

Magic Doctor: CEO Lady's Humble Husband Chapter 1920

Chen Fei was besieged by this group of warriors. During the fight, Chen Fei unknowingly moved the distance of the battle group towards Huang Yong and they approached.

At this moment, Chen Fei finally launched an attack.

A screaming out of breath, the warrior in front of him could not help but look tight, he was hurriedly prepared to deal with it. But after feeling it for a while, he was surprised to find that Chen Fei's strength, neither speed nor power, was not too strong.

So, he flashed lightly and directly avoided Chen Fei's attack.

'The guru's attack is so easy to hide? Isn't the guru's strength just that?' The warrior wondered.

However, in a place he didn't see, the enthusiasm of being beaten away was unbiased and sturdy, sturdily slamming on the lively Gong Yu.

Gong Yu didn't recover from the injury, and was caught off guard by such a trick. He was suddenly blasted out and a sip of blood spewed out of his mouth.

'Yu'er--' Gong Hongxing was shocked and hurriedly called out.

At this time, similar things happened again, these Chen Fei offensive that the siege warriors avoided. All were unbiased and bombarded all the members of the clan committee.

So, immediately following Gong Yu, Yan Dong, Gong Hongxing, and even Huang Yong, they were all hit with vigour and flew out directly.

After learning a lesson from them, Chen Fei immediately cracked his hands, and all the siege warriors fell down.

Of course, Chen Fei did not put too much weight on these warriors who were

ordered to act, but just drove them back.

After dozens of seconds, Huang Yong and others with swollen noses and blood on the corners of their mouths were lifted up. They stared at Chen Fei with anger and shouted sharply: 'Do you know what you are doing? Vice President, you dare to do it to me!'

Chen Fei said indifferently: 'I didn't do anything to you, who made you too weak, even the aftermath of the battle can't hide.'

'You, you--' Huang Yong ruthlessly said, 'The surname Chen, don't think you. Now that you are well-known, you think you are right. I tell you, you can't afford the clan committee.'

'You are the guru, maybe, you are not afraid of the clan committee, you are not afraid of the authority.'

'But you Chen Fei is not alone, you. There are family and friends, and you still have company assets under your name. They are all subject to official jurisdiction! Do you want to force me to do it with them?'

Chen Fei, who was indifferent, looked cold after hearing this. , Stepping towards Huang Yong, said coldly: 'Are you threatening me?'

'This is not a threat, just a warning! Tell you, even if you are strong, there is a presence you can't afford.' Huang Yongdao.

'Really? Maybe there are people I can't afford, but you Huang Yong, definitely not one!' Chen Fei snorted, and then slap out.

Suddenly, there was a crisp sound, Huang Yong's cheeks swelled up, blood was dripping in his mouth, and two teeth were pumped away.

At this time, many people on the scene were shocked, and the look at Chen Fei was a little complicated.

After all, just hit Huang Yong with them just now, and they can still use the excuse of accidental injury to block it. But now, Chen Fei directly deals with Huang Yong, the nature is different.

‘You, you dare to hit me--I’m the vice president of the patriarchal committee, and I’m--’ Huang Yong was furious and amazed, staring fiercely at Chen Fei.

Chen Fei shook his hand again, slicing Huang Yong into a pig’s head.

Behind him, Gong Hongxing wanted to step forward and help Huang Yong, but when he saw Chen Fei’s cold eyes, he dared not move.

This time,

Huang Yong finally dared not speak, and only looked at Chen Fei coldly, full of resentment.

Chen Fei eyes peering at him, the channel: ‘What happened, no matter what means you play, directed at me all OK but if you dare hands of the people around me, I kill you.’

Word The cold, with a chilling chill, scared the scene of silence.

Immediately, Chen Fei snorted, his back will come, and turned to leave.

Huang Yonggong Hongxing looked at Chen Fei’s back, and filled with resentment.

Seeing that Chen Fei was about to leave the meeting place, at this time, Huang Yong’s eyes fell on Lu Yang, and his eyes lit up, making Lu Yang wink.

He knew Lu Yang, and the relationship was pretty good. Now this look is obviously to let Lu Yang help him out.

Subsequently, Huang Yong gave another glance at the other masters, the meaning of which was self-evident.

Suddenly, several masters showed their contemplative colors and thought.

To Chen Fei, no doubt, will offend Chen Fei such a ruthless person. But if it succeeds, you can get the favor of the patriarchal committee, which will be a good thing for themselves and their families.

However, how to measure the pros and cons depends on the master.

Just when Chen Fei's footsteps had stepped out of the venue, Lu Yang uttered, 'Chen Fei, wait a minute!'

Hearing the sound, Chen Fei stopped and turned to look over, staring at the landing ocean, and said in a deep voice: 'Something?'

Lu Yang coughed and said: 'Huang Yong is the vice chairman of the clan committee. Mr. Chen gave him a hand, which is disrespect to the clan committee. And now, we martial artists are all subordinate to the clan. Committee management.'

'Mr. Chen's behavior has greatly damaged the prestige and rights of the patriarchal committee. It is a great damage to all of us martial arts. For this, I want Mr. Chen to give us a statement to all the martial arts!'

This guy Instead, he would wear a tiger and pira flag and directly engage in a big hat for all the warriors.

Chen Fei heard the words, his lips curled up and sneered,

'Say ? All martial arts?' 'Can you represent all martial arts?'

'Or, I will tell you, do you dare to ask Lu Yang?'

Chen Fei said arrogantly , You're very welcome, did not give Lu Yang a face.

No matter how Lu Yang said, he was also a master of martial arts. Just now his apprentice was injured by Chen Fei, so he lost face. Now the public is looked down upon by Chen Fei, and is even more angered. He suddenly said angrily: 'Chen Fei, you don't have to be intimate. You really think that you have become famous recently, I'm afraid you won't succeed.'

'I Lu Yang became a master In more than ten years, no

matter how big the wind and waves have been. I haven't put my eyes on an arrogant hairy kid.' Between the words, Lu Yang's breath surged, and the whole space was filled with a lot of people. Suffocating oppression.

The warrior at the scene suddenly turned pale and retreated.

'Is this the guru's momentum? It's terrifying.'

'Grandmaster Lu Yang has been famous for decades, and his strength can't be underestimated. This time, Chen Fei is really too much.'

'Just to cooperate with the investigation, why should Chen Fei react so much?' Let's get things to this point!'

.....

'Boy, the last chance, I admit to Vice President Huang that I was wrong and soft, and cooperated with the investigation, I can't do it!' Lu Yang screamed and arrogantly directed at Chen Feidao.

And Chen Fei responded to him with only one palm that fell from the air.
