard's arm.

“Don’t call my mother yet.” Hayden looked serious, “What’s the matter with the kidnapping case.”

Bodyguard: “Ahem, this is a long story...”

Hayden: “You say it short.”

On Rebecca’s birthday, your mother and your father made out on the yacht, and after they were done, they were discovered by the Jobin family, and then that night, your mother was kidnapped by Cristian.” The bodyguard used the shortest text to restore all the facts, “Cristian wanted to insult your mother and stood up for his sister.”

Hayden’s body suddenly exuded a strong murderous aura.

Seeing that Hayden was angry, the bodyguard immediately coaxed: “Don’t be angry yet. Your mother is fine. Your mother is very smart. She lied that night, and of course she couldn’t do without Elliot’s help.”

Hayden wrote down the name ‘Cristian’.

“Yeah! Kyrie’s only son now.” The bodyguard teased, “Because he’s not good enough. He can’t be a leader, so Kyrie wants to keep your father in Yonroeville and be the lackey of the Jobin family.”

“This b\*stard, How dare he bully my mother? I want to teach him a lesson!” Hayden squeezed his fist tightly.

“How do you teach him a lesson? This is the Jobin family’s territory. Elliot doesn’t dare to directly turn against the Jobin family, you little brat, what can you do...and your mother will definitely send you home tonight.”

“Don’t call my mother first.” Hayden didn’t respond to his cynicism, “You tell my mother that I’m safe. Tell her not to look for me. When I’m done, I’ll come to her.”

“Hey! What are you doing? Where do you live now? I can’t let you go.” The bodyguard chased after him.

He looked coldly at the bodyguard grabbing his big palm, threatening: “Believe it or not, I hacked your phone?”

The bodyguard suddenly let go.

This little ancestor, he can’t afford to offend him.

As soon as Hayden left, the bodyguard immediately called Avery: "Hayden came and left again. He said he was going to teach Cristian a lesson. I wanted to stop him, but I couldn't."

Avery's scalp was numb "You can't even stop a child, how can you protect me?"

"What kind of person is your son, don't you know? He is a little devil." The bodyguard was indignant and a little aggrieved.

### Chapter 1322

"Hayden said he was going to teach Cristian a lesson? You told him about my kidnapping?" Avery took a deep breath and said, "How could you tell him this? You know that he is a little impatient."

"I didn't mean to." The bodyguard immediately apologized, "Hayden asked me to tell you that he is safe, so don't worry. He will come to you when he says things are done."

Avery felt that he was being pinched. She slapped her neck and couldn't breathe.

Her breathing is getting heavier... The bodyguard listened to her breathing on the phone and was very worried: "Boss, are you all right?! Elliot is not with you now, you are still DL hotel?"

After the bodyguard asked a series of questions, there was a 'beep beep' sound of disconnection.

Elliot took Avery into his arms and hung up her phone.

"Avery! Cheer up! Hayden will be fine." Elliot saw that she seemed to faint at any moment, so he picked her up by the waist and strode towards the car.

Today, because of Hayden, Avery can't eat or sleep. Physical exhaustion, mental breakdown, so the current consequences.

Elliot carried her to the back seat of the car and lay down, then unscrewed the water bottle, trying to feed her some water.

Avery's lips were a little dry, and Elliot suspected she was suffering from a slight heat stroke due to lack of water.

"Avery, Hayden is no longer a child. He knows what he's doing. You wait for him to contact you. Don't worry." Elliot fed water into her mouth and comforted her patiently.

After she drank some water, she recovered a little.

"Why isn't he a child?" Avery's eyes were wet and her voice was trembling. "He's only ten years old. Even if he knows what he's doing. He can't be responsible for what he's doing."

"I'll continue to look for him." Elliot rolled his throat, "I'll go to another hotel to find him. But he doesn't seem to use the identity of Hayden. The front desk at the day shift today said he used a Chinese name. You know his Chinese name? Does he have a Chinese name?"

"Where does he have a Chinese name? He must have used a fake identity."

This chapter is provided by . Visit for daily update.

"He knows how to come here and use a fake identity, and he still has a sense of risk prevention." Elliot continued to comfort her, "Go back to rest first. I'll let you know when I find him."

Avery looked at his familiar face with tears in her eyes, and his low voice as before echoed in her ears, as if everything went back to before he lost his memory.

