

Chapter 889 A Cockroach In The Room

"Let's go. Leave that girl alone."

Trevor shook his head helplessly and urged his sister and Luisa.

Their car was huge. It took Trevor a lot of time to park it properly in the garage.

Upon entering the villa with the two girls' luggage, he was amazed by how beautiful it was inside.

If one had only looked at it from the outside, one could not have realized how luxurious it was.

There was a delicate crystal chandelier hanging on the ceiling.

Surrounded by crystals, the orange light seemed to be more pronounced and elegant.

The villa was decorated with all sorts of furniture.

The two girls had already decided which rooms they would stay in.

With a smile, Trevor asked, "Your luggage is

here. Which rooms do you two stay in?"

He was hauling two suitcases and carrying two backpacks.

Luisa hurried over to him and said, "Let me take my backpack."

Trevor replied, smiling, "Don't worry about it. I'm strong."

Evie smiled at the display of affection between the young couple.

"Luisa's room is on the second floor, while your room is next to hers." She winked at Trevor.

"This is a good chance, Trevor. You ought to take advantage of it."

Trevor lowered his head while Luisa's face turned scarlet. They both understood what Evie was hinting at.

"Let's go, Luisa. I'll take your luggage to your room," Trevor said awkwardly, in a bid to change the topic.

However, he could not help but feel excited at the thought of it.

They both got to the second floor of the villa.

Still self-conscious, Luisa walked into the room and said in a barely audible voice, "I'll change my clothes."

Trevor smiled and gave a cursory look at the bedroom his sister had arranged for him.

Suddenly, Luisa screamed.

Alarmed, Trevor rushed into her room. "What's wrong?"

He was shocked at what he saw.

Before him, Luisa stood naked on the bed with only her underwear on. Her body was delicate and exquisite.

He felt blood rushing through his body as his eyes remained fixed on her.

Every other thing seemed to just disappear as his full attention was on Luisa.

However, Luisa, who was in a state of panic, didn't seem to notice Trevor staring at her.

Pointing at a cockroach, she pleaded in a trembling voice, "Trevor! Please! Take it away!"

Trevor snapped out of the trance-like state he was in and quickly looked away. When he saw the cockroach, he couldn't help but chuckle.

It had a disgusting appearance and could fly, which frightened Luisa.

Trevor stepped on it quickly.

"All right. Come on down." Trevor smiled as he walked out the door. "Luisa, we haven't seen

each other in a while. I see you are still in great shape."

Only then did Luisa realize that she was only wearing her underwear and that a large part of her body was exposed.

Even though they were a couple, her face still flushed.

"Don't look at me! Get out of here!"

"Okay. I'm leaving." Trevor closed the door considerately as he exited the room.

Luisa was left alone in the room.

She sat on the bed as she covered her face with a pillow. She couldn't help but feel happy at Trevor's praise.

She had high hopes for tonight.
