

Chapter 35 Seeing or Missing

Hearing this, Maximilian was displeased.

This security chief was just a lackey, biased toward women.

It seemed that the quality of the employees recruited by the Graham Group was poor!

Seeing that Maximilian still frowned and expressed his dissatisfaction, Sarah immediately chided and shouted.

"Why don't you drive him away? He affects the good image of our company!"

"OK, Manager Sarah!"

Teddy hurriedly stood at attention and saluted to her.

"In addition, our company will never hire a man like him, not even if he

applies for a security guard!"

Sarah was trying to be ruthless and completely assumed that Maximilian came over to apply for a job as a security guard.

As soon as Teddy heard this, he immediately flattered like a simp and said.

"Don't worry, Manager Sarah. Our security team definitely won't want him!"

Once finished, Teddy turned his head and looked at Maximilian arrogantly, saying.

"You, get out of here. Don't force us to beat you!"

Maximilian helplessly shook his head. These security guards were really bullshit, and are completely hooligans.

"Kick me out? I'll see who dares to

drive me away today!"

Maximilian was enraged. After all, he was the young master of the Dragon Sect. Although he kept a low profile, he couldn't keep letting some nobodies harass and ignore him.

"You're pretty rude, aren't you?"

Teddy looked at Maximilian, full of sarcasm.

Was he just silly or crazy?

Didn't he see other security guards behind me? Did he dare to play rough?

"Come on guys, throw him out!"

Teddy said in a fierce voice, with chill in his eyes.

"What an interesting day to meet a blind idiot."

In a flash, several security guards rushed over, pushing Maximilian to drive

him away.

Suddenly,

an angry rebuke rang out at the entrance of the Graham Group!

“Stop!”

Ralphy was running down the stairs hurriedly with his assistant. As soon as he went out, he saw a group of people surrounding Mr. Lee, and trying to get rid of him!

Damn it! Those stupid bastards!

"Mr.... Mr.... Ralphy, why do you come down in a hurry?"

Teddy took a look at Ralphy and immediately bent down to greet him with respect.

But.

Clap! Ralphy directly smacked Teddy's face fiercely, making him

confused and disoriented.

"I'll fix you later!"

Ralphy said through gritted teeth before trotting over to Maximilian. He stood at attention, bent down at ninety degrees, and said respectfully.

"Mr. Lee, I'm sorry I am late. I'm sorry to make you upset by some unkindness."

Click! Sarah on the side was a little uneasy when she saw Ralphy. At that moment, she was completely flustered when she heard him call out Maximilian as Mr. Lee.

"Chairman Ralphy, what are you doing? Why are you treating a stinky loser with such respect?"

Sarah gave dying kicks and asked with confusion, a hint of surprise in her beautiful eyes.

"A stinky loser?"

Ralphy turned his head and looked at Sarah coldly until she began to tremble.

And then, in front of everyone, he solemnly introduced Maximilian,

"This is the honored guest of our Graham Group, Maximilian, Mr. Lee, and his words represent my words! Also, let me tell you, the mysterious rich young man Mr. Lee in H City is Maximilian!"

In an uproar! The security guards and Sarah opened their mouths wide in surprise, their faces full of incredulity and shock!

"How is this... possible?"

Sarah was flustered with her look flickering as she scanned over Maximilian, back and forth.

Hold on.

That Mr. Lee was very mysterious,

and perhaps Mr. Ralphy had never seen what he really looked like. Maximilian must have fooled Mr. Ralphy by pretending to be Mr. Lee.

That must be it!

Therefore, Sarah immediately retorted.

"Mr. Ralphy, you must have misunderstood him. I know this guy, a wimp, and he is the son-in-law of the Griffith. His wife is called Victoria, my classmate. I know him very well, so he is just a villain who impersonates Mr. Lee. You shouldn't be fooled by him!"

This was totally impossible!

Maximilian was a loser.

"Sarah! Do you mean that I'm too old to see him clearly?"

Ralphy's expression chilled and he snorted coldly.

