Chapter 966

Little Miss Haiye nodded with great approval.

A turn, looking at Su Nan has gone to a sofa to sit down, leisurely poured himself a glass of juice.

Do not care about the change in the situation.

It doesn't matter which daughter Yun Yun becomes, Su Nan doesn't even put it in his eyes.

Want to deal with her, there are many ways.

Sun Hao Yang sat on the seat not far from her, watching her movements from time to time, with a silent expression.

Hai Ye decisively ran over and sat next to her.

“You sent her to the mental hospital last time, she came back and ran to my dad crying and screaming, my dad was really bewildered by her, sent her a 30 million dollar house, she somehow not angry”

Su Nan hooked her lips, this thing she is not clear, the president of Xinhai Group is always not to a mistress to her.

After all, we all want to face.

“She was recognized back by this old man, for the cooperation of the two families, it didn’t take long for the rumor to come out to marry my father, this woman is not sick, my mother died so many years, my father’s side of the woman has not broken, but she still wants to get into the house?”

Hai Ye angrily picked up the wine on the table and drank it down.

Su Nan raised an eyebrow, business alliance, is not much better than being a mistress reputation?

Instead of letting the old man know that she approached Xinhai Group for impure purposes, she might as well make up her own show to shape a deep-hearted persona for herself.

Marry him with the water, not only to consolidate her position, but also to help the old man’s business, the old man will dote on her even more.

Three birds with one stone.

Yun Yun is really worthy of being able to mix like a fish in the Xinpu Group, this brain turns quite fast!

Su Nan was thinking, Hai Ye mysteriously nudged her.

“Your male pet ran away!”

Su Nan's eyebrows jumped, stunned by this word.

"Male pet?"

Hai Ye laughed and smiled mysteriously at her, "That difficult actor of domestic violence, why are you good at this?"

"You're an underage student who cares about this?"

Su Nan gritted her back teeth and warned her.

Unfortunately, she didn't listen to Su Nan's warning.

"We all worship you among our classmates, you are simply a model for women, but all the men who appear next to you are your male favorites!"

Su Nan couldn't even pretend to laugh anymore.

Her reputation, had she lost it in the school?

She tried hard and patiently to explain.

"Those are just my friends"

Hai Ye raised her eyes to look at an angle and immediately interrupted her nonsense:.

“Your male pet ran away with that goblin, it must be no good, do you want to go catch the adultery?”

Su Nan looked at her with a dumbfounded expression: “.....”

Hai Ye had dragged her to her feet with a look of excitement:

“Go ah go ah, I’ll take pictures!”

Su Nan helplessly followed, trying not to attract attention.

Sun Hao Yang is indeed no longer in the original seat, Su Nan has been talking to Hai Ye, did not notice him.

Haiye pulled her left and right, leaving the hall, turning through a long corridor, they lightened their steps.

Not far away, the curtains were ruffled by the wind, and two figures could be seen vaguely.

Sun Hao Yang and Yun Yun.

Su Nan narrowed her eyes and smiled coldly in her heart.

This Sun Hao Yang said in the car that he did not know Yun Yun, but now he is meeting in private, is she a fool?

Immediately decided to cancel the contract as soon as we get back, not only cancel the contract, but also make him pay a large amount of money!

Hai Ye had already raised his phone and tuned out the photo mode.

Su Nan quietly went to the side behind the wine cabinet, where he could hear more clearly.

“Su Nan brought you here, which means she still believes in you, Mr. Sun, you have to step up your game!”

Chapter 967

Sun Hao Yang silent, did not speak.

Yun Yun: “As long as you are in the contract period, deliberately give reporters and gossip bloggers mainstream out some handle, such as a trip to Japan to take a picture, such as in the group spit out their Su Group’s products, Su Group is finished!”

Su Nan heart a bad chill.

I really hate to drop this Yun Yun from the floor.

Looking for death!

Sun Hao Yang, who had been silent, finally opened his mouth with a clear voice.

“Su’s group can’t be finished, the first one to be finished is me, do you take me for a fool?”

