Chapter 1921

Upon seeing this, Lu Yang looking furious, his eyes changed, changed, his eyes showing a touch of extremely cold intention to kill, bite the channel: 'arrogant kid, you're forcing me to kill you.'

Among the thunder, Lu Yang body The breath soared again, and the strength of the Heavenly Warrior exploded completely, and the momentum was booming, ushering in Chen Fei's offensive.

For a time, the whole venue was screaming with vigor, and Zhenyuan flew.

The weaker warrior was almost unable to stand at the moment, his face was pale and his legs were shaking.

Fortunately, there were many other martial arts masters on the scene. They all took action and operated the true spirit, covering many ordinary martial artists and protecting their safety.

'Boom!' With

a loud noise, Zhenyuan's breath collided and burst, and the majestic energy struck, as if an invisible giant wave came over.

That kind of terrifying impact made many martial artists just feel a little bit of breath, and his face was extremely pale and paralyzed.

However, when these energies impacted the protective qi built by the masters of the martial arts, the shield shook a little, and finally the air was blocked.

Suddenly, many martial artists on the scene could not help being relieved.

But immediately, they were attracted by a scream, and their eyes immediately followed.

Then, they saw that Master Lu Yang Lu in the center of the battle group was lying on the ground at the moment, a mouth of blood leaked from the corner of his mouth, and his face was extremely white.

The screams just came from Lu Yang's mouth.

For a time, everyone was stupid.

'What's going on?'

'How did Master Lu fall down?'

'Master Lu is injured, was it Master Chen's fight?'

.....In the

interrogation, there were witnesses of all the warriors just now, and they said at the moment: 'Just a moment ago, Master Chen took a picture and directly took Master Lu He broke his energies, and then he shot the whole person on the ground.'

Wen Yan, the dull people, was surprised at the moment.

'Grandmaster Lu has been photographed with one palm, this is impossible!'

'However Master Lu is also a master of martial arts, even if it is not as powerful as Master Chen, it will not be defeated so fast!'

'Could it be that something unexpected happened?'

...

When everyone doubts and speculates.'

Lu Yang, lying on the ground, gritted his teeth at this moment, full of resentment, and looked at Chen Fei who had come to himself.

Chen Fei's expression was indifferent, and he looked at the landing ocean coldly, and his voice was flat. 'Now, do you still want to do it?'

'I'm not surnamed Chen,' - Lu Yang stared at Chen Fei with all his hatred and gritted his teeth. Out loud.

Chen Fei didn't wait for him to finish his speech, and fell with a slap in the palm, suddenly a loud bang. Directly photographed Lu Yang's entire person together with the hard marble floor into the ground.

Lu Yang spit out another blood, his breath was obviously weak, and his face was extremely white.

'Do you want to continue?' Chen Fei continued, his voice still calm and cold.

However, at the moment, Lu Yang's eyes looked up at Chen Fei, but there was a change. There was a bit of chilling fear in the resentment. His mouth moved, and he wanted to say something, but in the end, there was still no sound, and he lowered his head and stopped moving.

As a master of martial arts, he knew

how terrifying the strength of a martial arts master was.

Although there are strengths and weaknesses among the martial arts masters, most martial arts masters and martial arts are in the early and mid-level.

For the two martial art masters, there may be differences in strength. But it is not so easy for a mid-level martial arts guru to defeat a pre-level martial arts guru.

Fighting dozens or even hundreds of rounds is a normal thing. After all, at such a level, even if the martial arts master in the early days of the Celestial Class is invincible, he can find ways to delay the roundabout, so that he will not be defeated too ugly.

He Lu Yang was a martial arts master at the early stage of the Celestial Realm. He

knew that his strength was not too strong, but he was definitely not weak.

Therefore, even if Chen Fei has the name of a man who cuts down four top players in the dark list, Lu Yang does not feel too afraid, and feels that he can play against Chen Fei, and even beat him.

But now, under the confrontation between the two sides, Lu Yang felt Chen Fei's terrifying strength.

The power captured by the palm just now made him unable to resist. That is a martial arts gap that is not at a level.

