Chapter 1211 Threat _

Ding Buer rose up to resist, but it was useless.

Soon, Ding Buer became a prisoner!

"Master Ding Gu, stop resisting, just be obedient and capture it!"

"The price you pay for resisting like this is the lives of everyone in the Valley of the Wicked!"

Ning Zhi looked at Ding Budai and said with a victorious attitude.

Ding didn't say a word, the only response to him was a sharp palm!

"Hmph, stubborn..."

Ning Zhi snorted coldly, and then followed the crowd and attacked Ding Dao.

Under the attack of these people, Ding's stature retreated again and again!

"Arrangement..."

Ning Zhi exclaimed.

Immediately afterwards, several masters of the Ning family surrounded Ding Budian, and then kept changing positions.

Silk threads that are invisible to the naked eye shot out from the hands of these people!

Ding's body was covered by a large net.

"Hmph, now I'll see how you resist!"

Ning Zhi said proudly.

Ding Dao's eyes were red and he struggled constantly.

The blood on his body continued to splatter, and Ding Bubu didn't care at all.

But soon, the breath on Ding Dabu's body became more and more sluggish, and then a mouthful of blood spurted out.

Slowly, Ding did not calm down.

At this moment, he has already become a blood man.

Ning Zhi looked at Ding Budai and sneered: "Why is this necessary? Is that Kai worth your life to protect?"

"Bah..."

Ding Budai spat at Ning Zhi fiercely .

But Ning Zhi didn't care, but let people press Ding Dabu and Ding Buer, and then walked towards the valley.

In the Valley of the Wicked, everyone saw that Ding was not captured very much, and could only be captured without any resistance!

All the way to the place where the town magic tower is!

Ding Busan led someone to stop Ning Zhi.

When Ding Busan saw Ding Busan and Ding Buer with scars, the anger on his body had already risen.

"Let my eldest brother and second brother

go..." Ding Busan stared angrily, and the breath on his body kept exploding!

Seeing the sudden appearance of Ding Busan and several masters from the Valley of the Wicked, Ning Zhi seemed a little surprised.

"I really didn't expect that the Valley of the Wicked has reached this point, and even sent someone to guard this Kai!"

Ning Zhi didn't expect that Ding Dabu didn't care about his own safety, but sent someone to guard Kai.

He didn't understand what was the relationship between this villain's valley and Kai.

"Let my eldest brother and second brother

go..." Ding Busan shouted again.

"You'd better see the situation clearly, and now you are obediently captured, so as not to suffer from flesh and blood, if you dare to resist, I will kill them!"

After Ning Zhi finished speaking, he pulled out a sword and pointed at Ding Dabudian.

When Ding Busan saw this, he didn't know what to do.

"Third, don't worry about us, you have to remember the task I gave you, even if you die, you have to keep it!"

Ding Bubu yelled at Ding Busan.

"Damn..."

Ning Zhi scolded angrily, and then a sword stabbed into Ding's abdomen!

Ding Dao suddenly spit out a mouthful of blood, and his face was extremely pale.

"Big brother..."

Ding Busan's eyes widened, his face full of anger!

"Obey, you will be captured, if you resist, you will cut off his head with the next sword!"

Ning Zhi threatened Ding Busan.

Soon, several masters of the Ning family walked over, Ding Busan looked at Ding Busan with helplessness in his eyes.

He didn't resist, because he couldn't watch Ding Dabu die in front of him.

Ding didn't want to say anything, but the blood had already filled his throat!

After controlling Ding Busan and the masters in the Valley of the Wicked, Ning Zhi looked at the Demon Suppression Tower in front of him with a look of covetousness.

"As I said, the Demon Suppression Tower is not so easy to destroy."

"It turns out that it is in Kai's hands, and only I deserve to have such a treasure!"

Ning Zhi slowly approached the Demon Suppression Pagoda. .

Chapter 1212

Ning Zhi's body lingered with light, and he knew that Kai would definitely set up a formation around the Demon Suppression Tower.

Just when Ning Zhi was cautiously approaching the Demon Suppression Tower!

Suddenly a lightning flashed across the sky!

boom!

After a loud bang, a big pit instantly appeared in front of Ning Zhi!

