

Chapter 108 There Is No Place for You

Zeus Evans was surprised that Maximilian was not afraid of himself at all!

Damn it! Did this fool look down on him?

Zeus Evans pointed at Maximilian angrily, "Asshole, don't blame me for being cruel today, because you asked for all this! Go ahead and cripple him!"

The dozen or so hooligans brought by Zeus Evans walked towards Maximilian with a gloomy sneer.

Can one person fight against a dozen of them?

You were way out of your league.

Many people in the crowd kept shaking their heads and sighed

helplessly.

God, this man must be done.

That was Zeus Evans, who was notoriously cruel, and if someone provoked him, he would keep staring at them, just like provoking a mad dog.

However, Maximilian, who watched all this indifferently, took out his mobile phone and dialed a number, "Connor Davies, I was in the city hospital and was troubled by a person named Zeus Evans."

At the same time, a middle-aged man in a black suit was hurriedly getting off the Land Rover at the intersection and said in a panic, "Mr. Lee, I will be there soon. I am almost at the city hospital."

He hung up.

Connor Davies was sweating!

About ten minutes ago, he received a notice from his subordinates that that Mr. Lee was into trouble at the entrance of the city hospital.

It was so bold!

What a calamity!

Connor Davies was shocked and sweated.

After he learned the true identity of Maximilian, Connor Davies secretly sent someone to follow Maximilian.

For no other purpose, he just wanted a chance to work for Maximilian!

"This damn Zeus Evans. If he provokes Mr. Lee, I will kill him!"

Connor Davies ran to the city hospital, wiping his cold sweat.

Due to traffic jams, his car stopped two to three hundred meters from the entrance of the city hospital.

At this time, Zeus Evans saw Maximilian holding a phone in hand, and immediately sneered, "It's not bad, bastard, you still know Connor Davies. It looks like I underestimated you."

Zeus Evans didn't expect the man in front of him actually to know Connor Davies.

But so what?

How could Maximilian, who dressed so poor, have this connection?

He was at best a wimp.

He must be playing prestige under the name Connor Davies!

So Zeus Evans still had no fear.

However, the indifferent Maximilian looked at Zeus Evans very calmly, "I have to correct a mistake you just made."

"What is wrong?"

Zeus Evans frowned, "Asshole, do you want to procrastinate? Well, I want to hear what I have done wrong."

Zeus Evans acknowledged him with a sneer on his face, as he was not in a hurry.

How could a fool be a threat to him?

"Actually, this is not your territory, and it's mine."

Maximilian said calmly, staring at Zeus Evans viciously.

As long as he wanted, the entire H City could belong to him!

Moreover, this hospital was the property of the Dragon Sect, so it was naturally the territory of Maximilian!

Zeus Evans was startled, then raised his head and laughed, "My God! You are such a wimp. What did you just say? This is your territory? Where is your

fucking self-confidence and bragging coming from?"

This bastard was so stupid that he dared to brag in front of so many people.

His territory?

Was it possible that he meant he owned the city hospital?

Ridiculous!

It was ridiculous!

Maximilian shook his head and smiled indifferently. Zeus Evans was dying but didn't know what was going on.

And this scene happened to be seen by Zeus Evans by his eyes.

What did he mean?

Was Maximilian laughing at him?

Fuck!

How could he allow a wimp to laugh at him!

"I don't care who the hell you are. You beat my brother today, so I will kill you!"

With a sound of Zeus Evans, a dozen people were about to rush forward.

Onlookers closed their eyes and couldn't bear to watch the terrible scene that was about to happen next.

There would be no turning point at all.

Iris lost her interest, and left with her friends.

Hyaluronic acid was more important. She also invited a few second-generation riches to dinner tonight.

Suddenly!

"Stop! Damn! Stop!"

A loud shout came from behind the crowd.

Everyone turned to see a middle-aged man, who ran in, sweating, and panicked.

Connor Davies!

"Mr Davies, why are you here? Don't worry. I can solve the problem here."

Zeus Evans recognized Connor Davies right away.

He said quickly with a smile.

Connor Davies!

Everyone should be in awe of him!

Zeus Evans was only an insignificant person in front of Connor Davies!

What's more, the streets and dozens of nightclubs around here were assigned to him by Connor Davies.

