

Chapter 11 Just Three Minutes

This was Maximilian's promise to Victoria, a promise that would be kept!

He had been feeling guilty for Victoria for four years, and he wanted to make it up for her.

In the past four years, Victoria had never left Maximilian, and she would secretly give money to Maximilian's mother. Maximilian had known all of that.

Even if she was a little colder and harsher to Maximilian in normal days, Maximilian could feel her love.

Maximilian felt that she was the one that he wanted to spend the rest of his life with. He would spend the rest of his life protecting Victoria and his daughter.

"Do you lie to me?" Victoria's rosy

cheeks were covered in tears.

For all these years, she had suffered in her family. She always hoped that one day, she could be in front of people in a dignified manner, hugging Maximilian and telling everyone that this was her husband, Sissi's father.

Maximilian silently wiped Victoria's soft feet and said.

"Victoria, I promise you, I won't let you down again!"

After saying that, Maximilian turned away.

Victoria sat on the edge of the bed and watched Maximilian leaving with tears in her eyes.

"Maximilian, don't you ever let me down on you again....."

She has sacrificed so much and suffered so much for this family in the

past four years.

How she wished she could face the public with him one day.

Maximilian went out and dialed a number. Wilfred's respectful voice came from the other side of the phone.

"What can I do for you, young master?"

"Wilfred, do you know the Graham Group?"

Maximilian asked.

"Yes, one of the top medical device companies in the country. What about it?"

Wilfred asked.

"Make an appointment for me, I want to meet with the chairman of Graham Group immediately."

Maximilian said.

"Yes, young master, I'll do it right away."

Wilfred replied.

Maximilian tilted his head and looked up at the sky dotted with stars.

He was the next Dragon Lord of the Dragon Sect. Even though he was just a puppet manipulated by the Dragon Sect, he could still use the power of the Dragon Sect to do things he wanted.

However, Maximilian didn't dare to make his identity known to the public yet.

That vicious woman was still there. She was still the current Dragon Queen of the Dragon Sect.

Plotting and moving forward, Maximilian had his own plans.

Ever since he and his mother were thrown out of the Dragon Sect,

Maximilian had been bearing responsibility and blames, because he was aiming higher.

Everyone though he was a coward. Everyone from the Dragon Sect took him as a bastard.

However, who knew that after all these years, Maximilian had his own layout and vision long ago.

In the darkness, a figure quietly stepped out. Then the figure knelt down to Maximilian and said very respectfully,

"Young master, do you need my accompany to go there?"

Maximilian stood with his arms on his back. The he shook his head and said.

"It's not necessary."

Someday he would definitely become the Lord, and by then he would

no longer be afraid of the Dragon Queen!

Meanwhile, in the newly established Graham Group building in H City, the chairman's office on top floor was lit up.

"Mr. Graham, there's a man waiting for you downstairs. They said they've made an appointment."

A woman in a black suit said to the middle-aged man sitting in a big chair. She crossed her arms in front of her belly looked very respectful.

Ralphy, the chairman of the Graham Group in H City, sneered and said.

"Let him come up."

Ten minutes ago, a phone call came from the headquarters of Graham Group, saying that someone wanted to see him, and Ralphy agreed immediately.

After all, it was a call from headquarters, and as the chairman of the H City branch, he had to follow orders.

Soon, Maximilian appeared in the large and luxurious office.

Ralphy raised his eyebrows and looked at Maximilian politely and asked,

"I wonder what the little brother wants from me?"

This young man looked more than ordinary. Ralphy wondered how he convinced the headquarters to make the call?

"Please don't be so polite, Mr. Graham. I'm here today to ask for a favor."

Maximilian explained directly.

Ralphy put down the golden pen in his hand and asked in amazement.

"Well, it will be a great pleasure for me then...."

"I heard that the Graham Group is seeking partners among pharmaceutical companies in H City, and I hope the Graham Group will choose the Griffiths' Yunsheng Pharmaceutical. Please let Victoria be the person in charge."

Maximilian said softly. He seemed so calm. Ralphy frowned and said with a slightly unhappy face,

"Who are you? Why are you helping the Griffiths? As far as I know, the Griffiths' Yunsheng Pharmaceutical is only a second-rate company in H City. It's not even a qualified partnership for us."

Graham Group was one of the largest companies in this country and it was also a listed company.

Their partners had to be a strong local company.

A small company like Yunsheng Pharmaceuticals only made a profit of tens of millions a year.

It was not qualified at all!

"Victoria is my wife, and my name is Maximilian." Maximilian answered.

Ralph shook slightly and asked suspiciously.

"You're Maximilian?" A rich and meaningful sneer emerged on his face.

He knew lots of medical companies and pharmaceutical factories in H City, and Yunsheng Pharmaceutical was of course one of them. However what interested him in Yunsheng Pharmaceutical was not its qualification, but, instead, he was very interested in the story of the Griffiths'

oward son-in-law.

Maximilian, the Griffiths' good-for-nothing son-in-law, brought shame to the whole Griffith family.

Victoria was the daughter of the second wife of Mr. Griffith. She was once a high-fed girl, but now she had become the laughing stock of her family because she mistakenly married a talentless trash.

With a cold laugh, Ralphy had more contempt in his eyes and laughed.

"So, you're Maximilian, the most famous coward in H City."

Maximilian smiled blandly and replied, "I'm pleased that you've heard about me before. Please do me the favor. I owe you this one."

Many people would do all they can to do favors for the next Dragon Lord of

the Dragon Sect.

However...

Ralphy shook his head and said,

"I don't know how you contacted our the Graham Group headquarters, but I will have to say no.

Yunsheng Pharmaceutical is not qualified to be a partner for us.

Furthermore, a trash like you are even less qualified to make me agree to this."

"Mr. Graham, you'd better think twice, many people would strive for the opportunity to do me a favor,"

Maximilian said with a faint smile and calm eyes.

Ralphy shuddered and then he was irritated. He slammed the desk and shouted,

"Do you a favor? How dare you ask me to do you any favor, you wimpy bastard! Look at yourself! What are you? Send him out of my room!"

Maximilian had been famous in H City for four years, because he lived on a woman from the Griffith.

Of course, people would look down on him.

Ralphy thought the person who came would a powerful person because the headquarters called him in person.

Therefore, he was so surprised to see it was the notorious loser in H City!

And that made him very unhappy!

The young man wanted him to cooperate with Yunsheng Pharmaceutical. That was daydreaming!

"Mr. Graham, are you sure you don't want to?"

Maximilian frowned. He was still treating the man with respect because he was asking the man for a favor.

Ralphy looked arrogant and answered, "I've made my point. You can get lost or I'll call the security!"

Ralphy had run out of patience. He got up and stood in front of the large French window, and then he turned back.

However...at this moment, a discordant voice broke the silence of the office.

Maximilian took out his phone. He dialed Wilfred's number and said in a cold voice,

"He refused me. I'll give you three minutes to take care of this."

Pop!

The phone was hung up. Wilfred was

already soaked in cold sweat!

"Damn!"

The young master is angry! In a hurry, Wilfred asked his assistant to dial the phone number of Cooper Graham, the chairman of Graham Group headquarters.

The phone was immediately answered. Cooper Graham, who was in his sixties said with a respectful and flattering face,

"Mr... Mr. Collins, I didn't expect you to call me personally. To what do I owe this pleasure?"

At this moment, Cooper Graham was in the conference room of the Graham Group's headquarters. The entire conference room was filled with all the senior leaders of the group.

Cooper Graham was the founding

father of the Graham Group. He was also one of the three giants of the domestic medical business which was worth over 50 billion!

He was also one of the permanent presidents of the National Medical Association.

He had occupied a decisive position in the medical field in the country!

A man like him would be respected wherever he went.

Therefore, everyone felt it so weird to see him acting so carefully and cautiously today.

It was all because of that phone call.

They were so surprised that someone who could make Cooper Graham treat him so solemnly. The man on the other side of the phone was definitely a bigwig.

"Cooper! What's wrong with you?"

My young master wanted your H City branch to cooperate with Yunsheng Pharmaceutical, why do you refuse his proposal? Are you sure you want to upset the Dragon Sect?" Wilfred questioned in a cold voice!

Damn!

Sweats leaked out of Cooper Graham's head immediately. He shivered and explained,

"Mr. Collins... it's not like that. They may not have conveyed my message properly. I will inform the branch personally!"

"Be quick! You only have three minutes!"

Wilfred said and angrily hung up the phone.

Cooper, on the other hand, was

taken over by panic. He yelled hastily.

"Who's in charge of the H City branch?"

He was so mad!

He knew Mr. Collin's young master was the next Lord of the Dragon Sect!

Upsetting the Dragon Sect would only cut their own throats!

"It's Ralphy, your nephew."

The assistant explained hastily.

"Give me his number, the life and death of our group completely depend on him now!"

Cooper shouted. He looked so anxious.

In Ralphy's office, he was so drunk with self-pride. Then he yelled at Maximilian,

"Three minutes? Where does a

coward like you get your confidence?
This is Graham Group, and it's me. It's
my decision to make because I'm the
boss here!"

However, with a calm face,
Maximilian interrupted him, "Right
away."

As soon as Maximilian finished
speaking, Ralphy's brow furrowed. He
was just about to argue angrily when
the phone on his desk rang!

