

## When His Eyes Opened by Simple Silence Chapter 1701

“Boss, I’ll go upstairs to see Layla.” Chad wanted to help Elliot coax Layla.

He and Layla usually have a good relationship, although not as good as Layla and Mike, but now that Avery, Hayden and Mike are not around, he thinks he can still speak in front of Layla.

Upstairs.

Mrs. Cooper opened the door with the spare key.

There was chaos in the room, like a gust of wind crossing the border.

Layla was sitting on the bed, her hands on her knees, her cry not loud, but hoarse and sad.

Mrs. Cooper couldn’t blame her.

“Layla, don’t cry. Your brother told me before he left that he would come to pick you up in the future.” Mrs. Cooper walked to the bed and wiped the tears from Layla’s face with a tissue, “You believe your brother Okay?”

“I don’t believe him anymore...he said that as long as I stick with Mommy, I can go with them.” Layla cried out of breath, “they said they would go, they didn’t love me at all.”

Chad went upstairs and heard Layla’s accusation.

He walked to the door of the room and saw the mess on the ground, and his heart became even more heavy.

He entered the room and picked up the items on the ground one by one.

“Chad, I’ll take care of these later.” Mrs. Cooper saw him coming in and immediately spoke up.

“It’s okay, I’m idle when I’m idle.” Chad saw that Layla was looking at him, so he smiled at her, “Layla, I know you’re sad now. But don’t worry, your brother is so good, he will definitely surpass your father in the future. When he surpasses your father, he will definitely pick you up.”

“Then what should I do now?” Layla thought of the days to come without her mother and brother, and tears poured out again.

“You still have a younger brother. Although your mother and elder brother are not with you, you can make videoall with them every day. If you miss them, you can go to Bridgedale to find them. Or you can ask them to come back to see you.” Chad walked up to her and looked at her sincerely, “I will help you get back to your mother and brother. As long as there is a chance in the future, I will definitely help you.”

Layla was greatly encouraged: “Uncle chad, did uncle Mike ask you to help me?”

Chad’s eyes flashed an embarrassing look, but his face was gentle and drizzle: “Yes, it was your uncle Mike who asked me to persuade you. And let me tell you why they left like this. Anxious, because your mother is very sad. When your mother is not so sad, he will come back to see you anytime.”

Layla’s tears still kept falling. But she didn’t cry anymore.

Mrs. Cooper hugged her and patted her back gently with her palm.

After Chad picked up all the things on the ground, he looked at Layla again.

She fell asleep in chad’s arms.

Probably tired of crying.

Chad went downstairs and saw that Robert was also asleep in Elliot’s arms.

“Boss, Layla is asleep.” Chad walked up to Elliot, “Put Robert on the bed, and you can go to sleep too!”

“How did Layla calm down?” Elliot asked.

“I told her that Mike and Hayden will come to pick you up in the future. Give her some hope first and make her feel better. In the future, whether Hayden comes to pick her up or not, she has a deep relationship with you, and it won’t be so painful.”

Elliot pondered. After a while, he said, “Chad, I’m pretty sure that I have no other conflict with Avery. The day I went to Yonroeville, she called me, and she complained that I shouldn’t go to Yonroeville and that I shouldn’t break my promise to her. I told her that Rebecca was dead, and I told her everything.”

Chad said angrily, “Boss, if that’s the case, then don’t be sad. She doesn’t deserve your pain. She’s vexatious, doesn’t know how to be flexible, and is cold-blooded. She’s left so easily today, you don’t want to give her in the future. She looks after the kids. I see if she can really let go of everything here.”

## **When His Eyes Opened by Simple Silence Chapter 1702**

In the evening, Ben Schaffer sent a message to Gwen, telling her that Avery went to Bridgedale.

Gwen immediately replied to him: [Are you sure that Avery has come to Bridgedale? She didn't tell me!]

Ben Schaffer: [She may not have gotten off the plane yet. But I'm sure she went to Bridgedale. She divorced Elliot today. Elliot signed the divorce agreement, and Avery took Hayden away.]

Gwen: [What did I miss? ? Why is this so?]

After Gwen won the second place in the modeling competition, her agent took over some activities for her.

These activities often required running in various cities, so she was usually very busy.

Ben Schaffer: [Is it convenient for you to talk on the phone now? I'll call you to say.]

Gwen: [Send a message and say it! If you don't want to type, you can speak.]

So, Ben Schaffer sent her a voice: [Rebecca is dead, Haze is gone. Elliot went to Yonroeville to look for Haze, but he didn't find it. Avery divorced Elliot because Elliot went to Yonroeville.]

Gwen was stunned.

Ben Schaffer's voice continued: [I really don't understand her. Isn't it nice that Rebecca is dead? Why is she so angry? Besides, Haze, even if Elliot really confesses to Haze, he won't die. Is she going to tear her face off? She lost the custody of Layla and Robert, and she would rather give up her two children than divorce Elliot.]

Gwen was a little confused.

If it was really what Ben Schaffer said, Avery would not be so angry.

Gwen dialed the phone directly.

Ben Schaffer answered the phone and asked, "Didn't you say it's inconvenient to answer the phone? What are you doing now?"

Gwen: "I'm in the bathroom now. There are a lot of people here."

"Oh, when Avery arrives in Bridgedale, Take the time to visit her." Ben Schaffer said.

"I know. How is my second brother?" Gwen asked.

"I didn't go to see him. But Chad told me that he was not very good. First of all, Layla didn't want him and made trouble at home. Second, this marriage is not for your second brother to leave. It means that he was dumped by Avery." Ben Schaffer didn't want to make Elliot's words so miserable, but he couldn't ignore the facts.

"Oh... Avery divorced him. My second brother must have made a big mistake. It must not only be because he went to Yonroeville..."

"You don't believe what I said? Then you will be there. You can directly ask Avery why she wants a divorce. If you find out the result, let me know." Ben Schaffer was also curious, if Avery insisted on divorce, is there any other reason.

Gwen: "Well. I'll hang up if I have nothing else to do."

"Hey, we haven't been in touch for so long, let's talk more!" Ben Schaffer was actually very sleepy at the moment, but he slept in the afternoon, and now he can't sleep again.

Gwen: "If I don't go out again, my agent will think I've fallen into a ditch."

Ben Schaffer said, "Then you should go out of the bathroom first! If you chat with me in front of your agent, what can she do to you? If she dares to embarrass you, I'll ask Hayden to fire her."

Gwen laughed: "Are you sure Hayden will listen to you now? You can just brag with others, don't brag in front of me."

Ben: "Fake? I'll go and play with you."

Gwen: "I don't want to play with you if I'm on holiday. I'll go to Avery and Hayden after the holiday."

Ben: "Okay, you can find them first. Remember to contact me when you have time."

"Let's talk about it." Gwen hung up the phone and came out of the bathroom.

A few hours later, Gwen finished work and allocated Hayden.

Hayden answered the phone.

"Hayden, where are you and your mother now? I'm done working today, I'll go and find you." Gwen wanted to ask Avery what was going on.

"No time." Hayden replied concisely, "You work hard, don't think about anything else."

Gwen was stunned for a moment: “Where’s your mother? I called her, but I can’t get through.”

Hayden: “Don’t look for her. She wants to be quiet.”

“Oh...” Gwen was at a loss, and she didn’t know how to ask the question she wanted to ask for a while.
