Boss, Your Wife's Asking for A Divorce, Again! Chapter 26

Chapter 26

Standing beside the car, Sonia talked on the phone in the cold wind. She felt a little dizzy, and her feet swayed.

Toby's gaze darkened, then he calmly took the phone from Sonia's hand and hung up before picking her up and walking to the other side of the car.

Being lifted into the air all of a sudden,

Sonia was shocked, and the umbrella

nearly flew out of her hand. She panicked

and grabbed the man's shirt with one hand

as her face grew slightly cold.

"Toby, let me down!"

Ignoring her, Toby opened the passenger

door and stuffed her into the car.

*President Fuller, are you done creating trouble?" Watching as the man tugged on her seatbelt, Sonia snapped coldly, "I can find a driver. You don't need to care about

me!"

During their six years of marriage, Toby never cared about her. The two had only had a handful of conversations. But, after their divorce, she and Toby had met several times in just a few days.

When did Seafeld become so small?

Toby noticed the discomfort and stubbornness on her face, and annoyance

filled his heart. "The weather is so bad. Even if you order for a substitute driver, no

One will take your order."

"It's my business whether I get one or not."

"Sonia." Toby leaned closer to her. His cold breath enveloped her, and his eyes were cold and sullen. "Do you have to be so stubborn?"

There wasn't much space in the car, so Sonia had nowhere to hide when he approached her.

Her face grew chilly. She was about to speak, but she accidentally glanced behind the man's back and found that he couldn't

hold the umbrella when he carried her into

the car. It was raining heavily outside, so

most of his back was wet.

Sonia's heart gave a fierce shudder, and

the words she was about to say died in her

mouth as she quickly looked away.

Toby cast her a glance before continuing to pull the seat belt across her. However,

because he was too close, his fingers accidentally rubbed against her heaving chest.

Both of them froze.

Sonia was the first to react. She pulled the seat belt from his hand and inserted it into the buckle.

Toby's Adam's apple bobbed. I'm sorry."

"It's okay. I know you didn't mean to do it, President Fuller." Sonia thought about

what Chester said when they were playing

cards just now, and she couldn't help but

taunt him. "President Fuller, you're a rare

'saint" that's only seen once every thousand years!"

Met with the woman's cold remarks, Toby frowned, but he quickly got into the driver's

seat and started the engine.

Toby asked, "Where do you live?"

"Bayside Residence," Sonia answered stonily, then looked out the window and

rested her chin on her hands.

Neither of them spoke again. Silence filled the car, the only sound was the slight swiping of the wipers.

Sonia had been exposed to the rain, so she

was feeling very uncomfortable.

Now that the heater was blowing hot wind,

the cold was replaced with heat. After a

while, she grew groggy and fell asleep in

the car.

They soon arrived at Bayside Residence, but Toby didn't know which building Sonia

lived in. Seeing how flushed her face was, he figured she had caught a cold, so he looked for a drugstore along the road and got down to buy a box of flu medicine.

"Sonia." Toby patted the woman on the cheek. "Have some flu medicine."

After calling her several times, Sonia still didn't respond, but she coughed a few times. Hence, he took the medicine, then

pinched her jaw and forced the medicine

into her mouth.

Sonia's lips were a bit cold, but very soft. It

felt a little seductive, which made it

difficult for Toby to control himself as he

plunged deeper in.

All of a sudden, the phone on the car's ammet vibrated.

Toby returned to his senses. His eyes

scanned over Sonia's slightly swollen lips,

whereupon he realized what he had just

done. His eyebrows twitched, then he

answered the phone.

“Toby, have you finished discussing the collaboration?” Tina’s soft voice sounded from the other end of the phone.

“Yeah”

*Then come to the Outlet Mall to pick me

and your mom up.” Tina said. “Madam

White and I went shopping, but it suddenly

started raining heavily. The driver went to

school to fetch Tyler. He can’t make it, so I

called you.”

Toby glanced at Sonia in the passenger

seat, then replied in a low voice, “Okay. I’ll

be there in 15 minutes.”

“Be careful on the road.”

There was a faint fragrance in the car, which was the smell of the perfume Sonia

usually used. The more Toby smelled it, the more troubled he felt.

Taking an umbrella, he got out of the car

and called Tom to inform him that he was

at the south entrance of Bayside

Residence

About five minutes later, Tom arrived.

“President Fuller.” Tom came over with some clothes. He was a little surprised to see Toby standing beside the car, then he

took a look at the car behind him.

Hey, isn't that Miss Reed's car?

Toby took the clothes and the car keys, then glanced at the car behind him with a

knowing gaze. “Drive her car and bring her to the Sheraton Hotel, then ask the

attendant to take her temperature.”

“Okay.” Tom replied without asking any

questions.

Toby drove to the Outlet Mall, occasionally

thinking of Sonia's stubborn appearance

and her soft lips, which disturbed him,

He lowered the windows of the car slightly and he felt better after being caressed by the cold wind.

After arriving at the Outlet Mall, Toby quickly spotted Tina and Jean standing at the entrance, both carrying several

shopping bags.

He took an umbrella and got out of the car, then hurriedly walked over. "It's so cold. Why didn't you wait inside?"

