

When His Eyes Opened Chapter 1346

Chapter 1346

When he was holding a water glass to drink water, he kept his mind.

“Baby, why did you suddenly bring water to Dad?”

If it was usual, he would never be suspicious of what his daughter gave him.

But he really couldn't forget the death countdown on his phone screen. He wanted to keep his eyes open until 3 a.m. to see who will kill him in the end.

If he didn't die at 3:00 in the morning, it means that the hacker was a trickster who was pretending to be a ghost.

Oh, if he didn't die at 3:00 in the morning, it would prove that the hacker was Elliot's son Hayden.

Hayden is not yet ten years old. Although Hayden is very powerful and can hack into his cell phone, with Hayden's ability, he can only hack into his own cell phone.

If he wanted to kill him, Hayden was still a little tender.

Cristian's daughter blinked her round eyes: “The teacher said that I will bring water to my parents... I want to shoot a video and send it to the teacher.”

Cristian noticed that his wife was standing not far away with a mobile phone and was filming.

“So it is!” Cristian laughed.

His daughter is in kindergarten, and the teacher assigns various homework assignments every week.

When Cristian was not at home, his wife and daughter completed it.

Cristian blushed when he thought that he suspected that his wife and daughter would frame him.

He drank the water from the water glass in one gulp, and then handed the empty water glass to his daughter.

“My dear, will Dad stay with you more in the future?” The daughter took the water glass and nodded with a smile.

After taking the video, Cristian's wife walked over to her daughter and said, "Baby, give Dad a kiss."

The daughter was stunned for a moment, then obediently walked up to Cristian and kissed him on the cheek.

"Husband, when are you taking a bath? Do you want to go and get you a bath now?" the wife asked.

"I won't take a bath first. Take your daughter to take a bath." Cristian said, and continued, "You and your daughter go to bed after taking a bath, don't wait for me."

The wife's face was solemn: "Husband, I know What are you waiting for? When I put my daughter to sleep, I'll wait with you."

"No! I'll wait until 3:00 in the morning at most." Cristian had an attitude of 'I'm not afraid of anything'. I'll be fine."

"That was a hacker's prank. You don't have to worry about it."

"Well. Take your daughter to take a bath first. I'll watch TV for a while." Start the remote control and turn the TV on.

Like Cristian didn't sleep and was waiting for 3:00 in the morning.

Hayden did not play on the computer. He lay in bed, waiting to return home with his mother. He doesn't like this place.

Every minute and every second here makes him upset and disgusted.

Rebecca is completely different from Chelsea or Zoe who appeared beside Elliot before.

Rebecca is the youngest, and her childishness is superficial.

Unlike Chelsea and Zoe, they belong to women who look very powerful at first glance.

And it is this kind of woman who doesn't seem to have any lethal power, and is often the most able to seduce men's hearts.

If he and his mother go back to Aryadelle, but Elliot stays with Rebecca in Yonroeville, his mother will definitely be sad.

But long-term pain is worse than short-term pain. If Elliot really fell in love with Rebecca, such a sc*mbag, mother would not want it.

Time passed minute by minute, and soon the hour hand pointed to 3 a.m.

Hayden immediately sat up from the bed and turned on the bedside lamp.

In the living room on the second floor, Elliot was sitting on the sofa, not sleepy.

According to Hayden, Cristian will die today.

He was waiting for the news of Cristian's death. He glanced at the time display on his phone, it was already 3:15 in the morning.

When His Eyes Opened Chapter 1347

Chapter 1347

He got up from the sofa and planned to go back to his room to rest.

In a few hours, it will be time for him to negotiate with the second brother and the fourth brother on behalf of Kyrie.

Whether Cristian died or not, today was destined to be an unusual day.

Just as his grandfather grabbed the door handle of the guest room, Hayden's door opened.

He heard the voice and looked towards Hayden's room – the father and son looked at each other, and even if they didn't say anything, they could know what the other was thinking.

Hayden didn't expect that Elliot would be like him, waiting until now. It seems that Elliot trusts his plan very much. And Elliot saw the result of this plan on Hayden's face.

"Cristian is dead." Hayden opened his mouth and told the result.