"It's over. Even the Lord Connor

Davies is here!"

"Ah ha, he cannot escape now, what a fool!"

"The wimp was so arrogant just now. Now Connor Davies will definitely not let him go."

Tiger Evans on the ground was supported by his man. With blood all over his face, he saw Connor Davies as if he saw the savior, and cried loudly, "Master Connor Davies, you must find justice for me. This bastard beat me so badly, it's too cruel!"

However, beyond everyone's expectations, Connor Davies ignored the Evans brothers. Tiger Evans and Zeus Evans were both rubbish in his eyes at the moment. Even if his biological brother provoked Mr. Lee, Connor Davies would not care about him.

Snapped!

Connor Davies directly slapped Tiger Evans in the face, which made the situation worse.

Tiger Evans's nose, which had finally stopped bleeding before, spurted blood again.

Everyone was shocked!

They didn't understand the unexpected scene at all!

Zeus Evans was also shocked. What the fuck was this?

Immediately afterwards, Connor Davies kicked Tiger Evans on the knee, shouting angrily, "Kneel down!"

Tiger Evans was stunned. In his opinion, Connor Davies should have come to help them, why did Connor Davies want him to kneel?

"Why..."

Snapped! A slap fell on the face of Zeus Evans.

Connor Davies turned his head and pointed angrily at Zeus Evans' nose, and said coldly, "Zeus, you are just a dog beside me, how dare you fight with Mr. Lee!"

Connor Davies clearly understood that he couldn't lose everything he had now because of the mistake Evans made.

He had offended Mr. Lee, and they deserved it!

What kind of punishment they would receive depended entirely on Maximilian's mood. No one could change this.

"Master, what do you mean? I have followed you for four years, and I am also the boss of this area. Why are you slapping us now?"

Zeus Evans squeezed his fists hard.

What happened? This was something never happened before!

And this scene was naturally seen by everyone, and everyone was puzzled.

Zeus Evans was really risking his own neck.

"Zeus Evans, you're such a fucking idiot! You have your status because of me! Okay, Zeus Evans, I will withdraw everything from you now!" Connor Davies roared.

Zeus Evans really asked for trouble.

However, Zeus Evans was completely annoyed, and said in a low voice, "You really want me to do this?"

However, Connor Davies ignored him at all. Instead, he turned his head and bent over to Maximilian and said respectfully, "Mr. Lee, I'm sorry, it was

my fault. I didn't discipline the subordinates properly. He is such a bastard. How do you want to punish him today? I'll arrange it immediately. "

...Mr Lee?

Connor Davies actually called him Mr Lee!

The onlookers were stunned!

They couldn't figure it out why the powerful man in H City respected such an ordinary guy.

Was he more powerful than Conner?

There were shocks in everyone's eyes.

At this moment, Zeus Evans and others were all at a loss!

They didn't expect this ordinary man could make Connor Davies bend over.

Oh no! He was someone who

shouldn't be offended!

"Connor Davies, they just wanted to claim my legs. Do you know how to deal with them?"

Maximilian said lightly.

His word made Connor Davies feel a bitter chill.

Mr. Lee was angry.

Connor Davies nodded immediately, and said nervously, "I understand!"

The expressionless Connor Davies turned around and directly kicked Zeus Evans' abdomen.

Then, his pupils were beating with angry flames, and he shouted expressionlessly, "Zeus Evans, from now on, there is no place for you in H City!"

Chapter 109 Lombard

Zeus Evans was stunned when he heard it!

Connor Davies actually did this!

Immediately, Zeus Evans roared, "You will only disappoint us if you do this. Don't forget that I also have a lot of gang brothers! If we really plan to trouble you, can you bear it?"

Zeus Evans was a ruthless man. Relying on his men, he got up from the ground and rubbed his stomach.

As soon as he uttered this sentence, a dozen people gathered around, as if to stage a rebel.

Connor Davies with a sullen face shouted at the Zeus Evans' accomplices, "Are you blind? Don't you know me, Connor Davies? If anyone

dares to move today, I will let his family be destroyed!"

Connor Davies, with a grim face, was angry at the moment.

The overbearing aura on him suddenly broke out!

Connor Davies was the underground king in H City!

Everyone must respect him!

The group of gangsters was looking for death!