Chen Fei's strength is completely beyond his expectations. Chen Fei's martial arts realm should be at least in the late stage.

Thinking of these, Lu Yang still has the guts to continue to play against Chen Fei. Therefore, at this moment can only bow down and soften.

Chen Fei saw Lu Yang lower his head, hummed, and no longer pursued anything. Instead, he turned his eyes and looked at Huang Yonggong and Hongxing.

Several people felt Chen Fei's gaze, and his body was suddenly agitated. The whole person was stiff, standing on the spot, their legs seemed to be filled with cement, and they could not move at all.

They had also expected the landing ocean to defeat Chen Fei, and give a good lesson to this arrogant boy.

But now, the result is exactly the opposite of what they expected. This made Huang Yong and Gong Hongxing very shocked.

However, fortunately, Chen Fei's eyes passed them quickly, and did not say much. Instead, Huang Yongsong breathed and mentioned the heart in his throat, and fell back into his stomach.

Looking around for a week, Chen Fei looked at Mu Ningbian and prepared to say goodbye.

But at this moment, a somewhat panic sound rang out, approaching the meeting place constantly, 'Master Chen, help! Chen Fei, Mr. Chen, help!' At the

call, everyone at the scene could not help but looked at all past.

At the entrance of the venue, a young man wearing a cyan robe was sweating at the moment, and panic-screamed and ran towards this side.

He wanted to rush into the venue, but was stopped by the security guards at the door.

'What's the matter? Take the people away!' The official shouted loudly, ready to take the troublemakers away.

When Chen Fei saw the blue robe on the man's body, his eyes changed, and he said, 'Wait a minute, let him in!'

Wen Yan, the security personnel let go of the man.

The man rushed in front of Chen Fei, breathlessly said: 'Mr. Chen, help! Go and save our dean.'

'You calm down and say slowly, what's going on?' Yuan Qi entered the man's body, let his breath calm down.

The man gasped and said: 'Master Chen, I am a student of Situ College. Our Dean Situkong, now in danger of life, he will not be able to support it. He asked me to ask you for help. You are going to save him!'

'What, Situkong is life-threatening!' Chen Fei was surprised, his face changed.

Magic Doctor: CEO Lady's Humble Husband Chapter 1922

At the time, Chen Feigang had not been in Beijing for a long time. Because of Zhuo Qingyu's affairs, there was a conflict with Situ Academy, and Zhuo Qingyu was rescued, and he also conquered Situ Academy.

Over the next year or so, Situ College, under the leadership of Situ Kong, secretly did a lot of things for Chen Fei.

What's more, behind the Situ Academy is the prefectural Zongmen Qianxing Academy. It was originally established in Beijing to investigate the clues of the Dragon Tomb.

Such a strong Situ College, the average person does not dare to provoke or have the ability to provoke. But now, Situ College has been attacked, and Situkong still seeks someone to kill him. This is really a surprise for Chen Fei.

'Who is it so bold to chase Situkong?' Chen Fei asked.

The man shook his head and said, 'I, I don't know. However, I heard what Master said about the name of Qianxing Academy, it seems very powerful--'

'Qianxing Academy!' Chen Fei moved. , I immediately thought of something, and did not delay the time. I set off immediately, 'I'll go and see!'

Immediately, a strong wind blew through the venue, and Chen Fei's figure turned into a residual image, which disappeared directly.

This speed surprised the warriors on the scene again.

The rest of the people could not help whispering at the moment.

'I know Situ College, the guy in Situkong, I have dealt with him, how could he be chased down!'

'Qianxing Academy has also been involved in it, is there anything that can't be

done ?‘

‘Master Chen will not Clash at Qianxing Academy!’

.....

In the voice of discussion, Lu Yang and Huang Yong heard these words, and they couldn't help but brighten their eyes. They glanced at each other and thought of something almost at the same time.

Immediately, several people also set off.

‘Let's take a look too!’

As Lu Yang set off, many other martial artists on the scene also wanted to move, and immediately followed.

As a result, ordinary citizens in Beijing immediately saw a surprising scene.