Elliot immediately turned on the phone, there was no incoming call or message on the screen.

"Are you sure?" Elliot asked, his Adam's apple rolling.

"You question me?" Hayden said coldly.

"You murdered with a knife?" Elliot lost all sleep and strode to Hayden, "How did you do it?"

Hayden has already avenged his mother, so it doesn't matter if he plans to say it. "I found out that his wife and the nanny had an affair. If they don't kill Cristian, they will die."

Elliot understood immediately.

Kyrie sent numerous bodyguards to protect Cristian outside Cristian's villa. Unexpectedly, the person closest to Cristian was the one who killed Cristian in the end.

"Go back to your room to rest first." Elliot glanced at his phone, but there was still no bad news from Cristian.

An ominous omen suddenly rose in his heart.

When Hayden entered the room, he said again: "Have you packed your luggage?"

"I'll pack it now." Elliot said, "Well. I'll go see if Rebecca has received any news."

After speaking, He strode towards the master bedroom. The door to the master bedroom opened, and it was pitch black inside.

He doesn't need to ask, He also knows that Rebecca has not received the news of Cristian's death.

Cristian was dead, and Kyrie's bodyguard would definitely inform him immediately.

-Why did Kyrie not inform him of his death?

==How is Kyrie feeling now, and what is he planning?

Just when he was about to exit the master bedroom, Rebecca suddenly woke up.

"Elliot? Is that you?" Rebecca turned on the light as she spoke.

Elliot's face was gloomy: "Your brother is dead."

Rebecca's eyes were filled with two lines of tears: "How did he die? It's your son..."

"My son was in the room and didn't go anywhere." Elliot defended Hayden, "It wasn't him who did it. This matter has nothing to do with him."

Rebecca nodded while weeping. She quickly picked up the phone, but her father did not call her to notify.

"Did my dad call you and say that?" Rebecca hurriedly got out of bed.

"No." Elliot said inexplicably, "your dad didn't say anything. I suspect your dad will do something next."

“Since my dad didn’t call you, how did you know that my eldest brother is dead?”
Rebecca Walked up to him and wanted to know the truth.

But Elliot’s indifferent expression said it all.

“I’ll go see my eldest brother.” Rebecca strode to the closet, planning to change clothes and go out.

Elliot: “If you go there without authorization, how do you explain that you knew about your elder brother’s death in advance? You go back to bed immediately and lie down. I’ll ask the driver to go outside to check the situation.”

Rebecca swallowed tears in her stomach. She put down the clothes she took out, walked to the bed, and lay down: “Elliot, if my eldest brother dies, my dad will be crazy.”

Chapter 1348

Elliot didn’t answer her words. He exited the master bedroom and called the driver. Ask the driver to drive out now and see what’s going on.

In this park, there was a main road, which could pass through the villas of Kyrie and Cristian.

“By the way, let’s take a look at the situation at Kyrie’s house.”

The driver: “Okay, Mr. Foster.”

The nanny, driver and bodyguard of this family are all on Rebecca’s side. And Rebecca is facing Elliot.

“If someone in the park stops the car and asks what you are doing out so late, you can say that Miss Rebecca asked you to go out to buy supper.”

The driver: “Okay!”

After talking to the driver, Elliot went downstairs. He did not turn on the headlights in the living room on the first floor.

He wanted to know the situation of Kyrie, presumably, Kyrie was also watching him secretly now.

Cristian’s death was undoubtedly a huge blow to Kyrie.

Kyrie had a total of four children, three sons and one daughter, and now all three sons are dead. So Rebecca said that Kyrie would go crazy.

It wasn't that Elliot wasn't afraid, but it was over, and it was useless to be afraid.

No matter what kind of madness Kyrie goes, he must ensure Hayden's safety.

After some time, the driver drove the car back to the front yard.

The headlights flashed in front of Elliot's eyes, and he got up immediately.

After a while, the driver came to him: "Mr. Foster, the park is blocked. Don't let me go out. I said to buy food for Miss Rebecca, but it's not OK."

"Kyrie's villa and Cristian's villa..."

The driver said. "Both villas are brightly lit. It looks like something has happened. The eldest young master's yard is full of bodyguards. There seems to be crying..."

