

MY SUDDEN RICH LIFE

Chapter 209 The Truth

Hearing Keyla's words, Jaiden became so indignant.

He had never seen this kind of shameless woman! When he was about to say something to Keyla, a young man's voice suddenly came from the door.

"Why are you standing at the door? You are blocking my way."

It was Howe and he was accompanied by Rodney to the ward. Hearing his voice, Keyla breathed a sigh of relief and said in a hurry, "Howe Trevor made Dr. Hudson upset and now he doesn't want to treat my daughter anymore. Please do something to persuade him!"

Only then did Howe notice that Trevor was the one who was blocking his way.

Glancing at him with disdain, he patted his chest and said, "Don't worry. Leave it to me."

Then, he turned to look at Jaiden and said, "Dr. Hudson, can you please forgive that bastard for my sake and continue to treat Luisa?"

Hearing his plea, Jaiden couldn't help but snort and said, "Who on earth do you think you are?"

Of course, Howe was stunned! Furrowing his eyebrows, he thought to himself, 'what is going on? Why is he shouting at me like that?

Maybe he helped me because of my father!'

Thinking about it Howe calmed himself down and said hurriedly, “my father is Locke Salazar. He is the one who gave me your phone number.”

To his surprise, Jaiden sneered and raised his voice. “Locke Salazar? Who the hell is he?”

His words made Howe frozen and dumbfounded!

For quite some time, he didn’t come back to his senses.

He couldn’t think of the reason why Jaiden’s attitude towards them changed suddenly.

Of course, Trevor knew exactly why Jaiden was angry and he shook his head speechlessly.

However, as Luisa’s health was more important than any other things, Trevor said, Dr. Hudson, would you please stay and check Luisa’s condition for me?”

Hearing it, Howe sneered. Even though he didn’t understand why Jaiden suddenly turned hostile, it didn’t prevent his disdain for Trevor.

Jaiden didn’t even show respect for Howe or his family. Why would he listen to Trevor?

Luisa’s parents were even more anxious. They were afraid that Trevor’s words would make the situation even worse and completely anger Jaiden. They thought of reprimanding him when something happened.

To their surprised, Jaiden’s face softened when he turned to look at Trevor. Nodding his head seriously, Jaiden replied softly, since Trevor is saying so, I’ll continue to treat her. But I don’t want to hear anyone speaking rudely to Trevor again.”

While talking he glared at Keyla. Well the truth had come out! As if she was just hit by a sledgehammer, Keyla felt dizzy all of a sudden.

It turned out that Jaiden came here to treat Luisa for the sake of Trevor. And Howe just took the credit shamelessly.

As the truth came out Howe's face turned red in embarrassment. In the end he couldn't bear the humiliation and left angrily.

After telling Trevor about Luisa's condition and treatment plan, Jaiden left. In the ward, Trevor, Rodney and Keyla were sitting in silence.

After some time, Keyla broke the silence as she said, "well... Trevor you seem to be close with Dr. Hudson." In fact, Trevor had guessed that they would ask the question so he had already thought of an excuse. In a calm voice, he said, "Actually, I work as a part-time tutor in my spare time and I happened to tutor his child."

When Rodney and his wife finally found out the truth, they were a little disappointed.

Originally, both of them thought that Howe was a powerful man. But in the end, he turned out to be a shameless impostor.

When they first out that Trevor was close to Jaiden, they thought that he had some kind of astonishing background.

Now that they heard the 'truth', they couldn't help but feel a little disappointed. Nonetheless, their attitude towards him wasn't cold like before.
