Chapter 946

Su Jin nodded, his face expressionless.

“Then you take a good rest, if you need help with Mo Xian’s matter, you can ask Su Nan.”

Qin Yu blushed slightly white, pursed her lips, and suddenly raised her head to look at him.

“Big brother, thank you for your help.”

Su Jin wrinkled his eyebrows, but nodded his head.

“You’re welcome, you’re Su Nan’s friend, I still have business dealings with your family, it’s only right to help you.”

In an instant, the light in Qin Yu’s eyes completely disappeared.

In this instant, she felt futile no matter how she tried to hide it.

Among the many reasons Su Jin helped her, there was no reason to do it because she was Qin Yu.

Indeed, what qualifications did she have?

Su Nan pursed her lips, "Big brother, you and Miss Wen Xiang have to get busy first, I have to send Qin Yu home later."

Su Jin didn't really want to stay here, so he nodded, took Wen Xiang's hand and turned to leave.

Before leaving, Wen Xiang even glanced back at Qin Yu.

Only this glance, there was not much probing sight, as if it was just gentle politeness.

Su Nan went over to close the door and let out a sigh of relief.

The first time I looked back at Qin Yu, her tears had come out.

When I walked over, I watched her shoulders tremble slightly, but didn't make any sound.

The end of this crush is probably today.

"If you want to cry, just cry a little, after that I'll send you home."

Su Nan looked at her.

Qin Yu raised her eyes to look at her, her eyes filled with tears.

“Sunan, do I suck so much that he won’t even look at me?”

“How come?”

Qin Yu took a deep breath.

“I never dare to say what I like, and I spend all day playing games with people I don’t like, others must think I’m rotten to the core.

I know your good intentions, it’s me who thinks too much, no matter how many years have passed, the only person in this world who can change him is only Miss Wen Xiang.

Su Nan, I’m putting it down.”

She conceded defeat.

The self-righteous deep love only touched herself, the reason why Su Jin helped was just because of Su Nan.

Why deceive herself and others?

She couldn’t do something that was openly contentious, otherwise she wouldn’t have lost her mind in anger because of Mo Xian’s marriage.

Thinking of Mo Xian, Qin Yu wiped her tears and her face sank slightly: "I want to be discharged, Su Nan."

"I want to be discharged, Su Nan, there is a favor that you have to help me."

Su Nan nodded decisively.

"Of course."

Qin Yu really had strength after eating, and was discharged from the hospital nimbly and quickly.

She took Su Nan to a private club.

Being curious as to why she came here, Qin Yu said as she walked.

"Mo Xian will meet here today to sign a contract with the people of the Fu Group. Once the contract is signed, it is the same as Mo Xian's business is officially in A City.

With the backing of the Fu Group's tree, he will soon be on firm footing, and I must come to sabotage their cooperation!"

Su Nan: "....."

The moment she heard the four words of Fu's group, she somewhat regretted coming along.

But it was too late to go, and besides, Qin Yu would definitely get her killed.

She could only follow with a stiff upper lip, regretting in her heart for tens of thousands of times.

But do not be Fu Yechuan himself ah .....

Qin Yu dryly pushed open the door of the box, inside the two sides sitting a dozen people, including lawyers, looks like the scene is very solemn.

Everyone was interrupted by Qin Yu and couldn't help but look out the door.

Qin Yu's eyes swept and saw the equally shocked Mo Xian.

She sneered and stepped forward, throwing the bag in her hand on the table with a loud and unceremonious movement.

"Fu Yechuan, has this person you signed up with investigated? The liquidated assets under his name were falsified, and the cost price given to you was secretly increased by twenty percent compared to other companies, he treated you as an ingrate. ...."

Chapter 947

For a moment, the room was in shock.

The cost quotation to the outside world was confidential, and no one would know about it unless they were one of their own.

“How could Miss Qin know?”

“This can’t be true, right?”

“What is their relationship?”

.....

Mo Xian’s face regained its composure and his gaze was fixed on her with a deadly stare.

The slightly fat woman sitting next to him, who looked a bit mean, recognized Qin Yu and immediately stood up.

“Miss Qin, is it that Mo Xian didn’t give you enough money? Or are you not satisfied with the amount? What is your intention to make trouble at this time?”

