

Chapter 1361

"You Lan, what do you say? Director Mu said, "our instructors have arranged it?" A short hair, wearing tight clothes of the capable woman, surprised at you LAN, voice asked.

"Well!" You LAN nodded, looked at the woman and said in a voice, "sister Tan, this is what director Mu said to me personally."

Tan Lanjie, the leader of the fifth hot water team, is also the leader of the fifth hot water team. However, Tan Bingjie usually gets along well with the team members. She doesn't have so many rules, so she is just like a sister.

"You --" Zhang Xinyu was discontented and almost quarreled with Tan Bingjie. However, after all, in the base, he still controlled himself, and asked a stout man who had not spoken to one side, "Lu Gang, you are the leader of the local team. What's your opinion?"

Tan Bingjie said in a cold voice: "that's better than standing still and sticking to the rules!"

Zhang Xinyu frowned and said in a voice, "what's so simple to bring a breakthrough? If the new instructor can't do it, it will make our grades worse."
"

After listening to tan Bingjie's words, Lin Anshu couldn't help nodding. He thought it was reasonable.

"So, I think, in order to win. I think it's better to choose a new instructor. As the saying goes, "no break, no stand. Maybe the new instructor can bring us a breakthrough."

Looking at the silent people, Tan Bingjie continued: "we are all familiar with Xing Rui, and I have no doubt about his strength. It's just that we are too familiar with each other. It's very difficult for us to rely on him to improve our team's strength and become a favorite to win the championship in three months

After that, Chen Mochi was active in public for only one year, and then disappeared. However, the event of Chen Mochi's black horse winning the championship is an unavoidable event in the history of the Martial Arts Conference for so many years.

Later, people found out that Chen Mochi probably got the treasure of the Dragon tomb, so he suddenly rose from an unknown person. For a time, Chen Mochi's long tomb treasure incident, which has been silent for many years, has aroused a wave of treasure hunting.

Now, they still remember the martial arts conference more than 20 years ago, when Chen Mochi, a strong man, suddenly emerged, defeated many popular players in a dark horse manner and finally won the championship. He had a good reputation and was highly sought after.

Moreover, it's common for unknown strong people to appear at the martial arts conference.

After all, what Tan Bingjie said is true. Although the five elements team of Linglong is good, its strength can not be regarded as the top one. If you don't talk about anything else, you can say that the experts trained by the Wudao

League themselves have ever played against each other, and they are really weaker than each other.

Hearing Tan Bingjie's rhetorical question, several people were stunned, with a low expression.

"Our Linglong five element team has good strength, belonging to the top group. But if we want to win the championship, there is still a certain distance. Not to mention whether the well-known wudaozong sect will send people to participate, but the experts trained by the wudaomeng itself, we may not be able to beat them. In addition, China has a vast territory and abundant resources, so there may be some loose martial arts practitioners. At that time, are you confident that you can guarantee the results of our five elements team? "

"I'm not finished, don't interrupt me!" Tan Bingjie glared at Zhang Xinyu discontentedly and continued, "we all know that the martial arts meeting of the Martial Arts Alliance is the competition meeting where the strong gather and the top martial arts in China."

"We all know that." Zhang Xinyu said.

Tan Bingjie said in a voice: "first of all, you have to find out what director Mu is doing to arrange new instructors for us this time. There is only one purpose, that is, the Wudao conference of Wudao League in three months. We want to achieve good results by then. "

"What's your judgment?" Zhang Xinyu's face is not very good-looking, he said in a deep voice.

"The reason why I say he is not suitable is that I have my own judgment."

Tan Bingjie smelled the speech, with an expression of displeasure on her face. She looked at Zhang Xinyu and said in a cold voice, "Zhang Xinyu, don't label me. You have a good relationship with Xing Rui, he and I are teammates, there is no trust

"Er - Tan Bingjie, you don't trust Xing Rui? His strength has reached the late prefecture level, a little higher than us. Why is it not a good thing to be our instructor?" Zhang Xinyu asked.

Tan Bingjie gently frowned and said in a voice, "Xing Rui is good, but I don't think it's good for him to be our instructor."

Then, he looked at Tan Bingjie and asked.

Hearing the speech, Zhang Xinyu's face showed a touch of excitement and nodded to Lin Anshu.

Lin Anshu said in a voice: "Xing Rui is good. He is the leader of team Jin. He is very familiar with us and we have been together for many years. His strength is better than ours. If he comes to train, the effect should be good. If not a very good new instructor, I would agree with Xing Rui to be our instructor. "

Next to tan Bingjie and Lin Anshu smell speech, a burst of silence, and then opened his mouth.

With that, Zhang Xinyu looked at the captains and said in a voice, "what do you think? After that, director Mu will bring a new instructor. Let's put forward our opinions and disagree with him. "Immediately, Zhang Xinyu continued: "besides, not all of them have been discussed before. If we can't find a suitable instructor, let Lao Xing lead us to practice. We all know the strength of Lao Xing. He is also our boss. It's better for us to practice with him. It's not more suitable than any new instructor. "

You LAN smell speech, didn't say what, just lightly frowned.