Upon seeing him approach, a slight smile

appeared at the comers of Tina's lips.

"Madam White and I just came out, and

Surprisingly, you arrived at the same time."

Reside her. Jean Snickered, "Who said we

just came out? Tina knew that you were

coming, so she wanted to come out to

wait for you! Don't look at what she bought. All she bought for herself was a coat. The rest are clothes for you."

"Madam White." Tina blushed a little after being exposed. "If you say anything more, Toby will think I'm not reserved at all."

"Oh, we're all family. Why are you still being so polite and calling me Madam White?"

Hearing this, Tina blushed even more.

"It's cold outside. Let's get into the car

first," Toby urged while taking the shopping bags from Tina's hand and covering her head with the umbrella,

Jean.

After getting in the car, Jean said, "Tina, look at how well Toby takes care of you. He brought you into the car first before coming to fetch me, his own mother. How biased. I think when you really get married, he won't care about me anymore."

The grin on Tina's face grew wider. Afraid

that Jean would tease her again, she

changed the subject and asked Toby. "Is

this Tom's car?"

"Yeah." Toby's eyes moved, then he said in

a low voice, "Tom sent my car to 4S

Automation for maintenance."

"No wonder you're picking me and Madam

White up in his car."

At this moment, Jean intervened, "I heard Tina say that you were talking to people at Sakura Heights about a cooperation, and you even bought some pastries for Tina. How many boxes did you buy? Let me try

some."

Toby had wanted to determine if the person in Paul's private room was Sonia, and he left the place with her too

afterward.

He completely forgot to buy the pastries.

Toby said, "I was so busy discussing business matters that I forgot about it. I

“Look at you. How forgetful,” Jena chided. “Tina was thinking about you while she was shopping. She bought plenty of stuff for you, but you even forgot to buy pastries for her.”

With that, she took Tina’s hand and said with a smile, Tina, have dinner at my house tonight. You’ve just recovered, so I’ll cook some soup for you to nourish your body.”

Tina gave her a small smile. “Thank you, Madam White.”

At this moment, the phone in her bag vibrated a few times.

After checking and seeing the content and picture in the message, the smile on her face froze.

“Tina, what’s wrong?” Jean asked, as if sensing that there was something off about Tina’s expression.

Tina immediately locked her phone and said softly, “It’s nothing. My mother sent

Jean didn't suspect anything and turned to

After making sure that Jean wasn't looking

read the message her friend had sent her.

Tina remembered that at the banquet that

Tina felt a sense of panic in her heart. She was afraid that even though Toby and Sonia were divorced, Toby still wasn't fully

hers.

Could it be that she was destined to be

unable to keep something she stole?

When Sonia woke up in the hotel, it was

already the next morning.

She remembered being caught in the rain

she woke up, she felt refreshed.

Sonia soon remembered that Toby had driven her back to Bayside Residence **yesterday afternoon. While she was still in** a muddled state, she felt someone feeding

Sonia banished the images **from her mind**, then quickly washed up before leaving the hotel.

After arriving at the office, Sonia called Daphne. "Dwells' boss will come to the office to sign the contract later, so get the contract ready."

Daphne was surprised. "President Reed, you managed to seal the deal with Dwells?"

"Yeah. Although Sonia didn't want to admit it, if it hadn't been for Toby coming **to the private room yesterday afternoon**, Dwells boss wouldn't have relented and taken on Paradigm Co.'s order.

She owed Toby a favor.

"Okay." Daphne nodded, then quickly went to prepare the contract.

After taking off her coat, Sonia hung it on the hanger. Just as she was about to sit down and settle the documents Daphne had sent, the phone on her desk rang.

She answered, "Hello?"

"**President** Reed, a gentleman named Zane

wants to see you,” the receptionist

reported. “Do you know him?”

Sonia responded, “Send him up.”

Soon, there was a knock on the office door, and the receptionist led a man in.

The man was dressed in comfortable and loose casual clothing; his jet-black hair was thick with the ends slightly curling

upward, and his facial features were so

perfect that no flaws could be found. He

was handsome and carried himself with

ease and natural poise.

His narrow eyes swept nonchalantly

across the office before finally landing on

Sonia

“President Reed, you adapt really well.” Zane walked toward the desk, then pulled

out the chair and sat down. He began

making conversation with Sonia as if they

making conversation with Sonia as if they were close friends. “You’ve only been in Paradigm Co, for a few days, but you already possess the spirit of a proper leader. I couldn’t tell that you’d been a

“I didn’t expect that the romantic and suave playboy who couldn’t refuse any women would turn out to be the youngest son of the mayor.” When it came to being sharp-tongued, Sonia was never weak.

Zane raised his eyebrows. “President

Reed, I was complimenting you for finally being yourself, yet you’re insulting me?”

“I was praising you for being popular with the ladies.”

Zane knew that this woman looked gentle and dignified, but she was extremely good at talking. After adjusting his posture, he said, “I know that Paradigm Co. has an overseas order and wants Dwells’ factory to produce it, but I know a factor that’s even better at producing foreign goods.”

