

## Chapter 1756

Hector, who was on the other end of the call, sounded very smug. "Hana Sharpe! I had told you a long time ago that you're mine whether in life or after death! I had also long known that you would leave me one day! Therefore, I had been squeezing you of all your ability to work since when you were younger and don't let my daughter get in contact with you! Your daughter doesn't want you! Your hard-earned money in this life is all my daughters! This is the price you had to pay for betraying me!"

Hana was speechless and her face was red with rage. Zayn, who had been having an arm wrapped around her, gently

At that moment, Zayn's driver came running in a hurry and was covered in sweat.

"What's wrong?" Zayn gently asked the driver.

"Director Zayn..." The driver did not know that Tessa had a fall out with Zayn and her mother. "Madam...Madam's daughter ran out like she had gone crazy. She did not even respond when I called out to her. I saw that she seemed to be...crying very terribly! There was quite a lot of traffic out there. Plenty of cars were driving by! terribly! There was quite a lot of traffic out there. Plenty of cars were driving by! I...I had lost sight of her as soon as I went out. I don't know if she..."

The driver was very worried, but he did not dare to say anything ominous in front of the madam. However, the driver saw that the madam was on the phone at the moment and she seemed furious, so the driver did not dare to speak anymore.

Zayn waved at him. "I got it. First, go and follow her."

"Yes!" replied the driver, and he went off.

Zayn saw that Hana was still on the phone. She had tears in her eyes but she laughed. "Hector Caven! You were right! I would leave you one day! Not only that,

eyes but she ...hed. "Hector Caven! You were right! I would leave you one day! Not only that, I will no longer be giving you a single penny from now on!"

"You...you're such a cruel woman! You don't even care if your daughter lives or dies?"

Hector said.

Hana sneered. "Do you care? You love her, but your love is very selfish! Sooner or later, your love will kill her one day!"

"Hana Sharpe! You d\*mned woman! I'm still holding on to your..."

On this end, Zayn suddenly snatch the phone from Hana's hand and called out into the speaker. "Hector Caven!"

Hector was shocked. "Who are

Hector was shocked. "Who are you?"

"Zayn Smith!"

"Master Zayn...how come you aren't handling your business affairs in the company? Why are you keeping that woman accompanied when it's still bright out?" Hector said.

Zayn sneered condescendingly. "Hector, let's get straight to business!"

Hector was speechless.

"What did you want to say just now? You wanted to say that you have Hana's naked photos and her photos in bed on hand? You have photos of her fooling

have Hana's naked photos and her photos in bed on hand? You have photos of her fooling around with a man?" Zayn asked bluntly.

"Yes, yes, yes!" Hector immediately said. "That woman...Master Zayn, let me tell you. When that woman was younger, she was a sl\*t for fooling around with other men..."

"Hector, are you even considered a man?" Zayn sneered. Slowly and clearly articulating each word, he said, "Hector Caven! First of all, you did not marry Hana. You were not even considered husband and wife from a legal standpoint! Secondly, you were the one who betrayed Hana first! You cheated on her when she was pregnant and caused yourself to be

betrayed Hana first! You cheated on her when she was pregnant and caused yourself to be crippled for life. You even got a disease! Hana had no obligation to live a life with no intercourse for your sake! It's her right as a woman to sleep with any man! You, on the other hand, secretly took her photo and hid those photos to this day. You have already broken the law! Hector Caven! I am not Hana! Are you trying to threaten me?"

Hector was afraid of being questioned by Zayn like that. After all, the matter of his attempted murder back then could not be exposed. If it were to be exposed, then he may have to be imprisoned for several years.

"No, no, Master Zayn. I was