Chapter 12 My Deal with You

This ghostly bell ringing at the moment brought a sudden chill to the office!

Ralph turned serious, but he still looked suspicious and wondered who would call him at such a late hour? As soon as he answered the phone, Cooper's growling came from the other side of the phone. He shouted angrily,

"Ralph, do you know what a stupid thing you've done?!"

"Uncle, what's going on here?"

Ralph was stunned, he was too afraid to move any longer.

The founder of the Graham Group, his eldest uncle, sounded furious at this moment!

He had never seen it before!

"What going on? What a stupid question!

Is Mr. Maximilian with you now?"

Cooper asked in a chilling voice.

Ralphy's trembled because the name was out of his surprise.

He raised his eyebrows to look at the "wimpy bastard". He was standing there, relaxed, hands on his back.

"Yes.... Yes, he is." Ralphy replied in a hurry.

Cooper yelled, "You, apologize to Mr. Maximilian immediately, and listen to Mr. Maximilian for all your cooperation in H City. Cooperate with whoever he tells you to, do you hear me?!"

Ralphy felt panic. He wondered what the hell was going on here?

Why his elder uncle would give the order himself!

"Uncle, what are you doing?

Maximilian, is just a wimpy son-in-law from the Griffiths. Why do you care about him so much?"

Ralphy asked in disbelief, his eyes keeping skimming around Maximilian's body.

Who the hell was this guy?

"How dare you! Don't you dare to say that again! I'm telling you, Ralphy, you must never offend Mr. Maximilian! If we piss off Mr. Maximilian, the Graham Group will soon go bankrupt!"

Cooper said.

Hearing that, Ralphy's heart twitched, as if he had suffered a thunderbolt. He was so confused! However, given what his uncle just said, Maximilian was not at all what he had heard about.

At this moment, Ralphy's body was taken over by fear and chill!

The cold sweat leaked out at the corner of his forehead.

And at this moment, Maximilian spoke in a low voice, "Mr. Graham, have you made up your mind yet?"

Ralphy dared not to waste any more time. He hurriedly said to Maximilian with respects,

"Mr. Maximilian, I've thought it over. I'll do everything just as you want. Our partner in the Graham Group will be Miss Victoria of Yunsheng Pharmaceutical."

Just as he spoke, some security guards rushed in from the door and shouted angrily,

"Sir, this young man was here to create a mess, was he?"

Damn!

Who the hell are you? How dare you cause trouble for the Graham Group? You'll get yourself killed!"

Several big and burly security guards. They yelled at Maximilian with riot batons in their hands.

Ralph's head was covered in cold sweats when he saw this scene!

Why did these idiots have to come up at this time!

Pop!

Ralph slapped the man who was talking towards Maximilian. Ralph lost his temper and yelled angrily,

"How dare you! Stop being so rude to Mr. Maximilian! Get out of here, all of you!"

The security chief was dumbfounded. He covered his burning

cheek, and had no idea what to do.

They wondered what this was about?

"Mr. Graham, I thought you're the one who told us to..."

Their leader was still trying to explain.

Ralphy immediately gave him an angry glare before groveling and smiling at Maximilian.

"Mr. Maximilian, I'm sorry, these people are so stupid. I'll take care of all your requests, and I'll have the information passed down tomorrow."

Maximilian nodded and said, "Much oblige to you then. I'd appreciate it if you make this public."

"I know, I know..." Ralphy hurriedly nodded his head.

Maximilian left soon after he said

that. Ralphy was still bowing to his back.

After Maximilian left, he let out a breath. Then he wiped the cold sweats from his head. The pressure just now was too much to take for him!

Cooper Graham treat him with so much respect. It would be hard to overestimate him.

"Do you hear me? Then hurry up and arrange for it, remember, do not make it public! Whoever let the cat out of bag will be punished! No exception and no mercy!"

Ralphy said to the assistant beside him. Then he warned the guards.

The crowd was silent, nodding their heads without hesitation.

It was already midnight when Maximilian returned home.

He gingerly and skillfully made a bed on the floor and lay down on it. Then he looked sideways at Victoria's delicate back on the bed.

He would never let her down again. It was a promise he had made to her.

Knowing Maximilian had returned, Victoria turned to Maximilian and asked, "Where have you been?"

Maximilian smiled and said, "I am just out for a while. Just go to sleep. We'll have to visit Sissy in the hospital tomorrow."

Victoria looked sullen. She twitched her mouth and said,

"I can't sleep, just talk to me for a while."

"OK!" Maximilian replied.

However, the room fell silent soon because Victoria didn't even know what

to say.

A few minutes later, Victoria said,
"Forget it, just go to sleep."

Then she rolled over and turned her back to Maximilian. Her big bright eyes were brimmed with tears. She was staring at the white crescent moon and starry sky out of the window.

Maximilian looked at Victoria's back and silently thought that he would definitely honor his words. He would give her the life he promised before!

He wanted to make her and Sissi proud of him.

It wouldn't be long before everyone knew that Maximilian was everything but a coward!

They didn't speak for the rest of the night.

Early the next morning, Victoria left

home for work.

Maximilian stayed home. He stayed in the kitchen for a while and made breakfast for his mother-in-law and father-in-law.

Laura came back from the hospital last night. She was so tired. As she came out of the bedroom, she was still complaining,

"It's exhausting, I should have never gone there yesterday. The hospital was a mess."

Maximilian came out of the kitchen with breakfast and laughed.

"I made you breakfast, please eat it hot."

Laura glared at Maximilian and said disdainfully,

"You coward, staying at home day after day. Can't you see how other man

are working and striving? I've never seen a man like you! You good-for-nothing coward!"

Maximilian chuckled. He had been used to this long ago. So he ignored her. Then he turned around and went into his bedroom to pack his things.

He had to go back to the old house in the morning.

Seeing Maximilian wouldn't even look at her, Laura mumbled and then stopped talking.

"I'm going to the old house. And I'll go to the hospital later."

Maximilian told Laura and then went out.

Laura was still scolding from behind, "Going back to see you dying mother? Please don't go back then, you coward!"

Maximilian paused in the doorway,

but eventually he walked away with a helpless shake of his head.

Maximilian made his way to the old house on his electrical bike.

This was what the Griffiths had rented for Maximilian at the beginning. It was the first place for them to stay in H City.

Standing from a distance, Maximilian saw his mother who was selling breakfast. Her face was haggard and her figure was thin, but she still looked very elegant.

She was once a descent lady. It was so unfortunate for her to end up like this.

And it was all because of that woman...

Maximilian decided he would take back everything he had once lost to the

Dragon Queen.

Maximilian took a deep breath, rushed over and called out aloud,

"Mom, let me take care of it for you!"

The woman in her forties raised her eyebrows. She looked at Maximilian with a loving face and smiled gently. Then she asked,

"Why are you back again? Your in-laws will be upset."

Maximilian chuckled. He helped her set up the stove and said,

"It's fine."

He supported his mother to step aside. Then they sat down and chatted.

"You need a rest, I'll do it."

The woman smiled, watching her son doing it for her. She felt relieved as well as concerned, because she was

afraid that he would be too tired from this.

If it wasn't for her, Maximilian wouldn't have had to work so hard and depend on somebody else for a living.

"By the way, how are Victoria and Sissi?"

Rebecca asked, laughing as she made the dumplings.

Maximilian hesitated and smiled. Then he answered,

"They are fine."

Rebecca's voice was trembling because of sadness. She asked,

"When could Sissy come to see me?"

Maximilian hesitated for a while. He looked a little helpless as he said,

"I know you miss her, just wait for a few more days."

Rebecca wiped the tears from the corners of her eyes and nodded her head.

She knew her son was living a hard life, so she always felt reluctant to ask him to do anything.

At the exact moment, a couple of punks approached. They kicked the stove that had just been set up!

The customers who were eating breakfast in the shop hurriedly run away in all directions.

"Yo, Maximilian, I didn't expect you to be here today."

The young man at the head of the group, said with a sinister grin on his face. He got both hands in his trouser pockets, looking quite arrogant.

Maximilian stood in front of his mother. Then he stared at the man with

a grim expression, asking, "Franklin,
what do you want!"

Chapter 13 Franklin's Conspiracy

Maximilian's eyes were wide opened. The one in front of him was Franklin!

Franklin's looked so taunting. He raised his eyebrows and looked at Maximilian with his head hanging high. Then he arrogantly said,

"Yoo-hoo, Maximilian, you've grown up! How dare you talk to me like that?"

BANG!

Franklin stepped forward and kicked hard on Maximilian's chest.

Maximilian took a few steps back with a cold face. Then he covered his chest with his hand.

Rebecca rushed over and asked,

"Son, are you okay?"

"Mom, I'm fine."

Maximilian hurried to pull his mother back.

He did not want his mother to get involved in this. He knew Franklin had deliberately come to pick a fight.

"Mr. Griffith, if my son has done anything wrong to you, I'll make amends on his behalf. Please let him go... he's your brother-in-law anyway....."

Rebecca held her breath and begged Franklin. Then she forced out a smile.

Franklin frowned as he looked coldly at Rebecca and scolded,

"Get off!"

Who the f*ck are you?

Mother of a coward, a dying woman, why should I listen to you and spare him?"