“Are you saying that you want to introduce resources to me?” Sonia looked at him in surprise. “Why?”

Zane shrugged, then spoke in a lazy and casual manner. “We have a business relationship, don’t we? If I have good resources, of course I’ll introduce it to you.

Treat it as a personal favor!”

Sonia didn’t believe his nonsense. “Mr.

Coleman, we’ve only met once before, so we’re not even close with each other, and

another man. If I don't get my revenge, I'd

be a sorry excuse of a man...

Sonia looked at the woman in the photo. "Your girlfriend is very beautiful. I didn't

expect that there would come a day where you would get cheated on."

Zane ignored the sympathetic look she

was giving him. "Yeah. I can't tolerate

being cheated on! So, I want to take revenge on Dwells. No friend around me is

allowed to cooperate with Dwells. You and

I are partners, so of course, you can't

cooperate with them either. This standard of the foreign goods this factory produces

is higher than Dwells'. Believe me." Zane

fiddled with his phone. "I'll send you the

number of the person in charge at

Rentoor."

"Rentoon?" Sonia was slightly shocked.

She knew about Rentoor Inc. They were a

well-known factory in Norfolk. Because of its high quality, many foreign companies approached them to produce their goods.

She even heard that their production

orders were scheduled until next year.

Initially, Sonia wanted to approach Rentoon

too, but because she didn't have any way

to do it, she went for the second best

option and chose Dwells.

"I'm very familiar with their business in

Norfolk," Zane explained. When he saw the box of mangoes by the table, he picked one up and peeled it before eating it. "Call him and talk to him first."

Sonia immediately copied the number given by Zane before dialing it. The other

party picked up fairly quickly.

Sonia knew the overseas order like the

back of her hand, so her conversation with

Rentoor's commerce department went smoothly. It didn't seem like she was a newbie who had just entered the industry at all; she spoke in such a clear and organized manner that even Zane was

looking at her with admiration.

Finally, Rentoor's staff told Sonia that after

signing the contract, they could produce

her goods within the time limit, but she

needed to go to the factory on Thursday to

have a look. The two parties would discuss again before going through with the contract

After hanging up the phone, the burden in Sonia's heart was lifted completely. "Zane, you've done me a huge favor."

"As long as you don't cooperate with

Dwells, we're friends." Zane had finished

eating a mango and was wiping his hands with a tissue. "Four Seasons Orchard has good mangoes this year. Did Toby send

them?"

As Sonia thought of what happened

yesterday afternoon, she frowned. "No.1

divorced him a long time ago, so I won't

accept the things he sends. A childhood

friend of mine bought these. You can bring

them back if you like."

"Really?" Zane raised an eyebrow and gave

her a knowing look.

Sonia found the look he was giving her to be strange. After taking a look at the time, she got up and put on her coat. "Mr. Coleman, if you don't have any plans for

lunch, let me treat you to a meal."

"Sure. Then I'll have to pick the restaurant well." Zane followed her out of the office.

Chapter 28

Sonia was no longer the daughter-in-law of the Fuller Family, so she did not have to

bear with Jean anymore. She grasped Jean’s wrist forcefully and pushed her away which caught the latter completely off guard. Because of that, Jean lost her balance and fell onto the ground. Her image was ruined as she moaned in pain.

“Madam White, please mind your behavior;” Sonia said coldly, “If you’re going to start throwing hands, I will not hesitate to do the same.”

Jean was boiling in anger. “Sonia, how dare you say that to me!”

Previously, when Sonia and Toby were still

married, Sonia was extremely obedient to Jean and would never dare to talk back. However, she had changed completely after the divorce.

“I knew you were a b*tch! You have been putting up an act all this while to cotton up to me!” Jean scowled. Despite wearing an elegant dark blue dress, she looked shrewish with her ferocious expression.

“You’re the one who refused to take a single cent from Toby when you guys divorced! What is this attitude you’re giving me right now? Have you no shame?!”

“It’s true that I didn’t take money from Toby.” Sonia looked directly into Jean’s eyes.

“Why are you still pestering my son then?!” Jean snarled.

She then took out a stack of pictures from her handbag and distributed them to the staff who were watching, “Look at your boss. What a shameless woman. My son has already divorced her and even has a girlfriend now, but she still refuses to let

go of him. She just won’t stop pestering him!”

After distributing the pictures, Jean threw the remaining pictures at Sonia. “Take a

look for yourself. How could you be so

shameless to ask Toby to carry you into

the car?!”

The pictures which Jean threw hit Sonia

before landing on the ground. Sonia picked

up a couple of them and saw Toby and her

in them—she was talking to Toby beside

the car while holding an umbrella. Because the two of them were standing close to each other, it seemed as if she was hugging Toby. On the other hand, the second picture was the scene of Toby carrying her into the car.

Little did Sonia expect that someone had secretly captured pictures of Toby and her when they were at the car park yesterday

afternoon.

Jean pointed at Sonia and continued to

reprimand, “Tina’s father has apologized to

you regarding the video, but you're such an ungrateful brat! You do know that Tina likes mangoes, don't you? And yet you dared to ask Toby to send mangoes to your company!"