Seeing Connor Davies' anger, they were a little scared. After a few glances at each other, no one dared to step forward.

After all, Connor Davies' reputation was enough to make them cringe!

"A bunch of scum!"

Connor Davies scolded. He was just

about to call for support, but Maximilian said a few words in his ear.

Immediately, Connor Davies nodded and trotted away.

Zeus Evans and his brothers were a little confused and didn't understand what was going on.

What was the matter?

"What do you want to do?"

Zeus Evans vaguely felt that things were not that simple.

Maximilian smiled faintly and looked at Zeus Evans and his accomplices, "How much do you get from Zeus Evans under normal circumstances?"

"What... what do you mean?"

Zeus Evans' accomplices were stunned at this moment. They looked at each other and didn't understand what Maximilian meant.

Maximilian put his hands in his trouser pockets leisurely, and said calmly, "Are you deaf or dumb, don't you understand me?"

"We...we just barely make some money. Boss Zeus gives us two thousand dollars a month, and takes us to the nightclub to play, find some prostitutes..."

Upon seeing Maximilian's angry appearance, a coward was too scared to hide, so he confessed.

The main reason was that Maximilian made them feel terrible!

Connor Davies, the underground boss of H City, respected him!

Therefore, the scenes just now put them all in fear.

"Ah ah, Zeus Evans, I didn't expect you to be so petty. Only two thousand

dollars for salary, do you deserve to be the boss?"

Maximilian smiled contemptuously.

Meanwhile, Connor Davies, who had just left, returned with two people behind him carrying two bulging paper bags.

Maximilian took the paper bag into his hand, and then threw the paper bag to the ground in front of everyone!

In an instant, everyone's eyes widened!

Money!

Cash!

That must be more than one million!

Maximilian kicked stacks of money to the person who answered his question just now, and said indifferently, "Here is a reward of 100,000 dollars. You can go to any club to enjoy

massage tonight and there are plenty of women who can accompany you. Take the money and get out. "

"What....."

The man was stunned. He was shaking and looking at the stacks of money on the ground in disbelief!

He was so excited that he couldn't wait to pick them up!

That was one hundred thousand dollars!

He even couldn't earn so much in a whole year!

How could he give him the money so easily?

He just answered one question!

Without further thinking, the man hurriedly bent over to pick up the money, with an excited and complimentary smile on his face.

"Thanks...Thank you! Mr. Lee!"

The man was so excited that his voice changed. He kept bowing to Maximilian, and then left with the money.

Then Maximilian blatantly kicked a few wads of money under the eyes of everyone, as if it were a game.

There was no need for Maximilian to say anything, those accomplices of Zeus Evans were excited and bent over to pick up the money.

"Thank you Mr. Lee!"

"Thank you Mr. Lee!"

In less than a minute, all those accomplices of Zeus Evans disappeared.

When an influential person fell from power, his accomplices would leave without doubt.

They would never feel bad about money.

The onlookers breathed heavily.

Too simple!

This was the first time they have seen this way of spending money.

Was this how rich people solve their problems?

Everyone was envious. It was impossible for such a rich man not to be jealous.

And Iris and her friends didn't see what happened.

If they saw this scene, how would they flatter Maximilian?

Zeus Evans trembled at the moment. He couldn't believe what he had just seen.

All the accomplices actually

abandoned him for the tens of thousands of dollars in cash.

That man was so rich!

Zeus Evans panicked and was frightened.

What kind of people did his brother provoke?

Maximilian looked at this indifferently, and then stared fiercely at the panicked Zeus Evans, "What do you think I will do to you?"

A word scared Zeus Evans, and cold sweat felt from his forehead like a waterfall.

BANG!

Almost instantly, Zeus Evans knelt on the ground and kept kowtow to Maximilian, "Mr. Lee, I made a mistake. I was sorry to not recognize you. I beg you to forgive me and my brother. "

BANG, BANG, BANG!

He was desperate to Kowtow one after another.

Tiger Evans was limp on the side. When he saw Maximilian take the money, he understood that Tiger Evans was going to die here tonight.

Sure enough, a pair of ordinary and dirty sneakers appeared in front of him.

