Before leaving, Trevor saw everyone's reaction and came up with an idea.

He glanced at Selma and the other girls and put on a playful smile.

'Now that I have a chance to punish you, I will take my sweet time tormenting you.'

With the waiter's guidance, Trevor soon led the girls into a big, mist-filled room.

It was one of the amenities for which the Riverside Hotel was famous. It was a natural hot spring bathing pool whose waters were known to nourish and even beautify the skin of its bathers. Only the most distinguished guests of the hotel had access to the area.

Trevor booked the

only been at the pool with the girls for about ten minutes. However, he was already able to make Selma and the others scream!

The rich young men immediately admired Trevor.

A few minutes later, Trevor walked out the door in a good mood.

Evie was slightly stunned.

He had not been with the girls for very long.

Was there anything wrong with her brother's body?

Then, her eyes turned serious. She took Trevor's hand and said with concern, "Trevor, you had a hard time these past few years. I'll have some tonic prepared for you as soon as possible to make you stronger and healthier."

When Trevor heard Evie's words, he found that everyone had the subtle looks on their faces.

Only then did Trevor realize that these people had misunderstood him.

Trevor chuckled nervously and explained quickly, "Ha-ha what are you guys talking about?"

You all got it wrong. I'm not that kind of person."

There were several beautiful women in the pool, who were all wet. As a normal adult man, it was impossible for him not to be tempted by the scene in front of him.

However, Trevor wasn't a normal adult man.

Who would have known that he was a man with moral principles?

Of course, Trevor could never use his own wealth and power
ief from her purse.

Then, she wrote down her number on her handkerchief with her lipstick before wrapping it with the handkerchief. After that, she handed both of the items to Trevor with a smile on her face.

Taking the things from Selma's hand, Trevor said indifferently, "Okay. I'll contact you when I've time."

Even though he knew exactly what Selma was thinking, he didn't refuse it as he didn't want to embarrass her.

Once he got out of the car, he waved at Selma and looked at the Maserati that just drove away.

Trevor was about to take a few steps forward when he heard a scream from behind.

"How could it be you, Trevor?"

When Trevor heard that someone was calling his name, he felt that the voice was familiar.

When he turned around, he found that it was Sylvia, who was standing across the road while holding Dennis' arm.

The two of them were surprised to see Trevor. Their faces were pale as if they had seen a ghost.

On the other hand, Dennis was not only surprised but also confused as he thought that the Maserati looked familiar.

With her eyes wide in disbelief, Sylvia thought to herself, 'How is it possible? Why on earth did Trevor get out of a Maserati?'

No matter how much she thought about it, she couldn't figure it out.

In her eyes, Trevor became poor again after spending

o, I think you should break up with her as soon as possible."

Rolling his eyes, Trevor thought to himself, 'It's just a lipstick. It's nothing to be proud of.' Then, Trevor smirked and said in a fake surprise voice, "Wow, what a coincidence. I have the same one like you."

Crossing her arms, Sylvia said with a scoff, "Humph! You're lying. You won't be able to buy this lipstick even if you don't eat or drink for a year. Cut the crap!"

Knowing that Sylvia wouldn't believe unless she saw it, Trevor opened the handkerchief and showed her the lipstick in it.

The word "Guerlain" was written on the lipstick and it had the same shape and color like the one Sylvia had.

"It's... It's impossible!"

Sylvia covered her mouth in shock when she saw Trevor taking out the same Guerlain lipstick as hers.

And she also saw he had written something on his handkerchief with the lipstick.

The lipstick was so expensive that many girls couldn't even afford it, and he was just using it as a pen. 'What a waste!'

Taking a glance at Dennis, who was silent the whole time, Trevor said, "It's possible, of course. If a poor guy like me can get such an expensive lipstick, then it only proves that your boyfriend still hasn't shown his sincere feelings towards you, so I advise you to break up with him at once!"

Sylvia stomped her feet in anger, turned to Dennis and said, "Say something! Why... Why are you keeping silent?"

Dennis was still wonde

't figure out how Trevor had a chance to be in a relationship with someone like Selma.

"How could Trevor get off Selma's sports car? There must be something wrong!"

