

Chapter 887 Finally Meeting Again

After dealing with the trouble that might threaten Luisa's company, Trevor was finally able to relax.

Now, nothing would spoil their time together on this vacation.

It was already dark when he arrived at Dreles Airport, but he didn't feel tired at all.

He was nothing but excited to finally see the woman he had missed so bad.

"Luisa!" Trevor immediately spotted her in the hall.

"Trevor!" Luisa excitedly ran toward him like a soft gust of wind.

With a slightly flushed face, she threw herself into his arms.

Trevor wrapped her in a tight embrace and kissed her on the face.

"Trevor! Trevor!" Luisa was so happy to see him that she repeatedly called his name. "I missed you so much!"

hall.

"Trevor!" Luisa excitedly ran toward him like a soft gust of wind.

With a slightly flushed face, she threw herself into his arms.

Trevor wrapped her in a tight embrace and kissed her on the face.

"Trevor! Trevor!" Luisa was so happy to see him that she repeatedly called his name. "I missed you so much!"

"I missed you too." Trevor felt so warm inside.

He planted a gentle kiss on Luisa's forehead as he held her tighter.

If possible, he would freeze this moment and stay like this forever, with his whole world in his arms.

"My brother is already a grown man, huh? Look at him, only seeing his girlfriend and disregarding his sister." Watching the two, Evie pretended to be upset.

Remembering that Evie was with her, Luisa pulled away from the hug.

But she didn't let go of Trevor completely. She held his arm and hid behind him.

"Hi, Evie." Trevor chuckled and rubbed the back

of his head awkwardly. He got so excited that he forgot Luisa wasn't alone.

Evie playfully rolled her eyes.

"Let's get going. You two still have a lot of time to catch up later. Luisa was so stressed out in Jork that she needed to rest first now that we're here."

Concern immediately covered Trevor's face.

"What happened?"

Evie started walking while answering her brother.

"Do you think running a company is a walk in the park? Luisa has been working so hard these days. She had to deal with a lot of problems, you know, but she didn't tell you anything over the phone because she didn't want to make you worry. I wanted to help, but our grandpa wouldn't let me. All that success of Newmere Cosmetics in Jork is the result of Luisa's hard work."

Trevor felt something tug his heart. He knew Luisa worked this hard for their relationship.

She wanted his family and his grandpa to see that she was capable and worthy to have him.

Otherwise, she wouldn't have exerted a lot of effort to manage the company well.

"Thank you," Trevor said and looked Luisa tenderly in the eye.

Smiling shyly, Luisa lowered her head and rested her cheek on his shoulder. "It's nothing, as long as I can be with you."

Evie added, "Now that the company has grown so much because of Luisa, I'm sure our grandpa will approve of your relationship. After all, he's a reasonable man. Anyway, since you're adults now, why don't you start living together once the new semester starts?"

With a suggestive look in her eyes, Evie turned around to see their reaction.

Blushing, Trevor and Luisa held each other's hands tighter.

Evie chuckled, seeing the pink in their cheeks.

"Okay, I'll stop teasing now. Trevor, you're renting a house here, right?"

Clearing his throat, Trevor nodded. "Yes. I had to rent a house because of the family trial at that time. I couldn't spend the family funds. When the trial was over, I got busy with other things and forgot about buying a house."

Evie scoffed. "Whatever. While we were waiting for you, I bought one for me and Luisa to stay in. You can stay with us there if you want."

Trevor raised an eyebrow, amused by his sister's impulsiveness.

"I also bought a car."

When they reached the parking lot, Evie patted the Ford MPV E-350, which occupied two parking spaces.

It might not be as famous as the Lincoln MPV, but it was spacious and very comfortable to drive. The car was more like a mobile hotel, with its size of about six meters long and massage chairs for its seats.

"You drive the car. I'll show you the way to the house." Evie smiled broadly.

Trevor shook his head helplessly. His sister was both good at making money and spending it lavishly.

"Watch your steps, my girl," Trevor said as he helped Luisa get in the car. Luisa gave him a sweet smile in response.

Soon, they departed the airport. The house Evie brought was in the southern part of Dreles. As he drove, Trevor somehow found the route familiar.

When he saw the house next to the one his sister brought, he finally realized why it was familiar.