Elliot's eyes drooped slightly. He began to think about countermeasures.

After Cristian died, Kyrie blocked the way out of the park for the first time.

This move was really cruel.

"Do you know there are other exits in the park?" Elliot can be trapped here, but Hayden can't! He must send Hayden out safely.

The driver shook his head: "Mr. Foster, even if there are other exits in the park, there must be bodyguards now. Are you going out?"

Elliot waved his hand: "Go and rest!"

The driver: "Okay."

The driver left Afterwards, Rebecca walked downstairs. The tears were wiped from her face, but she looked very sad.

"Elliot, my dad just called me. He said that the eldest brother was killed by the nanny. The nanny actually killed my brother." Rebecca held the phone in her hand, and when she opened her mouth, tears couldn't help falling.

Elliot walked up to her and said, "I'll accompany you to see it now."

"Okay."

When Elliot stepped out of the villa, he glanced upstairs. He must now meet with Kyrie to see when the park exit will open.

Cristian's house.

When His Eyes Opened Chapter 1349

Chapter 1349

The two bodies were covered with white cloth, and beside them, there were people in black kneeling.

Elliot's eyes fell on the two corpses.

One belongs to Cristian, and the other should belong to the nanny.

Kyrie sat on the sofa next to him, smoking a cigarette.

The smoke lingered, and the expression on his face could not be seen clearly.

Rebecca squatted down and glanced at the two corpses, then squatted beside Cristian's corpse and cried aloud: "Brother... I don't want you to die! What will happen to my father and me if you die? Big brother, Wake up!"

Rebecca's sadness was not faked. Even though she was now Elliot's wife, her 20-year relationship with her eldest brother was also true.

Even if eldest brother's bullet hit her, the first thing she thought of was not to ruin the relationship between eldest brother and Elliot.

Elliot walked up to Kyrie, and before he could speak, Kyrie handed a data card to him.

"Look." Kyrie narrowed his eagle eyes and exhaled a thick ring of smoke.

Elliot took the information card and saw Hayden's registration photo at a glance.

This is the fake identity information Hayden used to come to Yonroeville. The information is fake, but the avatar is real.

"Does this kid look a lot like your son?" Seeing that Elliot didn't speak, Kyrie sneered, "I heard that your son is a computer expert and the number one in the genius class of Central University?"

Elliot put down the data card and said, "This matter has nothing to do with my son. It doesn't matter. He is just a child under ten years old..."

“Although he is under ten years old, his lethality is very powerful.” Kyrie put Cristian’s mobile phone, press the power button, the death countdown above is gone, and now the screen is: gameover.

Game over!

For Hayden, the game is over.

But for Kyrie, this game has just begun.

“I’m old, but I’m not old enough to be useless.” Kyrie’s voice was very desolate, although there was no ups and downs, it contained great power, “If you accompany Rebecca here, you are not afraid of me Your son caught it?”

Elliot’s heart clenched suddenly. The thing he was most afraid of had happened.

“Let’s follow the rules of the road.” Kyrie smashed the cigar between his fingers into the ashtray, and exhaled the last puff of smoke, “Use your son’s life for my son’s life.”

“No!” Elliot clenched his fingers and shouted loudly, “Let my son leave, and I will listen to you in the future.”

“Hahahahaha!” Kyrie laughed wildly , suddenly roared, “Kneel down in front of me.”

After Elliot breathed a sigh of relief, he knelt down in front of Kyrie and also in front of everyone.

In the next second, Kyrie kicked Elliot away.

“How the h-e-l-l do you dare? You even dare to move my son? Do you really think I dare not kill you?” Kyrie’s eyes were scarlet, he picked up the ashtray on the coffee table and smashed it in Elliot’s direction !

Rebecca immediately rushed over and blocked his father’s attack for him.

“Dad...Dad, It’s not what Elliot did.”

“What’s the difference between what his son did and what he did?” Kyrie looked at the blood spilling from the corner of his daughter’s mouth. His fists were clenched, and his body couldn’t stop shaking, “I shouldn’t have married you to him. He has no ambition to swallow everything from me. He can kill your elder brother now, and the next step is to kill me.”