For a moment, she was in a trance.

She grabbed his arm and couldn't help but ask, "Elliot, have you recovered your memory, Did you?"

He looked at the tears on her face, and after a moment of silence, he said, "Whether I have it or not? Restoring my memory, my plans won't change."

"What plan?" Avery's heartstrings tensed.

"Get back what I lost." Elliot took her hand away from his arm, "When I finish dealing with this matter, I will go back to Aryadelle. When I find Hayden, you will go back to Aryadelle with him. Now you think If you know the questions, there will be answers. Even if you don't come to me, I will find you."

Avery sneered, "Are you looking for revenge? You don't remember our relationship at all. You obviously know nothing. No loss, you have to put yourself in the position of the victim."

Elliot said sharply, "Avery, what's the point of you struggling with this issue now? Now finding the child is the most important thing."

"The business of the two is also important." Avery sat upright and upright, as if this would make her more dignified, "Rebecca blocked you from bullets, are you moved by her? You don't want to be with me anymore, so I found the reason for this 'amnesia'! Otherwise, how can you remember your son so clearly, but you can't remember me alone?"

Elliot pursed his thin lips as Avery questioned.

"Say it, Have you changed your mind?" Avery persisted and asked him, "You answer me, I have the right to know the truth. I don't want to be kept in the dark by you anymore."

"Tell me that you are really amnesiac, Or false amnesia? Tell me, do you plan to spend the rest of your life with Rebecca or do you want to go back to Aryadelle to live with me? Between me and her, you have to choose one."

Avery wanted to grab the collar of his shirt to put pressure on him, but in the end, her fingers only lightly grabbed the front of his chest.

- as if begging him!

### **Chapter 1323**

Elliot didn't want to be so humble and aggrieved, but reality hit her hard.

Avery couldn't face the pain of losing him, and the confidence and pride she once had had disappeared before she knew it.

"Tell me first, how are you willing to leave here." Elliot generous palm held her small hand. He wanted to take her hand away, but Avery held on to his shirt tightly.

"You just want to get rid of me? The more you want to get rid of me, the more I won't leave." Avery was having a hard time, and she wouldn't make him feel better, "I don't believe Kyrie and Rebecca can allow you to keep entangled with me. "

“Don’t you plan to send Hayden back?” Elliot retorted.

The two of them spoke their own words, but they understood what each other was talking about.

“I’ll just take him on the plane.”

Elliot looked at her stubborn face and stubborn eyes, and he couldn’t do anything about her.

“There are no outsiders here, why don’t you tell me the truth?” Avery couldn’t understand him, and she felt like she was going to be tortured mad by him.

Every day she came to Yonroeville, her spirit was under heavy pressure.

If it weren’t for the wonderful memories of the past constantly emerging in her mind, she would definitely not be able to hold on to the present.

Elliot didn’t answer her question.

The car they were in was given to Elliot by Kyrie.

Who can guarantee that there are no bugs in the car?

The bodyguards outside the car were also assigned to him by Kyrie.

This chapter is provided by . Visit for daily update.

Although the bodyguard followed him and obeyed his orders, no one could guarantee that the bodyguard would not betray him at any time.

“You came by car, I won’t take you back.” Elliot wanted to get out of the car, so that she could get off easily, “Go back.”

She still grabbed his clothes and refused to let go.

“I’m not going...Last time on the yacht, you were obviously not like this.” Avery missed his tenderness at that time, she wondered if she was dreaming at the time, she needed to confirm.

“Come up and close the car door.” Elliot looked at her with deep, dark eyes.

Avery had to forcibly pull him into the car and close the door.

“Avery, what do you want to do?” Elliot looked at her helplessly, “I’m going to find Hayden...”

“Didn’t you say he used a fake identity, is it safe now?” Avery quickly unbuttoning his shirt, “Try again... Let’s try again...”

Elliot frowned. He doesn’t want to do that right now. He just wanted to find Hayden as soon as possible, so that Hayden would not fall into the hands of Kyrie, which would ruin his affairs.

He couldn’t bear to reject her directly, so he shied away: “Next time.”