Sonia was startled by Jean's words. She didn't know Tina liked mangoes and thought that the box of mangoes was from Charles. It turned out that it wasn't the "I'm warning you, Sonia-you better stay away from my son! The reason Toby agreed to marry you six years ago was because of Tina. Otherwise, given your status, do you think you deserve to be with Toby?"

Seeing Sonia's pale face, Zane quickly

stood up to mediate. "Madam White, although Miss Reed and Toby have divorced, they are still friends. The pictures must be a misunderstanding, Why don't you go back and ask Toby about it?"

"If she didn't seduce Toby, why would he carry her into the car?" Jean questioned,

"Maybe Miss Reed was feeling unwell, and

Toby merely helped her out of kindness. Madam White, this is Miss Reed's office after all. You'll put her in a difficult situation by causing such a scene," Zane said politely

However, Jean darted a glare at Zane and thereafter looked at Sonia with her eyes filled with contempt. Then, she sneered in

a loud and sharp voice, "Ha! You're really

good at seducing men, Sonia. Not only did

you seduce the model, but you won't even

spare Toby's friend!"

With that, Zane was rendered speechless.

Meanwhile, seeing how Jean was being

increasingly unreasonable, Sonia grabbed a cup of coffee from a staff's table and splashed it toward Jean's face. The coffee was still warm as it was splashed onto Jean's face and her dress. Screaming, Jean quickly took some napkins to wipe the stains on her dress.

"You b*tch!" Jean almost wanted to tear Sonia into pieces when her favorite dress was stained. Nevertheless, before she

could do anything, the securities had rushed up and held her down.

Sonia put the coffee cup back on the table

and stared at Jean coldly. "President Fuller

is a renowned man in the business circle. I

hope that you will conduct yourself better,

Madam White, lest other people think

Therefore, please make an appointment at the concierge if you would like to see me. If a situation like this happens again, FH

Before Jean could blow up, Sonia ordered the two securities, “Madam White here has disrupted everyone’s work. Please send her out.”

“Let go of me! I’m going to kill this b*tch!”

Jean was still cursing Sonia as she was dragged out by the securities, and she looked like a shrew indeed.

Meanwhile, the staff sensibly dismissed themselves and went back to their desks to work.

“My apologies, Mr. Coleman.” Sonia smiled faintly while wiping the coffee stain which spattered onto her sleeve.

Thereafter, the two went into the lift. Zane couldn’t stop glancing at Sonia as he rubbed his chin with his slender fingers and commented, “I realize you’ve changed a lot after divorcing Toby”

Before Toby and Sonia had divorced, Zane

had gone to the Fullers' residence a few times and had seen the way Jean treated Sonia like a servant, ordering her about. On the other hand, Sonia would always obey her commands in a servile manner. As such, Zane was very surprised to see Sonia's domineering stance today when she splashed coffee at Jean and taught her a lesson.

"Yeah. Thanks to Toby," Sonia said in sarcasm.

She married Toby six years ago because she loved him. She had been an obedient daughter-in-law and served the Fullers while bearing with Jean's scolding and unreasonableness, thinking that by doing so, Toby would be moved and fall in love with her.

Nonetheless, it was only later on did she realize it was just her wishful thinking.

"It's not a bad thing that you guys

Sonia wasn't that close with Zane and thought she didn't have to tell him

everything, so she answered, "Carl is quite

busy and has gone on a business trip

overseas."

Hearing that, Zane perceived that the two

were indeed dating, and he hummed in

response.

When the lift arrived on the ground floor, a

message came into Zane's phone. He

glanced at it and turned to Sonia. "Miss Reed, I'll take a rain check on the lunch as I have some matters to attend to." "Sure." Sonia nodded and sent Zane out of the company

After arriving at Majestique, Zane found the private room and entered it. Seeing that Toby was already here, Zane said immediately. "Your mother was making a scene at Paradigm Co. just now."

Toby frowned. "What did she do?"

"Sigh. It's because of the person who took pictures of you carrying Sonia into the car."

Zane sat down and poured himself a cup

of tea. "I have no idea how she got those

pictures. She went to find Sonia in her

company and scolded her for being

Zane continued asking with interest, What's going on? Are you the one

seducing Sonia?"

"No." Toby shot Zane a cold glance and explained in a displeased tone, "She wasn't feeling well after being caught in the rain yesterday afternoon. I was worried that she would cause a car accident if she drove, so I decided to send her back, but

she was stubborn and insisted on getting

After arriving at the office, Sonia called Daphne. "Dwells' boss will come to the office to sign the contract later, so get the contract ready."

Daphne was surprised. "President Reed, you managed to seal the deal with Dwells?"

"Yeah. Although Sonia didn't want to admit it, if it hadn't been for Toby coming **to the private room yesterday afternoon**, Dwells boss wouldn't have relented and taken on Paradigm Co.'s order.

She owed Toby a favor.

"Okay." Daphne nodded, then quickly went to prepare the contract.

After taking off her coat, Sonia hung it on the hanger. Just as she was about to sit down and settle the documents Daphne had sent, the phone on her desk rang.

She answered, "Hello?"

"**President** Reed, a gentleman named Zane wants to see you," the receptionist reported. "Do you know him?"