He is already being shouted at by everyone just because he has been given the name of domestic violence.

If there is any more explosive black material, he will not be able to turn around in this life.

The company’s main business is to provide a wide range of products and services to its customers.

After all, you’re in this circle, you’re also about to be unable to mix, right?”

Yun Yun’s words, really solid.

Sun Hao Yang again silent, did not speak.

Yun Yun thought her words had an effect.

Sun Hao Yang’s indifferent voice suddenly sounded.

“Like this kind of deadly things, you find someone else to do it, in the circle can not mix small things, I turn around if I do not live, you will not help me to end, right?”

Yun Yun’s face changed and her voice became hard.

“Don’t forget who gave you the resources to find a way to get, Su’s group’s resources are so easy to get? How many than your wrist big first-line line waiting in line, to your head

Sun Hao Yang faintly snorted, “I am signed with the Su Group, not with you, you have an enemy with the Su Group, and still want to use their stuff to threaten me?”

I also have nothing to look forward to, if you have the ability, you can save with me ah

After saying that, he laughed mockingly, turned around and left.

Yun Yun was furious behind her, this is the male artist she carefully selected?

A male artist on the verge of retiring from the circle, not even many fans left.

How dare you speak to her so forcefully?

Sun Hao Yang left this place and was bound to pass by the place where Su Nan was.

Behind Su Nan, Hai Ye secretly yanked her clothes, signaling her to hurry up and withdraw!

However, it seems to be too late.

We are so close, the moment we walk, we will be found back, and the sound of footsteps can not be hidden from people.

Sun Hao Yang's face dark cold walk over, the corner of the eye saw Su Nan and Hai Ye, just a slight blush.

Subsequently, he strides away as if nothing had happened, his head did not even turn, as if he had not seen it at all.

How nice that no one poked this embarrassment!

Hai Ye secretly sighed in relief at the side.

Su Nan gave her a funny look, "So afraid to still come?"

Hai Ye raised her eyes and looked at her like an idiot.

Su Nan did not lower her voice.

Yun Yun naturally heard it.

Her face became ugly and she spoke alertly.

“Who’s there?”

Hai Ye tugged her, and Su Nan patted her wrist soothingly, then turned around and walked out.

She quietly leaned against the wine cabinet, a cold smile brewing in her calm eyes.

“Su Su Nan? Why are you here? How long have you been here?”

In her tone, there was a rare hint of panic.

Afraid?

“I’ve been here all along, I just don’t want to disturb your conversation, Miss Yun, haven’t congratulated you on finding your loved ones?”

Yun Yun’s face was wonderful to the extreme.

She gritted her teeth.

“Su Nan, we originally had nothing against each other, it was you who first let the Spiritual Home pick me up, and only then did I want to recruit revenge against you, you should understand, right?”

Chapter 968

Su Nan raised his eyebrows, dealing with their own still want to understand?

What a god-like thinking!

She hooked her lips, "understand."

Yun Yun: "That's good, anyway, Sun Hao Yang also did not agree, we just pretend that nothing happened, in the future are in a circle, or peaceful coexistence is good."

There was a pause of a few seconds.

Outside the music rose, elegant high tone.

The place is quiet and silent, as if frozen.

Su Nan looked at her face and suddenly laughed out loud.

"Miss Yun, I understand your despicable and underhandedness, but in this circle, it is also the rule of the weak and the strong.

You seduced my boyfriend in the first place, and that's how I started to hate you.

But, peaceful coexistence?

You think so!

Cherish the only happiness you have left, because in my territory, you will only be more upset in the future!"

Su Nan laughed meaningfully, looking at Yun Yun's heart like a thousand horses running in panic.

Her place?

She thought that when she arrived at her new home, she could sit on an equal footing with Su Nan?

She thought that in the same circle, Su Nan would not deal with the long-lost daughter of an acquaintance in order to save face, right?

This new identity is the best protection for her.

But she suddenly forgot that this place, is Su Nan's territory.

When Su Nan finished, she turned around with a light smile and walked back with a leisurely posture.

