

When His Eyes Opened Chapter 2121

Chapter 2121

Elliot ordered two bottles of red wine.

He and Chad each have a bottle.

Based on Chad's knowledge of his alcohol intake, he definitely couldn't drink a whole bottle of red wine.

After drinking this whole bottle, he will definitely be drunk and unconscious like Avery.

Chad drank a glass of wine, the alcohol was on top, and he became more courageous.

"Boss, when you came out of Avery's house tonight, you stared at Hayden for a while. Your eyes were very straightforward." Chad said to himself, "You seemed to be eating Hayden. No wonder Hayden would take the initiative to talk to you."

"I usually didn't dare to stare at his face like this. I had never seen his face so carefully." Elliot lowered his eyes and looked at the red liquid in the cup. "I could see it clearly today. He looked more and more that he liked me."

"Yeah! Hayden was like you were carved out of a mold. Not only did he look like you, but his temper was also like you. you didn't look at it. Hayden seemed to be cold, but he actually had a fire in his heart, he knew who treated him well." Chad picked up the glass and clinked with Elliot, "Boss, don't give up, okay?"

Although Elliot didn't say anything more, but Chad could feel that Elliot was about to give up his life.

Elliot: "Chad, I thought you understood me."

"Boss, I know you are in pain right now. But I beg you, at least for the sake of the child, be patient." Chad squeezed the wine glass with his fingers. tight, and the heart tightens.

Chad wanted to say, he will find a way to tie Margaret, so that Elliot doesn't have to worry about being threatened by Margaret.

But it wasn't done yet, so Chad didn't say it.

"Drink!" Elliot took a sip of wine and swallowed the bitterness.

"Boss, Brother Ben hasn't married Gwen yet. You should at least wait... Brother Ben is like a brother to you. How could you be absent from his wedding?" Chad racked his brains to get Elliot to deal with this. The world is a little more nostalgic.

Even if he can live another day, that's fine.

"Chad, don't persuade me, and don't tell anyone about this. After drinking this bottle of wine, I want to sleep well." Elliot drank all the wine in the glass, then picked up the bottle, pouring wine on his own.

Chad swallowed tears in his stomach.

After Elliot finished drinking, he lay on the table drunk.

Chad's wine was almost bottoming out, but he was not drunk at all.

He drank the last glass of wine, and then called someone from the hotel to help deliver Elliot to the hotel.

He opened a presidential suite for Elliot.

After sending Elliot to the room to lie down, he came out of the bedroom and stood in the living room to call the bodyguard.

"How's it going?" Chad asked.

"Margaret is now attending the celebration dinner at the hotel. I can't get in, so I can only wait at the entrance of the hotel." The bodyguard replied, "Mr. Chad, don't worry. I will definitely keep an eye on Margaret. Whenever I have the opportunity, I will act immediately."

"I'll send a few more people to help you! This matter must be successful." Chad wiped his face and said hoarsely, "If it doesn't work tonight, it must be successful before her wedding tomorrow. I don't care what you do with it. No matter what you do, Margaret must be arrested!"

The bodyguard was puzzled by Chad's fierce reaction: "Mr. Chad, is something wrong?"

Chad: "I can't tell you. But things will only compare to you. Worse than imagined!"

The bodyguard was silent for a few seconds and said, "I see. If I can't handle this matter, then I will resign automatically."

"It's not your resignation. If you can't handle this matter well, you won't resign or work. It's over." Chad didn't want to be so straightforward, but the reality was like a sharp spear, hitting the point.

When His Eyes Opened Chapter 2122

Banquet Hall.

Margaret and Travis together, holding wine glasses, toasted among the guests.

Travis was in high spirits and in good spirits today.

But no matter how good Travis was, after drinking several glasses of wine, his body couldn't stand it anymore.

Margaret helped Travis aside and glanced at the time.

"Travis, it's already eleven o'clock in the evening. Let the bodyguard take you back to rest! We have a wedding tomorrow, you need to save your energy." Margaret gently advised, "I'll be here with the guests for a while. Just go back."

Thinking of tomorrow's wedding, Travis really wanted to stay up all night without getting drunk like he did when he was young, but as he got older, he had to obey.