Sonia responded, "Send him up."

Soon, there was a knock on the office door, and the receptionist led a man in.

The man was dressed in comfortable and loose casual clothing; his jet-black hair was thick with the ends slightly curling

upward, and his facial features were so

perfect that no flaws could be found. He

was handsome and carried himself with

ease and natural poise.

His narrow eyes swept nonchalantly

across the office before finally landing on

"President Reed, you adapt really well." Zane walked toward the desk, then pulled

out the chair and sat down. He began

women would turn out to be the youngest

son of the mayor.” When it came to being

sharp-tongued, Sonia was never weak.

Zane raised his eyebrows. “President

Reed, I was complimenting you for finally being yourself, yet you’re insulting me?”

“I was praising you for being popular with the ladies.”

Zane knew that this woman looked gentle and dignified, but she was extremely good at talking. After adjusting his posture, he said, “I know that Paradigm Co. has an overseas order and wants Dwells’ factory to produce it, but I know a factor that’s even better at producing foreign goods.”

“Are you saying that you want to introduce resources to me?” Sonia looked at him in surprise. “Why?”

Zane shrugged, then spoke in a lazy and

casual manner. “We have a business

relationship, don’t we? If I have good

resources, of course I’ll introduce it to you.

Treat it as a personal favor!”

Sonia didn’t believe his nonsense. “Mr.

Coleman, we’ve only met once before, so we’re not even close with each other, and

Sonia looked at the woman in the photo. "Your girlfriend is very beautiful. I didn't expect that there would come a day where you would get cheated on."

Zane ignored the sympathetic look she

was giving him. "Yeah. I can't tolerate

being cheated on! So, I want to take revenge on Dwells. No friend around me is

allowed to cooperate with Dwells. You and

I are partners, so of course, you can't

cooperate with them either. This standard of the foreign goods this factory produces

is higher than Dwells'. Believe me." Zane

fiddled with his phone. "I'll send you the

number of the person in charge at

Rentoor."

"Rentoon?" Sonia was slightly shocked.

She knew about Rentoor Inc. They were a

well-known factory in Norfolk. Because of its high quality, many foreign companies approached them to produce their goods.

She even heard that their production

orders were scheduled until next year.

Initially, Sonia wanted to approach Rentoon

too, but because she didn't have any way

to do it, she went for the second best

option and chose Dwells.

"I'm very familiar with their business in

Norfolk," Zane explained. When he saw the box of mangoes by the table, he picked one up and peeled it before eating it. "Call him and talk to him first."

Sonia immediately copied the number given by Zane before dialing it. The other

party picked up fairly quickly.

Sonia knew the overseas order like the

back of her hand, so her conversation with

Rentoor's commerce department went smoothly. It didn't seem like she was a newbie who had just entered the industry at all; she spoke in such a clear and organized manner that even Zane was

looking at her with admiration.

Finally, Rentoor's staff told Sonia that after

signing the contract, they could produce

her goods within the time limit, but she

needed to go to the factory on Thursday to

have a look. The two parties would discuss again before going through with the contract

After hanging up the phone, the burden in Sonia's heart was lifted completely. "Zane, you've done me a huge favor."

“As long as you don’t cooperate with

Dwells, we’re friends.” Zane had finished

eating a mango and was wiping his hands with a tissue. “Four Seasons Orchard has good mangoes this year. Did Toby send

them?”

As Sonia thought of what happened

accept the things he sends. A childhood

friend of mine bought these. You can bring

“Really?” Zane raised an eyebrow and gave

her a knowing look.

Sonia found the look he was giving her to be strange. After taking a look at the time, she got up and put on her coat. “Mr. Coleman, if you don’t have any plans for

lunch, let me treat you to a meal.”

“Sure. Then I’ll have to pick the restaurant well.” Zane followed her out of the office.

"Madam White, please mind your behavior;" Sonia said coldly, "If you're going to start throwing hands, I will not hesitate to do the same."

Jean was boiling in anger. "Sonia, how dare you say that to me!"

Previously, when Sonia and Toby were still

married, Sonia was extremely obedient to Jean and would never dare to talk back. However, she had changed completely after the divorce.

"I knew you were a b*tch! You have been putting up an act all this while to cotton up to me!" Jean scowled. Despite wearing an elegant dark blue dress, she looked shrewish with her ferocious expression.

"You're the one who refused to take a single cent from Toby when you guys divorced! What is this attitude you're giving me right now? Have you no shame?!"

Toby.” Sonia looked directly into Jean’s eyes.

“Why are you still pestering my son then?!” Jean snarled.

She then took out a stack of pictures from her handbag and distributed them to the staff who were watching, “Look at your boss. What a shameless woman. My son has already divorced her and even has a girlfriend now, but she still refuses to let

go of him. She just won’t stop pestering him!”

After distributing the pictures, Jean threw the remaining pictures at Sonia. “Take a

look for yourself. How could you be so

shameless to ask Toby to carry you into

the car?!”