The sound of high heels, crisp and sharp.

One step at a time, like stepping on the tip of Yun Yun's heart.

Hai Ye couldn't wait to catch up, with more admiration and adoration in her expression.

"Su Nan sister, you were really cool just now, and your aura is too strong, that vixen didn't even dare to put a fart in front of you, you're too powerful too!"

Su Nan was speechless at her foul-mouthed behavior on such elegant occasions.

She also could not export a reprimand.

She could only smile perfunctorily.

"Isn't it just a couple of words? You can do it too."

Haiye shook his head with great self-awareness.

"I can't, if I say what you just said, less of a beating."

Su Nan frowned, "That woman still dare to hit you?"

"Of course she did not dare, but she will tell my father, specializing in provoking the relationship between father and daughter outside, my father if I know I dare to say those things about you, that slap on up!"

It seems to have been cleaned up a lot before.

Very experienced well

Su Nan smiled, the hall is full of light, bright lights, she stood there, a knitted brows and a smile seem to freeze down.

“Then you have to be careful.”

Hai Ye was indignant, still unwilling.

After thinking about it, he took out his phone.

“The video taken just now is not much powerful content, but it’s useful for you to keep, do you want it?”

Su Nan thought about it and took out her phone.

“Yes.”

Hai Ye cheerfully added WeChat friends with her.

Then send the video to her.

Su Nan is satisfied to put away the phone, anyway is a handle, do not want for nothing.

She turned to go, Hai Ye caught up: "Su Nan sister, you will not delete me, right?"

"Will not ah"

Hai Ye smiled smugly, "Great, if others know that I have your WeChat, others are going to be envious!"

Su Nan: "....."

Should she be happy?

Su Nan laughed and took the opportunity to slip away.

Almost to the end, Su Nan also felt a little tired.

Sun Hao Yang was waiting for her there, without the slightest impatience.

Just like a beat worker who came out to work, conscientious and would not give his employer a look.

She walked over and her voice was extremely light: "Let's go."

After what just happened, she changed her mind.

Chapter 969

The termination of the contract, or not in a hurry.

Sun Hao Yang's reaction was beyond her expectation and turned out not to be a stupid person.

Then how could a sensible person like him be a domestic abuser?

Su Nan couldn't help but be a little curious.

But she didn't ask.

Sun Hao Yang followed her down the steps, opened his mouth, but spoke.

"Mr. Su, I'm sorry."

Su Nan looked at him, "Sorry for what?"

"I lied to you on my way here, actually I know Yun Yun."

Oh, so this is the matter.

Her face was indifferent, "Then why did you lie to me?"

Sun Hao Yang's tone was low and cold.

"I knew there was a reason for her to get Su's endorsement, and I didn't want to be classified as one with her."

So, he lied to people.

But when he saw Su Nan behind the wine cabinet, his heart was completely cold.

The air was tinged with a hint of coolness.

Su Nan tightened the clothes on her body.

"Got it."

It is estimated that what this person said is true and will not lie.

Her car had arrived at the door.

"Mr. Su, for the sake of I didn't promise her, be merciful when terminating the contract."

He knew very well the power of the legal team of such big groups.

They rarely had a conscience.

Even when their group offered to cancel the contract, the person who ended up losing money became the spokesperson.

Su Nan cocked her head and surveyed him, "Termination of contract?"

"Well, originally did not dare to look forward to this endorsement, but my job now, is to live on this."

He smiled bitterly, tensed up all night cold and aloof, finally at this moment tensed up.

Su Nan's eyes turned, for a moment, before he reacted.

What he meant by that should be, living off the termination fee?

This is too miserable!

Perhaps Su Nan's gaze was too shocking, Sun Hao Yang inclined his head and avoided her gaze.

The time for a man to put down his pride was only a few seconds.

This is his limit.

Su Nan pursed her lips, and her voice was not so cold.

“In view of your honesty, I’ll give you a chance to come to the company tomorrow morning to find me and talk about the contract.”