Hundreds of warriors rushed out of the venue together and ran away in one direction.

...

At this moment, in Situ College, Situ covered with scars was empty in the embarrassed hall, surrounded by shattered furniture, and the ground was also stained with a lot of bright red blood.

Opposite him, stood an old man in his seventies wearing a taupe robe and a book crown.

The old man kept a beard and dressed like an ancient scholar. But the expression on his face at the moment was full of murderous intent and anger.

Condescending, he looked at Situkong, who fell in the pool of blood, and said coldly: ‘Situkong, you dare to betray the Qianxing Academy. When you betrayed, you should think of today's results!’

Situkong vomited. With a sip of blood, he looked at the old man and said, 'Elder Mo Kong, I, I didn't betray the Academy!'

'Still quibbling!' 'Situ College was established by Qianxing Academy. But you secretly do things for Chen Fei, this is not betrayal, what is it!'

Situkong changed his face and quickly explained: 'Elder Mokong, I am indeed Nachen Fei did something, but it was also caused by something. But I have never done anything I am sorry about Qianxing Academy.'

'Pray Elder Mokong for my share of devotion to the Academy for many years. I don't think about merits but also for hard work, and spare me a life.'

Elder Mokong shook his head and said coldly: 'Betrayal, without any sophistry. There is only room for you!'

'Elder, don't—' Situkong shouted anxiously.

Mo Kong was unmoved, raised his right hand, burst out into the air, and shot toward Situkong's heart.

Situkong struggled to dodge, but his severely injured body made him unable to move at all. He could only stare round his eyes, looking at his energy with horror, showing a look of despair in his eyes.

'Die!' Mo Kong's voice was cold and his energy was about to penetrate Situkong's heart.

At this critical moment, a streamer burst out into the air, and at the last moment, it struck the energy sent by Mo Kong accurately, crushed it, and finally saved Situkong.

Sensing the energy, Mo Kong suddenly changed his color, suddenly turned his head, glared at the spot where the streamer struck, and shouted: 'Who is it!'

‘Boo!’ The

wind screamed, and a figure appeared in the hall. Chen Fei rushed over.

Situkong, lying on the ground, saw Chen Fei coming, with a look of surprise on his face, shouting: ‘Mr. Chen, you, you are here.’

Chen Fei turned his head to look at Situkong, nodded, and said out loud : ‘I’m here, you will be fine.’

At this moment, the opposite Mo Kong heard the conversation between the two, and the look on his face sank, his eyes stared at Chen Fei very coldly, and said coldly: ‘You Chen Fei?’

‘It’s me!’ Chen Fei nodded.

Mo air cooling channel: ‘Stuart empty because you did betray me thousand stars College!’

Chen Fei said: ‘Stuart empty indeed for me to do things, but he did not betray thousand stars College.’

‘There is no betrayal, not you say Forget it.’ Elder Mo Kong sneered.

Chen Fei raised his eyebrows and said coldly, ‘So what do you want?’

‘How?’ Mo Kong’s voice was cold, ‘Betrayal, a dead end!’ During the speech

, Mo Kong’s body surged.

Chen Fei frowned and said, ‘Situkong is also my person. I just said that he will be fine.’

‘That’s what you said, I’m not empty but I didn’t say that.’ Mokong The sound is cold.

Chen Fei gently frowned, looked at Mo empty, the channel: ‘! Do you want to empty really ruthless‘

Mo empty Lengheng heard: ‘! No second choice.’

At this time, a Road gas Jin came closer, making Mo Kong’s face change, showing a vigilant look.

Then, Lu Yang Mu Ningbian and others rushed here. Huang Yonggong and Red Star also caught them.

These hurried people, at a glance at the situation before them, also knew roughly what was going on.

‘It’s Elder

Mokong from Qianxing Academy !‘ ‘I heard that Situ Academy was supported by Qianxing Academy. Now, it seems that the rumors should be true.’

‘Qianxing Academy is the top of the prefecture-level schools. Exists, does Chen Fei have a conflict with Qianxing Academy?’