The pictures which Jean threw hit Sonia

before landing on the ground. Sonia picked

up a couple of them and saw Toby and her

in them—she was talking to Toby beside

the car while holding an umbrella. Because the two of them were standing close to each other, it seemed as if she was hugging Toby. On the other hand, the second picture was the scene of Toby carrying her into the car.

Little did Sonia expect that someone had secretly captured pictures of Toby and her when they were at the car park yesterday

afternoon.

Jean pointed at Sonia and continued to reprimand, "Tina's father has apologized to you regarding the video, but you're such an ungrateful brat! You do know that Tina likes mangoes, don't you? And yet you dared to ask Toby to send mangoes to your company!"

Sonia was startled by Jean's words. She didn't know Tina liked mangoes and thought that the box of mangoes was from Charles. It turned out that it wasn't the "I'm warning you, Sonia-you better stay away from my son! The reason Toby agreed to marry you six years ago was because of Tina. Otherwise, given your status, do you think you deserve to be with Toby?"

Seeing Sonia's pale face, Zane quickly

stood up to mediate. "Madam White, although Miss Reed and Toby have divorced, they are still friends. The pictures must be a misunderstanding, Why don't you go back and ask Toby about it?"

"If she didn't seduce Toby, why would he carry her into the car?" Jean questioned,

Toby merely helped her out of kindness. Madam White, this is Miss Reed's office after all. You'll put her in a difficult situation by causing such a scene," Zane said politely

However, Jean darted a glare at Zane and thereafter looked at Sonia with her eyes filled with contempt. Then, she sneered in

a loud and sharp voice, "Ha! You're really

good at seducing men, Sonia. Not only did

you seduce the model, but you won't even

spare Toby's friend!"

With that, Zane was rendered speechless.

Meanwhile, seeing how Jean was being

increasingly unreasonable, Sonia grabbed a cup of coffee from a staff's table and splashed it toward Jean's face. The coffee was still warm as it was splashed onto Jean's face and her dress. Screaming, Jean quickly took some napkins to wipe the stains on her dress.

"You b*tch!" Jean almost wanted to tear Sonia into pieces when her favorite dress was stained. Nevertheless, before she

could do anything, the securities had rushed up and held her down.

Sonia put the coffee cup back on the table

and stared at Jean coldly. "President Fuller

President Fuller's mother is a rude shrew.

Also, this is Paradigm Co.-my company.

Therefore, please make an appointment at the concierge if you would like to see me. If a situation like this happens again, FH

Before Jean could blow up, Sonia ordered

the two securities, "Madam White here has

disrupted everyone's work. Please send

her out."

"Let go of me! I'm going to kill this b*tch!"

Jean was still cursing Sonia as she was

dragged out by the securities, and she

looked like a shrew indeed.

Meanwhile, the staff sensibly dismissed

themselves and went back to their desks

to work.

"My apologies, Mr. Coleman." Sonia smiled faintly while wiping the coffee stain which spattered onto her sleeve.

Thereafter, the two went into the lift. Zane couldn't stop glancing at Sonia as he rubbed his chin with his slender fingers and commented, "I realize you've changed

a lot after divorcing Toby”

Before Toby and Sonia had divorced, Zane had gone to the Fullers’ residence a few times and had seen the way Jean treated Sonia like a servant, ordering her about. On the other hand, Sonia would always obey her commands in a servile manner. As such, Zane was very surprised to see Sonia’s domineering stance today when she splashed coffee at Jean and taught her a lesson.

“Yeah. Thanks to Toby,” Sonia said in sarcasm.

She married Toby six years ago because she loved him. She had been an obedient daughter-in-law and served the Fullers while bearing with Jean’s scolding and unreasonableness, thinking that by doing so, Toby would be moved and fall in love with her.

Nonetheless, it was only later on did she

realize it was just her wishful thinking.

There was already someone else in Toby's

heart, so no matter how she loved him

humbly and wholeheartedly, she wouldn't

be able to capture his heart.

"It's not a bad thing that you guys

divorced. I reckon no woman will dare to

marry into the Fullers aiven Madam

White's character." Zane freaked out at the thought of Jean's fierce look. Toby is amazing for not being psychologically distorted having a mother like this." Then, he changed the topic and asked Sonia, "The model seems pretty decent. When do you guys plan to get married?"

Sonia wasn't that close with Zane and thought she didn't have to tell him

everything, so she answered, "Carl is quite

busy and has gone on a business trip

overseas."

Hearing that, Zane perceived that the two

were indeed dating, and he hummed in

response.

When the lift arrived on the ground floor, a

message came into Zane's phone. He

glanced at it and turned to Sonia. "Miss Reed, I'll take a rain check on the lunch as I have some matters to attend to." "Sure." Sonia nodded and sent Zane out of the company

After arriving at Majestique, Zane found the private room and entered it. Seeing that Toby was already here, Zane said immediately. "Your mother was making a

scene at Paradigm Co. just now."

Toby frowned. "What did she do?"

"Sigh. It's because of the person who took

pictures of you carrying Sonia into the car."

Zane sat down and poured himself a cup

of tea. "I have no idea how she got those

pictures. She went to find Sonia in her

company and scolded her for being

shameless and seducing you even alier you guys are divorced."

Zane continued asking with interest, What's going on? Are you the one

seducing Sonia?"

