# Mistaking a Magnate for a Male Escort

## chapter 1001 - 1005

Zachary said firmly, "No, it isn't. Charlotte respects the feelings of her kids, and I'm sure they wouldn't want to leave you either. Besides, you've already written your will, so I'm sure Charlotte understands your sincerity and will behave appropriately."

"That doesn't mean Danrique will do the same. I've changed my perception of Charlotte after everything that has happened. I'll admit that I was wrong for stubbornly splitting you two up and all the horrible things I've done to her. I'm willing to take responsibility for my mistakes and do everything I can to make it up to her, so just tell her to state her demands. However, these kids mean everything to me, and I will not allow anyone to take them from me. The future of the Nacht family depends on them!" Henry was so agitated that even his hands were trembling as he spoke.

"I know, Grandpa. They're my children, and I'm definitely more concerned about them than you are. I may love Charlotte and all, but I will not make compromises when it comes to the kids. As a man, there's no way I'm letting my kids take up some other guy's family name. Don't worry, I'll move in and stay with them while Ellie is being treated there. That way, Ellie would be able to see both her parents every day. I'm sure it'll cheer her up and help her recover faster." Zachary continued to coax Henry.

"You're moving in too? If so, this shouldn't be a problem at all!" Spencer agreed with him right away.

"Are you really going to move in?" Henry was still a little doubtful about it.

"Of course. Where else would I stay? The house at Southridge is still being cleaned up, and I don't have anywhere else to stay," Zachary said while waving at him.

"You'd better not be lying to me. Charlotte is no longer that soft and weak woman she used to be, and she was fuming with rage when she left! I doubt she'd let you stay over at her place!" Henry still found it hard to believe.

"I'm doing this for the sake of my child. Ellie's condition is still highly unstable, so we're both worried about her. Also, you know how hard it was for us to find Dr. Felch, so we have to make sure he treats Ellie as soon as possible. Right now, Charlotte has agreed to put our grudges aside and focus on this task together." Zachary continued to persuade him.

"Ms. Lindberg may have a hot temper, but she does love her children deeply. It's a mother's nature to do so, after all!" Spencer added.

"That, I do believe..." After thinking long and hard about it, Henry nodded his head and said, "Fine. I won't stop you any further, but make sure you bring all three of them back to me after Ellie's treatment is complete!"

"You have my word!"

Just like that, Zachary had successfully gained the approval to bring the kids over. They were delighted when they heard they were going to see their mommy, and even Robbie's gloomy expression was replaced with a bright smile.

Jamie leaped off the sofa and clapped his hands in joy when he heard the news.

Ellie clapped her hands too and shouted happily, "Yay! We're going to see Mommy!"

"Say goodbye to your great-grandpa, kids! We're leaving now!"

"Bye bye, Great-grandpa!"

"You kids behave over there, okay? Make sure to come back once the treatment is over!" Henry then held Robbie and Jamie by the hand and reminded them, "I want you two to call me every night and keep me updated on the situation, got it? Let me know if anything happens!"

"We will, Great-grandpa! Don't worry!"

Henry's eyes reddened as he sat on his wheelchair and watched the kids happily climb into the car.

"Don't be sad, Grandpa. I'll send them back here once Ellie completes her treatment!" Zachary comforted him before getting into the car. Fearing that Henry would suddenly change his mind, he then ordered Marino, "Come on, let's go!"

"Yes, sir!" Marino then started the engine and drove off.

Henry watched as the car disappeared into the courtyard and felt disturbed. "Why do I feel deceived by Zachary? Something feels wrong somehow. Oh no, I should get the children back!"

"Oh, Mr. Henry. Stop worrying." Spencer quickly advised. "What Mr. Zachary said was right. Compared to you, he cared more about the children. He will never let the Lindberg family take the children away. Rest assured."

"But he was driving at high speed as if he was rushing somewhere. Something feels off." Henry was anxious. "That cheeky rascal has been badly influenced. Remember how he would put up a tough fight with me whenever anything happened then? Those words he said today would never come out of his mouth back then."

"That is a good thing. It means he has matured." Spencer tried to calm him down. "Mr. Zachary has grown. He's dominating in the business world. You should trust him!"

"But-"

"Please don't make things difficult again." Spencer became impatient. "Think about it. Why did the Lindberg family take Dr. Felch? Isn't it because we have wronged Ms. Lindberg? At that time, when you made people restrain Ms. Lindberg because of Cynthia, it was incredibly insulting to her. Now that Ms. Lindberg is not willing to come to the Nachts' residence, this is the only way she could see her children. I think Mr. Zachary will be able to calm Ms. Lindberg as long as you don't interfere. For all we know, she might even return to the Nacht residence; that way, the family will be reunited and everyone will be happy."

