

When His Eyes Opened Chapter 2187 - 2189

Chapter 2187

"I don't have Eric's number, but I can ask Eric's mother. Do you know how many Eric's mother likes Maggie? She even wants to go to Bridgedale to see Maggie with her own eyes! I told her not to scare Maggie, she just gave up." Maggie's aunt smiled, and said, "You wait, I'm going to ask Eric's number."

Five minutes later, Maggie's aunt gave Eric's number to Maxine.

After getting Eric's number, Maxine went to pick up a glass of water first.

Maxine saved Eric's number in the address book while drinking water.

After saving, she pressed the dial button.

When Eric saw a strange call, he ignored it without thinking about it.

Maxine's enthusiasm took a bit of a blow. Hesitating whether to keep hitting, or wait and hit again later.

At this time, Eric's cell phone rang again. It was his mother who called him this time.

When Eric saw his mother's call, he immediately answered.

"Eric, Maggie's mother asked for your number just now. She might call you..."

"Mom, why did you tell others my number casually?" Eric thought of what happened just now. A stranger called, and his temples throbbed violently, "Why is she looking for me? Mom, what are you trying to do?"

"Eric, why are you so nervous? Maggie's mother probably wants to help Maggie with reference. After all, Maggie hasn't graduated yet."

"I met that Maggie yesterday. He clearly promised me that he would make it clear to you. I didn't expect him to say it." Eric was a little angry, "He is a man. A real man."

Eric's mother: "Ah! What nonsense are you talking about?!"

"Mom, why don't you believe me?" Eric felt a pain in his temple.

"Maggie's aunt said that Maggie is a beautiful girl! That old lady looks very kind, and she can't lie to me with such a thing." Eric's mother said here, and proposed a plan, "Wait later, Maggie's mother will find you. You ask Maggie's mother. I think Maggie may dress more like a boy, but she is actually a girl."

Eric: "Mom..."

"There must be a misunderstanding here! Eric, if you don't put this I feel uneasy when the problem is clarified. I don't believe that the old lady will lie to me! Of course, I also don't believe that you will lie to me! My's mood is really tangled! Why don't you meet Maggie's mother face to face? Ask the matter clearly."

At this time, Maxine's phone called again.

Eric kept his mother's call and took Maxine's call.

"Hey, is it Eric? I'm Maggie's mother, I called you just now and you didn't answer. I called you to talk to you about Maggie. I heard that you are in Bridgedale on vacation. Are you free now? I want to treat you to a meal."

"Aunty, I've already eaten breakfast, and it's still early for lunch." Eric spoke restrainedly.

Listening to Eric's magnetic voice, Maxine could already feel that there was a handsome and heroic man over the phone.

"Then your aunty invites you to drink coffee, okay? Aunty heard that you are very handsome, and really wants to see you in person!" Maxine warmly invited.

Eric: "Aunty, who did you hear that I'm handsome?"

"Maggie's aunt, she is the introducer of the two of you. She kept telling me that you were born very handsome. I'm worried that our daughter Maggie has a problem with eyesight, so I really want to see you with my own eyes." Maxine did not wait for him to answer, said directly, "Then let's just say it! I'll put on makeup now and go out immediately. When I find the location, I'll send you the location."

Chapter 2188

After making a unilateral decision, the Maggie's mother hung up the phone.

Eric looked incredible.

Maggie's mother was too strong.

She didn't even listen to whether Eric was willing or not, so she forced him to meet like this, is it really okay?

Because Maxine hung up the phone, the call became with his mother.

Eric's mother: "Eric? Why didn't you speak?"

"Mom, a call came in just now." Eric explained.

"Oh...Maggie's mother called you, right?!" Eric's mother guessed, and was a little excited, "What did Maggie's mother say to you? Did you ask to meet her? Eric, if someone asks you to meet, you should clean up and go see someone."

"Mom...you really don't worry that I won't be able to have a blind date, and others will break my story online?" Eric didn't want to. Because of the hot search in private life.

Eric's mother: "If the blind date doesn't work, you won't suffer if it spreads out. Your fans will definitely think that Maggie is wrong, and they will definitely protect you!"

"Okay mom, don't talk about it, I'll go and this is the last time. In the future, don't arrange any blind dates for me. You force me to do this kind of thing, the first time it works, the second time it doesn't work." Eric and his mother had a candid showdown.

Eric's mother: "Eric, in all fairness, did your mother force you to see a beautiful girl before? In this world, not just a beautiful girl can make your mother feel good."

Eric wanted to say, 'he is a man', but he thought that his mother would not believe him, so he gave up.

After talking on the phone, Eric called his assistant, Frank.

Eric: "Frank, what should I do?"

Frank: "Boss, I can't help you this time. They are elders after all. And I have seen her photos. Women of this age are particularly difficult to fool."