” No dad! I won’t let him do this.” Rebecca knelt in front of his father and hugged his father’s leg, “Dad, please let Elliot go. I can guarantee that he didn’t want to kill the big brother.”

Kyrie looked at her daughter's tearful face, her heart seemed to be split into pieces.

"Kyrie, let my son go." Elliot looked directly at Kyrie's angry face, "I'll pay for his mistakes."

Kyrie As if hearing a joke, the corners of his mouth twitched, "He owes me a son, do you pay me back? Unless you never leave Yonroeville in your life, stay here forever, and be the dog of my Jobin family."

"Yes." Elliot agreed to his request without hesitation, "as long as you let Avery and my son left together..."

"Hehe! Your life can only be redeemed for one person." Kyrie walked in front of him, crouched down, and smiled wickedly, "Avery and Hayden, You can only choose one."

When His Eyes Opened Chapter 1350

Chapter 1350

In the villa, after Hayden packed his luggage, he was completely drowsy. He was sitting in a chair with his schoolbag on his back, waiting for the moment to leave.

Just when he thought that Elliot would not come to him tonight, the door was opened without warning.

Elliot's face appeared in front of him.

"Have you packed everything?"

"It's been packed long ago." Hayden got down from the chair, walked up to him, and looked at him, "Can you go now?"

"Well." Elliot hesitated for a moment, and then said, "You go first tonight."

Hayden stopped, "My mother won't come with me? I told my mother, she promised to go back to Aryadelle with me."

"She can't leave for the time being." Elliot Showdown with him, "You go first. I will find a way to send her away in the future."

Hayden looked at his calm face and immediately guessed the reason.

"Did I cause you trouble by killing Cristian?"

Elliot shook his head: "If I were you, I would do the same. So, you're right."

“But my mother can’t leave now... .” Hayden frowned angrily.

“I’ll find a way to send her away.” Elliot grabbed his arm and led him downstairs, “After you return to Aryadelle, don’t come back. It’s easier to save one person than two.”

Hayden lowered his head, No answer.

Although Elliot didn’t blame him for being too impulsive, Elliot’s words were very clear.

Hayden was able to leave tonight, and it was Elliot who saved him. It was refreshing to avenge his mother, but he lacked thought to leave this mess.

Hayden solemnly confessed to Elliot before getting into the car and leaving, “You must protect my mother and. If something happens to my mother, I will teach you a lesson.”

This was the first time Hayden stared at him for a long time.

Elliot looked at his son’s face with a very complicated mood. Considering the critical situation at the moment, he closed the door immediately.

Nick was waiting outside the park.

Elliot entrusted Nick to help send Hayden back to Aryadelle, and Nick agreed.

...

The night passed and the sun rose as usual.

Avery stretched hier back and opened her eyes. The golden sunlight outside the window shines in through the curtains.

She got out of bed immediately, pulled the curtains back, and opened the window to let in the air.

Suddenly, something came to her mind, and she immediately walked to the bedside and picked up her phone.

Several pieces of messages popped up –

Elliot: [Hayden has returned home safely. You stay in the hotel for now and don’t move. I’ll try to get you out as soon as possible.]

Bodyguard: [Boss, Cristian is dead. He is really dead. Your son is so awesome.]

Elliot’s message was sent just after 3:00 in the morning, and the bodyguard’s message was just sent.

The hand she held the phone trembled slightly.

She wanted to call Elliot to ask what happened last night. How did Cristian die, whether Hayden was injured, etc...

But thinking that Cristian was dead, he must be with Rebecca and Kyrie now, preparing for Cristian's funeral, so she dialed the number to the bodyguard.

"Boss, Cristian is dead. It's really heartwarming." The bodyguard said excitedly.

"I know. Hayden has already been sent back to Aryadelle. Originally, Elliot asked me to return to Aryadelle with Hayden, but now he only sent Hayden away alone. Does that mean that I can't leave now?" Avery paced around the room go.

It's not that she is in a hurry to leave here, but she guesses that something terrible happened last night.

The bodyguard froze for a moment: "I don't know. I'm having breakfast in the restaurant now. I'll bring you what you want to eat."