Dennis felt morose. He had always dreamed of getting in her car someday.

Now, a loser, whom he had always loathed had gotten the chance before he had.

In his eyes, Selma was like a noble goddess, and the Moran family was a large, wealthy family that no one could afford to offend.

"Something is wrong. It is possible that Trevor might be a wealthy man's son, and yet he is keeping a low profile.

Or else there is just no way for him to be with someone like Selma!"

Dennis said suspiciously.

After thinking about it for a while, he felt like he had finally arrived at a convincing answer.

"Really? I don't think Trevor has a high status."

As Sylvia knew Trevor all too well, she believed that it was impossible.

However, the thought of Trevor paying the bill with three hundred thousand dollars without hesitation at the party yesterday flashed into her mind.

Despite the situation, Trevor looked calm and indifferent at that time. He didn't look like a poor man at all.

Thinking of this, Sylvia became a little regretful. If Trevor turned out to be a rich guy, who was keeping a low profile, she would definitely try her best to get back together with him.

If Trevor could make Selma drive him back personally, it meant that he might at least have a very rich daddy on the same level as Selma.

When both Dennis and Sylvia were lost in thoughts, their phone screens suddenly lit up, indicating a notification.

what happened at noon. Obviously, he didn't tell anyone about the meeting with Evie and the tycoons.

When Trevor finished explaining everything, all of them fully understood what happened.

At that time, Rob said with a smile on his face, "I knew it! I knew that you won't do that kind of thing. I believe you, Trevor!" Patting Trevor's shoulder, Rob was the first one to stand up and support Trevor.

After hearing everything from Trevor, Aldrin and the others chose to believe Trevor. Even though Trevor was poor, they knew that he had a good character and that he would never do this kind of thing.

All of a sudden, Aldrin remembered what Corrie had told him before. Therefore, he said, "By the way, Corrie invited us to Zavier's father's birthday party that is going to hold tonight. She insisted that you come, Trevor."

Without hesitation, Trevor shook his head and said, "I think it's better if I don't go. As you all know, I don't really get along with them."

When Trevor refused to go, Aldrin and the others decided not to go as they didn't want to leave Trevor alone in the dormitory.

Seeing it, Trevor had no choice but to agree to go with them. After all, Corrie invited everyone in their dormitory. Therefore, he thought that it would be rude if none of them went to the party.

In the girls' dormitory, Corrie and the other girls were dressed in thin clothes as they chatted idly.

Both Corrie and Jaycee were lying on the same bed, wearing only short shorts.

The way their slender legs were lining up together was a sight to behold.

"Jaycee, have you seen the video that Emilio sent in the group chat? I can't believe that Trevor would stoop this low. How can he bl

ave a chance because I've already promised to be with Zavier."

All of the girls were disappointed when they heard Corrie's announcement.

Of course, Corrie was satisfied to see the looks on their faces.

At that time, one of the girls said with envy, "Corrie, can you tell us how did you know Mr. Blake? I also want to have a rich boyfriend. Can you teach me how to get one?"

Hearing it, the girls' eyes lit up with anticipation. They all wanted to know how Corrie ended up hooking up with the rich man like Zavier.

Raising her chin slightly, Corrie smiled and said, "Actually, I don't think I can teach you guys because it comes naturally. To be honest, we haven't seen each other for many years. He saw me again when we went to the club on my cousin's birthday. We could get out of the mess all thanks to Zavier. So, I gave him a chance to pursue me."

"Don't talk about that. It's really not good to hear."

Frowning, Trevor sighed in his heart.

Obviously, he was the one who solved the problem in the tennis club, yet the other two people took all the credit!

Even though he didn't know much about Corrie and he wasn't close to her, he didn't want this young beautiful girl to be deceived by someone.

After all, she was Bessie's cousin.

After thinking for a while, he took a glance at Corrie.

In the end, he decided to find an opportunity to tell the truth to her.

As if she sensed that someone was looking at her, Corrie turned to look at him. When she saw that Trevor was looking at her, she

n Corrie looked expectant even though she had a boyfriend.

Who wouldn't yearn for such a rich man?