Saying that, Franklin stood up and was going to slap Rebecca on her face!

Maximilian was mad!

He would never allow her mother to get hurt by anyone!

The mother of the Lord of the Dragon Sect, shall be respected by the world!

He stepped forward and grabbed Franklin's wrist fiercely. Then he scolded in a cold voice,

"How dare you! Franklin!"

That was the first time that Maximilian took it out on Franklin. It had taken a while for Franklin to realize what had happened. Then he put on his taunting smile and called Maximilian's name.

Then he slapped the other hand on Maximilian the face and yelled,

"Damn you! Why wouldn't I dare?"

"Smash this place for me!"

Franklin slapped over and yelled to the punks behind him.

In a flash, those punks smashed the breakfast shop and made it a ruin.

Maximilian had been standing in front of his mother. Rebecca was wiping her tears crying, staring at Franklin with hatred.

Franklin then put both hands in his trouser pockets and looked at Maximilian. He looked so arrogant and said,

"Maximilian, the Griffiths gave you this old mansion because we pitied on you, remember?"

Don't you dare raise your voice and be rude to me. You don't want to lose this place."

Maximilian frowned when he heard that.

Seeing this expression on his face, Franklin smiled coldly and said,

"I don't want to do anything to you, so here's the deal, get down on your knees and apologize for what you just did!

Or I'll take this place back and kick your dying mother out today!"

Maximilian looked so sullen upon hearing those words.

Franklin's laugh was so arrogant and twisted. His subordinates were jeering at Maximilian, too.

Maximilian felt so helpless. He loosened his clenched fist.

He raised his eyebrows and gave a hint to someone in the crowd. Just when he slowly bent his knees and was about to kneel down...

A warm and trembling hand grabbed

him by the shoulder.

Rebecca was standing at Maximilian's side, her eyes full of tears. She shook her head at him with a smile on her lips and said,

"Son, a real man never kneels to anyone easily."

After saying that, Rebecca knelt directly in front of Franklin and pleaded,

"Mr. Griffith, I'm sorry... my son doesn't know how to behave himself. I didn't teach him well as his mother, I'm kneeling for him."

BOOM!

At this moment, the fire of fury devoured Maximilian's heart!

His mother deserved respect! Franklin! Maximilian wanted to kill him!

And this scene embarrassed Franklin so much.

The onlookers were all accusing Franklin of being so mean.

Franklin was a little afraid of them.

Franklin shrugged with hatred and was about to leave. He turned around with a grim on his mouth, and said to Maximilian,

"Maximilian, Victoria went to Graham Group for negotiation today. As far as I know, the young master of Graham Group was a playboy. I'm afraid your wife is at high risk on this trip...huh, huh...!"

After saying that, Franklin laughed loudly and left with his paws.

Maximilian frowned and hurried to support his mother.

"Mom..."

Rebecca interrupted Maximilian. She held his hand and shook her head. Then

she said.

"It's not like the old days when we were rich. We have to be forbearing now, but you should always remember that you're not an ordinary man, and never should you kneel down so easily."

Maximilian was so moved. His eyes were brimmed with tears. He held his mother's hand tightly and stammered,

"Mom, actually, I've....."

"Okay, okay, no more talk, help me clean up the mess."

Rebecca interrupted Maximilian.

Maximilian looked at his busy mother and secretly clenched his fists. He glanced at the back of Franklin and the others.

He swore secretly that one day, he would humiliate them back ten times more!

By the afternoon, Maximilian had told his mother a lot of things. Then he left the old mansion and rushed to the hospital.

Mr. Griffith showed some mercy and allowed Maximilian to visit Sissi in the hospital.

Jackson must have helped him.

In the company.

Victoria arrived early this morning. After she entered the office, she saw Iris sitting on the sofa, with hands around her chest. Her slender and fair legs were crossed.

"Victoria, I've done all I can to help you. I've already contacted the young master of Graham Group for you. If you want to negotiate with the Graham Group, you should go there now."

Iris said coldly, a hint of intrigue

hidden in her lanceted brows.

Victoria heard her. She wondered why Iris would take the initiative to help herself?

She asked, "Really?"

Iris got up, her arms around her chest. That posture really accentuated her spectacularly big breasts. Then she said,

"Believe it or not, this is what Zak, the young master of the Graham Group, asked me to bring to you, if you really want to talk, do what Zak wants."

Victoria glanced at the small chamber on the sofa. She walked up and opened it, only to see a set of cut-out, ultra-thin underwear!

Victoria's pretty face blushed with anger. As she threw the thing away, she said to Iris in a cold voice, "What's that

for?!"

Iris laughed and said, "Victoria, don't try to act like an innocent baby in front of me. I know those dirty laundries of yours. Don't try to hide it away from us.

This is a gift from Zak, as you know, he's always been fond of these little hobbies... You'll have to wear this if you want to negotiate with the Graham Group!

Moreover, Zak has promised me that as long as you wear it, they will definitely choose you!"

"Victoria, think about your bet with your cousin... it is your director position! What if you fail? What about your daughter?

Do you really think you can live on your wimpy husband?"

After saying that, Iris turned around

Franklin was flirting with his assistant. It seemed that she didn't caring about Iris' presence at all. He then said excitedly with a satisfied smile on his face,

"Ha-ha, great! This time, make sure to ruin her reputation and make her a disgrace to the family!"

The two laughed at each other. Their sinister laughters echoed throughout the office.

The assistant on one side still didn't understand and asked suspiciously,

"Sir, what's going on, what's going to happen to Victoria?"

Franklin's large hands was touching every inch of the assistant's body. Then he told her all his plan.

When the assistant heard this, her eyes instantly lit up with excitement and

she asked.

"Are you saying that Victoria will sleep with him for nothing?"

"Yes, she is! That bitch totally deserved it!"

Franklin had a sinister smile on his face. Thinking of how Victoria would scream and yell made him comfortable.

Poor Victoria, she would never expect that she finally ended up with Franklin.

The assistant laughed and suddenly asked,

"But what if Maximilian finds out?

Will there be any trouble for us?"

"He's just a coward, we don't need to worry about that!"

Franklin didn't care about that at all. He said, "If he really dares to mess with

us, I have plenty of means to deal with him!"

Maximilian? He was nothing more than a trash in Franklin's eyes!

Franklin couldn't wait to know what grief-stricken expression Maximilian would have when he saw the video of his wife being insulted.

"Huh!

"That would feel so great!"

That assistant nodded and wrapped her arms around Franklin's neck. Then she said in a coquettish way,

"Then Mr. Griffith, when you become the vice president, please don't forget to give me that director position..."

She had been drooling to the position for a long time, otherwise, she wouldn't have developed an inappropriate relationship with Franklin

in the office.

"Ah-huh! Don't worry, when Victoria becomes a wh*re, her director position will definitely be yours!"

Franklin laughed and looked at the charming assistant. Then he couldn't wait to get up and pressed her down on the sofa.

Seeing that, Iris knew it was time for her to leave.

Soon after, inappropriate groan came out of the office...

Chapter 14 Please Help Me

Meanwhile, Maximilian had arrived at the hospital.

His mother-in-law called him non-stop for the whole morning and urged him several times.

As soon as he entered, Maximilian bumped into Jackson. He came running in a hurry and was full of complimentary smiles as he said,

"Welcome Mr. Maximilian to our hospital."

With a stunned expression, Maximilian waved his hand and said, "I'm just here to see my daughter."

Jackson smiled awkwardly and said, "That's fine, I'll leave you alone. Please rest assured. Your daughter is doing fine. We had an expert consultation

overnight and have already come up with a plan."

Maximilian nodded. Jackson turned around and left.

Following that, he headed towards Sissy's ward. Just as he entered, he was stopped because somebody yelled at him loudly,

"Maximilian, why are you being so late?

Don't you know how dirty and tiring this is?"

When Laura saw Maximilian coming over, she immediately rushed over furiously and pointed at Maximilian's nose!

She was so mad! She had been taking care of this little bastard all morning by herself. She was so tiring!

If it wasn't for the old Griffith's love

for Sissi, Laura would never take care of this little bastard.

The daughter of a coward like Maximilian was simply a disgrace to the family!

However, Laura didn't dare to say anything on weekdays, because the old Mr. Griffith treated Sissi as a precious treasure, so she didn't dare to say anything.

Maximilian acted humbly and said,

"You can go back now. I'll take care of Sissy."

Laura threw what she was holding at Maximilian and gritting her teeth in hatred.

"I'm telling you, although her grandpa allowed you to take care of her, you should always remember that she's one of the Griffiths. If you dare to tell any

other people that Sissi is your daughter, I'll slap the hell out of you!"

She said and she glared at Maximilian.

"Why are you standing around? Do your job, now!"

Maximilian hurriedly took the basin and get warm water to wipe Sissi's face and hands on the hospital bed.

Sissi was very well-behaved. When she saw Maximilian was wiping her hands, she kept smiling. The two dimples made her look even cuter.

Maximilian loved the girl so much. He poked her crystal little nose and gave her a funny face.

Sissy laughed out loud with pleasure. The she called him aloud,

"Dad..."

Pop!

Laura was playing with her phone and viewing bags with her sisters. She immediately stood up and walked over angrily. Then she slapped Maximilian in the face and shouted,

"What are you doing?

