Chapter 9: Xu Huan's Search

Everyone became even more curious, but they didn't even have the time to look further before they were blocked by Jiang Xun's lackeys.

On the seat, Meng Ran tilted his head and looked at Mo Zhu. Her eyes were filled with curiosity, but there was no malice or probe in them.

1

"You know Jiang Xun?"

"Yes, we used to be neighbors."

"That's great. I couldn't stand him since a long time ago. Finally, someone can control him!" Meng Ran was happy.

"Hey, that girl with the surname Meng, what are you talking to my boss about?"

"Nothing much." Meng Ran turned his head and made a face. Jiang Xun, who was supposed to be in Class One, immediately transferred himself to Class Eight and sat behind Mo Zhu.

2

It just so happened that Jiang Xun had long disliked that old witch from Class One.

With Jiang Xun's existence, Mo Zhu became famous in Jingyang High School. As soon as she arrived, she became an existence that no one dared to provoke, but she had also become the public enemy of all the girls in school.

From time to time, she would receive resentful gazes. For example, Li Lu's gaze at Mo Zhu right now was filled with malice.

After being noticed by Jiang Xun, she hurriedly lowered her head.

In Class Eight, it wasn't a secret that Li Lu liked Jiang Xun. Actually, it wasn't even a secret in Jingyang High School. As her family had some power, she often bullied those

girls who liked Jiang Xun. If she found out that anyone had given Jiang Xun a love letter or something related, she would bring along her girls and teach them a lesson behind his back.

1

Many people weren't able to stand her, but due to her family's power, they could only swallow their anger. Over time, no one dared to openly like Jiang Xun anymore, and as Jiang Xun was happy to have peace and quiet, he didn't bother much about it.

But Jiang Xun wouldn't disregard Mo Zhu.

This little episode passed very quickly. Because of Jiang Xun's existence, Mo Zhu had a peaceful afternoon and took a nap.

Jiang Xun usually slept in class as well.

Soon, afternoon came, and it was time for school to end. Students in Jingyang High School did not need to attend evening self-study, and the students who stayed in could do as they pleased.

"Sister Mo, I'll leave first." Meng Ran greeted Mo Zhu and left.

Not long later, only Mo Zhu and Jiang Xun were left in the classroom.

"Let's go eat. You haven't told me why you came to Cloud City suddenly."

"Sure."

When the two of them arrived at the school gate, Jiang Xun went to start his motorcycle.

"Little Bamboo."

When Mo Zhu looked up, she saw Xu Huan leaning against the car, smiling brightly and waving at her excitedly.

There was a circle of fangirls surrounding him, but he was still enjoying it and throwing flirtatious glances at them.

Seeing that Mo Zhu was still standing at the same spot, Xu Huan walked up to her and said, "Sister-in-law, get in the car."

Seeing this, Mo Zhu did not refuse. "Let me inform my friend."

Xu Huan didn't ask and just waited with Mo Zhu. A few minutes later, Jiang Xun appeared, and Mo Zhu told him about it.

Xu Huan had a slightly profound expression when he saw Jiang Xun, but when Mo Zhu turned around, he changed it back into his carefree smile.

After giving his instructions, Mo Zhu followed Xu Huan into the car.

"Mo Zhu, why are you here?"

A crisp voice came from behind Mo Zhu. The young girl was wearing a white dress and had a slender figure. Her large almond-shaped eyes were filled with mist as she stared innocently at Mo Zhu, her eyes hazy and filled with innocence.

"Young Master Xu." Fang Ran greeted Xu Huan again enthusiastically. They had met at the engagement banquet previously.

Fang Ran walked out of the classroom with her backpack. When she saw the forum in school today, she suspected that it was Mo Zhu, but she could not believe it.

It was only after seeing Mo Zhu in person that she believed that she had really entered Jingyang High School. Did her father really spend so much effort on her sister?

Even when she was in school, she had relied on her grades to get in, but her sister had directly entered Jingyang High School. She clenched her shoulder straps with both hands slightly to hide the surging emotions in her heart.

Seeing that Mo Zhu did not answer her, the young girl was somewhat at a loss. Her body swayed a little, causing others to feel pity for her.

1

At that moment, there were already quite a number of people around them starting to criticize Mo Zhu. Xu Huan was already rather impatient. Others might not be able to tell, but he knew what kind of person Fang Ran was. Just as he was about to ask Fang Ran to leave, Qin Ya appeared.

"Your sister is talking to you. Why are you ignoring her? You can blame me if you want, but your sister is innocent."

Qin Ya did not see Fang Ran in the car and came out to look for her. She did not expect to see Mo Zhu here. Qin Ya held Fang Ran's cold hand, her eyes filled with heartache and blame for Mo Zhu.

But Mo Zhu did not stop walking and walked towards the car.

“Now that you’ve hooked up with the Huo family, you look down on the Fang family, don’t you? That’s right, your Uncle Fang didn’t let you get into Jingyang High School. You went to look for Young Master Huo, and you got what you wanted. And now, you don’t care and are not afraid of anyone.” Qin Ya naturally thought that it was Huo Xuan who helped Mo Zhu get into Jingyang High School.