Travis: "Okay! Thank you for your hard work. So late, I have to stay here to entertain guests..."

"Travis, I am very happy today, even happier than you thought." Margaret was bright and full of energy, "I promise it won't affect tomorrow's wedding."

Seeing her insistence, Travis could only let her stay here: "Okay! Then I'll go back to rest first. I'll tell the bodyguard that I'll see you at 12 o'clock. Go home."

"Well." Margaret sent Travis away.

After Travis left, Margaret returned to the banquet hall, chatted with some old friends, and then left.

Hotel entrance.

Elliot's bodyguard first watched Travis leave.

When Travis came out with the supporters of the bodyguards, the bodyguards also specially looked to see if there was Margaret.

Margaret wore a white dress today, which was easier to recognize.

After confirming that there were no women in white clothes in Travis's group, the bodyguard retreated to a dark place and continued to smoke.

Travis left, and it is estimated that Margaret should leave soon.

Tomorrow was their wedding, Margaret would definitely not play too late.

...

Avery fell asleep in a daze, and suddenly there was a burst of pain in her lower abdomen. She reached out and rubbed her eyes, then struggled to get up from the bed.

The bedside lamp on her side was on, so when she got up, she could clearly see that Elliot was not around.

Her drunkenness dissipated a bit. She picked up the phone and looked at the time, it was almost 12 O'clock.

Why is Elliot not in the room?

She walked quickly to the bathroom, and after using the toilet, she turned on the faucet, washed her face with water, then walked back to the room and turned on the chandelier.

She was alone in the room.

The big bed, where Elliot slept, was very clean, indicating that he never lay down tonight.

She came out of the room immediately.

Considering it was so late, the nanny was already asleep, so she knocked on Mike's door.

"Where's Elliot?" She spoke very fast and asked Mike, "Why isn't he at home so late? Where has he gone?"

Seeing her in such a hurry, Mike immediately grabbed her arm: "Come in and sit."

"I'm not sitting! Tell me where did Elliot go?!" Avery clenched Mike's arm tightly with her backhand, and her nails were about to dig into his skin.

"Chad said there was an entertainment, and he wanted to attend. Chad would accompany him at that time, saying he was going for about two days." Mike explained to her truthfully, "Are not you going to attend Travis and Margaret wedding tomorrow? Elliot didn't have time to be at home with him, so he found something for himself. Elliot said you supported his work, so I didn't stop him."

When His Eyes Opened Chapter 2123

"It's mainly Chad who follows him, so I'm not that worried." Mike added.

"Entertainment?" Avery muttered these two words, and was really worried, so she asked, "What entertainment? Where to participate in the entertainment?"

"I don't know. I also want to ask, but Chad did not say it. After all, it's their business, how could they tell me." Mike shrugged, "How about you call Elliot and ask?"

Mike's words reminded her.

She immediately went to her room.

"Avery, are you sober? Are you dizzy? Would you like some soup? The nanny made you sober soup and put it in a thermos box. I'll get it for you!" Mike chased after her and said this, go to the kitchen and get her soup.

Avery hurried back to the room, picked up the phone, found Elliot's number and dialed it.

Hotel, Presidential Suite.

Chad heard Elliot's cell phone ring in the living room.

He immediately went into the bedroom and picked up Elliot's cell phone.

Seeing Avery's call, he didn't think much about it and answered the phone.

"Elliot!"

"Avery, it's me." Chad said, "My boss is asleep."

"Where is he now? Where are you going to entertain? You know his body, how can he go to entertain?" Avery's hands sweated anxiously, "Chad, tell me where he is? And I'm going to bring him back."

"Avery, don't worry. I won't let him drink. I won't let him stay up late. The entertainment we're talking about is just business negotiation, not about the wine table." Chad comforted her, "We still In Bridgedale, he won't go very far. The reason why he wants to come out and live is to breathe a sigh of relief."

"Sigh of relief?" Avery said quietly.

"Yes. You look at Mr. Foster too closely, he is very depressed every day. Let him take a breath outside!" Chad took off his glasses, feeling absurd for his nonsense.

He said so, Avery will definitely not insist on taking Elliot back.

