# Boss, Your Wife's Asking for A Divorce, Again

## Chapter 19

### Chapter 19

count with one hand the number of times we conversed every day. All you see is Miss Gray, and no one else.”

She used to go to the hospital daily to take care of Tina, She knew how her

marriage to Toby came about, and she

knew who Toby truly wanted, so she wanted to use the excuse of looking after Tina to make him see more of

her.

Nevertheless, for the past six years, all

she got from Toby was indifference.

Hearing this, Toby re-examined the red

lipped Sonia, who was dressed in a

black dress and exuding a slightly cold

demeanor. He found that this version

As soon as Charles spoke, the sound of the guests taking in sharp breaths could be heard. Everyone was shocked as their gaze fell on Tina, then Sonia.

The expert has *confirmed that* the video  
is *real, so if Charles is telling the truth.*

Toby was caught by surprise as well.

He looked at the woman standing in  
front of him, then his eyes darkened,  
and he asked, "Sonia, why didn't you  
tell me?"

"Would you have believed me if I told  
you?" Sonia retorted in a slightly  
sarcastic tone. "President Fuller, we  
were married for six years, yet I can  
of her and the virtuous woman who  
used to wait for him to come home  
seemed like two different people.

He then remembered that before the

two of them got divorced, he and Sonia rarely talked. He never asked about her day or about  
her friends.

*It seems like I never really got to know*

her.

The two of them only exchanged a couple of remarks, then Toby said nothing else. Beside him, Tina was keenly aware that the man's heart had softened, and he seemed to want to defend Sonia. Tina quickly swept her gaze across the of me for the past few years. This is a gift my father gave me last time. Now, I'm giving it to you as a thank-you gift."

When the jewelry box was opened, a crown embedded with diamonds on the black velvet shimmered under the light.

"Isn't this the crown Princess Lilith wore during her wedding?"

"President Gray really spoils his daughter!"

Among the guests, those who were fond of jewelry recognized the crown, and they all exclaimed that although it was incomparable to the Ocean's quesis, then she fiercely gritted her teeth and took a step forward before bowing to Sonia

these years, you'd been constantly going to the hospital to donate blood to me. You've been so kind to me..."

Tina choked, her eyes gradually turning

red as she bowed to Sonia once more.

"I'm sorry..."

When she looked up, she cast a

meaningful glance at the crowd, then

continued apologizing to Sonia. "I'm

sorry about the video. My father loves

me too much, and a mistake was made

during the investigation that caused us

to think that you were the one who

crashed into me."

"Miss Gray, you don't have to be so

courteous. I'm two months younger than you." Sonia didn't appreciate her apology, and she even calmly shot Toby a look

It turned out that Tina's father was the

one who leaked the video. At first,

Sonia thought Toby was the one

brutally attacking her.

Tina lowered her head and pursed her

pale red lips.

In no time, Tina saw the jewelry box

the servant brought over. After

retrieving it, she handed it to Sonia.

When Titus saw the crown, his

expression changed,

But, he knew why his daughter was

giving this piece of jewelry to Sonia. Stepping forward with a cold expression, he said to Sonia in a

considerably pleasant tone, “Regarding

the video, I’d wrongly accused you,

Miss Reed. Thank you for taking care

of my daughter. Please accept this piece of jewelry!”

Sonia stood with her legs slightly

parted, and she took one sweeping

alance at the crown full of diamonds,

but she showed no intention of taking

it from Tina's hands,

Seeing that she wasn't accepting it,

Tina stated, "When Princess Lilith got

married, she asked a designer from Van Cleef & Arpels to design it. Many

years ago, my father got it at the

Sotheby's auction house for 60

million."

As she continued, her voice dropped. "This is also my favorite piece of jewelry. I really want to thank you, Miss Reed. That's why I'm giving it to you."

The guests could hear how bad Tina felt, and they could see that Sonia

Sonia was the one in the wrong,

causing Toby to frown when he heard

them.

"Toby." Tina looked back at Toby and whispered. "I really didn't know about Miss Reed donating blood to me at the

hospital. Believe me. Help me persuade Miss Reed and get her to accept my thank-you gift."

Looking at her frail frame and pale lips,

“Sonia, don’t be unreasonable. Miss Gray has already apologized.”

“That’s right. Mr. Gray was just eager to

protect his daughter, which was why he

made such a careless mistake. And

hasn’t he apologized to you?”

“Miss Gray is giving you her precious

jewelry as a thank-you gift, yet you’re

not accepting it. What else do you

want?”