At this time, Zhang Xinyu, who had been frowning and didn't open his mouth, looked at you LAN, and said in an unhappy voice: "director Mu didn't say who the new instructor was, it's certainly not a famous and powerful person. It's a waste of time to choose such a person as our instructor. It's better to practice by ourselves. "

Lin Anshu smell speech, nodded, to you Lan said voice thank you, then did not speak.

This scholarly man is Lin Anshu, the leader of the five elements team.

You LAN shook his head and said: "Captain Lin, director Mu only said that the instructor had arranged it, but he didn't say who it was."

At this time, on the other side, a man with glasses, thin and long figure, with a touch of scholarly spirit, pushed his glasses and asked you LAN, "You Lan, did director Mu say, who is the instructor he arranged for us?"

Lu Gang, with a flat head and a simple and honest face, said with a smile: "who is the instructor? I'm what I call it. Who can make my strength stronger, I will support who

"A lot of nonsense is no different from not saying it!" Zhang Xinyu was dissatisfied.

Lu Gang was not angry either. He laughed and said, "I'm telling the truth. That's what I think."

Chapter 1362

Zhang Xinyu frowned, then took out his mobile phone, turned around and said, "Xing Rui is still out on a mission, but he hasn't come back. I'll call him and ask his opinion."

Seeing this, Tan Bingjie frowned. Lin Anshu and Lu Gang, on the other hand, have been used to it for a long time.

Zhang Xinyu called several times, but there was always a prompt to turn off the phone. In the end, he had no choice but to frown, put away his cell phone, take a look at the other five element team leaders, and said: "anyway, I don't agree with the new instructor."

.....

"Oh, no matter how powerful Xiangjiang special training is, it's just a branch. We are the five elements team. We are the best among the elite of Linglong. We can't be compared with those ordinary teams. "

"If so, I have some expectations."

"The results of Xiangjiang special training were really outstanding that time, and they also defeated foreign warriors."

Referring to this, several people looked at each other and then began to talk in a low voice.

Director Mu continued: "what qualifications do you have? I can tell you that Mr. Chen was responsible for the special training organized by Linglong in Xiangjiang. You know the results of that training

.....

"I still want to see his strength."

"The requirements of the special instructor are very strict. I want to know what qualification he has to become our special instructor of Linglong."

"That's him? More than a year ago, our Linglong organization suddenly added a special instructor. "

Hearing this, several people's faces changed again, then they thought of something, and their eyes looked a little strange.

"One of the special instructors."

In the face of doubt and doubt, director Mu said: "Mr. Chen is not a casual practitioner. He is one of the special instructors of our Linglong organization."

Only Tan Bingjie, after frowning and thinking, said to Chen Fei, "Mr. Chen, can you show your strength?"

Lu Gang is to see Chen Fei one eye, voice asks a way: "you are very fierce?"

Lin Anshu also looked suspicious and said: "Mu Bureau, it's only three months since the martial arts conference. We don't have any spare time to waste. I'm afraid that's not suitable! "

Zhang Xinyu can be said to be the most excited one. He pointed to Chen Fei and said to director Mu: "Mu Bureau, are you kidding. Let him, a martial arts practitioner outside, be our instructor? "

However, at the moment, they didn't care what Chen Fei said at all, almost all of them had a look of astonishment.

"Hello, I'm Chen Fei. In the next three months, I hope to get along with you and make progress together. " Chen Fei looked at several people in front of him and said with a smile.

Even you LAN, who has the best attitude towards Chen Fei, covers his mouth and is surprised. He can't believe it.

As soon as the words came out, the scene was silent, and everyone was stunned, looking at Chen Fei with an incredible face.

Director Mu understood what they thought and didn't say much. He took a look at Chen Fei and then pushed him out. With a smile on his face, he announced: "this is Mr. Chen Fei. He is the new instructor I asked for you."

Now, director Mu says frankly that the new instructor is absolutely competent, which makes them surprised and curious, but also some do not believe.

Before, they also invited many famous experts and instructors from inside and outside the army, but after trying, the effect was very general.

After all, the strength of the captains has almost reached the prefecture level when they reach the level of Wuxing team. If you want to continue to improve, it will be very difficult.

Hearing director Mu's firm words, the four leaders of the five elements team were surprised, and at the same time, they were even more curious.

Director Mu heard the speech and said in a deep voice: "I know what you think. I can assure you that the new instructor you are invited this time has the absolute strength and qualification to be your instructor. He has the absolute ability to improve your strength before the martial arts conference. "

Zhang Xinyu gently frowned and said in a voice: "Mu Bureau, I still think it's more appropriate for Xing Rui to be our instructor."

Lu Gang laughed and said: "as long as I can be stronger, I am the same as any instructor."