"You're being too optimistic," Henry said in an irritable tone. "Even if the two of them are willing, do you think Danrique will let that happen? The grievances between the Nachts and Lindbergs won't be resolved that easily."

"Right..."

"I'm still having a bad feeling about this. Send someone to check it out," Henry ordered. "Have him tail Zachary and see if he leaves right after sending the children to Northridge or if he is staying the night, but do not interfere."

"Right away."

...

The black Rolls-Royce drove toward Northridge.

The children happily looked forward to the life of living together as a family of seven. Zachary watched them tenderly, feeling touched.

He planned to first coax Henry by blurting out some convincing reasons. Now that he thought about it, living there might not be a bad idea...

Not only could he watch the children, but he could also get closer to Charlotte.

Zachary smiled at that thought.

"Mr. Zachary, there's a car following us," Bruce reported. "It looks like one of Mr. Henry's."

"Should we shake them off?" Marino asked.

"No," Zachary replied calmly. "Pretend we didn't know. Just keep driving."

"Yes." Marino continued to drive.

"Drive faster."

Zachary looked at his watch as time was running out.

“Yes.” Marino picked up the speed.

As Zachary was about to talk to the children, his phone rang. He made a gesture to the children and answered the phone. “Hello.”

“Have you picked them up?”

Charlotte was waiting anxiously at home, but she pretended to sound cold and arrogant on the phone.

“What’s the hurry? We still have time, right?” Zachary teased her deliberately.

“It’s five minutes to seven o’clock. My men are ready with their weapons. If you don’t send them here, I will take them from Mr. Nacht by force.”

As she spoke, Charlotte fired a shot at a branch not far away.

Bang! The branch fell to the ground, and the sound of the gunshot scared away a flock of birds.

Oh no...

Zachary was speechless. This woman is crazy!

“You have four more minutes!” Charlotte lost her patience and ordered, “Prep the car! We’re leaving!”

“Yes!”

"We're arriving!" Zachary quickly said, "We're halfway up the mountain!"

"Don't lie to me!" Charlotte hung up the phone immediately and ordered, "Check the cameras and see if they have arrived!"

"Yes!"

## Mistaking a Magnate for a Male Escort chapter 1003

Marino didn't dare to speed up because Ellie was ill. So they were late by three minutes.

Lupine waited at the entrance to the courtyard with dozens of female bodyguards, all armed with guns and looking vicious.

"What a fierce bunch of women." Bruce couldn't help but feel impressed.

"Don't mess with them. They're quite touchy," Marino silently warned.

As soon as he spoke, an eagle's cry was heard, and Fifi jumped out of the car window and landed on the back of Charlotte's hands.

"Mommy!" Jamie stuck his head out of the car window, waving excitedly at Charlotte.

"Jamie!" Charlotte immediately welcomed him.

Bruce helped Robbie and Jamie out of the car as soon as the car stopped, and Jamie leaped into Charlotte's arms, tightly hugging her by the neck all choked up, and said, "Mommy, I thought it would take forever for me to see you again. I didn't expect it to be so soon."

"Are you happy to see Mommy?" Charlotte asked while holding his tiny face.

"Yes!" Jamie nodded repeatedly.

"That's great." Charlotte kissed his chubby cheek.

"Mommy!" Robbie ran over and wanted to hug his mom and let his mom kiss him, but his cold personality stopped him from doing so. Thus, he only watched from a distance.

"Robbie." Charlotte hugged him and kissed him on the forehead. "Mommy told you, we will meet again very soon, right?"

"Yeah." Robbie blushed and nodded, then hugged Charlotte's neck and said, "Mommy, I hope we will always be together."

"We will. Mommy will never leave you again." Charlotte patted Robbie's back. "Good boy!"

"Mommy..." Ellie whispered in a hoarse voice and extended her thin arms toward Charlotte.

Charlotte quickly rushed over to Ellie and hugged her. After suffering from the poison, Ellie had lost a lot of weight and still couldn't walk. She had to either lay in bed or sit in a wheelchair every single day, and she had no energy to speak.

Looking at her, Charlotte was devastated.

“Ellie, I will get Dr. Felch. He will definitely fix you up.” Charlotte gently stroked Ellie’s hair. “Once you recover, Mommy will take you to Disneyland.”