Qin Yu swept up the woman and gave a cold laugh.

“Mrs. Mo, we meet again.”

"You're a person who is justified in being a mistress, Miss Qin's skin is really thick, now that you've been dumped, you want to break the pot and throw dirty water on us?"

Mrs. Mo looked at Qin Yu and wanted to tear her apart, how dare she come in front of her?

Qin Yu was irritated by the word "mistress", and her face suddenly turned ugly.

At this moment, Su Nan went out from behind the wall and stood next to Qin Yu with a cold face.

Her eyes were coldly focused on the woman beside Mo Xian.

"Mrs. Mo, I hope you get it straight, Qin Yu is 'being a mistress', with Mo Xian's wealth and appearance, if he hadn't taken the initiative to pester Qin Yu, Miss Qin wouldn't be able to see such a person.

The dog in your own home should be bolted, don't come out and bite people and blame them for walking on the road!"

Su Nan's words were not polite at all.

Mrs. Mo was angry enough, her face was ugly.

The surrounding people are silent watching, as if they know what, but have to lower their heads and pretend not to know.

After all, with the presence of Su Nan melon, no one dares to look at the hilarity in a serious way.

Su Nan hooked her lips, she could feel a hot gaze from across the room, from whom she knew exactly.

But she did not look up to see.

Only try to do ignore.

Qin Yu also slowed down, nonchalantly looked at the woman and Mo Xian, with a provocative gaze:.

“That’s right, I have so many boyfriends around me, I still need to find a man in the garbage pile?”

Mo Xian is one of the scummiest and worst I’ve ever dated, I just didn’t expect him to have a garbage bin around him.”

Such sarcasm is close to explicitly saying Mrs. Mo’s name.

Su Nan paused, not wanting to continue to waste time on the verbal argument, she glanced at Su Nan and then looked at the people from Fu’s group.

“About what Miss Qin said, you guys can check it out, it’s always not as bad as fabricating an offer just to break the cooperation, I think the Fu Group shouldn’t be indifferent to a fictitious offer either, right?”

Su Nan's words instantly pulled their attention to the key point.

Mrs. Mo was obviously flustered .....

"Don't listen to their nonsense, this Qin Yu is not a good person in the first place ....."

"That's enough--"

Mo Xian stood up with an ugly face, he acted indifferent to all this.

But when Qin Yu was planning to leave, he suddenly stood up.

He walked over and took her hand without saying anything, "Come out with me, I'll explain to you what I have to say ....."

"Mo Xian--"

Mrs. Mo stood there with a pale face, glaring at them with shame and anger.

This little bitch Qin Yu had ruined their contract, and Mo Xian didn't care?

He took Qin Yu away in front of everyone, what does this mean?

It means that Mrs. Mo is giving up the position to Qin Yu!

How could she be willing to have her face rubbed on the ground?

Chapter 948

But Mo Xian didn't give Mrs. Mo a second thought. He only had eyes for Qin Yu and pulled her away despite Qin Yu's struggle.

Su Nan frowned, afraid that Mo Xian would take Qin Yu away, she was about to chase after her when she suddenly heard Fu Yechuan's cold voice.

"Chen Mian, go catch up with Mr. Mo and tell him that the signing will be postponed indefinitely."

Chen Mian was watching all this from the corner, and when he was suddenly named, he immediately stood up.

"Yes, Mr. Fu."

He didn't want Su Nan to go after him, right?

Su Nan gave a beat and hesitated when Fu Yechuan had already shouted her name: "Su Nan

"Su Nan ....."

She turned back, Fu Yechuan stood up, his eyebrows were still stern and compelling.

His voice was low and lazy.

“Thank you for telling us this, otherwise signing with Mr. Mo, we could have lost a large amount of money.”

Su Nan calmly pursed her lips, “To thank you, thank Qin Yu, it’s her news.”

The side of Mrs. Mo heard Fu Yechuan say so, it seems that the cooperation is already fatal, her face is ugly, “Mr. Fu, how can you not believe us because of a few words from that crazy woman?”

Fu Yechuan paused, eyebrows coldly swept a glance at Mrs. Mo, eyes sharp and biting, so that Mrs. Mo did not dare to look directly.