Lin Anshu added: "what is your strength? Have you had any results before? "

"Well!" Tan Bingjie nodded, and then couldn't wait to ask, "Mu Bureau, who is the new instructor you invited for us?"

"It's all there!" Director Mu looked at a few people, and then said, "just now, I asked you LAN to inform you of the news, have you received it?"

Several other people were surprised and wanted to ask about the details, but at this time, director Mu and Chen Fei had come to them, so they had to stop talking.

Zhang Xinyu said: "don't frown at him. I was at the office just now, and I was raving about it. "

.....

"Look at the way he talks and laughs with director mu. It doesn't look like the person that director Mu wants to catch!" "No, the Xia family is not as good as the Luo family and the Zhong family, but they are not easy to be provoked. It's not too difficult to ask a prefecture level expert to protect it! Is that boy a prefecture level master? "

"He looks very young. Did he really destroy the menxia family?"

Hearing that Chen Fei was the one who destroyed the Xia family, the others were also surprised. They looked at Chen Fei one after another, looked at him, and began to talk in a low voice.

Zhang Xinyu pointed at Chen Fei and said to them, "that guy is the murderer of Xia family. You LAN and March just caught us in the base. I thought director Mu would directly order him to be locked up. How did he come to us? "

Tan Bingjie, Lin Anshu and Lu Gang look at Zhang Xinyu with a puzzled look on their face.

When Zhang Xinyu saw Chen Fei and director Mu coming together, he frowned and said in a cold voice, "how did that guy come?"

Seeing this, several people asked after each other, "Muju, you're here!"

The other three were about to speak when director Mu and Chen Fei came here.

Seeing this, director Mu grinned and continued: "is there any doubt? Then I'll tell you that in addition to that, Mr. Chen still ranks first in the Qianlong list."
"

A few people were really surprised by this. Even Zhang Xinyu, who is most dissatisfied with Chen Fei, is surprised at the moment.

This is because the Qianlong list is one of the lists published by the Wudao League, and the list includes young Chinese martial artists under the age of 36. The result of the contest in three months will affect the rearrangement of the Qianlong list.

Moreover, the captains of their five element teams are all on the Qianlong list.

Among them, Lu Gang ranked 15th, Tan Bingjie ranked 17th, Zhang Xinyu ranked 19th, and Lin Anshu ranked 20th. In addition, Xing Rui, the leader of the golden team, ranks seventh in the Qianlong list, which is the highest ranking of several people.

"It can't be something illegal, can it?"

"Drugs?"

Looking at their expectant eyes, Chen Fei said in a loud voice, "my way to solve this problem is to cooperate with my special medicine to stimulate your body's potential and make your strength progress faster."

Wen Yan, including a few team leaders, can not help but start, and then show the color of expectation.

"If you can reach such a level, your strength and talent are self-evident, so I won't say much. The biggest problem you are facing now is how to quickly improve your strength in a short time. "

Chen Fei stood on a platform, looked down at the people below, and felt their strength. He couldn't help nodding: "you are all the elite of Linglong. Your

strength is basically between the peak of Xuan level and the beginning of prefecture level. It's a very powerful existence."

Although still suspicious, the three quickly gathered their team members together. There are not too many people. There are only 12 team leaders and 36 team members in three teams. In addition, there are only 40 members in the golden team.

Immediately, he said in a loud voice, "since you haven't left, please gather your team leaders together. I'm going to have my first training class

"Thank you For Tan Bingjie's trust, Chen Fei feels a little surprised and nods with a smile.

But Tan Bingjie, looking at Chen Fei, said with a smile: "I believe in the vision of Mu Bureau, and I also believe that the Qianlong list is not random. So I'm looking forward to your performance. "

I want to try again

Lin Anshu pushed his glasses and said in a voice, "it's not enough. I just put you on my list for investigation for the time being."

After a while of silence, Chen Fei showed a smile and said, "it seems that you recognize me as a new instructor?"

The following people smell speech, a throb, look at each other, someone wants to leave. But the rest of the captains didn't make a statement. It's not easy for them to leave at will.

Chen Fei watched them leave, but he didn't stop them. Instead, he looked at the rest of them and asked with a smile, "if you want to leave? If you want to leave, you can go together now, otherwise it will be too late to leave when my training class starts. "

Suddenly, a group of people led by March hesitated slightly, and then followed Zhang Xinyu to leave.

"You --" Zhang Xinyu looked at Chen Fei. He didn't mean to listen to himself. He couldn't help but turn around and leave. At the same time, he gave an order to the members of the fire team. "All the members of the fire team follow the order and leave here. I'll give you another special training. "

Facing Zhang Xinyu's cruel words, Chen Fei nodded with a smile and said in a voice: "I remember. Is there anything else to say? If not, I'm going to start my first training class. "

Zhang Xinyu glared at Chen Fei and said in a voice: "I don't care what background you have and what relationship you have, let Mu bureau support you. But what I can tell you is that if you want to be the new instructor of our five elements team, my fire team is the first to refuse. "

As a result, several people looked at each other, serious expression, the atmosphere seems a little embarrassed.