But these words will hurt Avery's heart.

"Oh...you mustn't let him drink, and don't let him get tired. In fact, I'm not that opposed to him going out to stay for a few days. You can explain the reason to me, I can understand." Avery's mood relaxed, "Chad, you have been working hard to take care of him for the past two days."

"It's not hard. I heard that you were drunk, are you okay now?" Chad was a little embarrassed, "Avery, what I said just now is all my guess. It's not my boss."

Avery: "It's okay, I did look at him a little bit. I'm afraid that something would happen to him."

"I understand. I don't blame you at all, on the contrary, I thank you very much. Thank you for being my boss." Chad glanced at the time, "it's very late, you have to go to Margaret's wedding tomorrow, you should rest early!"

Avery: "Well."

Avery hung up the phone, raised her head and exhaled heavily.

Mike entered her room with the sobering soup, saw her lost soul, and sighed: "Avery, what are you thinking?"

"It must be that I was drunk tonight and made him angry." Avery put down the phone. She took the soup bowl from Mike's hand, "Elliot doesn't like me being drunk."

Mike: "Then you're still drunk?"

Avery: "I originally planned to tell him tonight that I was going to marry Emilio. But I was drunk and didn't tell him anything."

"It's not there yet! When Travis really threatens you, you can talk to Elliot again." Mike waited for her to finish the soup, then took the soup bowl, "Go to bed early! I'll talk about it tomorrow."

Avery: "Hmm."

.....

At 2:00 a.m.

Chad's cell phone rang rapidly.

Chad answered the phone, and the voice of the bodyguard was about to cry: "Mr. Chad, Margaret is left! I've been guarding her at the door of the hotel, I swear I didn't doze off, I didn't see her coming out, But she's not in the hotel anymore!"

When His Eyes Opened Chapter 2124

Chapter 2124

The bodyguard waited until 2 a.m., seeing that Margaret had not come out yet, and felt that something was not right.

After all, Margaret was over 60 years old. How could someone of this age stayed up so late at night?

Besides, she had a wedding tomorrow, so it's even more impossible for her to stayed up late.

So the bodyguard entered the hotel and asked if Margaret's celebration banquet was over.

The hotel staff told him that the celebration banquet had ended as early as 12:00 a.m., and it had been over for two full hours.

The bodyguard didn't know which link went wrong, and he was stunned.

Chad believed that the bodyguards did not nap, but something must have gone wrong.

"She's either still at the hotel or left through another exit." Chad analyzed calmly, "She's getting married tomorrow, and she should go back to Jones's house now."

The bodyguard: "Then I'll go to Jones's house to guard it now."

"You don't have a good chance to get down." Chad was a little pessimistic, "Travis must have strengthened security for their wedding. I asked you to kidnap Margaret, but I didn't let you take your life in it."

The bodyguard: "Mr. Chad, I won't give up before the last moment. The big deal is that I will pretend to be a servant and go to Jones's house tomorrow."

Chad: "Then you go back to the hotel to rest first, and then wait until dawn."

The bodyguard: "Well."

...

Villa, Master bedroom.

Avery turned on a bedside lamp and kept her eyes open, unable to fall asleep. Chad said that he took Elliot too closely, which made him want to go out to take a breath.

She wondered if she was really putting too much pressure on Elliot, causing him to gasp for breath.

But no matter what Avery thought, she felt that she could do it all over again, and she probably couldn't do better.

Avery was at a loss. When Elliot came back two days later, how could Avery get along with Elliot so that he would not feel depressed?

Avery was really clueless, and there was a throbbing pain from time to time in her temples.

She lay on the bed until 4:00 a.m., and the more she lay, the more awake she became. Thinking that it would be dawn soon, she got out of bed and went to the bathroom to take a shower.

At 6:00 a.m.

The Jones family servants got up and started busy.

Today was Travis and Margaret's wedding day. Travis was very concerned about this wedding.

Not only did they invite the photography team to follow the photo shoot early in the morning, but they also invited the best makeup stylist in Bridgedale to provide door-to-door service.

At the same time, Travis booked a six-star hotel close to the seaside, and invited all the guests he could invite over for two days of carnival.