It scared Sarah! She couldn't breathe at all, and her calves were so weak that she almost fell onto the ground, not daring to look at Maximilian's eyes.

Why should she doubt the words of Mr. Ralphy?

He, in fact, was the mysterious rich Mr. Lee, who had become a sensation in H City!

How was this... possible?

"Lee, Mr. Lee... I'm so sorry."

Sarah bit her red lips, walked up to Maximilian, and bowed ninety degrees to him directly.

"I can't afford to hear you say 'Mr. Lee'."

Maximilian sneered and said,

"You're the manager of Graham Group's PR department. Who am I? A shiftless loser who tries to apply for a

job as a security guard."

Sarah knew Maximilian was making fun of her ignorance.

With a coy look, she thought for a moment and once again bowed in apology, saying

"Mr. Lee, it was all my fault. I'm such a snob that I failed to recognize you. Please, for the sake of Victoria, don't expel me."

Sarah was afraid, as it was hard to find such a respectable job with a high salary in Graham Group. If she lost it, she would regret it!

Maximilian looked at Sarah and waved his hand.

And then, he turned his head to look at Teddy, the head of security, who was standing off to the side.

At this time, Teddy quickly bent

down and apologized as if he had seen a ghost.

"Mr. Lee, I'm sorry. I deserve to die!"

Saying that, Teddy slapped himself on the face directly.

His action was really resolute.

However, Kelvin said in a chilling voice,

"You're fired."

After saying that, he no longer looked at Teddy's bitter face and directly walked into the Graham Group.

Ralphy was following him.

Sarah looked like she had just been fished out of the water, and her legs were getting limp.

She looked at Maximilian's back as he went inside, and sighed with relief. Then she looked at Teddy, who had long

fallen limply onto the ground, and ran to catch up with Maximilian.

The group of people just followed behind Maximilian with great respects.

All of Graham Group's employees at the ground level stood up and respectfully greeted Mr. Lee.

Sarah followed closely behind and was extremely deferential, trotting along on her high heels.

It was true to say that the building of Graham Group was really magnificent!

Inside, the decor was grand, splendid and extravagant.

Soon, they came to the chairman's office on the top floor.

Maximilian had been here the last time, and he walked right in and sat down on the couch.

"Mr.... Lee."

At this time, Sarah carried the freshly brewed coffee and walked up to Maximilian, bending down and respectfully handing it to him.

It was in this process that Sarah deliberately opened her collar a little wider.

Maximilian looked at her and sneered in his heart, not saying anything.

To be honest, Sarah was good looking and somewhat famous in H City's celebrity circle.

With such a figure and face, she was exactly the kind of women those affluent young men coveted.

However, in Maximilian's eyes, his wife Victoria was the most beautiful woman in the world

Other women should just step aside.

How dared her try to seduce him?

He was not a playboy, much less a simp.

"Mr. Lee, I apologize again. I was wrong."

Biting her sexy red lips, Sarah gave another bow and said.

"As a token of my apology, would I be able to treat you to dinner?"

Dinner?

Maximilian looked at Sarah and said indifferently.

"Dinner won't be necessary."

Hearing it, Sarah curled her lips, feeling slightly lost.

She was doing this for no other reason than to seduce Maximilian.

Who would have thought that a wimp son-in-law would actually be the

mysterious Mr. Lee?

It was impossible for her not to seduce such a rich man.

"So you won't fire me?"

Sarah asked again, her weak voice making her look aggrieved and pitiful.

Maximilian took a sip of the coffee and thought for a moment.

"It depends. If you behave well, you can stay here and work. If you make a mistake one day..."

"Mr. Lee, don't worry. I'll definitely do my best to work for the Graham Group and for Mr. Ralphy! As long as it's what you ask, I'm willing to do anything!"

Sarah immediately swore. "Willing to do anything?"

Maximilian was amused and was about to play a trick on Sarah, when Ralphy came over.

"Mr. Lee, Franklin of the Griffith is downstairs. Would you like to meet him?"

Maximilian froze for a moment, and then understood, a faint cold smile appearing at the corner of his mouth. Franklin, huh...