When he left, he patted Chen Fei on the shoulder and said in a voice, "Xiao Chen, if someone doesn't listen to you, you can report to me at any time and I will deal with it."

"Then train well and I'll see the results in three months." Director Mu snorted coldly, then glanced at the other players, turned and walked away.

As soon as Zhang Xinyu's face changed, he immediately stood upright and said, "yes, Mu Bureau, I understand! I follow orders from my superiors. "

Director Mu's attitude suddenly became serious, which surprised everyone.

Seeing this, director Mu frowned discontentedly and said coldly to Zhang Xinyu: "Zhang Xinyu, although the five elements team has certain autonomy. But you have to be clear that I am the deputy director of Linglong organization. It is an order, not a discussion, to appoint Chen Fei as your new instructor. Do you understand? "

Lin Anshu sneered: "Zhang Xinyu, your joke is not funny at all. Do you think I would make such a low-level mistake? "

"Is it true? Isn't it a fake website? " Zhang Xinyu said. You know, there is one in Wudao League. Before, the top of the Qianlong list had always been occupied by him, but now he was pushed down by a nameless pawn, which is really ridiculous.

They really don't understand how Chen Fei, such a guy, got to the top of the Qianlong list.

After hearing Lin Anshu's voice, several people turned their heads to look at it and confirmed that the information on the website was Chen Fei, they were even more surprised.

When Zhang Xinyu questioned, Lin Anshu, who was next to him, had already found out the tablet computer and looked it up on the website. After a while, he found the relevant information and said in a surprised voice, "ah, Chen Fei is the number one on the list of Wudao Qianlong. Sudden rise, strong presence. Zhang Xinyu laughed directly and said in a voice: "Mu Ju, don't be kidding. This is the top guy on the list. Oh, it's absolutely impossible. "

Now, however, director Mu told them that Chen Fei, who seemed to be weak and unimportant, was the top of the Qianlong list. This really surprised them and made them feel a little unbelievable.

.....

Facing all kinds of questions, Chen Fei didn't explain much. He directly took out a few pills and said in a loud voice, "who wants to come up and have a try?"

Everyone hesitated for a while. A few seconds later, Tan Bingjie was the first one to come out, took Chen Fei's pills and swallowed them directly.

"Yes!" Chen Fei handed the pill to the other party.

Wen Yan, a member of the local team rushed up, "instructor Chen, I want to have a try."

Zhang Xinyu snorted coldly and said: "what instructor? It's just a back door account. We don't need to do anything at all. As long as the guy shows his feet, Lin Anshu, Lu Gang and Tan Bingjie will knock the boy down. After all, it's ridiculous for a guy without strength to want to get a foothold in our five elements team. "

Zhang Xinyu frowned and said, "don't you think it's strange that this kind of medicine can enhance strength quickly? Besides, even with this drug. Chen Fei is just relying on drugs. His own strength is still insufficient. He is not qualified to be the instructor of our five element team. "

But after all, Zhang Xinyu is their team leader. The team leader didn't speak, and it's hard for them to go there directly. They can only look at Zhang Xinyu.

For a moment, the whole fire team members are excited, eager to find Chen Fei to apologize, admit his mistake and return to the team.

Immediately, they asked someone about the specific situation, and the fact was just around the corner, which made them believe that Chen Fei, the new instructor, was really powerful.

"This -" the members of the whole fire team were all shocked.

After taking the medicine, he sat cross legged on the ground and took the time to practice. No medication, but also seize the opportunity to seek

guidance from Chen Fei. It can be said that everyone is very busy and has no spare time at all.

Originally, they thought that people would sneer at them for a while, but when they came in, they found that the people inside had no time to pay attention to them.

So Zhang Xinyu returned to their training team.

Zhang Xinyu doesn't want to go in, but he knows that pressing his players at the moment will only make them dissatisfied with themselves. So he nodded and said, "well, let's go in and have a look."

"Yes, team Zhang. If it's true, all the other teams have made progress. Our fire team will fall behind."

Finally, someone couldn't help saying: "Captain Zhang, let's go and have a look at the specific situation. If Chen Fei really can't do it, it's a big deal. We'll go back, and there's no loss. "

At this time, there were bursts of cheers from inside, which made the people outside itch and keep looking at Zhang Xinyu.

You LAN didn't pay attention to him at all. With a cold hum, he dropped a sentence, "believe it or not", and then went in directly.

"You Lan, you can't scare us. It's just a little boy, just a few pills. What's the big deal? We -- "said March.

Just as Zhang Xinyu was about to reprimand them, you LAN came out and said in a cold voice, "listen to everyone outside. Instructor Chen gives you one last chance. Those who go in now may be given pills and be taught by instructor Chen. If you miss this opportunity, you don't have to come later. "

They are also members of the five elements team. Others are taking pills inside and their strength is enhanced. But they are doing nothing outside. Naturally, they are worried.