Fortunately, Ning Zhi dodged in time, otherwise he would have been directly bombarded.

"Damn it, a killing formation was set up. Fortunately, I was prepared!"

Ning Zhi cursed while looking at the deep pit in front of him.

Then Ning Zhi's palm flickered, and then he slapped it out fiercely.

Rumbling...

The space in front of him fluctuated for a while, and then the killing formation under Kai's cloth could be seen.

In the killing formation, one after another lightning-like rays of light continued to flicker.

"What a powerful killing formation!"

Ning Zhi looked at the killing formation in front of him with a solemn expression.

However, the Demon Suppression Tower was right in front of him, and Ning Zhi would not give up easily.

"What the hell are you doing, let's break this killing formation together..."

Ning Zhi roared.

Several masters of the Ning family stepped forward, and everyone burst out with all their energy.

boom!

There was a loud noise in the sky, and the killing formation laid down by Kai instantly shattered like glass!

The strength of the digital half-step Marquis, this killing formation simply can't support it!

Looking at the broken killing formation, the corner of Ning Zhi's mouth raised a hint of pride.

"That's it, you want to stop me too?"

Ning Zhi walked to the gate of the Demon Suppression Pagoda, and then kicked at the gate of the Demon Suppression Pagoda.

But who knows, under this foot, the gate of the Town Demon Tower has not moved.

A stream of light flashed above the gate, but Ning Zhi's body was directly knocked out.

Ning Zhi frowned and said with a frown, "How could this happen?"

Ning Zhi stepped forward, held his breath again, and then slammed towards the door fiercely.

But the door remained unmoved, not even the slightest trace.

On the contrary, Ning Zhi's body was knocked farther this time, and fell heavily to the ground.

Ning Zhi looked at the Demon Tower in front of him in shock, and his face became very ugly.

"You guys try..."

Ning Zhi asked several experts from the Ning family to try it.

But the result was the same, no matter how hard these people tried, or even attacked with magic, they couldn't shake the gate, but were wounded by the force of the counterattack.

"This... what the hell is going on here?"

Everyone's faces became very ugly.

These people are all half-step Marquis, not to mention a gate, even a mountain, under such bombardment, would have collapsed long ago.

"What's going on?"

Ning Zhi turned his gaze to Ding Dabuo, after all, the Demon Town Pagoda is now in the Valley of the Evil.

"How would I know!"

Ding Bubu said with a flat expression.

At first, Ding was a little worried about Kai, but seeing that the town magic tower has its own taboo formation, and it is very powerful, I feel relieved.

Ding didn't know much, not to mention the people in front of him, even if he was in the realm of Marquis, he couldn't open the door.

It can be seen that this town magic tower is by no means an ordinary treasure.

"Master, what should we do?"

At this moment, a servant of the Ning family asked.

Ning Zhi looked at the Demon Suppression Tower in front of him, pondered for a moment, and said, "Send two people to watch here, and bring these old things back first."

"I don't believe that Kai will never come out. As long as he comes out, we will be just right. Threatening him with the lives of these old guys."

"Since the Valley of the Wicked is desperately protecting him, then Kai and the old guys in the Valley of the Wicked must have an unusual relationship!"

After sending two people to guard the Suppressing Devil Tower, Ning Zhi took the people from the Valley of the Wicked back. .

"Mr. Shi, now the Valley of the Bad People has almost been destroyed by the Ning family, and the four evil people have also been captured alive."

"Although the reputation of the four evil people is not very good, they have not done anything to harm the world!"

"The Ning family took advantage of others. Do we need a warning?"

Zao Wou-Ki asked Mr. Shi.

Zao Wou-Ki's relationship with Kai naturally had Kai in his heart, and the Valley of the Wicked was to protect Kai, so the Ning family took advantage of it to enter the Valley of the Wicked, so Zao Wou-Ki wanted to help the Valley of the Wicked.

However, in the name of the pavilion master of the Protectorate Pavilion, the Ning family would not pay attention to him, so these sect families would only pay attention to Mr. Shi's words.

Mr. Shi was talking to himself, while Zao Wou-Ki was confused, but he didn't know what Mr. Shi said.

"Mr. Shi, do we want to..."