He raised his head in fear and saw the indifferent face, hurriedly knelt down, pleading, "Max...Mr. Lee, I really know my mistake. I was ignorant, I was wrong, I deserve to die, please punish me. "

"Still the same question, who instructed you to do this?"

Maximilian asked with cold eyes.

"Franklin Griffith, Franklin Griffith."

Tiger Evans was so scared that his

hands were shaking at the moment, and he blurted out without hesitation.

Maximilian frowned.

Franklin Griffith actually dared to do it!

He looked up at the sky, and then turned to Connor Davies coldly, "Serve them well. I don't want to see them still standing to talk."

Connor Davies nodded immediately and said, "Okay, Mr. Lee!"

"Mr. Lee, Mr. Lee, please forgive me and my brother!"

Zeus Evans knelt on the ground and kept knocking his head, and his forehead was full of blood.

"Who are you? Can you beg Mr. Lee? If you offend Mr. Lee, you should know what your consequence is!"

Connor Davies kicked him again.

Maximilian turned and left, ignoring this.

Back in the hospital, when Maximilian was about to go to his daughter's ward, a sound of ridicule came from behind him.

"Hehe, Maximilian, I didn't expect you to be alive."

Maximilian turned his head and saw Iris and some beautiful girls, who stared at him mockingly.

Chapter 110 Private Party

Maximilian frowned, not wanting to pay attention to Iris, turned his head and moved forward.

Iris was furious. She was the jewel of Griffith's family and a famous beauty in H City, so any man who saw her should be overwhelmed.

It was no exaggeration to say that as long as Iris was willing, there would be many second-generation riches in H City chasing her like crazy!

However, as Griffith's famous wimp, Maximilian dared to ignore her at this moment!

Snapped! Iris rushed over, grabbed Maximilian's clothes, and then slapped Maximilian's face severely.

She pointed to Maximilian's nose

irritably and rudely yelled, "Maximilian, who do you think you are? You are just a dog in the Griffiths, and you are useless. How dare you ignore me? Believe it or not, I can make you the enemy of all men in H City! "

Iris was getting more and more angry! So she looked at Maximilian with a bit more resentment!

How dare a useless man be so arrogant?

Maximilian was shocked by Iris's sudden slap, and then he warned Iris with a cold face, "Iris, do I provoke you? Just remember this slap, I warn you not to provoke me again!"

Then, Maximilian turned to leave.

At this moment, Iris felt she was so shameful!

"Well, Maximilian, do you dare to

warn me now?" Iris yelled immediately.

Her girlfriends around her also arrogantly accused Maximilian, saying,

"Damn! You are a wimp, how dare you say that to Miss Iris?"

"Miss Iris, this guy is so arrogant! Is this Griffith's loser you mentioned?"

"Immediately bow your head and apologize to Miss Iris! Otherwise you will not end well!"

Maximilian frowned, especially in front of the group of women who were beautiful in appearance but dark in hearts, and he was completely uninterested.

"Goddess Iris, what a coincidence, you are here too."

Just at this moment, a slightly jerky male voice came from a distance.

Everyone looked in the direction of

the voice.

A handsome man dressed in expensive casual clothes, with a gold necklace, a gold watch, and a flattering smile, was getting out of the Ferrari at the door.

"Goddess, we meet again."

At this moment, Caelan, with a flattering smile, had walked in front of Iris and other beauties.

In fact, he had been following around Iris these days.

Iris had no time to talk to Caelan, but her girlfriends cared about Caelan very much.

He was obviously a second-generation rich.

"Maximilian, I want you to kneel down and apologize to me now!"

Iris put her hands around her chest

and looked at Maximilian frivolously, feeling quite upset.

"You are making trouble unreasonably."

However, Maximilian just said this and walked away.

"You!" Iris was furious!

Maximilian had always been a wimp, but today he was so strong!

He even dared to disobey her orders!

For an instant, the angry Iris was out of balance, "Presumptuous! Maximilian, how dare you defy me over and over again! Why would the idiot Victoria marry a loser like you? She signed a contract with the Graham Group. In my opinion, it must be obtained by her prostitution!"

When Maximilian heard these words, he stopped and stood still.

Iris put her hands around her chest, still cursing arrogantly, "Our Griffith family is criticized because of her. Victoria is simply the nemesis of our Griffith family. A bitch like her really shouldn't live in this world!"