‘It Chen Fei, also too stressed it! Just Commission and cases of conflict, and Lu Yang master fight. Now and thousand stars of the Academy, he is a jinx it?’

.....

Mo elders apparently empty I met many people present and frowned, ‘Everyone, what are you doing here?’

Lu Yang quickly glanced at Chen Fei, and then explained to Mo Kong: ‘Elder Mo

Kong rest assured that we are here, There is no malice. Just come and see, we will never interfere with the actions of Elder Mo Kong.’

Magic Doctor: CEO Lady’s Humble Husband Chapter 1923

Immediately, many other people suddenly spoke.

‘This is something inside Qianxing Academy, we won’t intervene.’

‘Elder Mo Kong please please !’

.....After hearing these words, the expression on Mo Kong’s face eased a little, and his eyes came back to Chen Fei. , Said aloud: ‘Hand over Situ empty, I can not hold you accountable.’

Chen Fei heard, shook his head, said aloud: ‘I promised him just now, I will guarantee that he is fine.’

Chen Fei turned his head to look at Situkong, sighed, and said to Mo Kong: ‘In a way, I will be responsible for Situkong’s affairs. For this, I am willing to give Qianxing Academy some compensation.

‘ compensation ? ‘

Mo empty elders raised an eyebrow, ‘ I thousand stars College, compensation will be missing you do ? ‘

Chen Fei did more than explain what the direct channel: ‘! diamond one hundred bottles of holy spring water ‘

remark As soon as they came out, everyone at the scene couldn’t help being surprised, and they all started talking about it.

‘One hundred bottles of holy spring water, this pen is big enough!’

‘And it’s still diamond-grade holy spring water, the market price is as high as ten million bottles. One hundred bottles, that is one billion yuan!’

‘A stout is worth it. Does Chen Fei pay such a big price to protect?’

‘I didn’t expect Master Chen to be so loyal and so kind to his own people!’

..... For a time, the discussion continued, and many martial arts eyes were red at the moment, and they couldn’t wait to replace Mo Kong agreed directly.

After all, compared with a hundred bottles of holy spring water, Situkong is a ground-level warrior, which is really not precious to Qianxing Academy.

Some warriors familiar with Mo Kong couldn’t help but persuade Mo Kong.

But after Mo Kong frowned, his voice was cold and firm, and he said directly: ‘I said, Situkong, this traitor, I will definitely kill. No matter what conditions you make, I will not agree. This is about us. The face of

Qianxing Academy.’ Chen Fei said that she could not help frowning. Unexpectedly, Mo Kong was so determined that she did not want to let go of Situ Kong.

‘If Elder Mo Kong is not satisfied with this compensation, he can make a price!’ Chen Fei said again.

In his heart, he made up his mind to keep Situ empty. This is not how Chen Fei valued Situ Kong, how important he is. It is an attitude. For those who do things for themselves, Chen Fei will not treat them badly. Otherwise, who else will do things for yourself in the future!

Hearing Chen Fei’s price increase again, many warriors couldn’t help but persuaded them directly.

‘Elder Mo Kong, agree, this great opportunity is very rare!’

‘Situ Kong is just not that important!’

‘ Not to mention Situ Kong, even the entire Situ College is not worth so much!’

.....

But the persuasion of the people did not let Mo Kong turn around. Instead, he made a more determined voice: ‘I said, Situkong, the traitor, will definitely die. Whoever wants to stop me is to fight against me, Contrary to my Qianxing Academy.’
After

this remark, many warriors who persuaded at the scene shut up.

Although many people are puzzled and puzzled, when it comes to Mo Kong’s words, they naturally do not want to say anything more.

At this moment, Chen Fei frowned fiercely, which is really a bit puzzled, why Mo Kong was so determined to kill Situkong. After all, apart from secretly doing something for himself and investigating some news, Situkong did nothing to betray the Qianxing Academy.

Confused, Chen Fei turned to look at Situkong.

Situkong seemed unable to understand why Elder Mokong was so determined to kill himself.

Suddenly, he seemed to think of something, eyes a move, look to Mo empty, the channel: ‘Is, is that thing you worry about me Mo empty elders leak, so kill me to silence!’

