

## Chapter 36 He's Nothing

Maximilian's lip curled up and said.

"Bring him in, I'll watch and you'll handle it."

"Yes, sir."

Ralphy said.

A few minutes later, Franklin walked in with a smile. He reached out both his hands and fawned.

"My pleasure, Mr. Graham, I finally met you, I'm really excited."

Ralphy smiled.

"Nice to meet you, Mr. Griffith."

Seeing that Ralphy was willing to shake hands with him, Franklin instantly smiled, it seemed possible that the Graham Group would admit that they had changed the person in charge of

the deal.

Sure enough, Franklin believed that he was top brass of the society, and the future head of the Griffiths.

However, he suddenly noticed that there were other people in this office, and they were sitting on the sofa in an imposing manner, drinking tea.

"Maximilian? Why are you here, you piece of shit?"

Franklin's face changed, looking displeased, and there was a hint of coldness and contempt in his eyes.

What was this wimp doing here?

And, he was sitting on the couch and drinking tea casually!

Didn't he know what was this place?

This was the chairman's office of the Graham Group!

Maximilian chuckled, raised his hand and waved it, laughing.

"Hello, Franklin."

"Fuck! Why are you here?"

Franklin was instantly furious, his eyebrows twisted, and asked in a cold manner.

Why was Maximilian so relaxed in this place?

"And why are you sitting here? And drinking tea? Do you know where it is? Get up!"

Franklin was annoyed. If he pissed off Ralphy because of Maximilian, the noisy bastard, then both he and the Griffiths would end up in tragedy!

Seeing Franklin treat Maximilian so rudely, Ralphy was annoyed and tried to stop him several times, but he was stopped by Maximilian's hint.

Ralphy couldn't understand why Maximilian, who was so powerful, pretended to be indecent and weak? Was that the hobby of the rich man?

However, Maximilian replied indifferently.

"Why couldn't I be here? I'm here for Mr. Graham."

Aha ha!

Franklin sneered, with contemptuous disdain in his eyes.

"You're just a piece of shit, how can you come here for Mr. Graham?"

Oh, I see, you're coming to beg Mr. Graham because of the contract, aren't you?"

When he said that, Franklin's eyes were full of teasing.

Maximilian was too indulged in his fantasy. What could he do by himself?

Maximilian didn't say anything, instead, a faint smile appeared at the corner of his mouth.

Ralphy also spoke up, his face unhappy as he looked at Franklin, and asked.

"Mr. Griffith, are you referring to the contract I gave to Director Victoria last time?"

Franklin immediately took a few steps forward and nodded repeatedly when smiling.

"Mr. Graham is really thoughtful. Well, Victoria's performance is not qualified, her ability is not up to standard. Hence, with the company's decision and her own consent, I will be in charge of the cooperation with your company this time. I came to specially inform Mr. Graham, by the way, and sign the contract here."

After saying that, Franklin shamelessly picked up a pen and wanted to sign directly.

However, Maximilian said in a cold voice.

"Victoria is not qualified? Then you, a second-generation rich who only knows how to search for fun, are capable for it? And, did she really agree? Didn't you join forces with your Grandpa and took this contract from her?"

Hearing this, Franklin became anxious and suddenly turned his head, glared angrily at Maximilian, and yelled.

"Maximilian! You'd better stop talking! Besides, this is my family's business, it's not your turn to interfere! Are you fighting for your wife?"

Victoria is nothing in my eyes, not to mention you!

Mr. Garham is not as ignorant as you, and he will definitely agree to the arrangement. When the time comes, I promise I will drive you and that little bitch Victoria out of the Griffiths!"

Franklin was so relieved after abusing Maximilian!

Then he turned around and said to Ralphy with a smile on his face.

"Mr. Graham, I'll sign."

After saying, he picked up a pen and was about to sign it.

However, a large hand suddenly pressed on the contract and withdrew it, saying coldly.

"In that case, I think it's better to wait for the day when your company acknowledges that Director Victoria is capable."

After saying that, Ralphy took the

contract back.

Franklin froze, with his expression changing dramatically, he hurriedly said,

"Mr. Graham, there is no difference for me to take charge and I am more competent than Victoria, and I..."

Before Franklin finished his sentence, Ralphy interrupted him.

"Since the Grififith family is so insincere, I think it's better to put off our cooperation.

Mr. Griffith, I have to remind you that the Grififith group is not the only one who wants to cooperate with the Graham Group; moreover, your family is not even the best choice."

After saying this, Ralphy said coldly.

"You can leave now."

Click! Franklin panicked, his heart pounding with fear.

He thought that Ralphy would agree quickly, but to his surprise, Ralphy insisted on that little bitch Victoria to take charge!

Damn it!

Maybe Victoria cheated not on Zak, but Ralphy...

Franklin felt his scalp tingling and his heart stuffy, as Ralphy's last sentence was a warning that the Griffith family was not their only choice.

How to handle it?

If this cooperation failed, his grandpa would never spare him!

Franklin was so anxious, was he really going to invite that little bitch to come here?

Maximilian got up and left the office straight away.

It was no point for Franklin to stay,

and after smiling to Ralphy, he also left.

At the ground level of the office building, Franklin was full of anger as he caught up with Maximilian, pulled his collar and warned viciously.

"Maximilian, I don't care what methods you've used, but I'm telling you, the cooperation with Graham Group is definitely mine! There's no way for you fight for that little bitch!"

The corner of Maximilian's eyes were cold, and he directly ripped Franklin's wrist with a strong force, which immediately caused Franklin to wail.

"Ah! Let me go, let me go... ouch, it hurts..."

With a slight chill around the corner of his eyes, Maximilian said.

"Franklin, you'd better not mess with

me! Also, her name is Victoria, not a little bitch!

If you insult her, I won't spare you!"

After saying that, Maximilian pushed Franklin away, and he stumbled a few steps and fell onto the ground.

"Maximilian, you deserve to die! How dare you touch me? You're done!"

Franklin hissed and pointed furiously at Maximilian.

What happened? Maximilian actually dared to touch him, moreover, warn him?

Was he crazy?

Didn't he know who he was?

Franklin was angry and anxious, but he was also a bit flustered and scandalized.

Because Maximilian's look really

scared him.

That look was like a sleeping lion who was ready to wake up to kill.

No, no, no. It must be his illusion.

What could he do as a loser?

Irritated in his heart, Franklin got up and said indignantly.

"Bastard!"

Suddenly, his phone rang.

"Franklin, Grandpa has arrived at the office, how is it going? Have you signed the contract?"

Andrew asked happily. As long as his son signed it, his position in Yunsheng Pharmaceutical could not be shaken. Moreover, he could definitely inherit Samuel's position as the head of the family.

"Dad, something unexpected

happens, I'll be right back now."

Franklin said with hatred.

As for Maximilian, he got on a Rolls Royce at the corner of the street.

He had made an appointment with someone last time.

Franklin just drove out of the underground garage when he found Maximilian get onto the car in front of him. Once he saw it, his pupils tightened, heart trembled, and he lost his voice.

"It looks like Maximilian..."