"Iris, you successfully angered me, I didn't want to..."

Maximilian turned to stare at Iris gloomily, and said coldly.

However, he was interrupted by Caelan beside Iris before he finished speaking.

"Goddess Iris, is this fool upset you again?"

Humph! Iris was very emotional. "His name is Maximilian."

"Huh, is he the wimp Maximilian?"

Suddenly, Caelan was shocked, followed by a full sarcasm.

He walked around Maximilian in two steps, and then said arrogantly, "It turns out that you are the Loser Maximilian. You had upset my goddess. Now I order you to kneel and apologize to Iris!"

Caelan pointed at Maximilian and scolded arrogantly.

Maximilian turned his head and looked at Caelan with a playful look. After a moment of silence, he coldly asked, "Done?"

This word made Caelan stunned!

"Asshole, how dare you talk to me like that? In H City, the Williamson family enjoyed great reputation and was in high position. It would be a piece of cake to pinch a trash like you to death!"

Iris on the side said arrogantly, "Maximilian, I advise you to knelt down and apologize to me now; otherwise, you can't stay in H City! Even Victoria

will be implicated because of you!"

She was threatening her.

"Huh?"

Maximilian looked at Iris up and down, "I didn't want to pay attention to you, but you repeatedly angered me, so I will let you know that a wimp also has his dignity today!"

Once finished speaking, Maximilian was about to teach her after taking a step forward,.

Suddenly a scolding interrupted him!

"Maximilian, what are you doing?"

Laura walked over and stared at Maximilian.

Snapped! Laura walked over and slapped him angrily on his face, cursing, "You loser, how dare you hit Iris? It's a nonsense! Get out!"

Laura saw everything just now.

Maximilian was simply troublesome.

"Apologize!" Laura scolded.

Maximilian's face condensed. Will he dare to do something with Laura?

No. After all, she was Victoria's mother, his mother-in-law.

Just forget it.

He should bear it.

"I'm sorry." Maximilian lowered his head to Iris.

Iris just gave up, and after a few curses, walked away with her girlfriends and Caelan.

He vaguely heard Iris saying, "It's really unlucky to meet this loser, and I almost missed the Joyclub party tonight!"

"You are right. I heard that a

mysterious rich young master will come tonight. There are many second-generation rich on site."

"Haha, are you itching again? Which second-generation rich do you want to sleep with?"

On the other side, when Iris walked away, Laura glared at Maximilian angrily, cursed a few words, and turned away.

Maximilian was helpless and sighed.

As soon as he turned around, he received a call from Wilfred, "Mr. Lee, there is a private party at Joyclub tonight. Several local business giants in H City prepared it especially for you."

Maximilian was startled, Joyclub?

He glanced at Iris who walked out the door, "I'm not free today, and I have to accompany Sissi."

"Mr. Lee, in order to develop your

network and make preparation for the inheritance of Dragon Sect, you'd better go." Wilfred said.

Maximilian thought for a while, "Well, I will be there."

"Well, I will arrange someone to pick you up." Wilfred said.

Maximilian nodded, hung up the phone, and turned around to visit his daughter in the ward.

He was naturally scolded by his mother-in-law again.

In the evening, Wilfred's car a Bentley arrived.

Maximilian looked at the driver who looked respectfully bowed and shook his head helplessly, "Let's go."

In fact, he was still a little worried if he encountered Iris by chance, how should he explain it?

Admit everything?

Chapter 111 Flattering

Several local business giants in H City were standing respectfully at the door of Joyclub waiting for the upcoming Maximilian.

They heard that the Heir of Dragon Sect was the host this time, so these business giants are very excited.

As long as Mr. Lee of Dragon Sect gave them a little favor, the industry they were involved in was enough for them to make a lot of money.

If they could get the favor of Mr. Lee of Dragon Sect and reached cooperation with Dragon Sect, their profits would definitely double.

"I heard that the heir of Dragon Sect is still very young, and I took my daughter to the party with me. I hope he will notice her."

"I don't know if Dragon Sect's heir is married. If he is not married, our daughters will have to compete hard for him."

"It doesn't matter if he gets married. It's her luck to be his mistress. This time not only my daughter, but also my nieces come."