The next second, Sun Hao Yang looked at her in shock.

One chance?

Su’s group’s opportunity, couldn’t even think about it.

To be honest, when Yun Yun asked him to trap Su’s group, it wasn’t that he hadn’t moved.

It’s just that that fool’s heart is too obvious, just want him to be the scapegoat.

He is still alive in the entertainment industry.

If he really followed Yun Yun’s words, he was afraid that he would die without knowing how to die.

The brain has not yet reacted, Su Nan has turned to leave.

The driver opened the car door for her again, and there seemed to be another person inside the car.

His pace was a beat, did not chase up.

Su Nan bent down and saw Shang Qian, who had merged into the darkness inside.

Even in the cold darkness, his brow bones are gentle, clear and meaningful and warm.

The eyes are full of penetrating, cold and clean.

Su Nan was a little surprised, "How come you're here?"

He was in the car, how long he waited, even his body, all tainted with the car's light fragrance.

Shang Qian looked at her and smiled, reached out and pulled her wrist, making it convenient for her to get into the car.

But Su Nan wore a slim skirt, her legs could not step, just stepped on the car, he was dragged in his arms.

The tip of her nose touched his shoulder, hard, warm and crisp woody fragrance passed into her nose, and she was in a trance for a moment.

He carefully cupped her face, his eyes tinged with urgency.

“Where did you hit?”

It was a gentle tone.

Su Nan smiled, “The nose.”

It’s still a little sore!

Chapter 970

Shang Qian carefully touched her nose on the gentle brow.

Heartache is dead.

But Su Nan pain is fast, go fast.

In a few seconds, it does not hurt anymore.

The driver coughed in front.

“Miss, where to go?”

The two people instantly separated, and only then did they realize that the distance just now seemed a little too close.

Su Nan, who had always been alert, didn't even realize that her safe distance had been shortened.

With some heat on her face, Sunan bit her lower lip to calm herself down.

"Go to the apartment."

Hearing this answer, Shang Qian smiled lightly.

He didn't dwell on her nose and answered her earlier question.

"Little Mike was asleep, so I stopped by to pick you up!"

"By the way?"

Su Nan was surprised, it was clearly the opposite direction.

"Well, by the way."

Well, if you say by the way, then by the way.

The driver rarely opened his mouth to interrupt: "Mr. Shang has been waiting in the car for two hours!"

He went out for a midnight snack, smoked two cigarettes, and came back to see that Shang Qian was sitting there like an ice sculpture, not moving.

Live a handful of years, it was the first time he saw such a man.

Obviously the price is not very high, the door is right, and Miss Su's ex-husband Fu Yechuan is simply two extremes.

Su Nan looked sideways at Shang Qian, "By the way out for two hours?"

Shang Qian contained a smile and glanced at the driver, thanks to the divine assistance of the driver brother!

He naturally looked at Su Nan.

"As long as I come to pick you up, I am not afraid of trouble."

Su Nan breathing tight, fortunately the car lights are dim, otherwise the redness of her ears, can not be hidden.

Sweet words, really good!

"Don't you need to send your male companion back?"

Shang Qian asked extremely kindly.

Su Nan glanced out the window, Sun Hao Yang was on the phone, his face expressionless.

She shook her head, "No, he's off work."

All night, he was doing his job, hard.

Shang Qian raised his eyebrows, he only said it casually, Su Nan wanted to really send him back, he was not very happy about it!

Back to the apartment, Shang Qian also followed in.

Su Nan went in and realized that Little Mike was sleeping on her couch.

Su Nan looked at Shang Qian speechlessly, is this how he treats his son?

Shang Qian vainly touched his nose and gave himself the following excuse.

"Huh, why did he run out of the bedroom?"

Not a clever lie at all, he really has the nerve to say?

Shang Qian whispered to comfort her.

"It's okay, he's a boy, he'll take care of himself."

Su Nan glanced at him, walked to the sofa and reached out to pick up Little Mike.

How could he sleep in the living room?

Shang Qian hurriedly went over and preceded her, not really letting her carry him in and not tiring her arms.