And around the fire team members, heard the conversation between the two, eyes also flickered, eyes constantly toward the inside.

"What Zhang Xinyu did not expect such a result, and his expression sank.

Ma Qi said: "it seems that Chen Fei took out a kind of pill. After taking it, his practice speed will be accelerated. There are several people who have directly broken through the realm of the scene, so now the people inside trust him very much. "

Seeing this, Zhang Xinyu could not help frowning, "what's the matter?"

March nodded away, and soon he came back, a little pale.

Listening to the comments of the team members, Zhang Xinyu didn't look good. He winked at Maggie and said in a voice, "go and find out what's going on?"

"But there are so many people in it. Chen Fei should have two brushes. Otherwise, we can't stay so long! "

"Ha ha, I think those two people were sent out on purpose!"

"Listen to them! In a few hours, strength can be enhanced. How can there be such a simple thing? "

"Is Chen Fei really that powerful?"

His team members also talked about it one after another.

Ma Qi and Zhang Xinyu, who were elated at first, are not good-looking now.

As a result, only the members of the fire team were left in the training room.

After listening to them, they looked surprised. Although they hesitated, they trotted back with them.

"Regret? It's you who regret it. " Two people sneer, and then directly from march around, walked to the gold team members, said, "you guys, come back quickly! Instructor Chen is very powerful. In just a few hours, many of us have been strengthened. If you miss this opportunity, it will be hard to find it in the future. Hurry up When they saw this, they were stunned, then their faces sank, and their expressions were not good-looking. After all, March is just an ordinary member of the fire team, and the existence of their peers, but now a set of tone of lesson, naturally make them uncomfortable.

"I said you too. As a member of the gold team of the boss Xing, you don't support the boss Xing. Instead, you go to the class of the new coach. Now, regret it March a tone of lesson, open a way to two people.

March met the two players and said, "why did you come out? Did the new instructor show his horse's feet?"

Zhang Xinyu nodded with a smile, like a man in his heart.

March recognized them. He was one of the team members left by the golden team. He immediately laughed and said to Zhang Xinyu, "boss Zhang, you are really clever. It seems that the boy can't stay any longer. "

At this time, two uniformed team members rushed over in a hurry.

"Boss Zhang is right. It shouldn't be long before Chen Fei is fired away. " March immediately agreed.

Zhang Xinyu didn't keep his words. The words spread all over the training room, so that everyone heard them, including Chen Fei who was busy.

Chen Fei heard the voice, looked over and said in a cold voice, "are you questioning my qualifications?"

Zhang Xinyu and Chen Fei looked at each other and said firmly, "what is the ability to rely on drugs. We are warriors. We fight by our fists and strength, not by drugs. "

Chapter 1366

"Yes, if you don't believe me, you can take your people away. It's just that you don't have to come back in the future. " Chen Fei is not interested in arguing with him. He cools down.

"Just leave. Who do you think you can scare?" Zhang Xinyu said in a cold voice, ready to leave.

But at the moment, Marcy didn't mean to leave the team except for other players.

For this kind of flatterer, Chen Fei is not interested in letting him continue to stay in the team, and directly waves people to drive him out.

Chen Fei nodded, glanced, and found a shrinking figure in the crowd. Although he tried his best to hide his existence, Chen Fei soon caught him, not others, but Ma Qi, Zhang Xinyu's former follower.

"No!" There was a neat cry.

Chen Fei laughed and said, "next, I will officially become your new instructor. Who else has any opinions?"

Chen Fei's eyes became hot as he looked down at the time.

If they were just surprised at the magical effect of Chen Fei's medicine before, now, Chen Fei's one move to defeat Zhang Xinyu is really showing their strength to them and really subduing these people.

At this time, the following five elements team members to see Chen Fei's eyes, all changed.

"Well, next, the affairs of the five elements team will be fully handled by you, and I won't be involved." Director Mu patted Chen Fei on the shoulder and left immediately.

Chen Fei nodded and said in a soft voice, "it doesn't matter. It's just a piece of cake."

Immediately, he looked at Chen Fei and said, "Xiao Chen, I'm sorry to let you encounter this kind of thing. It's our Linglong's fault."

Director Mu waved his hand and asked people to drag Zhang Xinyu down.

Zhang Xinyu himself was also stunned. After a few seconds, he came back to himself and cried out: "Mu Bureau, don't fire me. I'm the leader of the fire team. I've made contributions to the organization. I - "

this means that Zhang Xinyu will be expelled from Linglong. This is a result that people never thought of. I can't help but be shocked.

"From now on, you don't have to stay in Linglong." Director Mu said in a deep voice, and then waved to someone to take off the epaulet on Zhang Xinyu's uniform and the symbol of Linglong organization on his chest.