Who told you to let her call you Daddy?"

Maximilian was a little dazed by the sudden slap. He held the basin in his hand, and squeezed his fist tightly.

He glanced at Sissy who was sitting on the hospital bed. Her big bright eyes were filled with fearful tears.

She realized that she had said the wrong thing. So she hurriedly held the hem of Laura's shirt and said,"Grandma, it's not Daddy's fault, it's Sissy's fault....."

"And you call him Dad?" Laura turned

over her sullen face and glared at Sissi.

Sissy shuddered in fear. Her lips were twitching, tears rolling down from her eyes.

Seeing that, Maximilian hurriedly apologized,

"It's my fault, I won't do it again."

Laura then glared at Maximilian and chided,

"You'd better not! Now pour the water!"

Maximilian nodded and glanced at Sissy. He gave her a smile before he turned away

Laura was furious. She glared at Sissi and said,

"Sissi, you need to know that he's not your father, and if you call him father again, I'll kick you out of the family along with that coward!"

Do you really think I wouldn't dare to do anything to you just because your great grandpa likes you? Do you hear me?"

Sissi was still young, but she was already smart enough to understand Laura's words. She wailed and muttered,

"Grandma, I won't do that again... please don't do that to my da... uncle."

Laura rolled her eyes at her. Then she turned around and sat on the sofa, chatting with her friends about the purses that had recently come out.

In Victoria's office.

She was still in her office, thought it was already the time for lunch. She looked at the chamber of underwear in her hand and felt so humiliated!

"Phew..."

She let out a long breath and

seemed to have made up her mind. For the sake of Sissi and the whole family, she would have to do it.

Maximilian had promised yesterday that he would definitely convince the Graham Group.

But Victoria knew that Maximilian said that just to comfort her.

She knew what her husband was capable of.

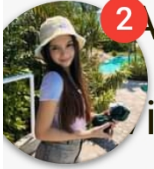

Half an hour later, Victoria changed into the shameful underwear and walked out of Yun Sheng Pharmaceutical. Iris's car was waiting for her at the gate.

She didn't hesitate and got in the car.

Just in case, she had edited a text message addressed to Maximilian.

Iris was sitting on one side, fixing her makeup. When she saw Victoria

getting in, she glanced at her and asked.

Yong niloloro mo bhee
Ilan na lahat naloload mo... her

hand and bit her red lips as she nodded.

Iris grunted, "I thought you were a chaste, but it turns out you're no more than a gold-digger."

Victoria heard the harsh words and was about to get out of the car.

Iris didn't even try to stop her. She said,

"If you go down now, you will definitely lose the opportunity to cooperate with the Graham Group."

After a short moment of hesitation, Victoria sat back down.

Iris's face twisted because of sneer. She said to the driver in the front,

"The Belle Club."

getting in, she glanced at her and asked

"Are you wearing it?"

Victoria squeezed the bag in her hand and bit her red lips as she nodded.

Iris grunted, "I thought you were a chaste, but it turns out you're no more than a gold-digger."

Victoria heard the harsh words and was about to get out of the car.

Iris didn't even try to stop her. She said,

"If you go down now, you will definitely lose the opportunity to cooperate with the Graham Group."

After a short moment of hesitation, Victoria sat back down.

Iris's face twisted because of sneer. She said to the driver in the front,

"The Belle Club."

She hated Victoria for pretending to be innocent!

She wanted to ruin the woman this time.

Inside the Chamber 888 of the Belle Club.

Iris opened the door and walked in with Victoria. She shimmied and said,

"Sir, check out who I brought you... it's Victoria! the first of the four most beautiful women in H City!"

Victoria was very nervous, her heart was jumping in her throat. When she followed Iris into the large chamber, she found the lighting was a bit dim. The chamber was divided into two compartments, with a screen and beaded curtain in the middle.

On the couch before her, there was a handsome man in his twenties. He had

two hot girls to his left and right. They were playing a game called “eating the ice grapes”.

Zak spread his arms and leaned back on the sofa. He had a wicked smile on his face. He checked Victoria from head to toe with his eyes as she walked in. Then he gave a thumbs up to Iris, saying, “OK!”

Iris smiled and turned to Victoria. Then she yelled, “What are you standing there for? Say hello to Mr. Zak!”

Victoria frowned. Then she took a few steps forward and bowed to Zak, saying,

“Mr. Zak.”

Zak immediately stood up and stepped forward. He took Victoria's exquisite slender hand. Then he sniffed on it and said with intoxicated smile,

"Tender, fragrant... you surely are worthy of your name as the most beautiful woman in H City. I like you."

Victoria was startled. She hurriedly drew her hand away and said to Zak,

"Mr. Graham, please don't be like that. I'm here for our cooperation."

Zak sniffed the lingering fragrance on his fingertips, squinting his eyes as he surveyed Victoria in front of him. This wonderful woman felt like a ripe and juicy peach to him.

"Of course we'll negotiate, but not until you finish drinking this bottle of wine."

With a wicked grin on his face, Zak snapped his fingers and a hot beauty near him pulled out an new bottle of Remy Martin.

Seeing that, Victoria froze and

looked back at Iris. The woman bowed and smiled, and then she directly left the chamber.

Victoria panicked and chased after her, but Zak's subordinate stopped her, while taking the people inside the house out and unlocking the door from the outside.

Inside the large chamber, Victoria looked flustered, and Zak had an evil look on his face.

Zak got up and approached Victoria with a bottle of Remy Martin in his hand and sneer on his face.

"Director Victoria, don't you want to negotiate or not?"

After saying that, he stepped forward suddenly and grabbed Victoria's hair. Then he poured the wine roughly into Victoria's mouth.

"Wooo!"

Victoria struggled desperately. A few minutes later, the large amount of alcohol in her stomach only made her feel dizzy.

Zak looked like a maniac. He was laughing wildly. He violently ripped off Victoria's jacket, and hugged Victoria from behind. Then he buried his head into her hair and took a few deep breaths.

He was drunk with that fragrance!

"Director Victoria, there's no way for you to get away with this, so why don't you just give in? I'll give you the chance then."

Zak sneered.

Victoria's whole body tensed up. She tried hard to break away from Zak. Then she slapped heavily on his face. She

grabbed the bag on the ground and pull out the fruit knife she prepared.

"Don't you come any closer, don't come any closer..." She screamed desperately.

Zak licked his lips, the pain on his cheek caused him to lose his mind even more. He jumped over and snatched the fruit knife from Victoria's hand. Then he slapped angrily on her face, and roared,

"Bitch, how dare you play tricks on me!"

Victoria felt the slap so painful. Then she felt dizzy and fell to the ground, gasping helplessly.

She struggled desperately, reaching for the phone that had fell out of her purse.

At this moment, all she could think of was Maximilian!

Victoria's hand grabbed that phone. She tried as hard as she could to press the send button.

Clattering...

Zak grabbed Victoria on her ankle and throw her onto the sofa. Then he jumped on her and pressed himself against Victoria with a twisted smile.

Victoria didn't stop struggling constantly, scratching on Zak's body!

Zak grabbed her tender neck and went up. Then he slapped her twice more. He yelled,

"Don't play your innocent card with me, I'll get you killed today!"

Meanwhile, inside the hospital, Maximilian's phone rang in his pocket.

He felt it a little suspicious, as he tapped on the text message, he found that it was from Victoria.

The message was no more than nine words, but Maximilian was taken over by rage as soon as he saw that!

"Maximilian, the Belle Club, help me!"

Chapter 15 Flattening This Place

The Belle Club?

Victoria was crying for help!

Maximilian wondered why she had gone there.

He didn't think twice before he ran out of the ward. He was so worried, and he felt as if his heart was burning.

He would never allow anything happen to Victoria! Never!

Before Laura could understand what was going on, he saw Maximilian run out in a hurry.

She instantly pointed at Maximilian's back and scolded,

"Maximilian, where are going, you damn coward?"

She was so mad!

She wondered if Maximilian was leaving just because she had scolded him.

What a good-for-nothing piece of trash!

Maximilian ran out of the hospital and was about to take a taxi. Suddenly a brand new Ferrari stopped in front of him.

A woman in a fire-red trench coat came out of the car. She was in a low-cut V-neck undershirt and a pair of tight blue jeans. Her slender long legs were so tempting. Maximilian felt as if she was radiating sexiness.

"Sir, where are you going?"

The woman's red lips lightly opened. She walked a few steps to Maximilian and respectfully bowed to him.

As she bent down, her plump chest

become even more tempting.

"Who are you?"

Asked Maximilian. He looked at her with a suspicious look in his eyes.

"Mr. Maximilian, my name is Sasha, Mr. Collins told me to come here."

Sasha explained.

She finally saw the young master.

Sasha felt a little nervous. Mr. Collins had mentioned Maximilian a lot. She wouldn't dare to offend him!

No one could be his match in H City.

Maximilian got right into the car without hesitation. Then he said,

"The Belle Club!"

Sasha did not ask more questions. She got in and started the Ferrari. The car vroomed like a beast roaring. Then it darted away instantly and left the

hospital, with rising dust behind.

This scene, however, had been seen by Travis who was just out of his car. He was on his way to the hospital.

He felt so confused, and asked himself, "Isn't that Maximilian?"

"Why is he with a strange woman?"