“Just in case, you must go to verify the authenticity, after all, your company has little credibility with me.”

After saying that, he left his seat directly and walked directly to Su Nan’s face.

“As a token of appreciation, I’ll treat you to dinner?”

Su Nan frowned and was about to refuse when he added: “And Miss Qin.”

Why does this man feel wrong?

He was a little too calm?

But looking at his eyes, they were dark, so it was impossible to see what was going on in his mind.

Their conversation last night was not very pleasant, and at that time Fu Yechuan's emotions harbored shocking waves.

She did not believe that the next day she could accept it without a sound and invite them to dinner.

How to think how strange?

She paused, her eyes calmly hooked her lips, "No, we have other things to do, do not bother."

After saying that, she directly turned around, stepped on high heels and left.

Fu Yechuan's eyes darkened slightly, and his breath sank slightly as he did not move, and then he followed him out.

The other people in the room finally breathed a sigh of relief.

Although the cooperation did not work, but they are together under the same low pressure, can not breathe.

Su Nan went out and watched Mo Xian and Qin Yu talking about something not far away, Qin Yu's hysterical look, probably cursing out the most unpleasant words under the sky.

Since she did not fall in the wind, Su Nan is not in a hurry to go over.

Chen Mian also waited at a short distance.

Before standing still, a familiar biting and low taste appeared next to him.

Fu Yechuan's voice was raspy and indifferent.

"Mo Xian is not a simple person, tell your friend to be careful."

Su Nan differently looked at him sideways, Fu Yechuan looked at her, hooked his lips, his eyebrows slightly moved.

"What, don't believe my words? With others, think I'm a bad person with ten evils? What else did Shang Qian say?"

Su Nan frowned, her face was clear and cold, and she could not see any expression.

"Between us, there was no talk about you."

Su Nan's words caused Fu Yechuan's face to stiffen fiercely.

The emotions that were hidden and suppressed in the depths of the black eyes instantly tumbled.

What was more hurtful than provocation was ignorance.

He completely felt it.

The most important thing is that you can't be sure that you're going to be able to get the best out of the company.

But he could only endure .....

Chapter 949

Fu Yechuan looked at the side of her face, quiet and beautiful, but she does not belong to him anymore.

The dark inner heart is always breeding an emotion, does not belong to him, then destroy her?

.....

Su Nan has watched Qin Yu cursed enough to wave to her, Su Nan walked over.

Mo Xian's face did not look good.

Two people were just about to leave when Mo Xian's voice was as dumb as if it had been cut by a knife:.

"Qin Yu, except for this matter, I have never lied to you, I have talked to her to go to the divorce in the afternoon, you ....."

You wait for me again.

But the words did not finish, Qin Yu sneered.

"You two are a natural pair, you must not because I divorce, I stepped on you this piece of shit in, really bad luck, do not let me meet you in A city, or I see you once, beat you once!"

Her heart that had been playing for so long could not easily want to settle down, she wanted to accept a man into her life for a long time.

The result?

Haha, this man is already married?

She, Qin Yu, no matter how cheap and playful she is, will not go beyond the bottom line of morality.

It's not a crime!

Qin Yu put down vicious words, dragged Su Nan and left.

Chen Mian looked at Fu Yechuan standing at the door, hesitated to say, but Fu Yechuan did not go to Mo Xian's intention, it seems his decision will not change.

On the way back.

Su Nan looked at the still angry Qin Yu and rubbed his brow.

"Still angry?"

"How can you not be angry?"

"Fu Yechuan has decided to delay the cooperation indefinitely, if what you said is true, their

cooperation will really fizzle out, according to Fu Yechuan's character, he will not give Mo Xian a second chance."

Qin Yu's face was slightly better, but then he gave a beat and turned his head to look at her.

"I didn't know Fu Yechuan was also there, I didn't expect him to go personally for such a small cooperation?"

Su Nan smiled, knowing that Qin Yu was reacting with hindsight and felt uncomfortable for her.

"It's okay, we're not incompatible and don't see each other anymore, the interests in the mall are inextricably linked, it's no big deal.