When the guests spoke, their remarks

were harsher than the next. It was as if

Sonia knew that no matter how innocent she was, Toby would still stand by Tina’s side.

But, when she heard him say that, her hand around her arm tightened fiercely. and her heart was in such immense pain that it felt like it was being pierced

by needles.

It was simply ridiculous that she loved

a man like him for eight years!

When Charles, who was watching the

scene unfold from the sidelines, saw

that Toby was bullying Sonia, he

became furious and wanted to rush

toward him. “Toby, you f\*cking”

After passing his gaze over her bright face, he asked in a deep voice, “What else do you want?”

“I want the thing in your hand-the

Ocean’s Heart.” Sonia pointed to the

jewelry box he was holding in his hand,

looking completely serious.

“No,” Tina interrupted Sonia. In a dejected and aggrieved manner, she said, “Miss Reed, I know you’re upset with me because of the video. You can have the jewelry in my collection, but not the Ocean’s Heart. This is the necklace Toby proposed to me with...”

The guests were angry and dissatisfied as well. “That’s right! Sonia, you’re “Charles.” Sonia stretched out her hand to stop him.

After spending the entire night out, she was a little tired. Just as she was about to tell Charles that they should leave, she caught sight of the smug smile on Tina’s face from the corner of her eye.

After swallowing her words, Sonia pressed Charles's hand, and her eyes grew slightly cold. "I'll handle this."

In her high heels, she turned around to face Tina

Caught off guard by Sonia's actions, Tina put away the smile on her face in a panic, then she handed over the jewelry box again.

"Miss Gray, for the past few years, I'd been going to the hospital to donate blood to you, so my body is very weak now," Sonia said while brushing her

fingers over the crown full of diamonds. "Thanking me with this crown isn't really enough, is it?"

Sonia looked toward Toby, then asked with a smile, "President Fuller, what do you think?"

Turning a deaf ear to the insults they were throwing at her, Sonia looked at Toby. “President Fuller, don’t you love Miss Gray very much? Miss Gray, you’re the one who wants to thank me, so why are you refusing to give me the thank-you gift?”

Sonia raised an eyebrow and laughed.

Toby's gaze darkened.

After a moment of silence, he handed

the jewelry box containing the Ocean's

Heart to Sonia.

Tina panicked when she saw this, and she pulled on his sleeve. "Toby, this is

the necklace you proposed to me with.

Don't="

"Your father specially organized

today's banquet to celebrate your

recovery and discharge. It won't be good to ruin the atmosphere." Toby calmed her down.

"It's just a necklace. After this, I'll ask Tom to find a better

one and propose to you with that."

When the guests heard this, they all

snatching anything from you," Sonia interrupted before Tina could say much. "You're the one who wants to give me a thank-you gift. I only have eyes for the Ocean's Heart."

Tina was rendered speechless. Biting her lips, she stood there as her face grew increasingly pale, like a white flower about to wither.

As he watched on, Charles felt

particularly good, and he almost

applauded Sonia.

“President Fuller, you have to say

called out. “Is it possible that you’re not a man of your word?”

became envious. “You’re so blessed, Miss Gray. No matter how rare the piece of jewelry is, President Fuller would have a way to buy it for you!”

After complimenting Tina, they satirized Sonia once more.

Tina’s expression improved when Toby said this, and she nodded obediently. “I’ll listen to you.”

As Sonia listened to their conversation,

all she felt was the irony of the

situation.

She had been married to Tony for six

years. Forget jewelry; he had never

even bought her a piece of clothing.

Even their wedding ring was bought by

her.

Now, looking at how he was treating Tina, Sonia felt like her life was a joke.

Sonia suppressed the sadness in her heart and accepted the jewelry box with a bright smile on her face. "This is such a rare piece of jewelry, yet you're giving it to me just like that. President Fuller, it seems like you love Miss Gray so much that you can't bear to let her suffer any grievances at all."

The woman spoke so enigmatically that it made Toby uncomfortable, so he replied lightly, "I've given you the Ocean's Heart, and President Gray has apologized to you, Sonia, don't pursue the matter of the video anymore."

"Okay!" Sonia readily agreed.

She picked up a glass of red wine from the table, then tipped it toward Toby. "President Fuller, Miss Gray, may you live a long and happy life together, and I hope you have plenty of babies."

With that, she cocked her head back and drank the wine. After setting down the glass, she turned and left.

“President Fuller, I have to thank you too.” Charles grinned, “If it weren’t for your indifference, my baby wouldn’t have come to her senses. Thank you for being so kind as to let my baby go. She deserves the best.”