“No! Who knows when the next time will be...” Avery fingers quickly unbuttoned his shirt one by one, revealing his essence With a thin and sturdy chest, “Elliot, I am your wife. Have you forgotten the oath you made in front of all your relatives and friends? You said you would love me forever. Are your oaths irrelevant?”

### **Chapter 1324**

Rebecca lay in bed. She sleeps more during the day, so even if she waits until midnight, she still has no sleepiness.

She picked up the phone several times and wanted to call Elliot, but she held back when she thought of what he said when he left.

Whether it is father, elder brother, or Elliot, they are all men. As long as it’s a man, there’s nothing to worry about. They can’t love only one woman in their entire life.

Since Elliot can remember, to now, my father has changed countless women. When he is with every girlfriend, he spoils each other very much, but when he doesn’t love them, he really dislike women.

Not to mention big brother.

The eldest brother got married and had children early, but the eldest brother’s private woman never broke.

Big brother even changed women faster than father.

The elder sister-in-law would also quarrel with the elder brother at first. After a few quarrels, she probably knew that nothing could be changed. For the sake of the child and for Mr. Jobin's status, the elder sister-in-law didn't care about anything and just took care of the child.

Rebecca thought sadly, at least Elliot didn't change for a different woman every day. As long as Elliot wife is her, as long as he treats her well on the surface, she can endure all grievances.

It was about 2 a.m. when a white light came from the yard.

That's a car headlight.

She immediately put down her phone and pretended to fall asleep.

After a while, the sound of footsteps gradually became clear, and then the bedroom door was opened.

A bedside lamp was turned on in the bedroom, and through the dim light, Elliot could see Rebecca's sleeping face.

Elliot checked all the large hotels in the city tonight, but did not find out Hayden's whereabouts.

This chapter is provided by . Visit for daily update.

Either Hayden changed his identity again, or Hayden stayed in a small hotel.

Although Elliot was very worried about Hayden, he also knew that worry would not help.

Hayden said that he would teach Cristian a lesson. If Elliot wanted to find Hayden, he just had to keep an eye on Cristian's movements.

He took the pajamas from the closet and was about to go to the bathroom to take a shower.

At this time, Rebecca opened her eyes, pretending to just wake up, and her voice came softly: "Elliot, are you back? What time is it?"

Elliot raised his wrist and glanced at his watch: "It's 2 o'clock. You Go back to sleep."

Rebecca: "I'm asleep. Go and take a shower."

"Yeah." Elliot didn't look back at her, but strode into the bathroom.

Rebecca felt a little sad when she saw the bathroom door closed.

The day they got the certificate was probably the best time for Elliot to treat her.

After Avery appeared in their lives, his attitude towards her became more and more indifferent.

Elliot came back so late tonight, he must have gone on a date with Avery. Sadly, Rebecca didn't dare to ask or tell others, so she could only feel aggrieved in her heart.

Her wound is still very painful now, but she didn't dare to tell him about the pain. Lying on the bed, looking at the crystal chandelier, she suddenly thought of a man's face in her mind.

On the night of the surgery, there was a man named Xander, who said he was Avery's classmate.

–Why are Avery's classmates here?

–What is the relationship between that man and Avery?

After a while, Elliot came out of the bathroom after taking a shower.

Rebecca looked at him with eyes as bright as a deer. She saw the red mark on Elliot's neck at a glance, and just when she wanted to take a closer look, Elliot quickly turned off the bedside lamp.

“Go to sleep!” Elliot's voice came.

Just when Rebecca thought Elliot would lie down next to her, he picked up his pillow.

### **Chapter 1325**

“I'm going to sleep in the guest room.” Elliot picked up the pillow and planned to leave.

“Elliot, don't go, okay?” Rebecca begged softly, “I won't touch you.”

“I'm afraid I accidentally touch your wound.” Seeing her so humble, Elliot explained, “Wait. You'll talk when you're healed.”

Rebecca received his explanation and was immediately satisfied.

“Elliot, I want to remind you one thing.” Rebecca reached out and turned on the bedside lamp on his side, “I checked Avery’s information today, and I finally know why you like her, because she is very good. But Elliot, this is Yonroeville, and my father doesn’t like Avery. If you’re good for yourself and her, you’d better stay away from her. If you need a woman outside, I won’t be angry. I don’t want you to quarrel with my father because of Avery.”

Rebecca could see the love marks on Elliot’s neck.