But perhaps Fu Yechuan is quite optimistic about Mo Xian, otherwise, as you said, such a small cooperation, he did not need to go."

Qin Yu snorted coldly, "That can only mean that things are in the same category!"

One sentence scolded two people, Su Nan also felt quite reasonable.

"Send you home?"

"Go to the company, the cooperation between our Qin family and Mo Xian must be concluded, even if I am scolded to death by my mother, I will not continue to cooperate with such a scum."

Su Nan raised her eyebrows and nodded.

In the end, the involvement is not deep, want to clear the relationship is also easy.

If she and Fu Yechuan were replaced, it would not be a matter of words.

Fifteen minutes later.

To Qin Yu company downstairs.

She took a deep breath, her face visible pale, still do not know how to explain it to Qin's mother .....

Pulling Su Nan's hand tightly does not let go, "I ..... I'm nervous, I'm afraid, you accompany me up, right?"

Su Nan: "....."

Qin Yu spoke sickly: "My mother has always liked you the most, said you are most like her character, you go up with me?"

Su Nan nodded helplessly, "Okay, but if you get beaten up, I won't help you."

Qin Yu nodded, and knew that if it came to getting beaten up, the king of heaven could not help her.

The lady at the front desk had a good relationship with Qin Yu, and when she came in, she smiled and greeted.

"Little Mr. Qin, Mr. Qin is waiting for you upstairs for a long time ....."

Qin Yu's face became even whiter .....

Chapter 950

Su Nan looked at Qin Yu walking in front, in a trance, getting on the elevator, both legs still trembling a little.

She felt some pity for her.

According to Qin's mother's temper, she was afraid that she would beat Qin Yu to death.

She stood at the door and took a deep breath before she gathered her courage and pushed the door in.

"Mom ....."

Qin mother controls the entire Qin family, she raised Qin Yu alone, but is also known as a strong woman in her career.

Her temper is thunderous, and her character is to say no.

Before Su Nan went in, several photos were still in front of Qin Yu like the wind and fell on the ground.

"Look what you have done!"

Qin Yu picked up the photos and took a look, and her face suddenly turned pale.

She hadn't had time to tell Qin mother about this, but unexpectedly, someone had already sent the photos of her and Mo Xian together, and the photos of Mrs. Mo looking for her trouble to Qin mother's hand.

When Su Nan followed her in, she also saw a few fragmented photos.

"Hello, auntie mother."

Seeing that Su Nan had also come, the originally furious Qin's mother's face instantly eased down.

"Su Nan, it's been a long time."

Qin Yu gradually eased up from the shock, she had done one wrong thing, and the subsequent succession was all trouble, but she was ready to face it all.

"Mom, I also wanted to tell you clearly, but it seems that someone has short-changed me, I no longer have anything to do with him, I did not know beforehand that he was already married, otherwise I would not have done such a thing.

I have a lot of good men around me, there is no need to fall down my morality for a Mo Xian."

Qin Yu's righteous look made Qin mother give a start, she seemed to be not expecting Qin Yu to be so righteous.

But turning her head to think, according to Qin Yu's temper, she most likely did not know.

**“Has it really been broken clean?”**

Her purpose was just to make Qin Yu die to this married man.

**“Yes.”**

Qin mother looked to Su Nan at the side, **“Is it true what she said?”**

Su Nan nodded, **“Yes, Qin Yu came to the company just to break the cooperation between the Qin family and Mo Xian, you should understand that Qin Yu will not like someone without a bottom line.”**

Qin’s mother was silent for a moment and sighed.

**“I have already unilaterally terminated the cooperation, better as you said, don’t have any involvement in the future, getting into such trouble is simply self-indulgent!”**

Qin Yu bowed her head sarcastically, but she secretly breathed a sigh of relief.

It could be seen that her statement was still useful.

**“However, you can’t delay your matter, it’s too embarrassing for this matter to get out.**

Shen Liang of Shen's group will come back to you for tea in a couple of days, you contact try, unless he has any big mistake, you are not allowed to mention break up with him!"

Qin mother gave Qin Yu a warning glance.

Qin Yu was shocked for a moment and jerked her head up: "Mom ....."

"Don't call me mom, fooling around all day, it's time for you to grow up, the company you don't want to take over, then find a competent person to take over for you.

