

## Magic Doctor: CEO Lady's Humble Husband Chapter 1918

After hearing this, everyone was stunned, but then sneered.

‘Just kidding, how could you be Master Chen!’

‘If you were Master Chen, I would be Xu Junshen.’ ‘A guy who bullies the world and catches the name, he wouldn’t be able to catch it without a fight.’

..... In the cry, Chen Fei didn’t Stop and move on.

Seeing this, Lu Yang frowned, stood up and looked at Chen Fei, waved his strength and attacked Chen Fei.

Seeing this, Chen Fei waved his backhand, snorted, and worked hard to resolve Lu Yang’s attack. The dissipated energy rushed to Lu Yang, leaving a faint trace of blood on his neck.

Lu Yang touched his neck and saw the blood in his hand. He was furious and glared at Chen Fei. He shouted: ‘Boy, you are looking for death!’

Immediately, Lu Yang’s momentum soared, and Chen Fei was sent a kill. hit.

But at this moment, Mu Ning sipped coldly, and a breath burst out, instantly pressing down Lu Yang’s energy, ‘Come on!’

‘Master Mu, why are you--’ Lu Yang, who is about to erupt, Mu Ningbian was pressed down hard, and he felt very suffocated and could not help but frown at Mu Ningbian.

When Mu Ning heard the words, he turned his head upside down and shouted, ‘Why?’

‘I’m saving you, but you don’t know!’

‘Save me?’ Lu Yang frowned.

Mu Ningbian pointed to Chen Fei and said: 'He is the young master, Master Chen Fei Chen. Are you sure, you want to start with him?'

'He is—Master Chen. This, is this impossible?' Lu Yang was surprised, shocked, and couldn't believe it.

Mu Ningbian was too lazy to explain, got up directly to meet Chen Fei, and greeted warmly: 'Chen Fei, please be seated.'

Chen Fei smiled and said: 'Uncle Mu, you are going to blame me!'

II People greeted for a while, and then Mu Ning greeted Chen Fei sitting in the middle of the first row.

In such a scene, even if you don't believe it, you have to accept this fact at the moment.

Chen Fei is Master Chen. Otherwise, Master Mu cannot treat him as intimately, it is impossible to leave him the middle position, and the organizer cannot be indifferent.

At this moment, many people on the scene showed a very surprised expression, their faces changed.

Among them, the expression of the face became the most powerful than Lu Yangwanzhong Zhan Tianfeng and Wu Ming.

They never imagined that Chen Fei turned out to be the famous young master Chen Fei. For a time, several people stayed in place, completely speechless.

Yi Yuxi on the side, a small face at the moment, also became a little distorted by consternation.

At this moment, she recalled what Chen Fei once said to her and couldn't help but realize.

At the time when she gave Master Chen Fei a ticket for the Wuhui, Chen Fei said that she didn't need the ticket, if you want to get it, you can get it easily. At that time, Yi Yuxi did not believe them.

Later, at Yu Qingmei's birthday party, Chen Fei said that he did not put Wu Ming in their eyes, and now it seems that it is not a big deal at all.

Just now, when entering the venue, Chen Fei said that he was an invited guest. Zhan Tianfeng and others also ridiculed a lot, but did not expect that these sounding bragging words were all true.

For a time, Yi Yuxi looked at Chen Fei's eyes and became a little more complicated, but the smile on the corner of his mouth could not be restrained.

And Wu Ming, Zhan Tianfeng, Wan Zhonghao, Xu Hui, they now have a stiff expression, standing on the spot, and dare not move.

They could not imagine that Chen Fei turned out to be a master of martial arts. When they thought of the things they had done to Chen Fei and the words they spoke before, at the moment, they couldn't help but feel a chill in their backs, and the whole person was frightened.

Among several people, only Lu Yang's emotions were still calm at the moment.

Although he was also surprised that Chen Fei was a master of martial arts, he was also a master of martial arts after all, and he still had face and strength. So, with a cough, Lu Yang drew back his gaze, pretending that nothing had happened, and sat down directly.

Chen Fei glanced at the amazed crowd. His eyes swept over them. He didn't speak. He took back his eyes and looked at the host. He said lightly: 'Continue!' The

host nodded and announced that the lecture will continue.

The next content is that the masters of martial arts came to power to explain their understanding of martial arts and answer some questions from martial arts. It can be said that this is the essence of this military talk and the main purpose of many warriors coming here.

Therefore, when the master's lecture on martial arts began, the focus of the scene was also pulled back from Chen Fei and gathered on martial arts.

A famous guru continued to explain, and some people even practiced on the spot to make the following audience listen attentively, keep various notes in mind, and related questions also appeared.

The atmosphere at the scene was hot.

Finally, Chen Fei also put on the stage and explained the key points of his understanding and practice of martial arts. I have to say that, with Chen Fei's cultivation at the top of the heavenly level, many blind spots and difficulties in martial arts, Chen Fei can be broken in one sentence, so many martial artists suddenly realized that they were very surprised.

Although the explanation didn't take long, Chen Fei's explanation was really a lot. When he finally stepped down, there was a warm applause.

With the completion of Chen Fei's explanation, the host took the stage and announced the end of this lecture.

As soon as the words fell, many warriors rushed toward the front row master. Some came to ask for advice, some came to ask for a group photo, and some even came to pull a relationship. After all, for everyone, there is not much opportunity for such intimate contact with the master of martial arts.

However, unlike the excited expressions of most warriors.

At the moment Wu Ming Zhan Tianfeng Wan Zhonghao several of them, but his face was dull, his expression flustered. Having no intention of going forward to pull the

relationship, he got up and walked quietly towards the exit position, preparing to leave Chen Fei before he noticed them.

But just when a few people walked to the door, ready to open the door and go out.

The door of the meeting place was suddenly 'wowed' and was pushed open.

The loud noise immediately attracted the attention of the scene and cast his eyes on it.

Several people in Wu Ming suddenly complained when they saw it. Because, with the sound of Chen Fei, he naturally noticed a few of them.

However, they soon discovered that the focus of attention was not on them, but on the doorstep, wearing uniforms and tumbling.

A few people just appeared at the door, and many martial artists on the scene recognized them as coming. First, they were shocked, and then many people laughed together and greeted enthusiastically.

'Commissioner Gong, why are you free to come here?'

'Vice President Huang, you are here, we are welcome!'

'Commissioner Gong, Vice President Huang, please sit down.'