“I know.” Elliot said coldly.

Rebecca asked. “Then why didn’t you send her out of here? You could send her off the yacht in the first place, why can’t you send her out of Yonroeville? As long as you are cruel, you can do it.”

Elliot looked directly at Rebecca’s face.

Although Rebecca was lying on the bed, she looked particularly awake.

“Do you think you are very smart?” Elliot raised his lips and sneered, “If you want to keep me, then you’d better be a fool.”

Rebecca felt uncomfortable at his words.

It was obvious that everything Elliot said was sincere, and he didn’t appreciate it, he was angry with her.

Rebecca: “Elliot, I’m sorry.”

“Sleep!” After Elliot finished indifferently, he took the pillow and strode away from the master bedroom.

This chapter is provided by . Visit for daily update.

After a while, the door closed, and Rebecca’s tears fell.

.....

Avery drove back to her hotel, and before the car stopped, he saw the bodyguard squatting outside the hotel door smoking.

Seeing her coming back, the bodyguard immediately strode towards her.

“Boss, why did you come back so late?” The bodyguard put out the smoke, “Did you go to Hayden?”

“Well.” Avery and Elliot did go to Hayden together.

Avery Continued, “I went to several big hotels, but I couldn’t find Hayden’s whereabouts.”

The bodyguard guessed: “He should live near our hotel. When he came here, he didn’t wear a hat or carry a schoolbag.”

Avery’s eyes suddenly brightened: “Didn’t you tell me earlier?”

“You didn’t give me a chance to say it at all. Ah! You were so sad, did you faint? I heard you were out of breath...”

“Well, it’s a little heatstroke.” Avery strode into the hotel, “I’ll look around tomorrow.”

“Tomorrow I will accompany you to find it.”

The time flickered, and it was the next morning.

The Jobin family villa was in a park. The environment was beautiful and the scenery was pleasant. The villa where Elliot and Rebecca live was on the right side of the park, and the villa where Cristian lives was on the left side of the park.

At 8 o’clock in the morning, Cristian woke up from the big bed. He used to pick up his phone to check the time.

As a result, a strange picture appeared on the phone screen. His phone screensaver and background were pictures of his young daughter.

Every time he turned on his phone, he would see his daughter’s cute little face.

But at this time, when he pressed the power button, what appeared on the screen was not his daughter’s face, but something similar to a timer.

Above this timer, there is also a line of creepy text: [‘Countdown to death.’]

Below these words ‘Countdown to Death’, the most primitive string of numbers is – 72:00:00

72 hours, equal to three days.

This string of numbers is decreasing every second. It seems that his life is also decreasing every second.

The scene at this time was very similar to the scene in a horror movie he had seen.

–Someone is going to take his life.

–Who is it?

### Chapter 1326

Cristian sat on the bed thinking about it for a while, completely clueless. He had been sent by his father to expand his business for two years. In the past two years, he has not communicated with people here.

It's only been a few days since he came back, how could someone kill him?

Is it Elliot?

But Elliot has no real power yet.

Moreover, his father kept staring at him and observed his performance. If he made a half-point error, his father would never hand over the real power to him.

So he shouldn't dare to do it himself at this crucial juncture.

But besides Elliot, who else is there?

When it's time for the Jobin family to negotiate with the second and fourth masters, the second and fourth masters should not make any moves at this time.

Cristian patted his head, very distressed. He looked at the phone screen again, intending to turn off the death timer, but he found that the screen seemed to be locked, no matter how he pressed, the phone screen did not respond at all. He couldn't turn off the countdown, couldn't go back to the home screen, and couldn't use any features on the phone.

He was immediately stunned.

–Is his cell phone infected with a virus?

-Is this countdown to death a joke made by a hacker? Or maybe he accidentally clicked on a malicious website while playing with his phone last night, so his phone got poisoned?

Thinking of this, he decided to ask a technician to check it out.

....

In the hotel.

This chapter is provided by . Visit for daily update.

The bodyguard made an appointment with Avery last night, and went to find Hayden nearby today.

After the bodyguard got up this morning, he first came to Avery's door and rang the doorbell.

When the doorbell rang, there was no response. The bodyguard took out his mobile phone and dialed Avery. The phone was connected, but she didn't answer.

Is she still sleeping?