"Don't do anything, go back!" Before Zao Wou-Ki could finish speaking, Mr. Shi waved his hand.

Seeing this, Zao Wou-Ki could only turn around and go back.

He glanced at it, and then asked an elder beside him.

”Leader, so far, I haven’t received an application.” The

elder said in a low voice with some embarrassment.

When Zhu Zhishan heard this, his face became a little ugly.

In the entire Kyoto martial arts world, there are many aristocratic sects, but the members of their martial arts alliance are not even half.

In particular, several big families have no plans to join the Martial Arts Alliance.

Moreover, these guys are constantly expanding their power, and they have the potential to follow the Kyoto Martial Arts Alliance in a rival court!

As the leader of the alliance, Zhu Zhishan could not watch such a situation develop.

”I wish the alliance leader, since Kai killed Director Guo, the prestige of the martial arts alliance has been damaged, and many aristocratic sects are unwilling to join the martial arts alliance.”

”There are even many aristocratic sects who want to withdraw from the alliance! “

It’s the Ning family who destroyed the Valley of the Villains and captured the four wicked men alive. Now many aristocratic sect families have begun to show their affection to the Ning family!”

At this moment, a sect master said.

Ning family.

At this moment, Ning Zhi sat on the head of the Ning family.

Although Ning Zhi has been taking care of the Ning family, he has never sat on the main seat.

And today is different!

The Ning family destroyed the Valley of the Villains and captured the four major villains alive.

Although they all knew that the Ning family had taken advantage of it, the courage of Ning Zhi, as well as the strength of the Ning family, were placed in front of everyone.

"The head of the Xuanyang Sect, Yang, pays a visit!"

"The head of the Dingtianmen, He, pays a visit!" On

this day, the Ning family continued to have sects and aristocratic families asking to see him.

And Ning Zhi greeted him with a smile on his face!

At this moment, Ning Zhi was greatly satisfied. At a

young age, so many sects and aristocratic families came to visit and beg for refuge in the Ning family.

Ning Zhi knew that even his own father would not be able to achieve such an achievement.

For a whole day, nearly 30 large and small sect families took refuge in the Ning family!

Although Ning Zhi was a little tired this day, he felt very fulfilled.

"When I find a way to bring the Mobei martial arts world under my command, who can help me in the entire Kyoto?"

Ning Zhi stood at the highest point of the villa, looking up at the sky, his heart swelled to the extreme.

Many big sects and aristocratic families saw Ning Zhi's approach, but no one stopped him.

They all seem to be waiting for something!

At the moment of Dong's family, Dong Liqun's expression was extremely ugly.

"In my room, since you attacked Kai, Jiahao hasn't been out of the house these days. Do n't say anything!"

Dong Liqun's wife glanced at Dong Liqun complainingly.

"Hey!" Dong Liqun sighed: "I'm doing this for his own good, but this kid can't understand it!"

"For his own good, you steal other people's things? I heard Jiahao say that Kai is still his friend. You asked Jiahao to deceive the family."

"What's the difference between following a robber when you do this?"

Dong Liqun's wife said very dissatisfiedly.

"You are a woman, what do you know..."

Dong Liqun threw the cigarette in his hand and walked towards Dong Jiahao's room.

Dong dong dong...

Dong Liqun knocked on the door, and then said: "Jiahao, come out, I have something to tell you!"

"I have nothing to tell you, ignore me..."

Dong Liqun said, and then shouted: "Butler, send the young master and wife away immediately!" The

Sure enough, before Dong Liqun finished smoking a cigarette, he felt a breath of breath coming from a distance.

There are a dozen or so, all of them are half-step Marquis!

There was no panic or panic on Dong Liqun's face.

Soon, these people came to Dong Liqun, and the leader was Ning Zhi of the Ning family.

"Uncle Dong, stay safe. It's so late, and you're still standing so high, aren't you afraid of being caught by the wind?"

Ning Zhi looked up at Dong Liqun, and said in a slightly mocking voice.

"Although I'm old, I'm not as bad as you said!"

"I can catch a cold with a gust of wind, so I'm not practicing in vain!"

Dong Liqun fell from a height and stood firmly. In front of Ning Zhi.

"Uncle Dong's strength is really extraordinary, and his nephew really admires him!"