His words, MO Suddenly his face changed, and he directly attacked, and attacked Situ in an air raid. At the same time, he shouted, ‘Shut up!’

Mo Kong’s shot was unpleasant, but for Chen Fei, there was no threat.

With a light touch, Mo Kong’s energy was blocked directly.

Chen Fei looked at Situkong and said, 'What's going on? What's the secret?'

Situkong said: 'Mr. Chen, that was a few years ago. I almost forgot. I--'

not waiting Situkong uttered the key, Mokong screamed and rushed directly, 'Traitor, die!'

Mokong was so gaffey, eager to kill Situkong, the more he made Chen Fei doubt.

Chen Fei snorted loudly and shot with a slap in his face, facing Mo Kong, 'Go away!'

'Boom!' The two collided, and a strong energy burst broke out, knocking the already embarrassed hall at the moment. Shaky.

Fortunately, however, the strength of the martial artists who came to the scene to watch was pretty good, but it could block the aftermath of the dynamic impact.

Mo Kong's one move was blocked, but his movements kept on. He immediately continued to attack, and the fiercely inspiring Chao Situkong launched an attack.

'Xiu Xiang succeeds!'

Chen Fei snorted, his hands moved, and instantly fought against Mo Kong, and collided fiercely.

For a time, vigorous surging, Mo Kong wanted to find various ways to kill Situkong. However, Chen Fei was able to prevent it from leaking and could not attack at all.

Instead, it was Mo Kong himself, who was bombarded by Chen Fei, but his body was injured.

With a 'boom', Chen Fei repulsed Mo Kong and gave out a sip of blood.

Then, Chen Fei looked at Mo Kong coldly and said, 'Mo Kong, I have always been merciful. If you still don't stop, don't blame me for being welcome.' During the

speech, Chen Fei's body surged. The powerful and powerful coercion struck Mokong.

Mo Kong instantly changed color, and his expression was a bit ugly.

After being silent for a few seconds, Mo Kong looked at Huang Yong and said, 'Vice President Huang, my Qianxing Academy disposes of his sect traitors, but is forcibly blocked by others. What did you do?'

Huang Yong changed his face and looked at Chen Fei, wanting to speak out.

But he hadn't spoken yet, Chen Fei snorted

coldly, and his eyes were directed at Huang Yong, the voice was cold, 'Situ Kong, I'm Baoding.' Huang Yong's face was stiff and his expression was very ugly, which contained a look of anger. But in the end there was still no opening. After all, he has seen Chen Fei's strength, and he is certainly not Chen Fei's opponent.

Mo Kong saw that Huang Yong was silent, and his face suddenly sank, and his expression was a little anxious. He looked at the other warriors and said, 'Today, help me to eradicate the traitors from Qianxing Academy. I must thank Qianxing Academy.'
“

Wen Yan, many warriors are just about to move.

However, when they saw Chen Fei's cold eyes swept over, they immediately suppressed the fiery heart.

Such a situation is really unpredictable.

His face sank, he gritted his teeth fiercely, looked at Chen Fei again, and banged out.

Magic Doctor: CEO Lady's Humble Husband Chapter 1924

Chen Fei snorted and patted directly.

This palm, the momentum is obviously stronger than before. In the rumbling and roaring, it came violently and shot directly on Mo Kong, shooting Mo Kong out, flying a mouthful of blood, and the whole person fell Fly out.

She finally got up from the ground, Mo Kong's complexion was pale, she covered her chest, and she looked at Chen Fei with a complex face.

She said : 'You -' Chen Fei looked at him coldly , and said: Dare to talk nonsense, I will kill you.'

Suddenly, Mo Kong shut his mouth and dared not speak. After glaring at Chen Fei fiercely, he left sullenly.

The matter was resolved. The eyes of the soldiers at the scene also gathered on Situkong. Many people wanted to know what the secret Situkong said was. Even Mo Kong was so determined to kill him.

Of course, among them Lu Yang, Huang Yonggong, Hong Xing and others, their eyes are somewhat disappointed.