“Okay. Thanks, Mommy.” Ellie buried her face in Charlotte’s arms like a baby.

“Good girl! Mommy will carry you into the house.”

Charlotte picked up Ellie and walked into the house. She spoke to the kids without looking at Zachary. “Robbie, Jamie, Ellie. Mommy will take you to Dr. Felch. He’s a good friend of Grandpa and also an outstanding doctor. Remember to behave yourselves, understood?”

“Understood!”

Zachary looked at Charlotte from the back, feeling lost. He used to be high and mighty in front of her, and now it’s the other way around...

This must be retribution!

“Mr. Zachary, we’re being ignored. Should we go in?” Bruce asked silently.

“Nonsense.” Zachary glared at him and walked into the house.

Lupine’s group didn’t stop them but didn’t greet them either.

Zachary shamelessly sat on the sofa and poured himself a cup of tea.

Bruce and Marino stood behind him, awkwardly rubbing their noses, feeling uncomfortable.

"Marino!" Suddenly, a familiar voice was heard.

Marino turned around and responded. "Why are you here? Aren't you at the hospital?"

"Ms. Lindberg said that I will recover faster if Dr. Felch treats me. So she sent someone to pick me up," said Morgan with a smile.

"Ms. Lindberg is so kind to you."

"Of course she is. Otherwise, I wouldn't be so loyal to her." When Morgan mentioned Charlotte's name, her face was brimming with admiration. She glanced at Zachary and asked softly, "You sent the children back, right? Why is nobody attending to you?"

"Oh, don't mention it." Marino didn't want to say more.

"Serves you right!" Morgan squirmed her lips. "How did you all treat Ms. Lindberg when she was in the Nacht residence?"

"We respected her." Marino hurriedly added, "Everyone from the Nacht family revered her as the lady of the house."

“Is that so?” Arching her brow, Morgan interrogated, “Who was the one who believed Cynthia’s false accusation and requested the bodyguard to capture Ms. Lindberg? Subsequently, tied her hands and feet up with chains?”

“Err...” Marino faltered. He was not present at that time. However, he did hear people talking about the nasty things Henry did. It’s no wonder the Lindberg family is always antagonistic.

“Hmph! You’re one of them. Get lost!” Morgan knocked Marino down with her wheelchair. Then, she went back to her room.

“Morgan, Morgan...” Marino called out to her and attempted to explain himself, “I wasn’t home at that time. I’ve just returned today...”

Morgan ignored him.

Feeling aggrieved and dejected, Marino went to Zachary.

“Hit a snag?” Zachary was curious.

“I feel so wronged...” Marino shared sadly, “I didn’t do anything, but still get scolded.”

Bruce reminded him, “Just go and coax her.”

“There’s no need for that,” Zachary warned softly. “We’re in the Lindberg residence, and Danrique’s spies are everywhere. If he knows about the two of you, Morgan is doomed.”

“How could I forget something so important?” A look of terror crossed Marino’s face. “Oh no, what should I do?”

"She's smarter than you." Zachary glared at him. "You are such a fool."

Marino was stunned for a moment. Then, it suddenly dawned on him that Morgan was just putting up a show in front of others. She knew it all along that Charlotte was held in high esteem by Marino, and that he had nothing to do with the incident. Most essentially, Morgan was not angry at him.

"You should head back now in order to avoid unnecessary issues," Zachary ordered.

"Noted." Immediately, Marino left. He did not want to bring any trouble upon Morgan.

In the room on the third floor, Morgan was standing by the French windows. Her heart was heavy as she watched Marino leave in his car.

"Don't worry. Even though that dude isn't the sharpest tool in the shed, Mr. Nacht will surely advise him what to do," Lupine muttered. "As for you, don't think too much and get some rest."

"I will." Morgan sighed. "Mr. Lindberg is known to be ruthless. I'm really worried."

"Don't keep in touch with him from now on." Lupine frowned before adding, "There's no problem if he was someone else, but he works for the Nachts. If Mr. Lindberg ever finds out about you guys, that will be the end of both of you."

Lupine meant it as a reminder for herself as well as Morgan.

Anyhow, Lupine and Ben appeared to be more stable compared to Morgan and Marino. After all, the latter pair was much younger...

"I know," Morgan replied in a quavering voice. "I just... miss him so much."

"I can understand how you feel." Similarly, Lupine missed Ben too.

"What do you think are the chances of Ms. Lindberg patching things up with Mr. Nacht?" Morgan speculated, "If the two families are able to reconcile with each other, we don't need to give up on our relationships, right?"