"Don't explain." Director Mu interrupted Zhang Xinyu and said in a deep voice, "I have given an order before. Chen Fei will be the new leader of the five elements team. If you say it's too light, you're ganging up and suppressing dissidents; if it's too heavy, you're disobeying military orders. "

Zhang Xinyu also looked surprised and wanted to explain: "Mu Bureau, I'm just -"

hearing the voice, people looked over and found that it was director Mu Ning Bian, who was surprised.

At this time, a thick voice sounded, "you can't represent the five elements team, not to mention the whole spirit dragon!"

However, Chen Fei hasn't spoken yet.

"You, how dare you hurt me. I'm the leader of the five elements team of Linglong. If you hurt me, you are provoking the five elements team and the whole Linglong. I -- "Zhang Xinyu still looks resentful and stares at Chen Fei's threat of gnashing his teeth.

And Chen Fei, putting away his right palm, came to Zhang Xinyu quietly, looked at him condescendingly, and said coldly, "now, do you know the consequences of your hands?"

Zhang Xinyu's mouth gushed blood, his forehead was cold and sweaty, and his whole body showed his teeth in pain and howled.

Then, a scream rang out, and Zhang Xinyu flew out, fell to the ground, his right arm bent and twisted, completely deformed.

"Pa" of a crisp ring, both sides collide together.

In the innumerable comments and burning eyes, Chen Fei slapped Zhang Xinyu face to face and welcomed him.

.....

"It's fierce, this blow! Can instructor Chen take it? "

"Team Zhang is serious!"

"Give me a punch!" Zhang Xinyu burst out to drink, and his fists roared. This fist, with great momentum, almost broke out 80% of the strength of Zhang Xinyu's prefecture level medium-term realm, which shocked everyone in the field.

"Is it?" Chen Fei said softly, then shook his head.

Zhang Xinyu cheered: "you are a liar. I'm thinking about the whole five elements team."

At the moment, Chen Fei is still indifferent. Looking at Zhang Xinyu, he says in a cold voice: "you want to think clearly about the consequences of your doing so!"

Seeing that Zhang Xinyu had rushed in front of Chen Fei, the offensive was almost inevitable.

Lin Anshu, Tan Bingjie and Lu Gang, the captains, yelled "no", rushed to stop Zhang Xinyu, but the distance was too far, but it was too late.

They didn't expect that Zhang Xinyu suddenly attacked Chen Fei. For a moment, they were shocked.

With that, Zhang Xinyu suddenly drank, stepped on the ground with his right leg, rushed out with the strength of rebound, and smashed Chen Fei with his big fist.

Then, Zhang Xinyu turned his head, glanced at the crowd, and finally fell on Chen Fei. He said in a loud voice, "since you are all cheated by him, I'll show you how powerful this guy is now." "Han Jian, good, very good!" Zhang Xinyu glared and nodded angrily.

His own team members openly asked to join other teams, which was a heavy blow to his captain. At that time, if he doubts his superiors, it will not only affect his future, but also his ability.

Hearing the speech, Zhang Xinyu's face was very ugly, and his anger was obviously gathering.

"Shut up, it's not for you to talk!" Rare glared at March, then looked at Zhang Xinyu and said firmly, "team Zhang, we all want to stay. If you insist, then we ask to join other teams

Ma Qi pointed to the man and said, "Han Jian, you have to remember that you are only the vice captain of the fire team. Is this captain Zhang? "

Several team members looked at each other, and then a tall, thin man of 289 years old stood up and said to Zhang Xinyu, "Captain Zhang, we have seen the teaching effect of instructor Chen. There is no need to be angry. After all, all of us have the same goal, for the victory of the martial arts conference. "

"Don't you listen to boss Zhang?" March cried, too.

"What are you doing?" Zhang Xinyu was dissatisfied.

Then, Chen Fei reappointed a team leader to replace Zhang Xinyu. The team leader is Han Jian, the former vice team leader.

After the arrangement of personnel, Chen Fei formulated a special training plan for each team, mainly to give full play to their group's strengths, and then strengthen mutual cooperation, so as to achieve twice the result with half the effort.

Although there was only one day, when Chen Fei left the Linglong headquarters base that evening, all the members of the five elements team were conquered by Chen Fei, and they waved goodbye one by one, like comrades in arms who had been together for many years.

When Chen Fei left Linglong base in a military vehicle.

In the corner of the gate of the base, Zhang Xinyu, who had taken off his uniform, was carrying a simple luggage bag. He was staring at the direction of Chen Fei's departure, gritting his teeth and saying, "Chen Fei, it's you who made me expelled from Linglong and made my military career become nothing."

"I swear, I will make you pay for it." Zhang Xinyu gritted his teeth, then felt out his mobile phone and got through a number, "boss Xing, I'm Zhang Xinyu. I'm not in the base. Something happened to me... "

"Is it really just a lie?" Chen Fei stares at Chen Ziling with a look of disbelief.