1

“Those who don’t know would think that the Fang family has mistreated you.” However, this sentence said was only heard by Fang Ran and company. After all, letting Mo Zhu marry on Fang Ran’s behalf was not a glorious thing.. Qin Ya was not stupid enough to embarrass the Fang family.

Chapter 10: Moving Into the Huo Family

“It’s so lively here.” A man’s lazy voice came from the car. The car window had been opened halfway, and Huo Xuan was leaning against a chair, revealing half of his face.

“I just told you to find someone, why are you taking so long?”

“It’s because I bumped into someone I know!” Xu Huan looked at Qin Ya and Fang Ran playfully.

When Mo Zhu saw Huo Xuan, her expression didn’t change much.

On the other hand, Fang Ran had never seen such a handsome man before. He was as handsome as a god, and although he exuded laziness from head to toe, he was so charming and noble.

In Jingyang High School, Jiang Xun was recognized as the most handsome boy in school, but the young man always lacked the charm of a mature man.

However, this man was so perfect. Fang Ran felt her heart stop beating.

Huo Xuan also noticed the burning gaze.

“Ms. Fang,” Huo Xuan said playfully.

“You, you know me?” Fang Ran was even more excited. Was he looking for her?

“Of course. We just met.”

Fang Ran was a little surprised. At this moment, Qin Ya spoke, “You’re Young Master Huo?”

Although Huo Xuan was wearing a mask that day, not everyone felt as intimidating as him. Qin Ya had a deep impression of him.

But wasn't Young Master Huo disfigured?

"Madam Fang has a good memory."

Fang Ran paused. He was Young Master Huo? The person she was supposed to marry?

Fang Ran could not accept it. Mo Zhu had married such a handsome man for her? Even if he could only live for two years, she would gladly endure it. But now, did she still have a chance?

3

Qin Ya saw that Fang Ran's expression was abnormal and squeezed her hand.

"Aren't you getting in the car?"

Fang Ran was just about to agree when he saw Huo Xuan looking at Mo Zhu and Mo Zhu was about to raise her leg.

"Where are you going?" Qin Ya asked sharply.

"Sister-in-law is going back to the Huo Family, of course. Does Madam Fang have any objections?" Xu Huan had long disliked Qin Ya.

(If you have problems with this website, please continue reading your novel on our new website THANKS!)

She was so biased.

"I don't think it's a good idea to move into the Huo family before getting married. She's a daughter of the Fang family after all. Come back to the Fang family with me. I won't trouble Young Master Xu and Young Master Huo."

She had not even married into the Huo family, yet she is already looking down on the Fang family. If she moved into the Huo family, wouldn't the situation be turned, and she'd be bullying her and Ran Ran instead?

1

Xu Huan looked towards Mo Zhu and saw the girl standing there quietly. Her long eyelashes covered her eyes, and her expression could not be seen clearly.

Her younger sister was protected in her mother's arms and held high in her heart. However, as for Mo Zhu, she was also only a girl who was 18 years old. She's at the age where she should have been like other girls, acting coquettishly in her mother's arms. Xu Huan's heart felt really uncomfortable seeing this.

Huo Xuan had come down from the car at some point in time. He reached out and grabbed the girl's wrist. Mo Zhu could only feel her wrist being held tightly by someone, and she could feel the warmth of his body.

"You don't have to worry about the people of the Huo family, Madam Fang." The man lowered his head and saw the girl's eyelashes fluttering slightly. She looked different from her usual self. She looked a little obedient.

Qin Ya didn't dare to look at Huo Xuan as she stood at the side resentfully.

Fang Ran could not hide the jealousy in her eyes when she saw their interlocked hands. She swore in her heart that she must have this man.

4

Huo Xuan brought Mo Zhu into the car and the group left.

After getting into the car, Huo Xuan released his grip and handed a blanket to Mo Zhu.

Mo Zhu had a cold constitution since she was young. Her hands had always been cold. It didn't make a difference whether she had a blanket or not.

Mo Zhu casually draped the blanket over her body and looked out the window.

When Mo Zhu woke up, the heater was turned on, and it was very quiet.

Mo Zhu was slightly startled. Had she just fallen asleep? Was it because the blanket smelled good?

"You're awake?" Probably because they were afraid of disturbing her, they had opened the middle panel that separated the front and back portion of the car. Mo Zhu did not hear Xu Huan's voice.

1

"We are going to the Huo residence?" Mo Zhu asked.

"Didn't you say that you would treat me?"

"You've decided?"

“I believe you.” The man’s amorous eyes landed on her. For the first time, Mo Zhu felt unnatural.

After a while, the car stopped and Mo Zhu got out of the car. It was a garden. A coat landed on Mo Zhu’s shoulders. It was the faint smell of tobacco, the same one from the blanket.

4

“Let’s go eat first.”

Xu Huan also came down from the car and started chattering beside Mo Zhu. She suddenly missed that panel that blocked Xu Huan from her.

2

Mo Zhu was not a reserved person.. The group enjoyed the meal and Mo Zhu’s eyes were filled with a little joy.