After all, they rushed for a big purpose. I just want to see the conflict between Chen Fei and Qianxing Academy, so that Chen Fei can be taught a lesson. As a result, they did not expect that Elder Mo Xing of Academy of Stars was defeated.

Chen Fei also looked at Situkong, and was very curious about the secret that Situkong said. But he didn't speak at the moment, but waved his hand to help Situ Kong, took him into the back room, and healed him.

A few hours later, Situkong's injury recovered a lot.

Chen Fei looked at him and got up to leave.

But at the moment, Situkong shouted Chen Fei and said: 'Mr. Chen, thank you for your life-saving grace.'

'No need to thank you. I said, you do things for me, and I will keep you. Moreover, you are Qianxing Academy is regarded as a traitor, but also for my sake.' Chen Feidao.

Situkong smiled and shook his head bitterly: 'Mr. Chen, actually. Qianxing Academy wants to kill me, and it has nothing to do with you. It is because of something else!'

Chen Fei looked at Situkong, silent for a moment, and said: 'If you are willing to say, I can listen. If you are not willing, I will not force you.'

Situ Kong paused, silent for a few seconds, looked up at Chen Fei, nodded, 'Mr. Chen, I am willing to say Come out.'

'Uh, you say it!' Chen Fei said.

'This matter has to be talked about more than twenty years ago. At that time...' Then Situkong told the whole thing.

After listening to Chen Fei, he smoothed things down.

In fact, it was more than two decades ago that the elder Zongmen was not empty. He took a team of Zongmen disciples and went down the mountain.

At that time, they and a group of people came to a mountain village. It was getting late, and the group found a few families in the village.

That night, Situkong and Mokong stayed together in an Orion couple's house. The Orion learned that they were masters of spiritual practice on the mountain, and they were extremely respectful to them, and they were delicious and delicious.

But what Situkong did not expect was that the daughter of Orion returned that night and found two more guests in the house.

It must be said that the daughter of the Orion was only in his twenties at that time, and he looked pretty and beautiful. It seemed that Situkong, who was twenty or thirty years old, was a little bit hot.

However, the old head of the Qianxing Academy has always been strict, demanding the disciples under the requirements of the ancient sages. Men and women are strictly forbidden.

Therefore, although Situkong was hot and impatient on the day , after all, he was just an ordinary disciple, plus the elder Mo Kong looked at, so he did not dare to act rashly, after washing, he went back to his room to rest.

As a result, in the middle of the night, he was elaborated by the quarrel in the house.

He got up and saw that the Orion and his wife rushed into the empty house and quarreled fiercely with him.

The daughter of the water spirit of Orion was naked and shrunk in the empty blanket. At first glance, Situkong could not understand what was happening.

Seeing her daughter ruined by someone, Orion was crying and making trouble, and she was responsible for it.

Mo Kong explained that at that time, the angry Orion couple could not hear it, they would hit Mo Kong if they picked up the pole.

Instinct's backhand instinct blocked the Orion's attack. But he forgot that he usually practiced martial arts and two ordinary people in front of him.

The Orion and his wife, who had been attacked by the warrior Mokong, were blown out with great force, hit the wall, and died directly.

Seeing this, the daughter on her bed changed greatly, pulling Mo Kong and holding him responsible.

As a result, Mo Kong backhanded and flew his daughter away, killing him instantly.

A family of three, in this way, all died in Mokong hands.

At that time, still young Situkong, almost dumbfounded. The whole person is dead.

However, after Mo Kong put on his clothes, he explained to Situkong. It is said that the daughter of Orion learned his identity and seduced him actively, so this kind of accident happened and let Situkong not leak out.

The death lights are off, so explain, whether it is true or false, no one can tell.

In addition, Mo Kong was a talented core disciple at the gate of Qianxing Academy at that time, and his status was much higher than that of Situ Kong. Therefore, Situkong naturally dared not say much and immediately nodded in agreement.

That night, Mo Kong dealt with the bodies of three of the Orion family and left the village in a hurry.

Later, after finishing the tour and returning to Zongmen, there was no news, and this matter would be gone.