If the whispered conversations of several business giants were heard by outsiders, they would be shocked.

Iris and her girlfriends arrived to Joyclub. Watching a few local businessmen standing neatly outside of Joyclub like elementary school students welcoming the principal, there was a look of surprise on Iris face.

"That's Chairman Jonathan. His net worth is more than four billion dollars. He is a famous business giant in H City!"

A girlfriend beside Iris showed a look of consternation!

This Jonathan was one of the top entrepreneurs in H City!

He had assets of more than four billion dollars and was involved in multiple industries!

"Look, the chairman of the Flourish Group is also there. They seem to be waiting for someone. Are they to welcome the mysterious second-generation rich?"

Listening to the murmurs of her girlfriends, Iris' eyes flickered, imagining in her heart that if she could seduce the mysterious second-generation rich, her life would directly reach the peak.

"Don't waste our time now. Let's go in and get ready. I need to fix my makeup now." Iris urged softly.

"Ah, Iris, do you have an idea about the mysterious second-generation rich? If you sleep with him, don't forget us."

"It would be best to take us together to be his lovers. Iris will be his girlfriend by that time. We will be mistress No. 1, mistress No. 2, mistress No. 3. Hahaha."

A group of women was talking and laughing, without any self-respect at all.

Soon after Iris and others entered the Joyclub, a Bentley drove over and slowly stopped at the door.

The red carpet was laid, and the bodyguards in black suits were stood in lines on both sides.

Jonathan stepped out without waiting for the car to stop. With a flattering smile on his face, he seized the opportunity to open the door for Maximilian.

After falling behind for a while, the rest of the people were suddenly full of regrets.

With a smile on his face, Jonathan pressed his hand on the doorknob on the back of the Bentley, and slowly opened the door, lest he moved too much to disturb Maximilian in the car.

Maximilian nodded slightly and smiled at Jonathan, making Jonathan ecstatic. The smile on his face instantly changed like a blooming rose, and his neck was red with excitement.

"Mr. Lee, please get off."

"Em."

With a nasal sound, Maximilian stepped out of the Bentley.

Because of the rush, Maximilian did not change his clothes. The moment Maximilian got out of the car, Jonathan

and others felt dizzy looking at Maximilian's clothes.

Had it not been that Maximilian had come from Dragon Sect's Bentley, Jonathan and others would have thought Maximilian was the fake heir of the Dragon Sect.

Jonathan's lips moved and he didn't say what he wanted to say because he was worried that he would offend Maximilian by saying the wrong words. So he turned his head to look at the local business giants behind him, and exchanged eyes with each other.

Jonathan, was it fashionable to wear informally at dinner parties now? Our dress is so serious, so is it not compatible with Mr. Lee of Dragon Sect?

Chairman Chang, Mr. Lee wears this way definitely to lead the fashion trend.

We should follow in the footsteps of Mr. Lee.

Chairman Blake, Yes, yes, that's a good idea. Let's hurry up and let people send clothes over. We should be consistent with Mr. Lee.

Maximilian looked down at his clothes, and then looked at the international-renowned brand Jonathan and others wore. He smiled at himself and asked, "Is it the clothes I wear..."

Before Maximilian finished speaking, Jonathan hurriedly said, "Your taste in clothes is really amazing, and it is definitely trendy now. Many fashionable clothes on this year's international fashion show look like your clothes."

Unwilling to be left behind, Chairman Chang continued, "It's us who are old and can't keep up with the trend. But today we also want to learn fashion

from you. I'll let people bring the clothes in a while, and we will follow you to feel the charm of international fashion trend."

Jonathan and others had a very good way of flattering. At this moment, they had tried their best to flatter, which made Maximilian feel comfortable.

But Maximilian heard too much of such flattery, so he didn't say anything.

"Well, let people send some masks." Maximilian smiled.

He didn't want to show off at such a banquet.

Jonathan and others were taken aback for a moment, and the scene of the masquerade party was made up for an instant. It seems that masquerade parties were very popular abroad.

"It seems that we are still OUT.

Secretary Alex immediately brings the mask over. We will have a makeup party today." Jonathan said to the secretary on the side.

"Wearing a mask can increase the sense of mystery, and no one except us knows that Mr. Lee is the mysterious guest. In this way, it is easier for Mr. Lee to see the true thoughts of the people attending the dinner. You are so brilliant."