The bodyguard waited for a while and decided to have breakfast first.

Arriving at the restaurant, the bodyguard's cell phone rang.

He thought it was Avery calling, but it turned out to be Elliot's call.

Elliot didn't get through to Avery just now, so he called her bodyguard.

The bodyguard said, "I went to ring the doorbell just now, but there was no response. Why don't I go to her room after breakfast? But I think she is probably resting, because she didn't come back until two o'clock in the morning last night."

Elliot: "Then don't. I'm going to find her."

The bodyguard said helplessly, "Oh, I also said that I would go with her to find Hayden nearby this morning. If I go alone, even if I find Hayden, it's useless. He doesn't listen to me. I can only wait. She wakes up and talks."

Elliot: "Do you know where to find Hayden?"

The bodyguard: "I guess he's near the hotel where we stayed. Because he didn't carry his schoolbag when he came last night."

"I'll go with you now." Elliot had another nightmare last night. He dreamed that Cristian killed Hayden. He must find Hayden tell Hayden not to mess with Cristian.

This is the Jobin family's sphere of influence. Even if Kyrie appreciates him again, for Kyrie, he is definitely not comparable to Cristian.

After all, Cristian is the son of Kyrie.

If something happens to Hayden, he can only break the net with Kyrie. And to tear his face with Kyrie, he may not be able to guarantee Hayden's safety.

So Elliot had to stop the tragedy from happening before things got too out of hand. He thought that Avery had already given him enough headaches, but who knew that Hayden would give him even more headaches.

.....

At noon, after the network security technicians checked Cristian's mobile phone, there was absolutely no way to crack the virus in Cristian's mobile phone.

### **Chapter 1327**

But they tracked down a little bit of information.

"Mr. Jobin, your mobile phone was poisoned at 3 a.m. today."

Cristian raised his thick eyebrows: "I f\*cking fell asleep at three o'clock in the morning."

"Three o'clock. It doesn't matter whether you sleep or not. What is certain is that your home network or your private information must have been leaked. Otherwise, hackers will not be able to break into your phone."

Cristian said angrily, "Who the h-e-l-l dares to leak my Private information?"

"I don't know. You go home and check. As for this phone, do you think you should take it back, or leave it here and we will continue to crack it?" the technician asked, "This phone You can't use the virus in it until it's cracked."

"If that's the case, what's the use of me taking it back? I don't know which b\*stard's prank. Haha. It wants my life." Cristian gritted his teeth and said, "I must find out this murder-seeking thing."

"Mmmm! Mr. Jobin, after you buy a new phone, I suggest you not use your own information to register a phone account. You try with your wife's information. This is safer." The technician reminded.

"I see!"

Cristian came out of the network security center and was about to go to the mall to buy a mobile phone.

On the way, he frowned, still suspecting that Elliot did this. He asked his bodyguard for a mobile phone and dialed Elliot's bodyguard.

"Ali, let me ask you something, you are not allowed to lie." Cristian raised his voice and said harshly, "Is there anything unusual about Elliot these two days? Has he contacted anyone outside to kill me?"

Ali was stunned for a moment, and then replied: "Eldest young master, according to my observation, in addition to accompanying Miss Rebecca at home these two days, he has been inspecting work outside at your father's order. Then he is with your second and third masters. Contact the fourth master. He is very busy every day, and I haven't seen him meet other strangers, nor have I heard that he is looking for someone to kill you. If he had a different opinion, I would have reported it to your father."

Cristian heard Ali's words, he breathed a sigh of relief: "I forgive him and dare not kill me."

"That is. Elliot is now completely dependent on the Jobin family to live, how dare he make trouble?"

This chapter is provided by . Visit [for](#) daily update.

"What is Elliot doing now?" Before Cristian hung up the phone, asked casually.

Ali was stunned for a moment, then said: "I heard him call your third master at the time, and I guess he has an appointment with your third master. I guess he wants to draw your third master..."

I see! If there is anything unusual about him, you can tell me immediately."

Ali asked, "Okay. But why did you call from another cell phone?"

“My cell phone is broken. When I get a new one, I will replace it with a new one. I’ll send you the number!”

Ali: “Okay, okay!”

...

Elliot and Avery’s bodyguards looked around the hotel, but did not find Hayden.

Seeing noon, Elliot invited the bodyguards to dinner.