A servant who has worked in Jones's family for many years, had the privilege of meeting Travis's previous weddings.

In the previous few weddings, Travis did not hold such a grand ceremony, because the woman he married was not as powerful as Margaret.

Half an hour later, Travis got up. The first thing he did when he woke up was to call Margaret and urge her to come back quickly and put on makeup.

At 11:30 p.m. last night, Margaret called him and said that she couldn't go back to Jones's house, because her daughter was reluctant to marry her and was crying at home alone, and she was going back to spend the last night with her daughter.

Travis listened to her sensational words, so he relented and agreed.

Who knows, now that the phone couldn't get through.

Her phone was off.

was she still sleeping and not getting up yet?

Travis took a deep breath and called the bodyguard who had been following Margaret.

After the bodyguard answered the phone, he replied: "After I took Ms. Gomez home last night, she asked me to go back and said me that I would pick her up in the morning, so I left after delivering her last night. I'll pick her up right away. "

Chapter 2125

Travis hung up the phone and went down to wash with the help of the servant.

"Master, Ms. Gomez may not get up yet." The servant comforted Travis.

"I guess so. She usually sleeps a lot." Travis felt a lot better when he thought about it.

After washing up, the servant will be sent to Travis's room as soon as possible.

While eating breakfast, Travis answered the phone to receive blessings from friends.

After breakfast was over, the bodyguard called.

"Boss, I'm at the door of Margaret's house now. I rang the doorbell several times, but no one opens the door. I can't get through by calling her. What should I do now?" The bodyguard was a little anxious.

"No one opened the door?" Travis gasped and said without hesitation, "Break the door! Today's wedding, she's just dizzy!"

Travis will never allow any mistakes in today's wedding.

Not even if it's just late!

Travis didn't hang up, so he heard the sound of the bodyguard shooting.

After the door was kicked open, the bodyguard quickly entered the room.

“Madam!” the bodyguard shouted, “Madam, it’s time to get up! The boss asked me to pick you up!”

There was no answer.

The bodyguard could only open the bedroom door without authorization.

The door was pushed open, and the bedroom was empty, with no one at all.

“Boss! Margaret isn’t here! There’s no one in her house!” The bodyguard panicked, “I brought her back last night and saw her enter the house with my own eyes. But now, there is no one in her family!”

Travis was calm. Blood attacking the heart, he felt that things were not going well!

How could a living person disappear out of thin air?

Did Margaret escape from marriage on purpose, or was she kidnapped?

Travis: “Send someone to find her right away! No matter what method you use, you must find her before today’s wedding! Otherwise, I’ll throw you to feed the wild dogs!”

“Not good! Master! Ms. Gomez’s dress is missing!” A servant rushed to report the situation, “Ms. Gomez’s dress and your dress are put together, and your dress is in, but Ms. Gomez’s dress is missing!”

“Which dress is missing?!” Travis asked in a loud voice.

The servant: “That black... black dress! That’s the dress for the ceremony! It’s also the first dress to be worn today!”

Originally, Travis also suspected that Margaret was kidnapped, but now it seems that she was not kidnapped at all!

Otherwise, how could her dress disappear along with it?

There was only one possibility – Margaret left with a black dress on purpose!

Today was their big wedding day, which was also the grandest wedding in Travis’s dozen or so marriages.

Almost the entire Bridgedale knew that he and Margaret were getting married today. If Margaret really ran away from the marriage, his face would be completely wiped out!

He was embarrassed, how could he let Margaret go?

Did Margaret never think about this?

Was Margaret not afraid of death?

“Find... find her for me!” Travis’s eyes were like copper bells, his eyes were scarlet, and his body was trembling, as if he was about to fall down at any time, “If you can’t find her, you will all die for me!”

His voice was settled, and the servants in the family ran to find Margaret in panic.

Elliot’s bodyguard, who had mixed in with the Jones family, saw the chaos in the Jones family, and immediately pulled a person to inquire about the situation.

After learning that Margaret was missing, the bodyguard immediately reported the news to Chad.

“Is there anyone else who wants to kidnap Margaret?” the bodyguard guessed.

Chad was completely confused.

Besides them, who else would attack Margaret?