Then, with the passage of time, the strict old head of the Qianxing Academy withdrew. The new leader Mei Changlin took office, the core disciple Mo Kong strength further, and the status is getting higher and higher, until now became the elder of Qianxing Academy.

And Situkong, with the progress of strength, can be regarded as a firm foothold in Qianxing Academy.

Coupled with so many years, Situ Kuo grew older, and all sorts of cruel and cruel things in the practice world have also been seen. In retrospect, compared to the life of the Orion family of three, it seems that it is not worth mentioning at all.

Therefore, Situ emptying gradually forgot this matter.

Until today, Mo Kong has arrived, and he is very determined to kill Situkong. This made Situkong suspicious and recalled the events of the past.

Then contact the rumors that Zongmen entered the WTO recently, and Mo Kong will soon be the helm of the Qianxing Academy. It seems that everything can be explained.

Mo Kong was worried that the evil deeds he had done would be stabbed by Situ Kong, which would affect his reputation and status. Therefore, he simply betrayed and killed Situkong.

So, there was a scene just now.

After listening to Chen Fei, there was silence for a while, and the expression on his face was a little chilly.

Things that happened more than thirty years ago, the life of an ordinary family of three people, compared with the elders of the territorial ancestors, seem to be worthless.

But it made Chen Fei feel a strange feeling in his heart.

Magic Doctor: CEO Lady's Humble Husband Chapter 1925

Just when Chen Fei was thinking, a familiar voice rang outside, 'Xiao Chen, are you there?'

Chen Fei went out and saw Mu Ning standing by the door. He was surprised.

‘Uncle

Mu , is there something wrong?’ Mu Ning Bian looked at Situ Kong in the house and looked back at Chen Fei. He said, ‘Xiao Chen, the head of Mei from

Qianxing Academy is here. I want to talk to you.’ ‘Mei Changlin!’ Chen Fei narrowed her eyes, her eyes somewhat strange.

As soon as Situkong explained things to himself, the head of Qianxing Academy came. This speed is very fast!

Seeing this, Mu Ning said, ‘If Xiao Chen is inconvenient, I will

return to Mei Mei for you.’ Chen Fei shook his head: ‘Thank you Uncle Mu, but there is nothing inconvenient. Please also Uncle Mu please I’ll be there in a moment.’

‘Yes!’ Mu Ning nodded.

Chen Fei returned to the room without speaking. Situ Kong on the bed said directly: ‘Mr. Chen, it’s the head of Mei!’

‘Yes!’ Chen Fei nodded.

Situkong’s face sank, and then he sighed and said to Chen Fei: ‘Mr. Chen, at first, I was bad, but Mr. Chen, forgive me, and I did so for me today. I am grateful to Mr. Chen for his help. En.’

‘The arrival of the head of Mei should be for the sake of nothing. Mr. Chen can hand me over to the head of Mei.’ Situ Kong said.

Chen Fei said: ‘I said, I want to protect you, no matter who comes.’

‘But, Mei Changlin is a martial artist in the realm of the later stage, ranking 34th in the Shenlong List!’ Situkong Road.

Chen Fei looked at Situ Kong and said, 'Don't think about it, Mei Changlin, I can deal with it. Moreover, I don't only do this for you, but also for the three people who killed the Orion family that year.'

Situ Kong His mouth moved, and he wanted to persuade, but the words could not be spoken. Finally, he only spit out a few words, 'Mr. Chen, take care!'

Chen Fei nodded, went out, and came to the living room with Mu Ningbian .

As soon as he walked into the living room, Chen Fei saw an old man in his 70s with white hair and long hair sitting in the seat.

The old man is very old, but the blood on his face is very red, and his body exudes a strong breath of life. Obviously he is a master of martial arts.

When the two entered the house, Mu Ningbian took the initiative to arch his hand to the old man and greeted: '

Meet the head of Mei, Master Chen Fei Chen is here.' Mei Changlin is older than Mu Ningbian and is a martial arts world. Old qualifications. Therefore, Mu Ningbian should be commended in front of him.

After the words, Mei Changlin in the main seat looked at Chen Fei, his eyes smelled of scrutiny.