"How does a coward like him get the luck to sit in a Ferrari?"

"Holy crap!"

"Is he kept by that rich young woman?"

A stern look flashed in Travis's eyes. He clenched his fist with hatred and stood there for a while. Then he turned away, carrying some gifts and rushing into the hospital with an intriguing smile.

Within ten minutes, Sasha and Maximilian had arrived at the entrance

of the Belle Club. The shiny Ferrari instantly caught the eyes of the passersby!

The Belle Club is famous in H City. The guests here had complicated backgrounds. It was a place where the good and evil people mixed up.

Benjamin, the owner of this place, was a famous guy that ruled the underworld of the H City.

In H City, there are four underworld brothers and one underworld king.

Benjamin was one of the four elder brothers. The guy was well-known for being resourceful, well-connected and ruthless.

Maximilian was in a hurry at the moment. He sprinted towards the entrance of the clubhouse as soon as he got out of the car.

celebrities. In the usual days, the two were used to nodding and bowing to them.

But now, the young man in front of them, all dressed up in cheap clothes, just like any other poor people.

They were not worthy of his respect!

They were so good at judging people by the appearance; and sadly, too often they had done a great job.

However, it was clear that today they had guessed wrongly about Maximilian's background.

Maximilian frowned, a cold expression flashed in the corner of his eyes. Then he growled,

"Get out of my way!"

"What?" The two men asked at the same time in surprise.

"What the f*ck did you say?"

“Who are you to ask me to get out of your way?!”

The furious man glared at Maximilian. His tough body directly blocked Maximilian's way.

One punch was all he needed to knock Maximilian down on the ground.

“Stop! Don’t speak to Mr. Maximilian like that!”

Sasha yelled as she trotted over from the other side of the court.

She had just parked her car. When she saw that something had happened to Maximilian, she immediately rushed over.

Seeing Sasha walked over with her cold face, the two guards instantly felt frightened.

All the guards in H City knew Sasha!

She was the most trusted woman of

Connor, the underworld king of H City!

And She was the only woman
Connor trusted!

In the ranking of the underworld
forces in H City, Connor was definitely
on the top list. He's the underworld king
of H City!

The whole underworld of H City is in
his hand!

He was a living legend in
governments and gangs.

His name was known to everybody.

He started as a street boy, and step
by step, he had risen to be crowned as
the king of the underworld.

Both the good and the evil had to be
afraid of him.

Nothing was impossible in H City
with Connor's support.

Therefore, as Conner's most and only trusted woman, Sasha's status had also been lifted. Many people stood in awe of her.

What the outsiders didn't know was that everything Connor had had -- the status, the identity, the money -- they all came from one place, a formidable place!

The Dragon Sect! Connor and Sasha had been fully aware of that.

Connor once said,

"The reason for my current achievements is the support of the Mr. Collins, who was merely a steward of the Dragon Sect. He served a young master we had never met. He's the real powerhouse that we should look up to! He's a hidden dragon!"

The two burly men restrained their anger immediately. They lowered their

head and saluted.

"Miss Green... what brings you here?"

The two arrogant guards were now like guilty children who had made a mistake.

They were used to flaunting their power as they stood at the gate of the Belle Club.

However, when they met Sasha, they were almost trebling with fears.

She was Connor's most trusted woman. They couldn't afford to offend her!

"Humph!"

Sasha coldly grunted. She scolded them for a short moment and didn't want to waste any time here.

She knew that Maximilian was worried at this time, so she led

Maximilian into the club immediately after the two got out of their way.

The two burly men at the door scratched their back heads and watched the two leaving.

"Hey, do you know the young man is? Why is Miss Green backing him up?"

"That's not what we should be concerned with. Don't ask too many questions, or you may get yourself killed."

This Belle Club was very lavishly decorated, with golden carved dragons and phoenixes everywhere.

Inside the main hall, a fake mountain, which was actually made from a whole block of jade!

However, Maximilian wasn't in the mood to pay attention to that right now.

Just when Sasha took Maximilian

into the hall, a charming woman walked towards them. She was wearing a cheongsam, swaying her butt and waving an embroidered fan in her hand. Her high heels ticked on the floor like a chorus.

"Yo, Miss Green, to what do we owe the pleasure today?"

This beautiful woman seemingly coming out of an ancient painting was very graceful, as every frowning and smile was so sexy and hot.

She was the Madam of the Belle Club, Nina Hussain. Everyone called her Nina.

Nina also had a high status in H City, because she was the mistress of Benjamin.

She was also a calculating woman.

However, her power was limited to

this Belle Club, and out of the gate, everyone respected her just because of Benjamin.

She was nearly nothing when compared to Sasha.

That was why Nina and Sasha were always competing with each other.

They were known as the goddesses in the underworld of H City. Neither of them wanted to lose to the other.

These two women, they've been competing openly and secretly for years.

"Nina, just cut the crap. Tell me where Victoria is?"

Sasha hated Nina, especially when she acted so coquettishly.

"Miss Green, what do you mean by that?"

Are you looking for someone?

We never had a guest named Victoria today."

Nina raised her seductive eyes, and shook the fan in her hand. While talking, she was putting the other hand before her breast. The posture looked very tempting. She sounded very confident.

Maximilian didn't have time to talk nonsense with the woman. So he asked in a cold voice,

"I'm only going to ask once, where is Victoria?!"

Only then did Nina notice that there was a man standing beside Sasha. She immediately sneered and laughed.

"Yo, Miss Green, you've brought your gigolo here. He's a bit rude! Who do you think you are to interrupt our conversation?"

She wondered who the man was and

how could he spoke to her like that.

Pop!

Everyone heard a crisp slap.

"Sasha, how dare you hit me? You're just a lapdog of Connor's! I'm Mr. Doyle's woman! You dare not piss him off!"

Nina said angrily, covering her cheek.

"Mr. Doyle? You mean Benjamin? I couldn't care less about him."

Sasha replied in a cold voice.

The reckless woman dared to call Mr. Maximilian "gigolo", and Sasha could've just crippled her.

Mr. Doyle? Sasha always treated him as a joke.

Maximilian treated him as no more than a piece of trash!

Maximilian frowned. He was worried

about Victoria's safety. He asked coldly,

"I don't care who you are, or who Mr. Doyle is, or what your background is... I'm warning you that you should tell me where my wife is! Otherwise, I'll flatten this place!"

BOOM!

He looked so fierce.

Maximilian was angry, and the consequences would be serious!

When the Young Master of the Dragon Sect was angry, blood would flow like rivers!

Nina was stunned, pointed at Sasha with cold fury, and yelled,

"Sasha, your gigolo is way too arrogant!"

To flatten the Belle Club? It's been a long time since anyone dare to say that!"

Sasha smiled coldly, and completely believed what Maximilian said.

The young man was the young master of the Dragon Sect, even Mr. Conner had treat him with utmost respect!

Dragon Sect could easily change the situation in H City. It could destroy the Belle Club in the blink of an eye.

Even if he had to demolish half of H City, Maximilian could still do it!

Soon, Sasha said coldly,

"Nina, you'd better tell us where she is right now, otherwise, the consequence would be too much for you to bear."

Nina was instantly irritated, her eyes flashing with a hint of resentment and anger as she said,

"Sasha! You're scaring me? Do you

really think I am afraid of you just because you're Conner's woman!

Even if Connor comes here today, he will have to behave himself in my place!"

"To tell you the truth, that man inside chamber... Conner would have to be respectful to him if they meet. As for Victoria, she is indeed inside... but, at this moment, she is probably having a good time with that gentleman, perhaps, she has been..."

Nina grinned a cold smile, her lanceted eyebrows tinged with arrogance.

Sasha felt so nervous when she heard that. Then she turned over to look at Maximilian.

The young man's face was very calm, but there was a monstrous rage dormant in those cold eyes. Sasha

shuddered when she saw that!

Even Nina had felt the change of Maximilian's aura.

With an expression as gloomy as ice, Maximilian said, "I'll say it one last time, take me there now!

Otherwise, I will make you spend every second of your life in remorse and pain!"

Chapter 16 Who Dares to be Rude

Maximilian had fierce murderous intention with cold face, serious tone and expression.

Nina also shuddered violently and unconsciously took two steps backwards!

What was so special with this guy?

How could he have such a terrifying vigour!

He was even scarier than Mr. Doyle!

Moreover, this straightforward vigour was not just a little bit terrifying, but it could depress one to breathlessness!

An illusion?

This bloke, who the hell was he?

Nina quickly calmed down, her eyes

cold, and grunted,

"Miss Green, this young man with a handsome face seems to be quite powerful. Doesn't he know this is Mr. Doyle's territory?"

Sasha smiled faintly.

Benjamin Doyle?

So what!

In front of this Mr. Maximilian, everything in the world is just like a mole ant, and nothing could be feared!

Not to mention Benjamin Doyle, even Connor Davies would have to respect Mr. Maximilian!

"Nina, I'm warning you for the last time. Take us there right now. Otherwise, you should be responsible for the consequence!"

Sasha had reminded for so many times, so what happened afterwards

was entirely Nina's own doing!

Moreover, Sasha was impatient because she could feel Maximilian was filled with murderous intentions!

Sasha, who had always been steady, actually turned around directly at this moment, walking to the bar, and copied a wine bottle and smashed it violently before placing it against Nina's neck!