"It's true. If we were to accompany Mr. Lee to the dinner directly, we might not hear anything but flattering."

"Mr. Lee wants to integrate into the masses and truly listen to the ideas and opinions of the masses. Compared with Mr. Lee, our methods and ideas are far worse."

The chairmen spared no efforts to flatter Maximilian.

Maximilian smiled secretly. He just didn't want to face Iris directly. If he had exposed his identity directly to Iris, God knew what would happen to the Griffiths, so he'd better hide his identity for now.

After all, he still had a lot of things to do.

At least he must guard against Dragon Queen's conspiracies.

Seeing the fascinating smile on Maximilian's face, the chairman and others praised him more happily. They even felt that it was their flattering that made Maximilian happy.

The secretary Alex soon brought clothes and masks. Chairman Jonathan and others quickly changed into ordinary clothes.

It is said that handsome people depends on their clothes. Without the

foil of international brand clothing, business giants who put on ordinary clothes suddenly became ordinary middle-aged uncles.

Maximilian took a pure white mask in his hand, and then pointed to the remaining masks and said, "Chairman Jonathan could use a Pigsy mask, and Chairman Chang the monk mask..."

Picking up the Pigsy mask, Jonathan touched his protruding belly and said cheerfully, "Pigsys are good. Pigsys are synonymous with blessing, and you are so kind to me."

Chapter 112 Any Problems?

Maximilian put on the mask. Jonathan and the others took the masks of Pigsy, Sandy, White Horse, etc., and put them on their faces.

At this time, no matter what Maximilian did, Jonathan and others would follow him without hesitation because Dragon Sect was too powerful. If they didn't follow suit, they were afraid that billions of wealth would be wiped out from them in an instant.

Wearing the mask, Maximilian led Jonathan into the Joyclub.

Many people in the Joyclub looked at Maximilian and his followers with puzzled looks. It was the first time they saw people dressed in this way entering high-end places like the Joyclub.

Many even thought that they were

the entertainers who were invited by a local tyrant to entertain the guests.

Outside the Brilliant Hall on the top floor of the Joyclub, Iris, who had just fixed her makeup and arranged her Chanel evening gown, was surrounded by her girlfriends and second-generation rich followers, walking towards the Brilliant Hall.

The Brilliant Hall was most luxurious hall in the Joyclub. If there were no important guests to visit on weekdays, the Brilliant Hall would not open, as it was reserved for distinguished guests.

This time it was opened to welcome the future master of Dragon Sect, a heavyweight VIP.

“I heard that the Brilliant Hall was designed by a top French designer, and it is usually not open. Today, I have to take a selfie in it.” Iris looked excited.

Next to her, her girlfriends were also full of excitement, gesturing to the camera and constantly taking pictures.

The Brilliant Hall could not be opened several times a year and the ordinary second-generation rich did not have the chance to enter it. Those who could enter were all at the level of Chairman Jonathan, as they were the bigwigs that the second-generation rich could not match.

Caelan, who was guarding by Iris's side, said happily, "Thanks to that mysterious second-generation rich, we can enter the Brilliant Hall this time. I must propose him a toast."

"Do you know him? Could you take me with you when you toast?"

Iris had a slightly coquettish tone.

Hearing Iris's charming voice, Caelan's body suddenly froze, and the

idea of showing off suddenly rose.

“No problem, although I don’t know him, my father knows him. Just now, my dad greeted him below. I might be able to say a few words to him later.”

Caelan said proudly, his face full of triumph.

It seemed that he would have a chance to get Iris tonight!

“As the saying goes, strangers at first meeting but friends at the second. I try to talk to him first and then I can ask him out more times before we get to know each other. If you become my girlfriend, you will definitely be able to make friends with that mysterious and rich man in the future.”

Caelan looked at Iris’s chest, and his eyes could hardly hide his lust and eroticism.

Iris's stature was much better than that of the women he slept with before!

However, Iris just smiled secretly.

With the mysterious and second-generation rich in front of her, Iris didn't want to be Caelan's girlfriend. Now she was full of thoughts about how to hook up with that mysterious and rich young man.

If she succeeded, she would directly marry into the purple!