Charles picked up the butterfly handbag on the table, which Sonia forgot to take, then said warmly, “Let’s

“Let’s go!” Charles held Carl’s shoulders and they left together, all the while complaining, “The air here is too filthy. I’d feel sick if I stayed here for one more second!”

As Toby watched them leave, his brows furrowed, and there was an indescribable feeling of irritability in his heart that wouldn’t go away.

Sonia was a low-key person; it was a surprise that she had such an

outstanding suitor.

As soon as Sonia got into the car, she closed her eyes and rested for less than a minute before Charles and Carl

got in.

“Baby, you did a great job just now. Tsk.

did you see the look on Tina’s face?

She looked like she wanted nothing

more than to eat you up.” Charles got

into the driver’s seat, fastened his seat

belt, and burst out laughing. “It felt so

good watching you that I wanted to

applaud you!”

Carl entered the back seat and handed the butterfly handbag to Sonia. “You left it on the table and forgot to take it.”

“I left in a rush and didn’t notice” Sonia spoke as she retrieved her handbag.

Carl glanced at the jewelry box placed

next to the seat, then asked Sonia,

“Sonia, do you... still care about Toby?

Did you want the Ocean’s Heart

because you didn't want to see him

and Tina together?"

Charles was driving as he looked at

Sonia in the rearview mirror, waiting for

her answer.

"We've gotten a divorce, so why should

I still care about him?" Sonia smiled. I didn't expect that Tina's mind would work so fast. She diverted everyone's attention from the video by trying to give me a thank-you gift."

As she spoke, she opened the jewelry box and showed it to Carl. "Tve

checked, and the jewelry industry's

famous 'k' is the one who designed the

Ocean's Heart. The value is estimated

to exceed 100 million. How can I not want such easy money? Don't you

agree?"

Charles snorted. "A necklace worth

100 million? Baby, you're awesome.

You took a huge chunk out of Toby!"

"Of course I know that I'm awesome." Sonia hummed, then covered the jewelry box and threw it to him. "Find a good channel and sell it for me. 100 million, Keep the extra money as my payment to you for your hard work."

“Okay!”

When Carl saw Sonia’s capricious expression, his brows eased, because it didn’t seem like she was lying.

“Sonia, seeing you like this, I’m relieved.”

“Baby, why don’t I find you another boyfriend?” Charles smiled, then he glanced at Sonia in the rearview mirror.

“Tell me about your requests, or you and I can get together too. After all, my mom quite likes you–

“No way!” Before he could continue, he was interrupted by Carl.

“Why not?” Charles rolled his eyes, then bragged, “Not only am I handsome, I’m also multi-talented. I grew up with

Sonia, so I’m the best candidate to be her husband!”

Carl pursed his lips together, and the aura he exuded was a little cold. “You

don't care about family."

"Huh? How would you know if I care

about family? You've never lived with

me!" Charles looked at Carl's

expression in the rearview mirror, then suddenly smiled. "Hey, do you fancy Sonia too?"

Sonia was taken aback. When she

recovered, she immediately reached

out and punched Charles. "Shut up.

He's only twenty-two! He's a child!"

"He's a twenty-two-year-old man. He

has nothing to do with the word 'child'"

anymore." Charles proceeded with a

smirk. "Carl, tell me: Are you a virgin?"

No matter how gentle Carl was, he was

still a little embarrassed by Charles

question. He coughed. "Yes..."

"Do you have any intentions toward

Tina?"

Seeing as Charles was getting bolder with his questions with no sign of shutting up, Sonia caught sight of the

chocolate bar in the middle row's armrest compartment, then she immediately tore it open and stuffed it

into his mouth.

Charles ate the large piece of

chocolate and whimpered, almost

choking to death

"That's how he is. He speaks without a

filter," Sonia said to Carl. "Don't mind

him. Don't let his questions get to you."

Carl hummed an answer but kept his

gaze on Sonia's face.

After hesitating for a moment, he was

“What’s the matter?”

After the phone call ended, Carl told Charles, “I have something to deal with. Just drop me at the intersection up

ahead.”

“Was it your agent?” Sonia asked, “How

about you let Charles take you there?”

Carl gave a faint smile, then in a warm

and soft voice, he said, “That’s okay. My car is on the way. Charles should send you home early so that you can have a good rest.”

Upon hearing the young man’s

statement, Sonia nodded reluctantly.

Soon, Carl was out of the car.

When the car drove away, Sonia poked

her head out slightly and saw Carl