Only if the union is announced immediately, your reputation in the circle will be preserved!"

Su Nan was listening on the sidelines, Shen Liang was the president of Shen Group, and although she was a bit older than Qin Yu, she was still single.

When she dealt with the Hong Group, Shen Liang also contributed a lot, but he got the delicious is annexed the Hong Group.

A capable and ambitious person.

It seems that Qin's mother is determined to let Qin Yu marry Shen Liang.

Qin Yu had no chance to object.

After Su Nan said goodbye, she went straight to Su's Group.

Last time, she helped Qin Yu to get rid of Wei Cheng, this time Shen Liang, she can not help.

Back to the office.

But a moment later, Yu Lou came over and knocked on the door.

“Mr. Su, Miss Wen Xiang wants to see you for a moment?”

Chapter 951

Su Nan was stunned and wondered why Sister Wen Xiang wanted to see her.

But she was already a sister-in-law-to-be, so of course she couldn't put up any airs.

“Please come in.”

Su Nan smiled and watched Wen Xiang walk in generously, gentle and pretty, with a smile that carried her

There is always a magic that makes people can't help but to get close to her, like a spring breeze.

“Sister Wen Xiang, you’re here to look for big brother, right?”

Wen Xiang smiled, “I had a dinner date with him, but I wanted to see you first.”

Su Nan raised her eyebrows and looked at Yu Lou, who nodded and turned to leave.

The two people had never been alone together.

Although Su Nan felt sorry for her and Su Jin because of Qin Yu’s matter, but she was not going to get involved in their relationship.

As long as the elder brother identified the person, she would also respect the same.

“Miss Qin, is she better?”

Su Nan paused and her eyes faintly flashed, “Much better, she has just been discharged from the hospital.”

“I remember when you were better friends at school, she often sent things to Su Jin for you, today it’s chocolates, tomorrow it’s drinks, I’m quite impressed with her.”

Wen Xiang smiled, the smile seemed a bit tolerant and helpless.

Su Nan faintly moved between her eyebrows, she had never asked Qin Yu to send anything to big brother, huh?

Both being women, she immediately understood what Wen Xiang meant.

Wen Xiang must have sensed that Qin Yu was not right for Su Jin.

After all, it was somewhat obvious that she had lost her temper in the morning.

So, she was here to test it out.

Su Nan slightly lowered her eyes, smiled, and did not speak.

Wen Xiang did not hesitate, "Although I know that those things must not have been sent by you to her, you are his own sister, how could you not know that Su Jin does not like snacks and sweet drinks?"

Su Nan didn't say anything, Wen Xiang smiled, "For this reason, I had a big fight with Su Jin, and then when I left the country, I didn't even contact him."

Su Nan looked up sharply, "You left the country because of this?"

"Pretty much, coincidence, but I just want to ask one question, does Qin Yu still like him?"

Wen Xiang smiled with a hint of bitterness, "This little girl is tougher than others, and she knows you."

Su Nan gave her a look, "I cherish this friend, but I have not set them up, that question you want to know the answer to, you can ask her personally."

Wen Xiang raised her eyebrows, "It's too cruel, better forget it."

She also knew that breaking the window paper would be cruel to Qin Yu.

Wen Xiang's character temperament, is absolutely will not let people embarrass.

Su Nan paused, "Sister Wen Xiang, my big brother likes you very much, our whole family likes you very much, so you don't need to worry about other women, much less suffer from loss, we will become a family, don't have worries."

Wen Xiang gave a beat, her pretty features carried a momentary stiffness, then she smiled, sincere from the heart.

"It's me who thought too much, no wonder your big brother loves you the most, Su Nan, I will also love you a lot."

Su Nan smiled, Wen Xiang is not a person with ulterior motives, her worries will let you know and then be dispelled by you, such people are probably the easiest.

There was a knock at the door, and without waiting for Su Nan to speak, someone had already walked in.

Su Jin saw two people sitting there drinking coffee and was a little helpless.

"Wen Xiang, don't disturb Xiao Wu's work, come disturb me ....."

Su Nan choked, speechlessly looking at this love brain big brother, his brain circuit is straighter than Su Qi?