"Nina, don't challenge my patience!"
Sasha shouted.

Nina's face trembled and quickly turned white, her eyebrows narrowing down as she stared at the mouth of the broken bottle only an inch from her delicate neck, gulping down her saliva.

"Sasha, don't go too far!

This is the territory of Mr. Doyle, not Connor Davies!"

Shouted Nina, clenching her fist.

Sasha tipped the bottle in her hand forward, and Nina's delicate neck was cut right through, oozing blood as Sasha said in a cold voice,

"Again, where is Miss Griffith?"

At that moment, Nina was really scared!

She had never seen Sasha so angry before. Was it just for the man in front of her?

What the hell was he?

"Miss Hussain!"

At this time, more than a dozen hatchet men gathered around, fierce and vicious, and surrounded Sasha and Maximilian inside.

They could have knocked these two out at the command of Nina!

The fight was going to begin and the atmosphere in the hall was thick with

tension!

However...at this moment, Maximilian, who was surrounded by a dozen of hatchet men was cold and fearless, and a piercing cold aura was reflected within his deep pupils!

The rage that was almost on the verge of spewing out made the dozen or so hatchet men stop!

Horrible!

What a horrible vigour!

Sasha swept a glance at the surrounding hatchet men, and said with a grin,

"Well, bullying the few with the many?

Or do you think Mr. Davies is a soft touch?

Don't forget what Mr. Davies once said. Get out of my way!"

Connor Davies once said that those who dare to bully his people would be executed and their whole family exterminated!

Nina's face turned pale, her body trembling, and she gritted her teeth and said angrily,

"Back off!"

"Miss Hussain..."

One of the men was confused.

Pop!

Nina slapped his face, shouting,

"Back off, all of you!"

At once, they took a few steps backwards.

Then, Nina stared at Sasha with an unkind face and said,

"Sasha, do you really want to go in?"

I shall tell you in advance that the

gentleman inside is definitely not someone you can mess with!

And, even if Mr. Davies came, he wouldn't necessarily dare to mess with it!"

Sasha's good-looking eyebrows knitted. Looking at Nina's face, it seemed that she was telling the truth.

Was the guy inside really difficult to deal with?

She skimmed her head to look at Maximilian, only to find that he had no fear.

That was it.

In H City, no one dared to act fiercely in front of Mr. Maximilian!

At this point in her thoughts, Sasha said in a chilling voice,

"Stop the crap and lead the way!"

Nina smiled coldly and said nothing more, walking with her hip twisting.

Maximilian followed closely behind.

His heart was now burning with anxiety. Since they had been delayed for so long, he was afraid that Victoria was in danger!

If she was hurt, he would trample down this place and even H City!

Everyone should make an apology to her!

At the same time, Sasha followed behind Nina and had already sneakily sent a text message to Connor.

Soon, they arrived at the entrance of the most luxurious chamber in Belle Club, as the whole door, all gilded, was decorated with a dragon head and phoenix tail, very imposing!

Without even looking, Maximilian

went straight up and kicked the door violently!

BANG! The door was kicked open!

Nina was frozen, because she didn't expect him to be so reckless, and he was courting death!

Even Mr. Doyle would have to be polite to the man inside.

In the chamber, the light was dim.

Maximilian entered, eyes sweeping in all directions.

Where was Victoria? Where was she?

Suddenly, a very unpleasant voice in the chamber rang out.

"Sasha, since this is not Connor Davies's territory, are you offending me by barging in here with people like this!"

On the couch, an imposing man was

smoking a cigar, in a navy blue suit, with a square face, tiger-like eyes, and full of coldness!

Benjamin Doyle was the owner of Belle Club,

and also one of the masters in H City's underground world!

Powerful and ruthless, he had been running through H City for more than a decade.

He was quite famous in the field.

With a pair of tiger-like eyes, he stared gloomily at Sasha, directly ignoring Maximilian who barged in.

Sasha was worthy of being Connor Davies's confidant. He was very fond of this charming woman!

Benjamin had long been interested in women like Sasha. He wanted to conquer such hot and challenging

women!

The entire chamber was divided into two areas, and the other area was covered by a screen and a rolled beaded curtain.

Knowing that he had an honored guest at his club, Benjamin came over to accompany the drink.

Sasha's face was cold as she spoke,

"Mr. Doyle, we're here to find someone."

Just then, suddenly!

A harsh, miserable cry, came from behind the screen, appearing to be very aggravated and painful. "Ah, get away! Don't touch me! Help..."

Victoria!

Maximilian was instantly furious with red eyes. Following the sound, he saw that two figures were swaying

behind that screen.

A man with a lecherous grin on his face was about to rape Victoria, and he was viciously tearing her clothes, with a camera set up nearby.

"Damn you! Stop!"

Maximilian suddenly stormed up. He would kill the people who dared to offend Victoria.

In an instant, he became a devil and copied the bottle on the table, carrying a monstrous rage. Then he dashed over with a few steps, roaring!

Benjamin didn't react at all when he saw a figure as fast as the wind passing by him!

Who was the guy?

How dared the guy fight in front of him!

He was Benjamin Doyle, Mr. Doyle of

H City, and anyone who met him had to respectfully call out “Mr. Doyle”.
However, this guy dared to fight just in front of him!

Benjamin even didn't react!

BANG! A cracking sound!

The bottle in Maximilian's hand smashed directly into the man's head in anger, and it exploded instantly!

Blood mixed with liquor flowed all over the place!

“Ah!”A scream echoed throughout the chamber!

Zak directly fell to the ground, holding his head and blood was flowing from between his fingers, which was scary!

Maximilian took a step forward and pulled down a curtain aside to cover Victoria, whose clothes were in tatters.

Holding her tightly in his arms, he comforted,

"Victoria, I'm here. It's okay. I'm here."

Luckily, he made it in time to protect Victoria's body and reputation.

Victoria was in extreme panic at the moment, hissing desperately with tears, and bit heavily on Maximilian's arm!

Tearing pain!

Maximilian gritted his teeth and endured it, still holding Victoria tightly. The anger in his heart was to burn through the place.

"Max... Maximilian..."

Victoria sobbed, dazing. As she raised head with teary eyes, she fainted.

Sasha trotted over at the moment. Seeing it, she said anxiously,

"Mr. Maximilian, let's get Madame to

the hospital first."

Maximilian nodded his head. As he was getting up, he picked up Victoria, and was about to leave.

Just then, Benjamin slammed the wine glass in his hand onto the ground and roared in a deep voice,

"I'll see who dares to leave today!"

Maximilian's face screwed up with pupils tightened, and his anger was on the verge of beyond restrained!

Before he spoke, Sasha returned sternly.

"Mr. Doyle, it was Mr. Davies who told me to come here today for this. Are you trying to embarrass Mr. Davies?"

Benjamin's face sank, because he really didn't dare to offend Connor.

But, as young Mr. Graham was beat in his territory, if words got out, he,

Benjamin Doyle, wouldn't be able to gain a foothold in H City!

"Fuck!

I'll see who dares to step out of this chamber today!"

Zak, now holding his bloody head, came staggering out from behind the screen with a grimace and roared.

"Benjamin Doyle, arrest them all for me. I'll kill them one by one!"

Benjamin immediately ran over obsequiously, and reminded him in a whisper,

"Mr. Graham, they're Connor Davies' guys."

Zak was furious and shouted,

"Shit, what the fuck is Connor Davies? Arrest all of them!"

The words had just been spoken!

BANG! The half-open door of the chamber was kicked open again!

Immediately later, a dozen black-suited hatchet men rushed in!

All of them were serious-faced and full of chills!

Benjamin's face was frozen, and the corners of his forehead were also seeping with cold sweats as he stared deadly at that main entrance.

Then, an upright, mountainous figure, wearing a prestigious white suit, a white gentleman's hat, and a hot gold pipe in his mouth, walked in with large strides, as the crowd watched.

"Anyone who dares to be rude to Mr. Maximilian is an enemy of me, Connor Davies!"

Chapter 17 No one I Can't Deal with

Connor Davies!

The underground emperor of H City!

Absolutely a top character.

In H City, Connor was a giant, and no one dared not to give him face!

If Benjamin was arrogant earlier and even wanted to let Sasha bend to him, as he saw Connor now, he didn't dare anymore. He just stood to the side with a gloomy and resentful face.

The people of the Underworld showed their hostility when they saw each other.

"Mr. Davies, what do you mean by bringing so many people to my place?"

Benjamin was very discontent in his heart with a chilled face, secretly gritting his teeth and clenching his fists.

He was the owner of the Belle Club, and one of the masters in H City.

Although he didn't dare to go against Connor, he didn't need to be too polite either.

As for Connor, he completely ignored Benjamin, not even interested in looking at him.

That made Benjamin furious!

“What does he mean? Can't I, Benjamin Doyle, still be in your eyes!”

However...

The next scene, however, made Benjamin and the others to freeze for several minutes before reacting!

The crowd was trembling!

Even Sasha, who had already known Maximilian's identity, was excited to see this scene at this moment!

Connor walked directly to Maximilian in large strides and stood at attention. Then after he bowed and took off his gentleman's hat and pipe, he said respectfully,

"Mr. Maximilian, I'm sorry for being late. Please reprimand me!"