Eric raised his eyebrows: "Do you mean to let me go in person?"

"If you don't go in person, when your aunt sees you and finds that you and the photo are not the same person at all, do you think she will call your mother right away? If she take a picture of me and send it to your aunt, who sees me going on a blind date instead of you, what do you think aunt will react?" When Frank said this, he saw that Eric's face had turned blue.

"Boss, you want to be open. You are going to see the boy's mother, not the boy. When you see the boy's mother, you can say that it is impossible for you and her son, and let the family give up! You won't have to see their family again in the future." Frank gave Eric psychological construction and gave ideas.

Eric nodded: "I have to make it clear today. This incident has seriously affected my life. I'm not happy even taking vacations."

Frank: "Mmmm! Boss, if you don't want your aunt to recognize you, I can ask a makeup artist to give you a little makeover."

Eric: "How to make it?"

Frank touched his chin with a wicked smile: "If you don't want to be missed by their family, it's safer to make you ugly."

....

10:00 a.m.

Maxine found a cafe in the city center and sat down, and then began to wait for Eric.

She only knew that the boy she wanted to meet was Eric, and her voice was low and magnetic, and she was particularly recognizable.

She seemed to have heard his voice somewhere.

At this time, a melody sounded in the coffee shop, followed by a low, magnetic, and particularly recognizable male voice.

Maxine was stunned for a moment as if she had been electrocuted.

No wonder when she heard Eric's voice, she immediately decided in her heart that Eric must be a handsome guy. It turns out that his voice is somewhat similar to that of this well-known male artist!

An hour later, Eric came to the cafe.

Eric was wearing a black baseball uniform with a pair of washed-white jeans underneath, a pair of dirty shoes on his feet, a baseball cap that covered half of his face, and a mask on his face.

At first glance, Maxine couldn't see Eric's face at all.

After Eric entered the cafe, he saw a lady sitting by the window at a glance.

The reason why it was so recognizable was because of this point, there was only one lady on the first floor of the cafe.

He walked to the lady and stopped: "Hello aunt, are you Maggie's mother?"

Maxine looked at Eric and looked at him from top to bottom.

Eric just wanted to let Maxine see his dirty shoes.

His assistant, Frank said that every time he wore dirty shoes and shook them in front of his mother, his mother would chase after him to change shoes in anger.

So Frank specially bought these dirty shoes for Eric.

Unexpectedly, Maxine looked at Eric and showed a happy expression to him.

“Not bad! Your figure is really good!” With that said, Maxine got started and patted Eric’s leg, “These legs are really long!”

Eric: “...”

Eric didn’t expect it that Frank’s idea, not very good.

In order to prevent Maxine from continuing to do anything to him, he immediately walked to the sofa opposite Maxine and sat down.

“Eric! There was a song played in the cafe just now, and the singer’s voice sounds like you!” Maxine said, inviting the waiter to order.

Eric immediately pinched his throat and coughed a few times.

“I want a latte without ice.” Maxine said, looking at Eric, “Eric, what are you drinking?”

Eric: “Mocha.”

After the waiter walked away, Maxine turned her attention to Eric’s face again.

“Eric, you’re covering up so tightly that your aunt can’t even see your face!” Maxine said, she immediately stretched out her hand and wanted to take off Eric’s hat and mask, “Don’t be shy to your Auntie, Auntie knows you must be a handsome guy just by looking at your figure!”

Eric stepped back to avoid taking off the mask and hat.

“Auntie, let’s talk about business first!” Eric cleared his throat and said, “I don’t have any plans to get married to your son...”

“My son?” Maxine’s face froze, “Did my son get into trouble?”

Eric gritted his teeth.

–Admit it!

The aunt is so quick to admit that her child is male!

“No, you’ve met my son?” Maxine said something was wrong, “My son is in school these two days! I have his timetable. When did you meet him?”

A woman of this age was not easy to fool.

“Auntie, your son is fine. It’s my problem. I really didn’t think about getting married.” Eric had already seen how precious his aunt was to his son.

If he revealed his dissatisfaction with her son, she would probably blow her hair out.

So Eric can only find reasons from his own side to refuse.

“You didn’t like Maggie, did you? Did Maggie talk to make you unhappy? Maggie was very good when I was a child. In the last two years, I started to be a little rebellious.” Maxine frowned, her expression regretted, and her tone contained a hint of pleading.

Eric: “Auntie, you don’t need to say it. I really don’t think about marriage now.”

“Well, I see it, you really don’t like Maggie.” Maxine sighed, then stood up.

Eric thought that Maxine was leaving.

Unexpectedly, Maxine turned around and walked in front of him, with a big wave of her hand, she took off the hat on his head!

Eric was stunned!

In the second Eric was stunned, Maxine took off his mask at a faster speed.