Then people like Victoria should bow their heads and flatter her whenever they meet her in the future.

Seeing Iris not answering his questions, Caelan felt a little angry.

Not long ago, Caelan had boasted in front of his friends that he would win over Iris as his girlfriend. However, seeing Iris not taking the bait, anger

rose in Caelan's heart, and he wanted to show his power and prestige to Iris.

Hearing the sound of footsteps, Caelan immediately averted his gaze, just in time to see Maximilian and his followers coming closer slowly.

However, because this group of people wore masks, no one knew them.

Watching Maximilian and others wear masks, Caelan was a little confused for a while. He couldn't figure out why there would be people wearing masks in the Joyclub. That was sheer nonsense.

The clothes Maximilian and others wore were just something off-the-rack. Caelan grinned suddenly, thinking that he could disdain these people to show his power and prestige.

"Oh, there are people wearing masks here. It is the first time that I see such a

scene.” Caelan said loudly on purpose.

Iris and others were so curious that they all turned their heads to have a look, and they were immediately amused by the scene in front of them.

“Oh, it’s true. Why do these people wear masks here? Their clothes are so ragged. Maybe they are here to perform.”

A girlfriend said with a mocking smile on her face.

“Hey! Here is Joyclub. The people perform here must be national-level performers. There is no chance for performers in rags to get on stage.”

Caelan echoed in agreement with his hands behind his back, his face full of arrogance.

Iris glanced at them and felt disgusted in her heart. She had just put

on makeup but met such a group of people. This was not a good sign.

“What happened? Is the Joyclub accessible to anyone? Such people will pollute the environment when they come in. Besides, this is the entrance of the Brilliant Hall. Call the security guard quickly to drive them away.” Iris said angrily.

Not only her, but many people in the hall felt that the appearance of this group of people would lower the taste of the banquet tonight.

Caelan was happy and suddenly felt that an opportunity had come. He stepped forward to stop Maximilian and his followers.

With an arrogant expression on his face, he said, “Who are you? This is the Brilliant Hall that is accessible to distinguished guests with statuses only.

Those of you who don't have a status get out."

Seeing Caelan's arrogant expression, Caelan's father, Calvin Williamson, who followed at the back of the team, immediately burst into a cold sweat.

If Calvin didn't wear a mask, he would jump out to give Caelan a hard attack with the Eighteen Subduing Dragon Palms, and he would have to knock Caelan into a Pigsy's head.

But at this moment, Calvin didn't dare to mess around. He hadn't figured out Young Dragon Lord's thought. If his identity was revealed, the matter would be even worse.

Because they already knew that Young Lord preferred to remain low-key.

At this moment, Calvin was so angry that his fat body kept trembling. He had already made up his mind. After a while,

he must let his ungrateful son kneel on the ground and beg Maximilian for mercy.

Chairman Jonathan touched the Pigsy mask on his face, wondering if Maximilian asked everyone to wear masks just to see the education level of their children.

It is said that an expert judged the rise and fall of a family by looking at the upbringing of the descendants of the family.

Jonathan's imagination created a flutter in his heart, feeling that he couldn't treat Maximilian as a simple second-generation rich.

Maximilian's unique perspective of investigating partners had proved that Maximilian was not a mortal, and he was definitely at the level of immortal rank.

However, Maximilian didn't even know the mental activities of the people around him. He glanced at the men and women who blocked the way through the mask, and a faint smile appeared at the corner of his mouth.

He could get even with Iris this time.

Seeing Maximilian and others not speak, Iris immediately stomped her feet in irritation and said, "Caelan, what are you waiting for? Drive these beggars quickly, as I don't feel good seeing them!"

As Iris screamed, many people in the Brilliant Hall came to see what was happening outside.

"Hey, why is Pigsy here? There are also Sandy, White Horse, and Nezha. Why aren't Monkey King and Tripitaker here?"

"Ah, some funny idiots have run out.

Could it be that the lunatics in the mental hospital ran out?”

The crowd walking out of the Brilliant Hall made a lot of mocking sounds.

Jonathan and other people trembled angrily when they heard the ridicule of the next generation. They secretly vowed in their hearts to teach them a lesson!

Suddenly, Maximilian at the forefront asked in a cold voice with a mask,

“We are here for the dinner. Any problems?”