"The chance is very slim." Lupine sighed. "Then again, it's not totally impossible. I can tell that Ms. Lindberg still has feelings for Mr. Nacht. On the other hand, Mr. Nacht doesn't seem to want to let go of her either. So, who knows?"

"That's comforting to hear." Morgan was hopeful.

Lupine was also holding on to the signs of hope that the two rival families would one day bury the hatchet and reconcile with each other.

"Lupine!" a bodyguard yelled from outside, "Ms. Lindberg is looking for you."

"I'm coming." She gave Morgan a pat on her shoulder before leaving.

Upon arriving on the first floor, she noticed that nobody was attending to Zachary. Though it did not matter to her, she still reminded the maid to do something about it, "Do serve Mr. Nacht some tea. Otherwise, the children will be upset."

"Sure."

## chapter 1005

"That's nice of you." Zachary was grateful. "Thank you."

Ignoring him, Lupine strode toward Charlotte.

"I thought rumor has it that the legendary Mr. Nacht has an icy personality?" a female bodyguard asked under her breath. "It doesn't seem so to me."

"Ms. Lindberg has tamed him." A smug settled upon Lupine's face. "No matter how high and mighty he is toward others, he behaves himself in front of Ms. Lindberg."

"Hahaha, that's a wonderful payback; fair enough as the Nachts aren't nice to Ms. Lindberg."

"Precisely!"

When Lupine got to the clinic, Dr. Felch had already examined Ellie and prescribed her medication. After instructing Hayley to prepare the medicine daily, he turned to Charlotte. "Let me check on you now."

"No rush." Charlotte thought about Morgan. "I have a subordinate who was shot when she tried to protect me. Can you see her first?"

"Absolutely." Dr. Felch explained, "Gunshot is one of the easiest things to treat. As long as it didn't hurt her vitals, she will be fine upon following my prescription."

"Thank you so much." Charlotte commanded, "Bring Dr. Felch to see Morgan immediately."

"Duly noted. Dr. Felch, this way please."

With that, Dr. Felch left with Sam, leaving Hayley in the clinic to take care of Ellie.

Charlotte told Lupine, "The maids and the bodyguards at home don't have any medical knowledge. Go and arrange for some reliable medical staff to relieve the burdens of Hayley and Sam."

"Okay, I'll do that right away." Lupine nodded. Right before she left, Charlotte asked, "Is that person still around?"

"Yes." Lupine glanced at Ellie who was dozing off on the bed. She continued, "He's been waiting in the living room for over an hour."

"I'll take a look."

When Charlotte arrived at the living room, she saw Zachary there, sipping tea. She questioned coldly, "Why are you still here?"

"Has Dr. Felch seen Ellie? What did he say?" Zachary got up and walked toward Charlotte.

"The check-up is done. He has also prescribed medicines to be taken daily," Charlotte replied indifferently.

"How long does it take for her to be completely cured?" Zachary was anxious.

"This is just the beginning. Dr. Felch won't indicate a specific time frame." Charlotte said solemnly, "It may take a while for the medicines to take effect. We shall see."

"True." Zachary nodded. "I have full trust in Dr. Felch's skills. We need to believe in him."

"Yup," Charlotte consoled herself the same way too.

"I see that you might need a hand at the clinic. Should I send more people over?" Zachary tried to find a new topic to talk to her.

"No, thanks. You can leave now." Charlotte showed no intention to engage in further conversation with him. She turned to walk upstairs.

"Ellie will cry if she doesn't see me when she wakes up." Zachary stopped her. "And Jamie will be disappointed too. Robbie may look calm, but he's just pretending."

"So, your point is?" Charlotte shot him an unfriendly stare.

"I think..." He observed her facial expression before continuing. "I should stay here during the course of the treatment. I won't trouble you. In addition, I'll pay for rent and food..."

"Go away!" Charlotte bellowed.

"Is that how you treat your guest?" Zachary was determined to get what he wanted. "The kids will be so sad to see you treat me like this."

“How audacious of you to even suggest that, Zachary Nacht!” Charlotte was livid. “When I was in your house, how did your family treat me? I can let it slide for the sake of the children, but you’re being too much now. Stop being a thick-skin and leave at once, or I’ll have my bodyguard shoo you away.”

“I’m prioritizing the kids. Don’t you want Ellie to get well sooner?” Zachary added, “She feels better when she looks at me. In turn, this will aid her recovery. Ask Dr. Felch if you don’t believe me.”