Ning Zhi praised Dong Liqun.

"You don't need to talk nonsense, I know your intention, let's do it..."

After Dong Liqun finished speaking, the breath of Wuhou burst out from his body.

A terrifying aura directly enveloped the entire Dong family villa area.

Feeling the breath on Dong Liqun's body, even those half-step Marquis were slightly discolored.

"Uncle Dong, I think you are mistaken? As a junior, how could I possibly do something to you!"

"You see a lot of sect families. They have all taken refuge in my Ning family, I think your Dong family should bow their heads and become ministers too?"

Ning Zhi asked with a faint smile.

"Bow down as a minister?" Dong Liqun's eyes narrowed slightly: "What kind of thing are you, even if your father, Ning Dahai, is here, would he dare to tell me this?"

"Don't think that you have destroyed the Valley of the Wicked. , even if all the sects and noble families surrender to your Ning family, I, Dong Liqun, will not surrender!"

Dong Liqun burst out with murderous intent, and his eyes were full of determination!

He can die, but he does not need to think about surrendering to the Ning family!

"Uncle Dong, don't worry, I'll show you something later, do you absolutely have to surrender to our Ning family..." Ning

Zhi smiled confidently.

Dong Liqun looked puzzled.

"If there is a fight, I can't guarantee their safety."

Ning Zhi raised his mouth and threatened Dong Liqun.

Dong Liqun's raised hand was put back again.

His eyes were full of anger, staring at the big butler of the Dong family.

"Why, why did you betray me?"

Dong Liqun didn't understand why he betrayed himself after the big housekeeper had followed him for more than ten years.

"Master, the strength of the Ning family is no longer comparable to the Dong family. If you follow the Ning family against you, you will only have to die."

"Why don't you cooperate with the Ning family, even if you become a vassal of the Ning family, it is better than losing your life! "The

big butler said shamelessly.

Dong Liqun's face flushed with anger, but he didn't speak.

"You do have a lot of skills and are better than your father. I am willing to follow the arrangements of the Ning family, but you must ensure the safety of my wife and children."

Dong Liqun said to Ning Zhi.

"Uncle Dong, don't worry about this, I will definitely guarantee it, we are a family in the future, how could I harm them!"

Although Kai is now dozens of times stronger than before.

However, he still failed to break through, and his current realm has only reached the half-step Marquis.

Although it is only one step away from Marquis Wu, it is this step that some people have not been able to take for more than ten years.

Kai looked around, he didn't know how long he had been in.

When Kai walked out of the Valley of the Wicked, he was greeted with desolation!

The thick bloody smell, even after more than ten days, is still very strong.

There were vultures constantly hovering in the sky, and then nibbling on the corpses on the ground.

Fortunately, the weather is getting cooler now, so the body is not decomposed, and the temperature in the air is not disgusting.

"What the hell happened?"

Kai frowned tightly.

The corpses on the ground were all from the Valley of the Wicked, and it was obvious that a fierce battle had taken place here!

Looking at the state of the corpse, it was obvious that some time had passed.

Kai put away the Demon Suppression Tower, and then began to look for it in the Valley of the Wicked.

He wanted to see if anyone was still alive.

At the mouth of a cave in the Valley of the Wicked, there was light shining inside, proving that someone was inside.

When Kai walked to the entrance of the cave, he saw two people sitting cross-legged at a table.

There are various delicacies on the table, and two bottles of wine!

"Damn, I don't know when that Kai will come out!"

"It's been half a month. If he doesn't come out for the rest of his life, our brothers will stay here forever."

"I heard that people from the Ning family are now, Walking sideways on the street, eating and drinking spicy food all day long, there are still people waiting for you!"

"Our brothers are really unlucky, we have been with the Ning family for so many years, and we have finally made it through, but we have such a bad job!"

" After taking a sip of wine, he complained loudly.

"Okay, don't complain, if the young master's temper is known, he will definitely screw your head off!"

Another person persuaded.

Soon, the person was so frightened that he didn't dare to talk nonsense, and could only drink.

And Kai at the entrance of the cave listened, and the whole person fell into contemplation.

"The Ning family?"

"Could it be that the Ning family did all this?"

"That Ning Zhi would have the ability to destroy the Valley of the Evil?"