When Corrie noticed that Jaycee wasn't participating in the conversation, she asked curiously, "What do you think about this rich man, Jaycee?"

Today, Jaycee was wearing a dress which was very fashionable and beautiful. She was as eye-catching as Corrie. With a smile on her face, she said, "Me? I'm okay as long as I can have Aver."

Hearing it, Corrie sneered and said, "I don't think he can be compared with this mysterious rich man even if he is powerful."

In fact, she was still holding a grudge against him since he stood her up last time.

Immediately Jaycee refuted, "Corrie, I don't think you're right. I mean Aver is low-key and gentle. I don't know why but I feel like he's going to be the richest man in the city!"

Just like that, the two of them started to argue again.

Hearing the two of them bickering, Trevor smiled playfully as he thought, 'So, you guys are comparing me with myself? It'll only end in a draw. So, don't quarrel anymore!'

However, he couldn't say that out loud as no one would believe him.

In contrast, their roommates had already become accustomed to this kind of bickering competition.

As much as they were beautiful, they were both stubborn too. They didn't want to lose to each other in an argument.

Jaycee chuckle

Trevor speechless. Spreading his hands out, he refuted, "I have put my hands by my side all this time. Do you think I have the intention to touch the paintings?"

"You're such a loser. How dare you talk back to Mr. Blake like this?"

"That's right. Mr. Blake is just trying to remind you. You don't have to shout at him so loudly like that!"

"Trevor, don't forget that you broke that expensive wine that day in the Willard Villa, remember?"

People started to accuse Trevor as they all wanted to please Xavier.

Of course, they would take Xavier's side as he was the successor of the Danton Real Estate while Trevor was just a poor loser, who had no money.

After all, it wasn't difficult to choose anyway.

Chapter 79

Not being able to stand anymore, Aldrin and Rob tried their best as they started to defend Trevor.

“It was just an accident. It has nothing to do with Trevor!”

“I agree with him. You shouldn’t talk ill of him when you don’t know him well.”

No matter how much they defended Trevor, their words didn’t work on them.

Especially, Zavier and his companions, who didn’t listen to them at all.

Trevor cast a glance at Zavier and found that he was standing with his hands on his hips. He looked too proud for his own good.

After that, he looked at the people, who accused him without even knowing the truth. Almost everyone didn’t even care about the truth as th

oney by feigning injury and blackmailing rich people. He gained all of it by using despicable method!”

His words immediately caused a great uproar among the crowd.

At that time, Sylvia looked at Trevor contemptuously and said, “He’s right! I can’t believe that I dated him in the past. I thought he was at least a decent man even though he is poor. I really didn’t think he would do such kind of bad things behind my back!

Fortunately, I woke up in time and now, I have found a good guy like Dennis!”

To aggravate Trevor, Sylvia deliberately held Dennis’ arm in an intimate way.

Moreover, she even leaned on Dennis’ chest as if they were a model couple.

Since Sylvia had gone too far this time, Rob couldn’t control himself anymore and shouted angrily, “Sylvia, you shouldn’t go too far. What has Trevor ever done to you in the past? He had always treated you nicely before you broke up.

I believe that he didn't do such kind of thing. So, you shouldn't speak ill about him like that!"

With a sneer, Sylvia said in her heart, 'What has he done in the past?'

Truth be told, Sylvia admitted Trevor was indeed good to her when they were dating.

However, that didn't change the fact that he was nothing but a pauper with no money.

It was a good thing she broke up with him and chose Dennis because now her life was better than before. Now, she had all kinds of branded handbags, clothes and perfume that she wanted.

Well, Trev

pleased and felt happy because of the compliments Dennis just made.

In order to smooth things over, Xavier tried to change the topic as he said, "Let's not just stand here and talk. The party is about to start. Why don't we go and have a seat first?"

With Xavier leading at the front, the crowd entered the birthday party venue. All of their seats were not very close to the front.

Nevertheless, no one complained.

After all, no one from the group had a great background. How could they sit in the front row?

Truth be told, no one would have the guts to sit in the front row even if they were invited to do so.

According to the seat plans, everyone quickly found their seats and sat.

Everyone was seated when Trevor saw that there was only one vacant seat left.