"No." Toby shot Zane a cold glance and explained in a displeased tone, "She wasn't feeling well after being caught in the rain yesterday afternoon. I was worried that she would cause a car accident if she drove, so I decided to send her back, but

she was stubborn and insisted on getting

a temporary driver."

Zane ignored the gloomy face Toby was giving and asked again, "Also, why did you ask someone to send mangoes to Paradigm Co.?"

Then, he quickly called Four Seasons

Orchard to look into it.

After looking into the matter, the person-in

charge quickly apologized, "I'm sorry.

President Fuller, the delivery man wasn't

aware of your divorce and thought Miss

Reed was still your wife, so he delivered

the mangoes to Miss Reed's company instead. My sincere apologies about that."

Toby had put his phone on speaker, so

Zane—who was sitting across from

him—heard the content too. "Oh, poor Sonia. She was wrongly accused by your mother."

Feeling vexed, Toby rubbed his eyebrows.

He had never thought that someone would

have the guts to secretly take pictures of

him at Sakura Heights. Besides that, he

had not expected that the mangoes would

be delivered wrongly, which caused Jean

to confront Sonia at Paradigm Co.

After waiting for the waiter to serve the

dishes and walk out, Toby asked Zane, “Has Sonia talked with the person-in charge from Rentoon?”

“Yeah, She’s going to visit Rentoor’s factory on Thursday.”

Zane even praised Sonia. “I think even if you didn’t give Rentoor a heads-up, they will still be willing to collaborate with Sonia given her eloquence. Although she has just entered the business circle, she’s a fast learner, and that is really something.”

“You think so? All of a sudden, Toby felt like it wasn’t that he didn’t know Sonia well enough, but he just had not paid attention to her at all.

to her at all.

After having married Sonia for six years, all

he could remember was the scene of

Sonia being busy at home. As a

responsible wife, she would prepare

delicious dinners for him and iron his

clothes.

Toby had never expected that besides doing house chores, Sonia was outstanding in other aspects too.

Zane shrugged. "You'll understand when you see it for yourself next time. Your ex wife is really something. But I don't understand, Toby. Isn't Paradigm Co. going to sign a contract with Dwells soon? Why

did you still introduce Rentoor to them?"

Zane asked. "You would owe Rentoor a

favor by doing so, and Rentoor would

surely bother you to return this favor in the future."

"This overseas order is very important for

unstable," Toby replied indifferently while

eating. “Dwells is good at dealing with overseas orders, but Rentoor is even better, and they are more well-known than Dwells. If Paradigm Co. can establish a long-term collaboration with Rentoor, they

won’t have to go look for orders as the

business with Rentoor will be profitable

enough.”

“Did I hear it right? Toby, are you helping

your ex-wife to build connections?” Zane rubbed his chin.

Toby remained silent for a moment and said nonchalantly, “She did not ask for anything when we divorced. I’m doing so

as compensation to her.”

*This compensation is too stingy. She has

stayed with your family for six years.

Having been ordered around by your

mother every day for six years straight—if I were Sonia, even a billion is too little of a compensation.” Zane chuckled.

Before Zane could finish teasing Toby, the latter suddenly put down the cutlery and

grabbed his blazer on the back of his chair.

“I’m heading back to the office.”

Seeing Toby walk out, Zane yelled, “I’m just

spitting facts. Did that bother you, Toby?”

As a response to him, Toby flung the door

closed with a loud bang.

“Go ahead and fling it. I don’t have to pay for any damage caused anyway.” Zane shrugged and summoned the waiter to order more food

Some staff of Paradigm Co, had secretly recorded the video of Jean causing a scene in the company, and that particular video had spread across the business

circle.

Everyone was surprised that Toby, who

was resolute and honorable in the

business circle, actually had such a

ferocious mother. Meanwhile, some

thought Sonia was too much for treating

her ex-mother-in-law that way after

watching the second half of the video

which had been deliberately edited.

Some even came up with theories that

Sonia had already been together with the

model from Vashine Entertainment long

ago, and that Toby had divorced her upon

finding out her betrayal.

All sorts of conspiracy theories started going around the business circle.

Nonetheless, Sonia couldn't bother less about the rumors. After settling the agendas in the company, she went to Norfolk on Thursday. Rentoor's factory occupied a large area in Norfolk

After Sonia greeted Rentoor's boss, she followed him to visit the production line, to

observe how the overseas goods were

made and to inspect the final products. Both of them negotiated from lunch at

noon till 2 in the afternoon. Finally, they

came to an agreement and the contract

was signed by both parties.

Sonia wore a relaxed smile the moment she saw Rentoor's stamp sealed on the contract. She then shook hands with

Rentoor's boss. "I'll count on you for the

orders then. The New Year is coming soon

M'll ask my secretary to send some gifts to you and the staff later."

"No problem. You're too kind, President

Reed."

Later, Sonia turned down the boss' invite for dinner and bought a plane ticket at 3 P.M. It was 4.30 P.M. when she arrived back at Seafield.

beside Sonia accidentally bumped into her,

causing her to almost lose grip of her

“I’m sorry.”