At the moment, Chen Fei directly met the other person's eyes without any evasion and no intention of greeting.

Upon seeing this, Mei Changlin's eyes twitched a little and took the initiative to say: 'You are Chen Fei?'

'I am. I don't know what Mei's head wants to talk to me about?' Chen Fei opened the door and spoke directly.

Mei Changlin was a little surprised, and then said out loud: 'What I want to talk about, you should be very clear.'

‘I don’t know what Mei’s head said, I’m afraid it won’t be clear.’ Chen Feidao.

After hearing this, Mei Changlin’s expression was obviously gloomy, and he gave a sigh of relief. He leaned forward slightly and said, ‘Since

If you don’t know, then I will just say it. ‘

Situkong is a disciple of Qianxing Academy, and Mr. Chen will return it to him.’

‘Return? Chen Fei sneered, and said, ‘I think the head of May seems to have misunderstood something.’ Situkong is a person, not an item. Wherever he wants to go is his freedom. I have no control over him, so I can’t talk about returning. ‘

Mei Changlin frowned, face some unhappy silence for a few seconds, looked at Chen Fei, deep voice, the channel: ‘Young man, I do not want to be a war of words. Now, you hand over Situ Kong, and you can hurt nothing, I can write off. Otherwise—’

Lengheng, Mei Changlin looked at Chen Fei with a threatening expression.

Chen Fei was completely unmoved, and said coldly: ‘I want to know, otherwise how? ‘

You--’ Mei Changlin slapped on the armrest of the seat, anger wrote on the face, and then said, ‘I want to solve the problem, young man, don’t force me!’ ‘

Chen Fei heard, heavy Leng Heng soon, said: ‘If the head of Mei really to resolve the matter. Then make it clear that the Orion family of three died in that year, and consider how to punish and how to compensate. Rather than wanting to kill people like this now. ‘

Clarifying things directly, Mei Changlin stood up and shouted sharply: 'Young man, don't talk nonsense.'

Chen Fei sneered: 'The truth is stubborn things!'

Young man, you are angering me, understand?' 'Mei Changlin's eyes looked coldly at Chen Fei, his expression somber, and his real breath began to surge.

Chen Fei's stillness, and the true breath also surged.

Seeing that the two sides are about to fight, at this moment, Mu Ningbian quickly uttered a voice: 'May, Chen Fei. The two of you must not be impulsive. At this moment, the war, for you and us in the martial arts world, is a disadvantage. Please calm down.'

Mei Changlin said: 'Director Mu, I am very calm, but some young people are too self-righteous.'

Chen Fei was tit-for-tat, and his tone was firm. 'I said, Situkong I'm sure. I want it. Take him away, then pass me first!'

'Could it be that you really don't dare to kill you?' Mei Changlin was furious and drank sharply, and the momentum came directly towards Chen Fei, just Do it yourself.

Upon seeing this, Mu Ning's face changed greatly, and quickly stepped forward to block: 'May, head, don't be impulsive.'

'Mun Ningbian, do you want to fight me right?' Mei Changlin was furious.

Mu Ningbian quickly explained: 'Mei Zhang, I don't mean that, please listen to me say a few words.'

Immediately, Mu Ningbian came to Mei Changlin and whispered: 'Mei Zhang, Chen Fei

Can't move.' 'Why can't move? His young master's name is extremely powerful in the eyes of outsiders, but in my eyes, it's nothing.' Mei Changlin sneered.

Mu Ning hurriedly said: 'Mei's head, Chen Fei's identity is not simple. He has a great relationship with that adult.'

'That adult?' Mei Changlin didn't react for a moment.

Immediately, Mu Ning pointed his finger upwards and said, 'The one at the top.'

Upon hearing this, Mei Changlin couldn't help but change his face, and his expression was very surprised. "

During the speech, Mei Changlin saw Mu Ning nodded, confirmed the thoughts in his heart, and suddenly thought deeply, looking at Chen Fei's eyes, which was a little complicated at this time.

After being silent for a few seconds, Mei Changlin glanced at Chen Fei without a word, and walked away directly.