The good thing is that Little Mike was so drowsy that he didn't even notice he was being picked up.

Shangqian blinked at her and said silently with his mouth.

"Rest well!"

Su Nan nodded, and Shang Qian quietly hugged Little Mike and went upstairs.

Their current relationship was not yet to the point where they could live together.

The fact that he could step into her life step by step, Shang Qian was already very satisfied.

Take your time, he is not in a hurry.

Su Nan stretched a lazy back, and went straight to change clothes, soak in the bath and do a mask, and relax properly.

Just immersed in the hot bubble bath, the intelligent butler connected to her phone, and the mechanized female voice spoke, "Master, Qin Yu is calling, do you want to answer?"

Su Nan opened her eyes, and after a pause, her tone carried a hint of laziness: "Answer.

"Answer."

Chapter 971

As soon as Qin Yu's call was answered, her open voice came out.

"Su Nan, don't you know Du Yan? Do me a favor."

Su Nan frowned, usually when she had to use Du Yan, it was about the internet opinion.

"What for?"

Qin Yu splintered and poured beans like opening.

"The company's main business is to provide a wide range of products and services to its customers.

I consider a fart, since I saw his true face, I can't wait to dig out my own eyes, to sacrifice my ghost like!"

Su Nan slightly wrinkled her eyebrows and seriously asked him.

"Then what do you want to do?"

"I'm getting engaged, I'm getting engaged to Shen Liang, and in order to make him selfish, I'm going to announce the engagement to the whole world!"

Su Nan could imagine the look on Qin Yu's face as she gritted her teeth.

"Engaged? So sudden? You should not be impetuous!"

Su Nan advised her that the engagement had become a big deal, and it would not be good for Qin Yu if she regretted it.

Qin Yu was silent for a few seconds.

"Anyway, sooner or later we will have to get engaged, we might as well take the opportunity to get rid of the entanglement, my mother is right, I can do nothing but play, if the company is given to me, it will collapse in less than five years.

I don't have that ability, I know it in my heart, I have to find a man who can take me along with him."

She suddenly got serious, Su Nan paused, "Qin Yu, what's wrong?"

Su Nan's heart always feels all over the place.

Qin Yu shouldn't be the one to go against the grain!

The person on the phone was silent and took a deep breath.

"I've been watching my mom at the company for the past two days, she's really old, and the people under her hands have their own agendas, she has to fight to cope with them, and she has to manage to feed and clothe me.

Now the company's capital gap is growing, my mother told me directly, the Shen family's capital is strong, the only way to make them willing to take money in marriage.

But she didn't want to sell me either, and let me decide for myself.

I think, I should do something

At the end of the sentence, Qin Yu's voice began to lower, flooded with bitterness.

Su Nan's chest choked, "If you are short of money, I still have it here"

"No, I can't be your parasite for life, of course I have to Huo Huo others, and Shen Liang is a good person, is seven or eight years older than me, a little older, but this is also much better than Mo Xian that scum, right?"

Qin Yu's tone pretended to be relaxed, "So, don't worry, and this is only the engagement, if the follow-up is not satisfied, I will not marry.

But the news of this engagement, but also let Du Yan help spread out, the best everyone knows, Qin Yu is going to marry someone!"

Su Nan listened to her words, thinking that there is still a chance, the engagement is just, it is not impulsive.

"Good, since you asked for it, don't worry, tomorrow's headline will be your happy news."

Qin Yu smiled, "I'll send you a few photos later, with pictures more credible."

Su Nan hooked her lips and hung up after talking to her for a few minutes.

She called Du Yan directly and told him the news.

Du Yan: "No problem, all the headlines tomorrow will be Miss Qin Yu!"

Marriages in luxury families are rarely this high profile.

Although the two sides are not celebrities, but the parties behind the power is to occupy half of the mountain.

The most important thing that ordinary people want to know about the marriage of the rich family, will certainly cause a violent sensation.

Su Nan finished cleaning up after herself and went back to bed in peace.