Seeing that the other party had apologized,

Sonia didn’t think it was necessary to make a fuss. She quickly picked up the scarf from the floor and passed it to the person. Just then, the person lifted her head and Sonia realized it was someone

she knew, so she greeted her politely, “Hi, Mrs. Gray. What a coincidence.”

Julia’s originally gentle-looking face darkened when she saw Sonia.

Without thanking her, Julia quickly grabbed

her scarf and said coldly, “We’re having

dinner with Toby’s parents tonight to

decide the date for Toby and Tina’s

engagement. Miss Reed, since you’ve

already divorced Toby, please stay away

from him.”

Hearing that, Sonia smirked slightly. “I’m

walked to the car with Titus while asking

Titus opened the door to the backseat and

"There, there. Let's not cry." Titus

Julia sobbed in a choking voice.

On the other hand, Julia was hesitant. “Forget about it. She’s Toby’s ex-wife after all. If Toby becomes aware of this, I’m worried it would cause Tina trouble in the

politely shook Sonia's hand.

After sitting down, Sonia sipped her tea

and did not bring up the matter about their collaboration. Seeing so, Paul had no choice but to bring it up. "I'm so sorry, President Reed. For the past few days, I was so busy I couldn't make it over to sign

the contract. I'm here today to make an apology."

With that, he presented the contract to Sonia and said, "Please take a look at the

contract and we can sign it if there's no

other issue."

Charles frowned and wanted to say

something, but Sonia gave him a look and

gestured to him to refrain from speaking.

Then, she said to Paul, "Mr. King, my

secretary told me that she tried contacting

you via your office number before this but

couldn't reach you. Because it's an urgent

order and we couldn't afford to delay. I've

already contacted another company to handle it."

"President Reed, my company is the top manufacturer in the country for overseas orders. You claimed that you value the quality of the product, but how could you

end up engaging a below-par manufacturer just because you're rushing to ship the order?" Paul thought Sonia was merely saying so to bargain with him, so he became a little arrogant.

Sonia smiled, "Besides your company,

Rentoor Inc. is also well-known in

manufacturing goods for overseas orders."

"But I heard Rentoor is fully booked until

next year. President Reed, did you really

sign a contract with Rentoon?" Paul was

still in disbelief and pressed on.

What he said when they were playing cards the other day was merely out of respect toward Toby. In fact, he didn't take Sonia seriously at all, but little did he think

that she managed to engage Rentoor.

Sonia has *just entered* the business circle

and has *no* connections. How would she know *the boss of Rentoor*? Could it be that Toby is *helping her*?

Paul was reminded of how Toby cared for

Sonia that day when they were playing

cards, so he thought it wasn't surprising

that Toby would help her to build

connections.

Within a few seconds, Paul understood the

situation. Gritting his teeth, he said to

Sonia, "President Reed, to be honest, I was

merely bluffing when I said that an old

client requested additional orders. Earlier on, President Gray called me and asked me to not take up orders from Paradigm Co."

Hearing that, Charles snorted. "No wonder! All this while I was wondering why you wouldn't take up such a profitable business. I figured that there's a possibility that someone is picking on our company.

Ha! Turns out I was right!"

– "Our company has quite a number of

collaborations with Gray Group, so I was in a quandary." Paul smiled awkwardly and continued immediately, "But I still wish to collaborate with Paradigm Co. Otherwise, I

wouldn't take the risk of offending President Gray and come here today."

What Sonia needed currently was exactly

this—connections. Moreover, there were

no enemies in businesses and profit was

the utmost priority.

Sonia smiled. "I perceive your sincerity, Mr.

King, but I've already signed the contract

with Rentoor. If I have other overseas

orders in the future, I'll definitely go to you first."

Hearing that, Paul heaved a sigh and continued chatting with Sonia and Charles for a while more before leaving.

After Paul had left, Charles asked Sonia, "I've tried contacting Rentoor before this too but to no avail. How did you manage to contact their boss?"

"Zane referred me to him."

Then, Sonia told Charles about the event where they played cards at Sakura Heights, and that Zane referred her to

Rentoor after that

After hearing that, Charles sighed. "If we

had known that Zane has such a

connection, you could have taught Mr.

King and the others a lesson when you

guys were playing cards at Sakura

Heights. Teach them a lesson so that they

won't dare to play cards with you

anymore."

Sonia smiled. "Mr. King and the others are

pretty good at playing cards."

She had not played cards ever since she

got married to Toby. After some time, besides Charles and a few others, many people thought Sonia didn't know how to play cards. The last time she played with Paul and the others was the first time she

played cards after six years.

You're too humble!" Charles rolled his

eyes at Sonia and teased her, "We grew up

together. Of course I know how good you

are at playing cards. Even your father

couldn't beat you, let alone others."

Because of Charles' remark, Sonia was

reminded of her father who committed

suicide, and she felt terrible. "Let's go. I'll

buy you dinner."

Just as she stood up and wore her coat,

her phone started ringing.

her phone started ringing.

“Hello?”

“Is this Miss Sonia Reed? Your brother is at our police station now. Please come over **immediately.**” A lady’s solemn voice emerged from the other end of the line.
