Chapter 4811

Although the policeman could not understand Chinese,

He could still understand the English mixed in Elaine's Chinese and English.

He didn't expect Elaine actually said that she is his mother,

And immediately became angry, and deliberately increased a bit of strength on his knees, pressing hard on Elaine.

Elaine only felt a sharp pain in her body, she could hardly breathe because of the pressure,

And then she heard a click, a sharper pain hit, and a rib was broken by the policeman!

At this moment, Elaine burst into a cold sweat in pain, crying and shouting:

"My rib is broken! My rib is broken! Help, I'm dying of pain..."

As she said that, she looked at the policewoman and blurted out:

"Hurry up and stop him, or I will be crushed to death by him!"

"Is this how you treat first-class passengers?!"

The policewoman said coldly, "This is the first time I have met a drug dealer like you."

"Do you think that buying a first-class ticket means you have judicial immunity?!"

Elaine was stunned and asked her, “What... what drug dealer?!”

The policewoman sneered: “Still acting stupid here,”

“Our customs officers found more than 180 ounces of new synthetic contraband,”

“That is equivalent to more than 5,000 grams, in one of your checked suitcases, do you know?”

“These high-level contrabands are enough for you to go to jail in the United States and maybe death?!”

“What?!” Elaine was frightened for a moment, and blurted out:

“This... how is this possible? I am a law-abiding citizen!”

“How can there be contraband in my suitcase? I have never seen that kind of thing!”

“I don’t even know what that kind of thing looks like!”

After she finished speaking, she suddenly thought of Phaedra, and her brain burst with a buzz.

This time, she finally woke up from her big dream and clearly realized what kind of trap she had fallen into.

So she broke down and blurted out: “I... I’m wronged! I was framed and used!”

“It was that bitch named Phaedra who lied to me,”

“You must investigate to the end and return my innocence!”

Only at this moment did she realize what a shocking scam she had fallen into.

She knew that her luggage was packed by herself, she knows what is in it,

And she had not opened it during the whole process, so there was absolutely no contraband.

Since the police said that contraband was found in one of the two suitcases she checked in with,

It must be the suitcase that Phaedra asked her to help take back to Hong Kong!

Thinking of this, she suddenly realized that Phaedra is not a successful female entrepreneur at all,

Nor is she a distant relative of a beverage king,

She is a complete liar! She worked so hard to deceive her and help her take the contraband out of the country!

Moreover, the police have already said that more than 5,000 grams of contraband are found in the suitcase.

There is no doubt that if it was in China, it would be enough to sentence her to death.

She was extremely regretful and frightened, crying to the policewoman,

“Comrade American police... I was really deceived by a woman named Phaedra Zong,”

“Who asked me to take her suitcase to Hong Kong.”

“I have absolutely no idea what’s in this suitcase,”

“I’m innocent! You can definitely call the shots for me!”

The policewoman sneered and said, “How much did the other party promise you,”

“And how dare you help others to carry luggage across borders?”

Elaine hurriedly said: “I didn’t want a penny, it’s just for helping friends...”

When she said this, Elaine was actually very guilty.

She knew very well in her heart that the reason why she promised Phaedra,

To help with luggage was simply because Phaedra said that she would give her a Lexus LM300 when she comes back,

And she would also take her to spend a few days in Hong Kong.

Chapter 4812

However, Elaine felt that these were all verbal promises anyway,

And that she had never received a penny from the woman, so it was impossible for the police to find evidence.

The female police officer glanced at Elaine with a little pity,

And then, together with her colleagues, took her to their police station next to the airport terminal.

Because Elaine was willing to break a rib, she was crying and screaming all the way,

Hoping to get treatment first, but the policewoman said:

“It’s just a broken rib, there is no need to go to the hospital,”

“Our health care doctor will come to you in a while.”

“Do a simple fix and then take some oral anti-inflammatory drugs.”

Elaine cried and said, “You are too lacking in humanitarianism, aren’t you?!”

“I’m going to sue you! Oh no! I’m going to sue you, I’m going to sue you,”

“And until you won’t pay me ten or twenty million dollars. I’m not finished with you!”

Speaking, Elaine remembered one thing and deliberately said loudly:

“A few years ago, a Vietnamese-American was forcibly expelled on your plane,”

“And the Internet said that he finally won 140 million US dollars!”

The policewoman said lightly: “First of all, the incident you mentioned was a dispute between an airline and a passenger,”

“And what you are experiencing now is a criminal case in which the American police arrested a transnational drug dealer.”

“Given that, you were arrested and had the intention to resist,”

“Law enforcement officers have the right to use force to arrest you;”

“Secondly, the whole process of our law enforcement is captured by body cameras.”

“If you have any objection to our law enforcement, you can question your lawyer.”

“I believe your lawyer will give you the answer at that time.”

Seeing that her ribs were broken, Elaine couldn't scare the policewoman,

And realized that this matter must be very serious.

So her tone softened all of a sudden, and she choked and asked,

“Comrade police... I'm really innocent... How can I prove my innocence?”

The other party said indifferently: “If you want to prove your innocence, the only way is to arrest the other party,”

“And the other party must admit that you do not know anything,”

“So as to prove your innocence. Otherwise, there is no way to prove your innocence.”

“After all, these contraband items were found in your checked luggage,”

“If you can’t prove your ignorance, then you can’t clear your suspicions!”

Elaine panicked and quickly said: “I have a chat record with her.”

“She has been hanging out with me all the time. The chat record can prove my innocence!”

The policewoman shook her head: “If you can unilaterally prove your innocence based on the chat record,”

“Then it’s too simple. In the future, all drug dealers will concoct a chat record,”

“And then swagger over to take the plane. If successful, they will make a lot of money.”

“If they fail, they will take out the chat records and say they are innocent,”

“So they don’t have to take any risks?”

“Do you think there are so many loopholes in the law for you to drill?”

When Elaine heard this, she immediately said eagerly: “Then why are you still standing here?”

“Take the time to catch that Phaedra!!! She just left the airport and must have not gone too far,”

“And if she runs away for a while. She won’t leave New York!”

“As long as you can catch her and interrogate her strictly, I will be able to prove my innocence!”

The female police officer said coldly: “We don’t need you to direct how the police handle the case.”

“Now we have to make a complete statement for you.”

“If you have a lawyer, we can help you notify the lawyer.”

“If you don’t have one, we will give one to you.”

Elaine blurted out: “I want to call my family, I want to call my daughter and son-in-law!”

Seeing that Elaine wanted to contact her family, the policewoman nodded:

“Okay, you have the right to contact your family and ask your family to arrange a criminal lawyer for you.”