Chen Fei stares at Luo Feng, steps forward and says in a voice: "Luo Feng, you are right at Ziling -"

Luo Feng hears the cry of surprise, looks up and finds that it's Chen Fei. After being slightly surprised, he says with a smile: "Mr. Chen, you are here too!"

When Chen Fei saw the figure come out of the car completely and show his face, he was surprised, "Luo Feng, how are you?"

The car stopped and a young man came out of the car. Just looking at his figure, he was tall and thin. It seemed good.

Seeing this, Chen Fei's eyes immediately gathered in the past and looked at the black Mercedes Benz.

Chen Ziling looked at Chen Fei and said, "I'm not in a hurry. What are you in such a hurry? Are you jealous? "

Chen Fei looked at the time and asked, "it's almost time. Why hasn't your boyfriend come yet?"

Half an hour later, Chen Fei and Chen Ziling met at the gate of Jingcheng University.

Chen Fei see this, can't help but a black line, feel like he seems to be in the little girl's trap.

"This is my brother!" The little girl suddenly changed her face and came over to hold Chen Fei's arm. She said in a coquettish voice.

When Chen Fei heard the speech, he felt the veins on his forehead beating. He thought of the old man's advice to him. He could only say in a voice: "don't sigh. I'll go with you."

Chen Ziling turned around, sighed deliberately, and said in a voice, "my brother doesn't want to go with me. What are you doing? Well, I'd better go with my boyfriend. "

"Ah Chen Fei was stunned, then startled. He stared at Chen Ziling and said, "what do you say? Who do you say you're going with? "

When Chen Ziling saw that Chen Fei was really unmoved, she suddenly raised her mouth, glared at Chen Fei, kept silent for a while, and then said, "this party, I went with my boyfriend."

Chen Fei is still standing still, "tomorrow I have classes, no time to accompany you out crazy!"

"Brother, you don't know, master. I'm not allowed to use force at will. Besides, my strength has a realm, and my actual combat ability is very general. If you meet a real master, it may really be dangerous. " Chen Ziling said.

Chen Fei didn't eat this, and said, "you are also a master at the beginning of Tianji. What danger can those dandy boys and girls do to you! I'm not going

"Brother, don't you worry about leaving me a weak woman on that occasion?" Chen Ziling looks at Chen Fei pitifully.

"Why do you want to go to a party like this?" Chen can't help looking at Ziyang. After all, in her impression, Chen Ziling didn't like this kind of Party of dandy, dandy and coquettish. Chen Ziling said: "it's the gathering of the young men and women in the capital. They are all young people from famous families in the capital."

"Party, what party? Who are the participants? " Chen Fei asked.

Chen Ziling said: "brother, it's no big deal. I'm going to a party this evening. I want you to come with me. "

When Chen Fei heard the speech, he immediately looked at Chen Ziling with such an expression. Then he sighed and said, "come on, what's the matter?"

After Chen Fei came back from Linglong headquarters base, two days passed peacefully. That afternoon, just after class, Chen Ziling, the younger martial sister, came to Chen Fei with a look of flattery. "Brother, are you free later?"

Chen Ziling nodded firmly and said: "really no boyfriend? I'm just invited to the party with Luo Feng. "

Referring to this, Chen Fei frowned and said: "last time, Luo Feng asked you to go to a concert. You're invited to this party again. You don't understand what he means, do you

"I'm not stupid. Of course I understand. It's just that I don't feel for him. I can't be with him. " Chen Ziling said.

Chen Fei looked serious and said, "since you can't be with him, you should make it clear to him earlier and let him die. It's not like you're doing this now, and you've repeatedly agreed to his invitation. In this way, it gives him hope and makes others misunderstand him. "

Seeing this, Chen Fei said: "emotional affairs should not be entangled vaguely. If we ignore them now, they will only become more and more troublesome in the future. You can't open your mouth. I'll go and make it clear to Luo Feng. We're not going to the party today. "

But Luo Shuang, when hearing their names, especially Chen Ziling's, couldn't help blinking. She stared at Chen Ziling for a few seconds and ignored their initiative handshake. She held her arms in front of her chest and said strangely, "are you that Chen Ziling?"

Chen Fei and Chen Ziling nodded to Luo Shuang with a smile, extended their hand and said, "Hello!"

"Rosanna, this is my friend. Chen Fei and Chen Ziling. " Luo Feng introduces a way to younger sister again.

Instead, he introduced Chen Fei and Chen Ziling with a smile: "Mr. Chen, Ziling. This is my second uncle's daughter, my cousin Luo Shuang

"You --" Luo Feng glared at the girl. He wanted to reprimand her, but he didn't go on thinking that there were still guests in front of her.

Seeing the girl's appearance, Luo Feng couldn't help frowning and said, "how can it be like this again? If you let your family know, you will be scolded again! "

Chen Fei fixed his eyes and found that she was an 18-9-year-old girl with short red hair and exaggerated earrings on her ears.