He was the young master Wilfred was talking about!

The young master of Dragon Sect!

The Dragon Lord to the Dragon Sect in the future!

Maximilian's face became slightly cold as he glanced at Connor. He nodded faintly and said,

"Not bad timing, so you know how to handle it next."

"Yes, sir."

Connor nodded heavily and turned around after him, his eyes staring at

Benjamin with a grim and brutal look.

At the moment, Benjamin

had been standing frozen in place, his heart trembling violently!

He didn't understand at all that the underground emperor of H City was actually treating that ordinary bloke with such respect at the moment!

Yes sir?

Connor Davies actually said "yes, sir" to him!

He was panicked!

Benjamin was completely flustered with cold sweat on his forehead!

He wasn't an idiot, so he instantly realized this young man must have had an unusual identity!

Even Connor had to treat him with respect!

Meanwhile, Connor's face was grim as he stared at Benjamin.

BANG! All of a sudden, he kicked hard on Benjamin's belly!

Benjamin took two steps backwards, staring at Connor incredulously with resentful gaze, as he shouted,

"Connor Davies! Do you want to fight with me?"

Connor was too disrespectful to him!

"Fight with you?"

Connor sneered and slapped Benjamin angrily on the face!

Pop!

The sound of a crisp slap resounded throughout the chamber.

"You, Benjamin Doyle, isn't qualified to fight with me!"

To live up to the title of H City's underground emperor, Connor, at the moment, interpreted the dominance of a master to the fullest!

Connor looked coldly at Benjamin and spoke,

"Today, anyone who was rude to Mr. Maximilian is remembered by me, and none of you will get away!"

HISS!

As soon as he finished the words, the dozen or so hatchet men Connor had brought with him directly pinned all of Benjamin's men inside the chamber to the ground!

Nina was no exception, with her pretty face and big boobs pressed through the floor!

Screams of agony arose immediately!

But suddenly, an icy, indignant voice rang out from behind Benjamin!

Holding his blood-covered head, Zak pointed at Connor in a violent rage and roared,

"You're Connor Davies? Very well. You dare to offend me?"

Zak was extremely angry at the moment!

He was at least the young master of Graham Group, and someone actually dared to ignore him!

Benjamin's face was chilled at this moment. He said with a fiendish sneer,

"Mr. Davies, don't blame me for not reminding you that young Mr. Graham is not someone you can mess with, even if you are the underground emperor of H City. In front of young Mr. Graham, you are just a mud-like mole!"

Young Mr. Graham?

Connor's cold eyebrows twitched as he glanced at the young rich man behind Benjamin.

Benjamin could see Connor's hesitation and immediately straightened his back and introduced,

"This is Zak Graham, the general manager of Graham Group, which has just settled in the city, and also the son of Ralphy, the chairman of Graham Group!"

Benjamin said the words very loudly on purpose with much vigour, afraid that others could not hear.

Damn!

Connor's heart trembled as he gazed at Zak, and his anger suddenly diminished by a few points.

He was actually the son of Graham

Group's Ralphy!

Graham Group! It was a listed company with tens of billions of market share!

This time, the Graham Group branch had invested over \$3 billion when it settled in H City!

Connor couldn't really afford to mess with it.

Although he had position and power, it was limited to H City.

Connor was really a bit scared of such a large listed company.

Maximilian saw Connor's dilemma and asked in a cold voice as his eyebrows knitted,

"You dare not?"

Connor hurriedly stood beside Maximilian and said respectfully in a close ear,

"Mr. Maximilian, we really can't deal with Zak."

It was true!

His father Ralphy was the nephew of Cooper Graham, the chairman of Graham Group headquarters.

Cooper Graham was an honorary specialist listed in several medical institutions in the country. He was originally a famous doctor, and then went into business.

Moreover, he had received several honors and had a national reputation.

Anyone who dared to mess with Graham Group was asking for death!

After explaining, Connor's cold sweat had seeped out from the corner of his forehead.

He looked at Zak behind Benjamin with a scornful expression, and his

heart was a little panicked.

However...

in next second, a scene that shocked the crowd happened!

Maximilian, who was in the crowd, did not panic in the slightest, but only stared at Zak with cold eyes and said,

"Zak Graham, I remember you. There is no one in this world that I, Maximilian, can't deal with!"

Hearing those words, Connor's eyes was shining with light!

However, Zak was too furious to laugh instead. He shouted with could face,

"Good! Good! Good! You've got fucking bravery! I just don't believe it. Who dares to offend me in this shabby H City? Benjamin, I order you to defeat all those people! Especially this bloke.

Cut off his right hand! As for the woman in his arms, I will play with her in front of him!"

Zak's eyes were fierce and he did not put Maximilian in his eyes at all.

Ralphy was his father and Cooper Graham was his father's uncle. If Cooper stamped his foot, the whole country would be shaken, not to mention H City!

A fool, who dared to offend him, was looking for death!

Benjamin briskly took out his walkie-talkie and yelled,

"Get in here, all of you, and clear the room!"

Tap tap tap!

In an instant, dozens of gangsters rushed in again from the entrance of the chamber, all of them fierce with

weapons in their hands.

"Go! Take them all down!"

Benjamin waved his big hand, and there was more than a bit of frenzied harshness in his eyes.

Connor was shocked. He had promised Wilfred that he would protect Mr. Maximilian to his death!

He pointed distantly at Benjamin and said angrily,

"Benjamin, don't you dare! Mr. Maximilian is not the person that you can mess with!"

"Damn you! Is there anyone here that I can't take down?"

On the sofa, Zak angrily threw off the bloodied towel from his hand, his eyes scarlet, staring at Maximilian and the others. He thundered,

"Take them down! If they die, it's on

me!"

"Mr. Maximilian!"

Connor shouted angrily and instantly rushed towards several gangsters who raised their baseball bats to hit Maximilian and fought with them!

True to his underground emperor fame, Connor had the strength, whacking all those people to the ground in three or two blows!

Over there, Benjamin's face turned cold, the corners of his eyes twisted, and he pulled out a sharp dagger directly from the back of his waist and put it against Connor's neck, thundered,

"Don't you dare move a muscle!"

BANG! Before Connor had time to react, Benjamin kicked him in the knee and Connor dropped straight down to one knee!

Benjamin was arrogant as he raised his hand and slapped Connor, laughing,

"Connor, I didn't expect you to be like this. From now on, I'll sit in the position of H City's underground emperor!"

Connor clenched his teeth as he glared angrily. He thundered,

"Benjamin, it's fine to beat me, but definitely not Mr. Maximilian, otherwise, not only you, but the entire H City, will be buried with you!"

"You're fucking threatening me!"

Benjamin was furious and kicked Connor in the shoulder.

At this moment, the chamber was filled with a stern chill.

The men Connor had brought were all beat to the ground!

The situation had been reversed.

Zak got up at this moment and, with a grim face, walked up to Maximilian and said with a grim smile,

"Bloke, weren't you arrogant just now?"

Why don't you say anything now!"

With a calm face and no hint of fear on his face, Maximilian said,

"Zak, you shouldn't have provoked me."

Hearing those words, Zak froze for a second and yelled,

"Benjamin, cut down the right hand of this guy and make him kneel down to talk to me!"

Benjamin raised his steps, holding a sharp dagger in his hand, and sneered hideously,

"Bloke, you deserve it by offending young Mr. Graham!"

Seeing this scene, Connor yelled,

"Benjamin, stop it! You absolutely cannot touch a hair of Mr. Maximilian!"

He was the young master of Dragon Sect!

The priceless body!

Benjamin just smiled contemptuously, and he was about to stab at Maximilian's right arm!

Suddenly!

An untimely bell rang out, causing the crowd to wonder.

Benjamin glanced at Zak behind him, who sneered and said,

"Pick it up, just in time to announce his death to his family."

Benjamin nodded and pulled out the cell phone directly from Maximilian's pants pocket. Then he turned on the

speakerphone and yelled,

"Who's speaking?"

"Hello, Mr. Maximilian. This is Ralphy. I have arranged the cooperation with Yunsheng Pharmaceutical as you asked. Where are you now?"

"I'll deliver the contract to you personally."

On the other end of the phone, Ralphy was very respectful with a humble and sincere attitude.

Chapter 18 He is Still the Good-for-Nothing

Ralphy was walking out of the Graham Group building at this moment. A black Bentley parked in front of the door, and a dozen serious-looking black-suited security guards were standing on his side.

If anyone had seen it, they would have been shocked!

Ralphy, the chairman of Graham Group, went out!

Many people begged for a meeting with Ralphy in H City, but were turned down.

Now, he was actually going out himself.

"Dad?"

Zak froze at the moment, listening to

the voice on the phone. It was really his dad.

They wondered what this was about?

"Zak?"

What's going on, how did you get Mr. Maximilian's phone?"

On the other end of the phone, Ralphy also shuddered and his voice tone turned high.

"This fucking bloke pissed me off and I'm going to kill him!"

Zak raised his eyebrows and looked at the bland-faced Maximilian with a vicious face, full of anger.

It must be a coincidence. How did his dad know such a loser.

And, with such respect!

No way!

"How dare you! How dare you be rude to Mr. Maximilian? Give the phone to Mr. Maximilian!"

Ralph shouted angrily with his heart snapping. Had his son pissed off Mr. Maximilian?