“Mr. Foster, you invite me to dinner, I’m so sorry.” The bodyguard said.

Elliot: “You help me find my son, and I let you go back hungry. I’m also sorry.”

The bodyguard: “Oh, if that’s the case, then I’m welcome.”

They entered and take a seat at a high-end restaurant nearby.

Elliot asked two bodyguards to order food. He held his mobile phone to see if Avery had called him back or sent him a message. Because he called her in the morning and she didn’t answer.

If Avery wakes up and sees his missed call, she should call him back.

He turned on the phone and saw the message from Avery.

She said she overslept and didn’t hear her phone ringing in the morning, so she didn’t answer his call.

When Elliot was about to reply to the message, out of the corner of his eyes, a familiar figure got up from the dining chair.

He immediately looked towards the figure.

–Is he Hayden?

The little ones are here for lunch.

They didn’t expect to find someone all morning, but now The little one come here without any effort.

### Chapter 1328

Just when Elliot got up and was about to catch Hayden, a group of people came in at the door of the restaurant.

The leader is Cristian.

The moment Elliot saw Cristian, Cristian also saw Elliot. This is the first time the two have officially met since the shooting.

When the enemy met, he was extremely jealous.

When Cristian saw Elliot, a fierce light flashed in his eyes.

But because Kyrie and Rebecca were sandwiched between the two, the apparent peace had to be maintained.

When Hayden saw Cristian come in, he immediately sat down in the chair again. This was the first time he saw Cristian.

*This bastard who bullied mom. If it wasn't for her resourcefulness, her mother would have been killed by this bastard now!*

He absolutely cannot give Cristian the possibility of hurting his mother again, so Cristian must die.

“Didn't you have an appointment with the third master today? Why are you eating here?” When Cristian asked Elliot this sentence, his eyes swept to Ali inadvertently.

Ali is Elliot's personal bodyguard. To put it nicely, he is a bodyguard, but to put it badly, he is Kyrie's eyeliner beside Elliot.

Cristian felt that Ali would not be bought by Elliot in such a short period of time.

But why is Elliot here?

Ali blushed slightly, restrained and uneasy.

At this time, Elliot spoke first: “Nick is not available this morning, we temporarily changed the time and arranged to meet in the afternoon.”

This chapter is provided by . Visit for daily update.

“Oh! I said! Who is this person?” Cristian sat down beside Avery’s bodyguard and asked Elliot.

The bodyguard immediately reached out to Cristian: “Hello, Master Jobin, I’m Avery’s bodyguard.”

When Cristian heard this, his face suddenly turned pale: “Why are you here? Could it be that Avery is also there?”

He looked around, and after meeting Hayden’s profile, he stopped for a while.

Afraid that he would recognize Hayden, Elliot immediately explained: “I asked Avery’s bodyguard to come out, and I planned to ask her bodyguard to send her back to Aryadelle. Rebecca talked to me last night, and she didn’t want Avery to stay here.”

Cristian sneered: “You finally care about Rebecca’s feelings? If you can’t say anything about Avery, let the third master say it. Isn’t she also the third master, Nick’s woman? Haha!”

Elliot held up the water glass and took a sip.

“Elliot, I really didn’t expect you to play so much in private. Haha! And that Avery, it opened my eyes.” Cristian talked about Avery, “She is a medical genius and a famous female enterprise. Your identity sounds awesome, but it turns out to be so unrestrained in private. For a while, I didn’t know whether to say that the two of you played with Rebecca, or whether Avery played with the two of you.”

Cristian’s words made Hayden clench his fists. He got up abruptly and accidentally knocked over the water glass in front of him.

The water glass rolled to the ground with a ‘bang’ sound.

Cristian immediately looked towards the source of the sound. Hayden immediately lowered the brim of his hat, then carried his schoolbag, and went to the cashier to check out.

Cristian frowned as he watched Hayden walk to the cashier, and then took his eyes back.

“I can’t get used to seeing someone pull like this in front of me. If he was older, I would have to beat him up.” Cristian said wildly.

Cristian seemed to be talking about Hayden, but he was actually speaking to Elliot. He was warning Elliot not to try to climb on his head.

Avery's bodyguard saw Hayden walking out, and immediately got up: "I'll go first, you guys can talk slowly!"
