

When His Eyes Opened by Simple Silence Chapter 1691

In Layla's heart, Elliot has changed from a peerless good father to a heinous devil.

"With grandma Cooper taking care of Robert, Robert will be fine." Hayden comforted Layla, "At that time, my mother will definitely fight for the custody of Robert, but I don't think Elliot will be so kind!"

After a while, the door opened.

The brothers and sisters were stunned when they saw Robert standing at the door. Layla burst into tears when she thought about her separation from Robert.

"Stinky brother! Big sister really doesn't want to be separated from you. Big sister really wants to take you with me." Layla hugged Robert and cried out of breath.

Robert was hugged by Layla, listening to her sister's cry, his small mouth shrunk, and he wanted to cry too.

Mrs. Cooper looked at Hayden with a look of fright and said, "Hayden, what happened?"

"My mother is going to divorce Elliot." Hayden told the story, "Layla and I will definitely follow my mother."

Mrs. Cooper's face was ashen: "You went to see your mother tonight, what did your mother say?"

"Yes. My mother has made up her mind to get rid of that sc*mbag. Grandma Cooper, if my mother can't get custody of Robert, will you Please take good care of Robert?" Hayden asked.

Mrs. Cooper felt sad for a while, there were a lot of things that she wanted to say, but she couldn't say it.

Hayden said that Avery had made up her mind, and since this was the case, there must be no room for change in this matter.

Yonroeville.

After three days of blanket searches across the country, there was finally a clue.

The driver who was missing that night has been found.

However, when the driver was found, the driver was also dead.

He wasn't killed by the international hitman that night, he died from a blunt blow to the head and blood loss.

He has multiple traumas on his body, and it can be judged that before his death, he had a fierce fight with people.

Two kilometers away from the grove where his body was found, the police found the first scene of the murder.

The blood at the scene matched the driver's DNA.

At the first scene, police recovered a broken mobile phone.

Nick said to Elliot, "The mobile phone has been taken over for maintenance. The technician said that it is very likely to be repaired, but it will take a while. It is certain that the driver escaped that night, although he is still dead, but it means that Haze still has the possibility to survive."

–What if the driver escaped with Haze that night?

–Otherwise, why can't we find Haze's body?

"When his mobile phone is repaired, he may be able to find useful clues." The second brother smoked a cigar and exhaled a puff of white smoke, "Elliot, when are you going to return to Aryadelle? It's been almost a week since you came here, didn't you say Is Avery angry?"

Elliot's expression darkened. He never forgot that Avery was angry.

He thought about calling Avery, but Chad and Mrs. Cooper called him back and forth, saying that Avery had decided to divorce him.

Elliot: "I'll go back when the phone is repaired."

Nick said, "Yeah. You can leave it to us with confidence! As soon as there is Haze's whereabouts, I'll let you know as soon as possible."

When His Eyes Opened by Simple Silence Chapter 1692

The third hospital.

Avery leaned on the head of the bed and infused.

The door of the ward opened, and Mike strode in.

“Mike, what are you holding in your hand?” Avery’s eyes fell on his hand.

Mike handed the document to her: “Didn’t you say you want to divorce Elliot? So I printed the divorce agreement for you. After you sign it, when he comes back, sign it for him directly.”

Avery took the document and read it carefully.

“You prepare first, and then you can directly sign it to him, which will be the biggest blow to him.” Mike analyzed with her, “He is so proud, when he sees the divorce agreement you took the initiative to hand over, don’t you get angry? “

“There’s no need to play this kind of psychological tactics. He and I are both adults, and he must already know that I’m going to divorce him now.” Avery quickly flipped through the documents Finish.

On the last piece of paper is a form.

There are two large spaces above, one is the man’s request, and the other is the woman’s request.

“You can fill it out after discussing it with him.” Mike saw her staring at the blank form in a daze, so he spoke.

“Well.” Avery asked him for a pen.

Mike immediately took out a pen from his pocket and handed it to Avery.

She took the pen and wrote her name on the signature. Then put the file on the side cabinet.

“Has he been gone for a week?” Avery calculated the date in her mind.

“Have you got it?” Mike muttered, “I didn’t hear that he was coming back. Shouldn’t he not come back for a while?”

Avery didn’t know how to answer.

Elliot called her before he left, saying that he would come back after a week’s stay there.

But now that their relationship has been shattered, there is no need for him to abide by any promises to her.

“Wait two more days.” Avery quickly made a decision. “If he doesn’t come back in two days, we’ll leave.”

“Okay.” Mike saw an unusual determination on her face.

Avery was really hurt by Elliot. In her eyes, she couldn't see any feelings for Elliot.

“Avery, you're doing fine now.” Mike comforted her, “Cut off the root of love and be beautiful alone.”

Avery: “You just let me go to the monkhood, the six roots are clean, isn't it better?”

“I don't have that thoughts. I want you to stop giving so much affection to men. You are such an excellent woman, aren't you good at playing in the world? Without Elliot, there are countless men waiting for you.”

Avery: “You asked me to be a sc*mbag, right?”

Mike: “What's scmbag or not, as long as you love me, who would dare to call you scmbag.” “

Avery: “Mike, don't instill your feelings on me. Maybe my eyes can't be cured, and I'll be blind later. What kind of world are you playing!”

Mike: “You still say that I have a crow's mouth. I think you are the biggest crow's mouth. Wesley said that your eyes can be cured. You can't go blind. Wesley won't lie to me.”

“Anyone who cuts their double eyelids can die on the operating table.” Avery told him the truth and told him Reason, “Wesley told you that I could be cured because I was afraid that you would be in a hurry. You also know that Wesley is very kind.”