Ralph was very clear about his son's nature. He was uneducated and spendthrift, and had stirred up a lot of trouble for him!

If he had offend Mr. Maximilian, it was the end of the Graham family!

"Dad..."

Zak was puzzled, but still meekly tossed the phone to Maximilian and said in a chilling voice,

"You bloke actually have my dad's number, but that won't change anything!"

Maximilian did not say anything, but

gently put Victoria down and then picked up the phone. He said with indifferent eyes,

"Ralphy?

I don't have time for your bullshit. Your son won't let me go, and you'll only get one chance!"

The tone of his voice was cold and murderous.

Ralphy was not a fool, so he naturally got it and hurriedly apologized,

"Yes, yes, Mr. Maximilian, there must be some misunderstanding. You could pass the phone to Zak and I'll talk to him."

Maximilian nodded and tossed the phone to Zak.

Zak was bursting with rage at the moment. He slammed the table and roared,

"You're fucking threatening me?"

Only one more chance? I think you only have a lingering life. Benjamin, do it!"

Just a moment after Zak roared, an angry chortle came from the phone that had been thrown on the sofa.

"Zak! How dare you!

Are you out of my hands now?"

His father... was furious.

Eyes twisted, Zak was scared, cold sweat seeping out on his forehead. He picked up the phone and said,

"Dad, what's wrong..."

Zak had never seen his father so angry, so he was also a little alarmed, a burst of cold air coming out from his bones.

"What's wrong? Do you have any

idea who you're messing with?

Now, apologize to Mr. Maximilian immediately!

If you can't get Mr. Maximilian's forgiveness, I'll smack you to death!"

Ralphy on the other end of the phone angrily interrupted Zak's words with rage!

The tone was icy cold, with a commanding tone, not allowing Zak to retort!

His father was really angry!

"Dad... he's just a fucking man and he also beat my head just now, and you want me to apologize to such a shit like him?"

Zak was very unconvinced in his heart. What was wrong with Dad?

"Humph!"

With a cold grunt, Ralphy got directly into the Bentley and yelled,

"How dare you still be rude! If Mr. Maximilian is a shit, then my Graham family isn't even a shit! Now, get on your knees and beg for Mr. Maximilian's forgiveness, or I won't be your dad anymore!"

Zak was completely dumbfounded and didn't even dare to breath. With trembling eyes, he glanced a few times at Maximilian, who was standing calmly in front of him.

His father was for real! How did this happen? This brat, who the hell was he?

Zak couldn't believe that he had provoked his father to say such serious words!

Zak looked up, cold sweat running from the corners of his forehead, stimulating the wound on his head and

instantly awake him.

Panic in his heart, he hurriedly ran to Maximilian and apologized with a bow.

"I'm sorry, Mr. Maximilian. It's all my fault. Please forgive me. I apologize for being reckless just now!"

Zak, who was shouting to kill someone just a moment ago, was now so groveling and apologizing to Maximilian. Everyone was shocked!

He was the young master of Graham Group in H City, with a special status and a rich family. How could he apologize to this ordinary Maximilian?

Benjamin was dumbfounded, and so was Nina!

Moreover, listening to the phone call just now, it was actually the chairman of Graham Group, Ralphy, calling personally!

The tone towards Maximilian was too respectful!

Jesus! Who was this Maximilian, anyway?

It was surprising that he could make a powerful corporate figure like Ralphy talk at such a low profile.

At this moment, Benjamin's inner world had collapsed, because young Mr. Graham that he looked up to was now apologizing to that young man with such sincerity and trepidation.

How could he not be scared? How did he not panic?

Benjamin shivered and his back was covered with cold sweat!

He was screwed! He understood that he had invoked a completely unimaginable man!

Connor and Sasha, who had already

been free from their restraints at this moment, respectfully stood on the sides of Maximilian, and stared at Benjamin with cold eyes, saying,

"Benjamin, I've told you before that you couldn't mess with Mr. Maximilian!"

Poof! Without any hesitation, Benjamin knelt directly in front of Maximilian!

He was one of H City's underground masters!

A dominant figure in a district!

At this moment, just like that, he knelt down in front of Maximilian and kowtowed violently, saying,

"Mr. Maximilian, I entertained an angel unawares. Please forgive me!

I'm a jerk. Mr. Maximilian, could you please let me go?"

Maximilian looked coldly and said to

Sasha,

"Take my wife to the hospital first."

"Yes!"

Sasha responded and left with Victoria.

Meanwhile, Connor had already made his call, and not long after, forty or fifty hatchet men in black suits rushed into the Belle Club, surrounding the club inside and out!

From the outside, dozens of black Mercedes-Benz cars were parking in front of the Belle Club, and some cold-faced black-suited hatchet men were also standing near various entrances.

Inside the chamber, Benjamin's men were all crouching down with their heads in their hands at the moment.

Maximilian looked indifferently at Benjamin, who was kneeling in front of

him and Nina who was trembling, and said to Connor in a cold voice,

"I don't want to see them again in H City."

Connor nodded heavily and said,

"Yes, sir."

He had rich experience, so he naturally understood how to do it.

With a look, a few of his men dragged the deadly-faced Benjamin and Nina out!

They cried and begged but couldn't change anything.

Then,

Maximilian's icy gaze was fixed on Zak, who was standing in front of him, saying,

"Now, it's your turn."

Zak's legs were wobbling, but his

spoiled upbringing had made him hideous, and he squeezed out a grim smile and said,

"Mr. Maximilian, at least my father is Ralphy, and you also know my father, so set me free. I'll apologize to your wife, and in the future, I'll go away whenever I see you in H City. How about that?"

Zak was also afraid.

Of course, he had seen that Benjamin was being dragged down?

"Set you free?"

Maximilian laughed coldly, "I once swore that no one in this world can bully her. Even if you are the god, I will make you pay!"

When Zak heard this, the corners of his eyes chilled and the smile on his face quickly froze as he asked in a deep voice,

"So what do you want? Disable me or kill me?"

Maximilian raised his hand and snapped his fingers.

Connor immediately bowed at the side of Maximilian, who spoke, "Go to get five million dollars."

Connor did not hesitate, but immediately turned around and walked out of the chamber. Then he personally fetched five million dollars, packed in two black leather case, and threw them directly in front of Zak's toes.

Five million dollars!

Zak's palms were now sweaty and the corners of his mouth twitched,

"Mr. Maximilian, what are you doing?"

Did he want to pay for my emotional damage?

It seemed that Maximilian wouldn't dare do anything to him

With this thought, Zak was just about to sit down, but he was frozen in place by Maximilian's next words!

"Here's the money for your third leg!"

Maximilian said in a cold voice.

As soon as the words fell, Connor's men directly stepped forward and pinned Zak to the ground. They plucked off his outer trousers, only leaving him with his bottoms. He was allowed to struggle, but that was all.

In an instant, Zak turned pale and glared at Maximilian in a very frightened manner and roared,

"You can't do that! I am Zak, my father is Ralphy, and my grandpa is Cooper Graham!"

He hissed, but, Maximilian's face

didn't change.

Connor understood what Maximilian meant, and directly grabbed a baseball bat from the side and slammed it down on Zak's penis!

"Ah!"

A miserable scream resounded throughout the chamber in an instant!

Zak's face instantly turned dark red. He bowed his body and covered his crotch, the veins on his face bursting out. He was unable to say a word, but only stifle a grunt.

He was finished!

For the rest of his life, he couldn't have sex with women.

It was the most serious punishment he could receive.

At the same time, a speeding Bentley, followed by several Audi A6Ls,

pulled up in front of Belle Club.

Ralphy, with his men, rushed down from the car in a frenzy, followed by the mayor of H City!

For such a great entrepreneur like Ralphy, he was concerning in H City all the time.

Since this was a key figure to attract investment, Bruno Riley must take good care of him. He caught up with Ralphy with his secretary in a hurry, and said,

"Chairman Ralphy, take your time."

Bruno was puzzled what could make such a great entrepreneur like Ralphy to be so alarmed.

Ralphy was in a hurry now, because he couldn't afford any more mistakes made by his son!

At the entrance of the Belle Club, a dozen hatchet men in black suits,

standing solemnly, directly stopped
Ralphy and Bruno, and said coldly,

"Sorry, it has closed."

Ralphy's brows clustered and he was
just about to speak when Bruno, who
was at his side, stepped forward and
angrily rebuked,

"Shut up! Who dares to close the
door in my place!"

When those people took a look, they
were scared and trembled, "Ma... mayor
Riley."

Jesus!

What was Bruno doing here?

He was the most powerful man in H
City!

Who was the man next to him that
had to be accompanied by Bruno in
person!

Soon, the people dispersed and bent down to respectfully invite Bruno and Ralphy inside.

When Ralphy and the others hurriedly walked into the chamber, they saw Zak who was wailing on the floor.

However, Ralphy didn't even look at him, and walked straight up to Maximilian, bending down and said respectfully, "Mr. Maximilian, I'm sorry. It's great that you're okay."

Bruno, who was following him closely, was stunned when he saw the scene!

Totally overwhelmed!

Ralphy actually bowed his head and apologized to a young man!

And, as for this young man, he was some impression.

Wasn't him the wimpy son-in-law of

the Griffith family?