When greeting, suddenly a clear voice rang up. Then a figure came and stood in front of Luofeng.

"Brother, here you are!"

Hearing that it was Luo Feng's friend and Luo Feng's smiling look at Chen Ziling, some people seemed to understand something and took the initiative to exchange greetings with Chen Ziling and Chen Fei. Chen Fei responded simply and politely.

Luo Feng looked at Chen Ziling with a smile, and then introduced: "these two are my friends, Chen Ziling and Chen Fei. I'll bring them to play together."

Naturally, someone noticed that Chen Fei and Chen Ziling behind Luo Feng, especially Chen Ziling, attracted the eyes of many young men. They couldn't help asking.

As soon as Luo Feng arrived at the scene, he immediately attracted the eyes of all the people in the field and came to greet them one after another. Luo Feng also responded one by one, but he was polite.

Chen Fei swept one eye, also understood immediately. After all, the party is full of young people, and they still like the style of nightclubs and bars, so they just move the decoration of nightclubs and bars to the courtyard.

The whole yard, almost dressed up as a hot nightclub bar. Many young men and women with wine cups, dancing in the courtyard, the atmosphere is very hot.

When they came to the courtyard, they heard the dancing music.

Luo Feng nodded and then walked in.

"Luo Shao's friend, naturally. Three, please The bodyguard said respectfully.

Luo Feng pointed to the two people behind him and said, "they are my friends. Let's play together, OK?"

However, in the face of Luo Feng, the bodyguard obviously knew each other. He immediately relaxed, nodded, bowed and said, "Luo Shao, you're here."

Their muscles are tight, they are in a state of combat at any time, and they can attack instantly. At the same time, the tumbling clothes around their waists outline the guns, which also frightens the curfew.

Walking into the yard, two burly bodyguards came up on both sides. At first sight, they were professional practitioners, and their strength was absolutely above the level of Xuan.

Luo Feng and his family held a party in this kind of courtyard. It can be seen that the people in their circle are rich or expensive, and they are not the young generation of the upper class in the capital.

It can be said that in today's capital, having a set of courtyard is a symbol of money and identity.

As the yard looks a little old, even dilapidated. But now in the capital, every courtyard can be said to be like a golden house. The value of any building can easily exceed 100 million. Even if you have money, it doesn't necessarily matter.

Chen Fei and Chen Ziling took a look at the spacious courtyard, and they couldn't help looking surprised.

After walking about 100 meters, Luo Feng stopped in front of a courtyard with red lanterns and said to Chen Fei and Chen Ziling, "is this it? Well known bars are full of people, so we often get together here. "

Three people get out of the car and walk along the lane towards the inside, surrounded by old and simple courtyard.

About an hour later, when it was getting dark, Luofeng's car stopped in front of a narrow alley.

Then the three got on and started the car. Smell speech, Luo breeze returns to God, quickly nod to smile a way: "certainly can. We are very lucky that Mr. Chen can come to this party. We warmly welcome him. "

At this time, Chen Fei and Chen Ziling also came, Chen Ziling said: "Luo Feng, let's go. My brother will come with us tonight, will you

Seeing this, Chen Fei could only sigh and say, "OK, I'll go with you to today's party."

"I can assure you that after the party, I will make it clear to Luo Feng that I will not be confused any more." Chen Ziling looks at Chen Fei with a pleading look.

Chen Ziling murmured: "brother, I know what you mean and I know how to do it. It's just that we can wait until after today's party, OK? "

"Er -" Chen Fei frowned and looked at Chen Ziling.

However, Chen Ziling pulled down Chen Fei and said, "brother, don't!"

With that, Chen Fei is going to make it clear to Luo Feng.

"I -" Chen Ziling and Chen Fei frowned at the same time.

Seeing this, Luo Feng said to Luo Shuang, "Luo Shuang, be polite."

When the poor ghost was eating, they laughed coldly! It's so funny

Immediately, the two brothers and sisters simply hid in a corner to eat and drink.

"No, of course not. I'm just talking about it. " Chen Fei shakes his head and suppresses his doubts. He is ready to go back and ask what's going on. It's not like she's been having a good time.

"What's the matter, brother? What do you mean by that look? Don't you want me back? " Chen Ziling asked.

Chen Ziling said, "I don't know what business Luofeng and his friends are going to talk about, so I came back. I'm just hungry. Have something to eat. "

"How did you come back?" Chen Fei asked in surprise.

I don't know how long later, Chen Fei noticed something moving around him. Looking up, he found that Chen Ziling didn't know when to sit beside him, fork a piece of steak and eat it in big mouthfuls.

For a moment, Chen Fei frowned and lowered his head to think.

Seeing this, Chen Fei couldn't help but get curious and muttered: "when did Ziling change her sex? Doesn't she like the red tape the least? How come it's all changed now? Does Ziling really like Luofeng? "