Kai couldn't understand why, the strength of the Valley of the Wicked, the Ning family could be destroyed so easily.

After taking a deep breath, Kai walked in slowly.

He decided to ask what was going on.

When the two saw Kai, they were shocked, and the wine glasses in their hands fell to the ground.

"You...you...you..." The

two looked at Kai in shock.

As soon as Kai stretched out his hand, he grabbed a person in an instant, and then slapped that person's head with a palm.

"What happened here? You'd better tell me clearly..."

Kai asked the man with a cold glow in his eyes.

Feel the terrifying aura of Kai.

The guy was frightened and hurriedly told Chen Pingyuan what he knew.

The more Kai listened, the more angry he became, and his murderous aura instantly swept through him!

He did not expect that in order to protect him, the Valley of the Wicked was almost slaughtered in the end!

What's more, I didn't expect that Ning Zhi would be so despicable, taking advantage of the bad guy's valley and the Mobei martial arts world after a battle, he came to the villain's valley to ask for mercy.

"What else?"

Kai asked coldly.

"No, that's all I know..."

The man shook his head in horror.

Kai exerted a little force on his hand, and the man's eyes instantly stared, and he lost his breath.

"Ning family, I want you to pay the price of blood..."

Kai burst out with bloody murderous aura.

Leaving the Valley of the Wicked, Kai hurried towards Kyoto.

No matter how much he pays, he will save the four wicked men.

.....

Kyoto Ningjia!

Today, dozens of people from aristocratic sects have gathered in the Ning family!

Because today is Ning Zhi's birthday.

Ning Zhi, who was young, had a big birthday party.

Not only the vassal families of the Ning family were invited to participate, but even the Martial Arts Alliance was also invited.

Ning Zhi even sent an invitation to Mr. Shi!

It's just that Mr. Shi will come, that's not certain.

The entire Ning family was very lively at this time. Zao Wou-Ki and the people from the Dharma Protector Pavilion could only maintain order outside!

As the pavilion master of the Dharma Protector Pavilion, he did not receive an invitation at all.

It can be seen that there is no Law Enforcement Pavilion in Ning Zhi's eyes.

"Master, most of the guests are here, but Mr. Shi and the people from the Martial Arts Alliance didn't come!"

At this moment, the housekeeper whispered in Ning Zhi's ear.

"I know they won't come."

"Now they look down on me, three years from now, I'll make them kneel in front of me."

Ning Zhi's eyes were ruthless.

After finishing his clothes, Ning Zhi walked to the hall.

Seeing Ning Zhi coming, all the people from many sects and aristocratic families quieted down.

"Everyone, thank you very much for being able to attend my birthday banquet. The people here today are all friends of my Ning family."

"I can assure you that as long as you follow me, Ning Zhi, it will only take three years, three years. All of you can have a place in the Kyoto martial arts world..."

Ning Zhi's words were crazy, but no one refuted or questioned!

They all applauded desperately, echoing Ning Zhi.

The banquet started, and the scene was lively.

Outside the Ning family villa, a figure slowly appeared, with endless killing intent on his body.

"Mr. Chen?"

Zao Wou-Ki, who was originally maintaining order outside to prevent turmoil, saw Kai at a glance.

Kai was a little surprised when he saw Zao Wou-Ki.

"Gatmaster Zhao, what are you doing here?"

Kai asked.

"What kind of birthday party is Ning Zhi hosting today, I'm here to maintain order and prevent a sect family from seeking vengeance and fighting!"

Zao Wou-Ki explained, and then asked Kai: "Mr. Chen, what are you doing here at this time? But there are many people looking for you!"

"I'm here to kill..."

Kai's eyes turned to the Ning family villa.

Hearing this, Zao Wou-Ki's heart trembled slightly, and he hurriedly stopped Kai: "Mr. Chen, if you want to kill that Ning Zhi, today is not the time."

"Now in the Ning family, there are dozens of people, all of them from major sects in Kyoto. All the aristocratic families are experts."

"And these sect families are all vassals of the Ning family. If you attack Ning Zhi, you will definitely be attacked by these people!"

Zao Wou-Ki persuaded Kai to kill him at this time. Ning Zhi, isn't that just courting death?
